With reference to the IRO EDS letter No. F.No.4-KRC1468/2023-BAN dated 29-07-2025 and the Nodal Office letter No. E-office file No. KFD/HoFF/A5-4(GFL)/9/2022-FC E-707804 dated 18-08-2025, the following queries have been raised:

1. Uploading of the **KML file** of the forest area proposed for diversion and the CA area in the **e-Green Watch portal**.
2. Submission of a **detailed scheme** for creation and maintenance of plantation of dwarf species in the ROW under the transmission line.

In this regard, we are requesting your good office to take necessary action, since:

2. Preparation and implementation of the plantation scheme falls under the purview of the Forest Department(DCF Koppal) . Moreover, we have already remitted the full **CA amount** to the concerned department, as this transmission line falls under a **linear project**. supporting documents attached for your reference.
3. The proposed forest KML file soft copy will be shared through email to your good office and CA land KML file are already available in Part II in PARIVESH portal.

Thank you for your continued cooperation and support.
