No. WR/WR-Nanded/new line/Land

Dt. 29.12.2022

Technical Officer (gr. II)  
Integrated Regional office  
Ground floor, East wing  
New Secretariat Building  
Civil Lines, Nagpur- 440001

Sub :- Diversion of 1.94 ha of Forest Land in favour of Central Railway, Wardha for construction of Wardha-Nanded New Broad Gauge Railway Line Phase-III passing through Babulgaon in Wardha District in the State of Maharashtra- regarding.

Ref: Your letter No. FC-I/MH-251/2021-NGP/10653 dated 29.11.2022.

As desired, the compliance of following conditions is revised as under.

Condition No	Condition	Undertaking/ compliance
Viii	To improve the forest /tree cover and to reduce pollution in the state, as mandated in national forest policy , 1988 and Environmental ( protection Act) 1986 respectively , the user agency with involvement of joint forest management committee (JFMC) and in consultation with local DCF shall arise at least 5000 seeding of forestry species along with bamboo , fruit, bearing medicinal, ornamental and indigenous /local for 10 years . At least 50% of seeding shall be planted in the vicinity of project area and remaining 50% of seeding shall be distributed among villagers as per choice of villagers. The concerned JFMC shall maintain record of plantation / seedling distribution to villagers.	Railway will arise at least 5000 seedling of forestry species along with bamboo, fruit, bearing medicinal, ornamental and indigenous /local for 10 years with involvement of joint forest management committee (JFMC) and in consultation with local DCF, out of above 50% of seedling will be planted in the vicinity of project area and remaining 50% of seedling will be distributed among villagers as per choice of villagers.
ix	Speed regulating signage will be erected along the Railway line at regular intervals in the protected	This is a small patch of Zudapi Jangle in between farm land with the length of 180 m only , though no speed restriction is possible

	Area/ Forest Areas	for such a small patch , wherever necessary signage will be erected along the Railway line at regular intervals in the protected Area/ Forest Areas.
X	The user agency shall provide suitable under/over pass for safe passage of wild animals at suitable places as per wildlife institute of India's manual entitled "Echo friendly measures to mitigate impacts of liner infrastructure on wild life "published in 2016. A copy of the same shall be submitted along with stage -I compliance report.	Present forest is a zudpi <sup>u</sup> jangle of 180 M length only, as such under/over pass are not possible in such a small area, however if required and if suggested by state Government suitable measures as per suggestion of state Govt. will be taken by Railway.

It is requested to kindly process the proposal for approval under forest (conservation) Act 1980.

(Prashant D. Nellikwar)
