Subject: Compliance of conditions stipulated by the MoEF&CC while granting **stage-1** forest clearance to Navi Mumbai Municipal Corporation for forest diversion proposal of 4.0122 ha Reserved Forest and Un- notified Mangrove Forest in favour of Navi Mumbai Municipal Corporation for construction of proposed Ghansoli to Airoli Creek Bridge at Villages – Ghansoli, Talavali and Dive, Taluka – Navi Mumbai, District – Thane in the State of Maharashtra.

Ref:

- In principle approval (Stage-I) letter F. No. FC-I/MH-260/2022-NGP/10618 Dated 22th Nov. 2022.

Respected Sir,

As per letter quoted at reference 1, Navi Mumbai Municipal Corporation (NMMC) obtained stage – I forest clearance for construction of proposed Ghansoli to Airoli Creek Bridge at Villages – Ghansoli, Talavali and Dive, Taluka – Navi Mumbai, District – Thane in the State of Maharashtra. Twenty-six conditions stipulated by the MoEF&CC while granting **stage-1** forest clearance to Navi Mumbai Municipal Corporation.

We are submitting the compliance report for the conditions obtained by MoEF&CC while granting Stage - I.

Encl. I, II, and III

Thanking You

Sanjay Desai
City Engineer

Navi Mumbai Municipal Corporation

Enclosure I

| Sr. No. | Conditions raised by Forest Department | Compliances by User Agency |
|---------|---|---|
| i. | Legal status of the diverted forest land shall remain unchanged; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-I) . |
| ii. | Forest land will be handed over only after required non-forest land for raising CA is handed over by the User agency | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| iii. | Compensatory Afforestation: | |
| a | Compensatory afforestation shall be taken up by the Forest Department over 4.0122 ha non-forest land in Sur. No. 96/21 at Village- Saravali, Taluka- Dahanu, District- Palghar at the cost of the User Agency. As far as possible, a mixture of local indigenous species along with 10% RET species of Palghar District shall be planted and monoculture of any species may be avoided. At least one water body shall be constructed in the form of tank/ stop dams etc. if the same are not available in the area or in nearby vicinity. Further, if existing tanks/ stop dams are available and needs desilting/ repair, same shall be carried out to meet the water requirement of wild animals throughout the year. | Non-forest land at Sur. No. 96/21 taken from Village- Saravali, Taluka - Dahanu, District- Palghar, while selecting the CA land care was taken to assure presence of water source (Stream) nearby. There is sufficient water available for plantations and wildlife. However, if the need arises, the project proponent respects your condition and the need will be met. |
| b | The non-forest land proposed for CA shall be transferred and mutated in the name of Forest Department and notified as RF/PF prior to Stage-II approval. A copy of the original notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the State Forest Act as the case may be, will be submitted by the State Government prior to Stage-II approval; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| iv. | The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation (NMMC). The funds for raising Compensatory Afforestation have been transferred to Government as per the demand note raised by the Forest Department in accordance with procedure. |

| Sr. No. | Conditions raised by Forest Department | Compliances by User Agency |
|---------|--|---|
| | be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years. | Demand note, Chalan copy, Payment receipt and Parivesh portal screenshot are enclosed as Enclosure 2 (Annexure II). |
| v. | NPV: | |
| a | The State Government shall charge the Net Present Value (NPV) for the 4.0122 ha forest area to be diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (PLI) dated 18/09/2003, letter No. 5-2/2006-FC dated 03/10/2006, letter No. 5-3/2007-FC dated 05/02/2009, letter No. 5-3/2011-FC(Vol-1) dated 06.01.2022 and letter No. 5-3/2011-FC(Vol-1) dated 22.03.2022 in this regard, | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation (NMMC). The funds for raising Compensatory Afforestation have been transferred to Government as per the demand note raised by the Forest Department in accordance with procedure. |
| b | Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect | Demand note, Chalan copy, Payment receipt and Parivesh portal screenshot are enclosed as Enclosure 2 (Annexure II). |
| vi. | User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-III). |
| vii. | All the funds received from the user agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (https://parivesh.nic.in); | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| viii. | The State Government, Maharashtra Nodal Officer (FCA), Maharashtra shall ensure settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act 2006 (No. 2 of 2007) before issuing an order for handing over of forest land to the User Agency as per Rule- 9 (6) (b) (ii) of Forest (Conservation) Rules, | Condition is carefully noted. |

| Sr. No. | Conditions raised by Forest Department | Compliances by User Agency |
|---------|--|---|
| | 2022 dated 28.06.2022 | |
| ix. | As per recommendation of PCCF, Wildlife, User Agency shall carry out bird survey at every 8 monthly intervals in consultation with APCCF, Mangrove Cell, Mumbai and all recommendation based on the observations made in bird survey shall be implemented by the User Agency or by the State Government at the cost of User Agency. A copy of the bird surveys carried out by the User Agency shall be submitted along with Stage-I compliance report; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Navi Mumbai Municipal Corporation would be appointed suitable agency at the start of construction work for regular monitoring. |
| x. | To improve the Forest/ Tree cover and to reduce pollution in the State, as mandated in National Forest Policy, 1988 and Environmental (Protection) Act, 1986 respectively, the User Agency with involvement of Joint Forest Management Committees (JFMC's) and in consultation with local DCF shall raise at least 5,000 seedlings of forestry species along with bamboo, fruit bearing, medicinal, ornamental and indigenous/local for 10 years. At least 50% of seedlings shall be planted in the vicinity of project area and remaining 50% of seedlings shall be distributed among villagers as per choice of villagers. The concerned JFMC's shall maintain record of plantation/ seedling distribution to villagers; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. The user agency will consult with the Joint Forest Management Committees (JFMC), and cultivate at least 5,000 saplings of bamboo, fruit bearing, medicinal, ornamental and local/native forestry species for 10 years. Undertaking is enclosed in Enclosure 2 (Annexure-V) . |
| xi. | User Agency shall strictly adhere to the conditions mentioned by Creek Flamingo Sanctuary Eco Sensitive Zone Monitoring Committee meeting held on 05.04.2022 and Maharashtra Coastal Zone Management Authority meeting held on 28.06.2022; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| xii. | User Agency shall obtain CRZ clearance before commencement of the project and copy of the same shall be submitted along with Stage-I compliance report; | MCZMA has recommended the proposal to SEIAA For CRZ clearance vide minutes of 159 th MCZMA meeting held on 28 th June 2022. NMMC has applied to SEIAA for obtaining CRZ clearance vide letter no. NMMC/CE/2181/2022 Dated: 15/07/2022. The CRZ clearance received from SEIAA will be submitted to the forest department. Copy of MoM, Acknowledgement |

| Sr. No. | Conditions raised by Forest Department | Compliances by User Agency |
|---------|---|---|
| | | copy and Undertaking is enclosed in Enclosure 3 (Annexure-I, II, III) . |
| xiii. | Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/Forest Areas: | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-VI) . |
| xiv. | The State Government/ User Agency shall take prior permission from Hon'ble High Court for Mangrove cutting before issue of order for diversion of the forest land in accordance with Hon'ble Mumbai High Court order dated 27/1/2010 in PIL 87 of 2006. | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| xv. | User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable. | As per EIA notification 14 sept. 2006 updated till date, Environment Clearance is not required for this project. |
| xvi. | The layout plan of the proposal shall not be changed without prior approval of Central Government. | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-VII) . |
| xvii. | No labour camp shall be established on the forest land. | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. No labour camp shall be established on the forest land. Undertaking is enclosed in Enclosure 2 (Annexure-VIII) . |
| xviii. | Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the laborer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel. | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-IX) . |
| xix. | The boundary of the diverted forest land shall be suitably demarcated or ground at the project cost, as per the directions of the concerned Divisional Forest Officer, | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |

| Sr. No. | Conditions raised by Forest Department | Compliances by User Agency |
|---------|---|---|
| xx. | No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-X) . |
| xxi. | The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| xxii. | The forest land shall not be used for any purpose other than that specified in the project proposal; | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. Undertaking is enclosed in Enclosure 2 (Annexure-XI) . |
| xxiii. | The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India. | Condition is carefully noted and the same is acceptable to the Navi Mumbai Municipal Corporation. |
| xxiv. | Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the MoEF & CC Guideline F. No. 11-42/2017-FC dt 29/01/2018; | Condition is carefully noted. |

Enclosure: III

Annexure: I The proposal recommended to SEIAA, as per MoM of the 159th MCZMA meeting dated 28th June 2022.

Minutes of the 159th (Day 4) meeting of Maharashtra Coastal Zone Management Authority (MCZMA) held on 28th June, 2022

All concern local bodies of coastal districts while submitting the proposals shall take into consideration the following guidelines:

Guidelines:

- 1) Proposals wherein there is pure renovation /repair / minor addition & alteration of existing authorized structure which has necessary approvals from all competent authorities or existing old authorized structures existing prior to 19.02.1991, without increase in FSI, then local body can take decision as per MCZMA circular no. MCZMA/2017/CR 28/TC 4 dated 27.04.2017. No need of MCZMA recommendation for such miscellaneous proposals.
- 2) Proposals wherein new construction on vacant plot OR reconstruction of existing authorized structure is done without prior approval from the competent Authority such cases, will require examination as per Office Memorandum (OM) dated 19th Feb, 2021 issued by MoEF, New Delhi. However, applicability of said OM issued by MoEF, New Delhi is subject to outcome of ongoing High Court matter wherein said OM is challenged and currently stayed.
- 3) The para 6(d) of the CRZ Notification, 2011 stipulates the provision of regularization of dwelling units of the traditional coastal communities including fisherfolk, tribals as were permissible under the provisions of the CRZ notification, 1991, but which have not obtained formal approval from concerned authorities under the aforesaid notification, subject to certain conditions stipulated therein.
- 4) Proposals wherein construction on vacant land or reconstruction of existing authorized structure is proposed, such matters will be examined as per current applicable CRZ Notification, 2011 and approved CZMP, 2011 thereunder. Once the CRZ Notification, 2019 come into effect, the proposals would be examined as per provisions of the CRZ Notification, 2019.

The Authority opined that the above guidelines to be communicated to local bodies of all 7 coastal districts.

Item No. 41: Proposed development of RCC Bridge from Ghansoli to Airoli by Navi Mumbai Municipal Corporation (NMMC).

The Authority noted that the proposal is for development of RCC Bridge from Ghansoli to Airoli by Navi Mumbai Municipal Corporation (NMMC). It involves construction of segmental bridge over length of 3.05 km with 6 lane divided carriageway. It further merges into proposed four Lane Bridge ending

**Minutes of the 159th (Day 4) meeting of Maharashtra Coastal Zone
Management Authority (MCZMA) held on 28th June, 2022**

at chainage 3+050 connecting existing road near sector 14 of Airoli. The road on embankment continues into 6 lane bridge and ends at chainage 2+850 connecting Mulund-Airoli bridge with required interchanges. The project involves construction of bridge in mangrove area along east bank of Thane creek over length of 1.05 km.

As per approved CZMP, the project falls in CRZ -I (A) & II areas. The project involves construction of bridge in mangrove area along east bank of Thane creek over length of 1.05 km. As per approved CZMP, the project falls in CRZ -I (A) & II areas. The PP has submitted the Rapid EIA / EMP for the project. The PP presented that appropriate measure are planned in order to minimize the impact of the project on marine ecology, mangrove and flamingos in the airoli creek.

The proposal was earlier deliberated in 152nd, 154th and 158th meeting of MCZMA held on 16.02.2021, 15.04.2021 and 25.5.2022 respectively.

As per the decision of the MCZMA in the said meetings, reports were received from the NMMC and Mangroves Cell.

1) NMMC Report:-

The NMMC vide letter dated 17.2.2021 submitted its report. The report states as follows:

Temporary impact: The total 15 m of ROW will be required for construction purpose. Mangroves under this are will be affected temporarily. Permanent Impact: There will be 25 nos of piers for which the mangrove will be affected permanently.

| | Mangrove area (Sqm) | Nos of mangrove |
|------------------|------------------------|-----------------|
| Temporary impact | 10,125 | 2640 |
| Permanent Impact | 2025 | 810 |
| Total | 12150 | 3540 |

- a) The embankment was a part of CIDCO development for sector 10A of Airoli or peripheral road. It is understood that this was done 20 years back.

2) Mangrove Cell Report:

The Mangrove cell vide letter dated 26.03.2021 submitted its report. As per the report, the site visit was done at proposed site on 08.03.2021 & following observation was made during the site visit.

Minutes of the 159th (Day 4) meeting of Maharashtra Coastal Zone Management Authority (MCZMA) held on 28th June, 2022

- 1) The proposed bridge is constructed from Ghansoli sector 14 to sector 10 A and the GPS regarding are.
 - 19 07 32.63N 72 59 20.88E (Ghansoli)
 - 19 09 3.16N 72 59 11.93E (Airoli)
- 2) The proposed bridge is passing through Reserve Forest (Mangrove) villages Dive survey no. 150A, Talvali survey no. 195, Navi Mumbai survey no. 184 and Ghansoli survey no. 109. Approximately 4ha. forest area will be affected due to the proposed project.
 - Total number of mangroves affected will be approximately 5,500 to 6000 trees which fall in the alignment of the proposed bridge. However, approximately 1000 mangroves will be cut for the purpose of construction of piers (25 numbers).
 - Part of bridge and embankment is passing through 50m buffer zone of Reserve mangrove forest (Dive village S. N. 150A)
 - As the proposed project is an important public infra project to improve connectivity in Navi Mumbai region, it is recommended by the mangrove cell on the condition that PP has to obtain necessary permission under FCA 1980 and also from the Hon'ble High Court.

The Authority in the earlier meetings noted that as per the report of the mangrove cell, total number of mangroves affected will be approximately 5,500 to 6000 trees which fall in the alignment of the proposed bridge. However, approximately 1000 mangroves will be cut for the purpose of construction of piers. Taking into the order dated 18th Sep, 2018 in PIL 87/2006 by Hon'ble High Court, which bars the construction in mangroves area except in public interest project, the Authority after deliberation decided that NMMC need to submit the explicit note on the public interest involved in the project to the MCZMA. Accordingly, the matter was deferred for the want of above said information from the NMMC. Accordingly, the NMMC vide letter dated 15.04.2021 submitted a note. Further, following the decision of the MCZMA in its 158th meeting, the NMMC vide letter dated 13.6.2022 submitted the mangrove plantation plan.

The Authority discussed that the PP should make active efforts to minimize impact on mangroves in order to have lesser temporary loss of mangroves during construction phase of the activity. Mangroves cutting should be restricted to bare minimum. Spacing between pillars of bridge should be designed in such a way that it will have minimum footprint in the mangroves area. Adequate Culverts/ channels should be provided at appropriate locations while constructing approach road so as to ensure the free movement of the tidal water in the mangrove vegetation.

Member Secretary

Page 41 of 43

Chairperson

**Minutes of the 159th (Day 4) meeting of Maharashtra Coastal Zone
Management Authority (MCZMA) held on 28th June, 2022**

The Authority noted that as per para 8.I. CRZ I (ii) (g) of the CRZ Notification, 2011, construction of roads on stilts or pillars without affecting the tidal flow of water is a permissible activity.

Further, as per amended CRZ Notification dated 28th November, 2014 published by MoEF, For the projects specified under 4(i)(except with respect to item (d) thereof relating to building projects with less than 20,000 sqm of built up area) and for the projects not attracting EIA Notification, 2006, clearance from SEIAA is required based on the recommendation from MCZMA.

In the light of above, the Authority after detailed discussion and deliberation decided to recommend the proposal to SEIAA subject to strict compliance of following conditions:

1. The proposed Ghansoli to Airoli Bridge should be carried out strictly as per the provisions of CRZ Notification, 2011 as amended from time to time and with a commitment of protection and conservation of coastal environment.
2. PP should strictly ensure that mangroves cutting should be restricted to bare minimum. Spacing between pillars of bridge should be designed in such a way that it will have minimum footprint in the mangroves area. Adequate Culverts/ channels should be provided at appropriate locations while constructing approach road so as to ensure the free movement of the tidal water in the mangrove vegetation
3. PP should make active efforts to minimize impact on mangroves in order to have lesser temporary loss of mangroves during construction phase of the activity.
4. PP to obtain the prior High Court permission since, the project involve cutting of the mangroves.
5. PP to obtain the Forest clearance under Forest (Conservation) Act, 1980.
6. PP to obtain the NoC from the mangrove cell. Compensatory afforestation of the mangroves should be carried out with the help of the Forest Department.
7. Construction debris and dredged material should not be disposed of in the mangrove area & creek water to avoid any adverse impact on mangroves and marine water quality.
8. Debris generated during the project activity should not be dumped in CRZ area. It should be processed scientifically at a designated place.
9. PP to ensure that best industrial practices should be followed for fire safety measures and for conservation of coastal environment

Management Authority (MCZMA) held on 28th June, 2022*

10. PP to install the Sewage Treatment plant (STP) for the treatment of the waste water treatment.
11. Project proponent should implement Mitigation measures and Environment Management plan as stipulated in the EIA report, effectively and efficiently in letter and spirit during construction and operational phase of the project to ensure that coastal environment is protected.
12. All other required permissions from different statutory authorities should be obtained prior to commencement of work.

Subject: Compliance to the minutes of 159th meeting (Day 4) of MCZMA held on 28th June 2022 for CRZ clearance for proposed construction of bridge from Ghansoli to Airoli by Navi Mumbai Municipal Corporation.

Reference: Minutes of 159th meeting of MCZMA held on 28th June 2022

Respected Madam,

Navi Mumbai Municipal Corporation (NMMC) has proposed the construction of bridge from Ghansoli to Airoli in Navi Mumbai. In this regard the application was submitted to Maharashtra Coastal Zone Management Authority (MCZMA) for obtaining the CRZ clearance.

The proposal for the CRZ clearance to the project was appraised during 152nd, 154th, 158th and 159th meeting of MCZMA held on 16.2.2021, 15.4.2021, 25.5.2022 and 28.6.2022 respectively.

The authority after deliberation in its 159th meeting on 28.6.2022 recommended the proposal to SEIAA for CRZ clearance subject to certain conditions. We are submitting herewith the point wise compliance to the conditions as given below.

1. The proposed Ghansoli to Airoli Bridge should be carried out strictly as per the provisions of CRZ Notification, 2011 as amended from time to time and with a commitment of protection and conservation of coastal environment.

Compliance: The proposed Ghansoli to Airoli bridge will be constructed as per the provisions of the CRZ notification. The mitigation measures along with environment management plan suggested in the EIA report will be followed to minimize the impact on the coastal environment from the construction activities of the project. Also the project proponent will have PMC to monitor overall project including its environmental aspects.

2. PP should strictly ensure that mangroves cutting should be restricted to bare minimum. Spacing between pillars of bridge should be designed in such a way that it will have minimum footprint in the mangroves area. Adequate Culverts/ channels should be provided at appropriate locations while constructing approach road so as to ensure the free movement of the tidal water in the mangrove vegetation.

Compliance: The project requires cutting of 1454 nos. of mangrove trees for the construction of pillars of the bridge. The pillars of the proposed bridge will be spaced at 40-50 m which will ensure the minimum loss of mangrove vegetation. The channels will be provided during construction phase to allow free flow of the tidal water in mangrove vegetation near construction site.

3. PP should make active efforts to minimize impact on mangroves in order to have lesser temporary loss of mangroves during construction phase of the activity.

Compliance: The project design is developed so as to minimize the impact on mangrove. The incremental launch method is proposed to reduce disturbance to the mangrove ecosystem. The pillars of the bridge are spaced at 40-50 m to avoid destruction to large number of mangrove. Also mangrove in the approach path will have temporary impact as the mangrove trees are anticipated to regrow in the area devoid of pillars. Further it will be ensured that the construction waste will be disposed to designated dumping area. The solid waste will be collected and disposed to authorised agency.

4. PP to obtain the prior High Court permission since, the project involve cutting of the mangroves

Compliance: The Hon'ble High Court order dated 18.9.2018 in PIL 87/2006 bars construction in mangrove area except in public interest. The PP has submitted a note to MCZMA pertaining to the public interest involved in the project vide letter dated 15.4.2022. Accordingly prior High Court permission will be obtained.

5. PP to obtain the Forest clearance under Forest (Conservation) Act, 1980.

Compliance: The Forest clearance will be obtained prior to construction of the project. The proposal for Stage-I Forest Clearance has been submitted to Mangrove Conservation Unit, Mumbai on 1.2.2022 and the same is in process for obtaining the Forest clearance.

6. PP to obtain the NoC from the mangrove cell. Compensatory afforestation of the mangroves should be carried out with the help of the Forest Department.

Compliance: The NOC will be obtained from Mangrove cell. The Compensatory Afforestation land has been identified by Forest department at Gut No 96/21 in Saravali Village, Taluka Dahanu, District Palghar. The mangroves may be planted in the density of approximately 4,444 nos./Ha with the help of Forest department.

7. Construction debris and dredged material should not be disposed of in the mangrove area & creek water to avoid any adverse impact on mangroves and marine water quality.

Compliance: The construction debris and dredged material will be disposed to designated authorised disposal site. No debris will be dumped in mangrove area.

8. Debris generated during the project activity should not be dumped in CRZ area. It should be processed scientifically at a designated place.

Compliance: The debris generated during construction activity will be dumped at designated dumping site through authorised agency. Construction debris will not be

dumped into CRZ area.

9. PP to ensure that best industrial practices should be followed for fire safety measures and for conservation of coastal environment

Compliance: Necessary measures will be implemented with regards to fire and safety such as avoiding excess fuel storage at construction site, demarcation of construction area etc. Waste management will be practiced at site to avoid impact on mangrove and associated fauna.

10. PP to install the Sewage Treatment plant (STP) for the treatment of the waste water.

Compliance: The sewage generated from construction labour will not be discharged into mangrove area. Modular STP will be installed during construction phase for treatment of waste water generated by labour.

11. Project proponent should implement Mitigation measures and Environment Management plan as stipulated in the EIA report, effectively and efficiently in letter and spirit during construction and operational phase of the project to ensure that coastal environment is protected.

Compliance: The mitigation measures and environment management plan provided in the EIA report will be implemented during construction as well as operation phase for the protection of the coastal environment within project surrounding.

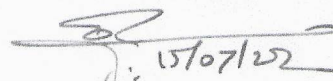

12. All other required permissions from different statutory authorities should be obtained prior to commencement of work.

Compliance: All the statutory permissions will be obtained prior to start of the construction process.

With regards to the above compliance to the conditions given by MCZMA we request you to kindly consider the proposal in next SEIAA meeting and grant us the CRZ clearance.

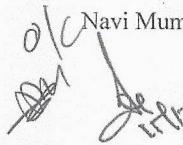

Thanking you!

Yours faithfully,

 15/07/22

(Abhijit Bangar)
Commissioner

Navi Mumbai Municipal Corporation

Annexure: III

Undertaking for submission of CRZ clearance

This is to state that, Navi Mumbai Municipal Corporation (NMMC), who is the Project Proponent, hereby undertake that," Project proponent has obtained recommendation from MCZMA. After that, Project proponent applied to SEIAA for obtaining CRZ clearance. The appraisal by SEIAA is awaited. The CRZ clearance received from SEIAA will be submitted to the forest department"
