Point wise compliance of Stage I clearance/In-Principle approval issued vide letter no 8-67/2002-FCVol. dated 06.09.2021 from MOEF&CC

| Sr. No. | Condition | Compliance |
|-------------|---|--|
| A | Conditions required to be complied prior to handing over of forest land by the state forest department and compliance is to be submitted prior to stage –II approval | |
| i. | A Comprehensive study will be undertaken regarding the impact of change in both composition of the forest flora & fauna, area Impact, and the health and well-being, including mental health, of the forest-fringe communities. This study should especially assess the impact due to resultant changes in forest-based food, nutrition and drinking water availability/consumption pattern and the institutions of local governance that ensure conservation of forest resources on the overall human health and well-being including mental health need of the forest-fringe communities of the area . A multidisciplinary study shall be commissioned by the User Agency by reputed institutes like AIIMS New Delhi and ICFRE, Dehradun in a collaborative mode within three months of final (stage-II) Approval and shall be completed within maximum 3 years. The outcomes of this study would guide overall planning and management of forests and coal mining in the area respectively by state forest Department and the User Agency. | Agreed for its compliance. |
| ii. | The user agency will submit a detailed proposal seeking approval seeking approval for change in land use plan in case of Nigahi project as well as transfer of areas from Nigahi to Jayant project prior to stage-II approval. | The application has been processed for transfer of 18 Ha forest land from Nigahi Project to the Jayant Project. The land use plan has already been changed while grant of EC . The copy of application and undertaking is enclosed as Annexure-I. |
| iii. | The cost of Compensatory Afforestation at the prevailing wage rates as per Compensatory Afforestation scheme and the cost of survey demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with forest | An Amount Rs 9103837/- against CA to be carried out over 20 Ha degraded forest land with 10 year maintenance cost has been deposited through NEFT /RTGS (Challan) from SBI, Jayant Branch |

| | | |
|--------------|--|--|
| | department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for workers scheduled for works scheduled for subsequent years; | (UTRno SBINR 52021101847365817) on 18/10/2021 to MP CAMPA account no 150766130989594 (IFSC code UBIN0903710) as per demand letter no 2669 dt 22/09/2021 issued from DFO, Singrauli. In additions to the above a DD (DD No 321103 dtd 18/10/2021) of Rs 910384/- has been submitted to DFO, Singrauli as supervision cost for CA area. Total payment made is Rs 10014221/- against CA. Details of payment made are also enclosed at Annex- II . |
| iv. | The state government shall charge the Net present value (NPV) for the 7.448 Ha forest area to be diverted under this proposal from the User Agency as per the orders of the Hon'ble supreme court of the India dated 30/10/2002 01/08/2003, 28/03/200 ,24/04/2008 and 09/05/2008 in IA No 566 in WP (C) No. 202/1995 and as per guidelines issued by the ministry vide letter No.5-1/1998-FC pt(II) dated 18/09/2003 as well as letter No. 5-2/2006-FC dated 03/10/2006 and 5-3/2007-C dated 05/02/2009 in this regard; | An Amount Rs 4662448/- against NPV has been deposited though NEFT/RTGS(Challan) from SBI, SBI, Jayant Branch (UTR no SBINR 52021101847365817) on 18/10/2021 to MP CAMPA account no 150766130989594 (IFSC code UBIN0903710) as per demand letter no 2669 dt 22/09/2021 issued from DFO, Singrauli. Details of payment made are also enclosed at Annex- III . |
| v. | The cost of felling of trees shall be deposited by the user agency with the STATE forest Department; | It is agreed to pay the amount as per the demand to be raised by the DFO, Singrauli and undertaking is enclosed as Annex- IV |
| vi. | The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District collector. | NOC issued by the Collector, Singrauli under FRA, 2006 is enclosed as Annexure -V . |
| vii. | All the funds received from the user agency under the project shall be transferred/ deposited in CAMPA account only through e-portal (https://parivaesh.nic. In/). Amount deposited through other modes will not be accepted as compliance of the stage- I clearance. | The amount of Rs 13766285/- has been deposited as cost of NPV and CA in the CAMPA account. |
| viii. | The state government shall upload the KML files of the area under diversion and the | KML file of the 7.448 ha diverted forest land and 20 ha degraded |

| | accepted area for raising compensatory afforestation in the E-Green Watch portal of FSI , before handing over forest land to the user agency. | forest land for CA is attached herewith in the CD for needful action. |
|----------------|--|--|
| ix. | The compliance report shall be uploaded [on e-portal` (https://parivaesh.nic.In/) | The compliance report is uploaded on e-portal (https://parivaesh.nic.In/) by Jayant Project. |
| B | Conditions required to be complied after handing over of forest land by to the user agency. Compliance in the form of undertaking shall be submitted and compliance is to be submitted prior to stage –II approval. | |
| Sr. No. | Condition | Compliance |
| i. | Legal Status of the diverted forest land shall remain unchanged. | Agreed for its compliance. |
| ii. | Compensatory afforestation shall be taken up by the Forest Department over 20.00 ha. Degraded forest land (Compartment no. PF – 672, Range- west Sarai, Division – Singrauli) at the cost of the User Agency. As far as practicable a mixture of local indigenous species will be planted and monoculture of a species has to be avoided. | Agreed for its compliance. Cost of CA has been deposited in CAMPA account. |
| iii. | Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency Shall furnish an undertaking to this effect. | Undertaking in this regard is enclosed as Annex- B(iii). |
| iv. | User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department. | Undertaking in this regard is enclosed aa Annex- B(iv). |
| v. | User agency shall raise strip plantation on both side and central verge of the road as per the IRC norms; | Undertaking in this regard is enclosed aa Annex- B(v). |
| vi. | Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/ Forest Areas. | Agreed for its compliance. Undertaking in this regard is enclosed aa Annex- B(vi). |

| | | |
|-------|--|--|
| vii. | The user agency shall provide suitable under/ over pass in Protected Area/ Forest Area as per recommendations of CWLW/ NBWL/ FAC. | Agreed for its compliance. Undertaking is enclosed at Annex- B(vii). |
| viii. | User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable | AGREED. Undertaking is enclosed as Annex- B(viii). The EC letter for Expansion of Jayant Opencast Project (25 MTPA) has been issued vide letter no. J-11015/12/2017-IA-II(M) dtd. 29.08.2018. The copy of letters are enclosed as Annex- VI. |
| ix. | The Layout plan of the proposal shall not be changed without prior approval of Central Government . | The layout plan of the proposal will not change without prior approval of the Central Government . Undertaking is enclosed as Annex- B(ix). |
| x. | No labour camp shall be established on the forest land | No labour camp shall be established in the said forest land. Undertaking is enclosed as Annex- B(x). |
| xi. | Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel. | All the labourers & staff working at Jayant project have been provided with the LPG connection to avoid any damage and pressure on the nearby forest areas. Undertaking is enclosed at Annex- B(xi). |
| xii. | The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer. | Agreed for its compliance and Undertaking is enclosed as Annex- B(xii). |
| xiii. | No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work; | Agreed and Undertaking is enclosed as Annex- B(xiii). |
| xiv. | The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less; | Agreed and Undertaking is enclosed as Annex- B(xiv). |
| xv. | The Forest land shall not be used for any purpose other than that specified in the project proposal. | Agreed and Undertaking is enclosed as Annex- B(xv). |

| | | |
|--------|--|---|
| xvi. | The forest land proposed to be diverted shall under no circumstance be transferred to any other agencies, department or person without prior approval of Govt. of India. | Agreed for its compliance and Undertaking is enclosed as Annex-B(xvi). |
| xvii. | The User Agency and the State Government shall ensure compliance of all the Court orders, provisions, rules, regulations and guidelines for the time being in force as applicable to the project. | Agreed for its compliance and Undertaking is enclosed as Annex-B(xvii). |
| xviii. | Violation of any of these conditions will amount to violation of Forest (Conversation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of the Forest (Conversation) Act, 1980 as issued by this Ministry's letter No. 5-2/2017-FC dated 28.03.2019 | Agreed for its compliance and Undertaking is enclosed as Annex-B(xviii). |
| xix. | Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forest & wildlife. | Any other conditions stipulated by the Ministry of Environment, Forests & Climate Change, GOI shall be complied by the Project. Undertaking is enclosed as Annex- B(xix). |

Govt. of Madhya Pradesh

Satpura Bhawan

Bhopal- 462004

Sub : Application for transfer of diverted 18.00 Ha Forest Area from Nigahi Opencast Project of M/s Northern Coalfields Limited to Jayant Opencast Project of M/s Northern Coalfields Limited

Ref: (i) MoEF's F.No. 8-26/2015-FC dated 12.04.2018 (Stage- I FC dated 13.09.2017 and Stage- II FC dated 12.04.2018 for diversion of 424.517 Ha Forest Land for mining of coal in Nigahi OCP)

(ii) MoEF's F.No. 8-67/2002-FC Vol. dated 06.09.2021 (Stage- I FC for diversion of 7.448 Ha Forest Land for construction of new coal transportation road by Jayant OCP)

Respected Sir,

With reference to above subject matter and letters under reference (copy enclosed as **Annexure-I and II**), this is to submit that 424.517 Ha Forest Land has been diverted in favour of M/s Northern Coalfields Limited for mining of coal in Nigahi Opencast Project. Out of above 424.517 Ha Forest Land, **18.00 Ha Forest Land is required to be transferred to the adjoining Jayant Opencast Project of the same company i.e., M/s Northern Coalfields Limited.**

As per the EC granted for 18.75 MTPA (amendment), vide MoEF&CC's file no. J-11015/79/2013-IA.II dated 12.10.2018 (copy enclosed as **Annexure - III**) and subsequently as per the existing EC of 21.00 MTPA, vide MoEF&CC's file no. J-11015/79/2013-IA.II(M) dated 03.02.2020 (copy enclosed as **Annexure - IV**), land use plan of Nigahi OCP excludes above 18.00 Ha Forest Land to merge the same with the adjoining Jayant Opencast Project.

Stage-I FC has been issued to the Jayant Opencast Project of M/s Northern Coalfields Limited, vide MoEF's F.No. 8-67/2002-FC Vol. dated 06.09.2021 (copy enclosed as **Annexure-V**), for diversion of 7.448 Ha Reserved Forest Land for construction of new coal transportation road from Jayant to Morwa Railway Siding. Condition no.- (ii) of above FC states, **"The user agency will submit a detailed proposal seeking approval for change in land use plan in case of Nigahi Project, as well as transfer of areas from Nigahi to Jayant Project prior to Stage-II approval".**

In view of the above, it is requested to kindly transfer the 18.00 Ha Forest Area from Nigahi Opencast Project to the adjoining Jayant Opencast Project of the same company i.e., M/s Northern Coalfields Limited, in line with the transfer of the same land from the Environment Division of MoEF&CC. Jayant Opencast Project has submitted an undertaking for transfer and compliance of conditions of FC of above 18.00 Ha Forest Land, a copy of which is enclosed herewith as **Annexure – VI**.

Further, it may kindly be noted that process of NPV and CA has already been completed for the entire 424.517 Ha Forest Land by Nigahi OCP, a copy of supporting documents is enclosed herewith as **Annexure – VII**.

After excluding 18.00 Ha Forest Area from Nigahi OCP, revised land use plan of Nigahi OCP may be considered as per the EC granted for 18.75 MTPA (amendment), vide MoEF&CC's file no. J-11015/79/2013-IA.II dated 12.10.2018 (copy enclosed as **Annexure – III**) and subsequently as per the existing EC of 21.00 MTPA, vide MoEF&CC's file no. J-11015/79/2013-IA.II(M) dated 03.02.2020 (copy enclosed as **Annexure – IV**). Brief details of above land use plan are as given below :

| S.No. | Land Use | Area (Ha) |
|-------|--|----------------|
| 1. | Forest Land (including Revenue Forest Land of 38.517 Ha) | 1280.517 |
| 2. | Government Land | 209.00 |
| 3. | Tenancy Land | 1528.883 |
| | Total | 3018.40 |

In view of the above, it is requested to kindly consider the proposal for transfer of diverted 18.00 Ha Forest Area from Nigahi Opencast Project of M/s Northern Coalfields Limited to Jayant Opencast Project of M/s Northern Coalfields Limited as well as change in the land use plan of Nigahi Opencast Project. In this regard a letter was also written by the Director (Tech/P&P), NCL vide letter no NCL/D(T/P&P)/F-7498/2018/7498 dated 26.06.2018 (copy enclosed as **Annexure – VIII**).

Enclosure : Annexure I to VIII

Undertaking for payment of cost of felling of trees

It is certified that the Jayant project is agree to pay the cost involved for felling of trees as per demand to be raised by the Divisional Forest Officer, Singrauli.

This is issued in the compliance of point no A (v) of Stage – I FC letter dated 06.09.2021 for diversion of 7.448 ha forest land.

Government of Madhya Pradesh

Office of the District Collector SINGRAULI

No. 20/FRA/TRIBAL/2019

SINGRAULI Dated. 28.03.19

TO WHOM SO EVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No. 11-9/98-FC (pt.) dated 3rd August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (FRA, for short) of the forest land proposed to be diverted for non-forest purposes. it is certified that 10.598 Hectares of forest land proposed to be diverted in favour of GENERAL MANAGER NORTHAN COAL INDIA JAYANT PROJECT dist- Singrauli of (Tansen Ward Village – medhauli) in compartment no RF 273, RF 274

It is further certified that:

- (a) The complete process for identification and settlement of rights under the FRA has been carried out for the entire 10.598 hectares of forest land proposed for diversion. A copy of records of all consultation and meetings of the Forest Rights Committees(s), MOHALLA SABHA Sub-Division Level Forest Rights Committee, SINGRAULI are enclosed as annexure 1 (1-9) to annexure 2.(1-4)
- (b) The proposal for such diversion (with full details of the project and its implications in vernacular / local language) have been placed before each concerned gram Sabha of forest-dwellers, who are eligible under the FRA.
- (c) The each of concerned gram Sabha(s), has certified that all formalities / processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measure if any, having understood the purpose and the details for proposed diversion. A copy of certificate issued by the Mohalla sabha of (Tansen Ward Village – medhauli) Sub-Division Level Forest Rights Committee, SINGRAULI, District level Forest Rights Committee, Singrauli and is enclosed annexure 3 (1-49) to annexure 4.(1)
- (d) The discussion and decisions on such proposals had taken place only when There was a quorum of minimum 50% of the Members of Gram Sabha presence,
- (e) The diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Gram Sabhas have given their consent to it,
- (f) The rights of Primitive Tribal Groups and Pre-Agricultural Communities, where applicable have been specifically safeguarded as per section 3 (1) (e) of the FRA.

Encl.As above.

Sub: Expansion of Jayant Opencast Coal Mining project from 15.5 MTPA to 25 MTPA in an area of 3177.171 ha of M/s Northern Coalfields Limited located in District Singrauli (Madhya Pradesh) - Environmental Clearance - reg.

Sir,

This has reference to your letter No.Jnt/Env/EC/18/ dated 11th April, 2018 along with online proposal No.IA/MP/CMIN/62083/2017, and subsequent letters dated 7th May, 17th May, 22nd June & 28th June, 2018 on the above mentioned subject.

2. The Ministry of Environment, Forest and Climate Change has considered the proposal for environmental clearance to the expansion of Jayant Opencast Coal Mining project from 15.5 MTPA to 25 MTPA of M/s Northern Coalfields Limited in an area of 3177.171 ha located in District Singrauli (Madhya Pradesh).

3. The proposal was considered by the Expert Appraisal Committee (EAC) in the Ministry for Thermal & Coal Mining Sector in its 30th meeting held on 17-18 May, 2018 and 32nd meeting held on 28th June, 2018. The details of the project, as per the documents submitted by the project proponent, and also as informed during the meeting, are reported to be as under:-

- (i) The project with its capacity of 15.5 MTPA in the mine lease area of 2704 ha was earlier granted EC vide letter dated 10th December, 2008.
- (ii) ToR for the proposed expansion project was granted vide letter dated 15th June, 2017.
- (iii) The latitudes and longitudes of the project are 24°06'26.08" N to 24°11'40.86" N and 82°38'2.01" E to 82°40'55.64" respectively.
- (iv) Joint Venture: No joint venture.
- (v) Coal Linkage: Singrauli Super Thermal Power Station (SSTPS) of NTPC through their own MGR system and other thermal power stations of the nation and other consumers by Public Railways System.
- (vi) Employment generated/to be generated: 2690 (Sanctioned manpower as per EPR-option -II) Present Manpower is 2078 as on 31.05.2018.
- (vii) Benefits of the project: The project will supply planned quantity of coal to Singrauli Super Thermal Power Station (SSTPS) of NTPC, other thermal power stations of the nation and other consumers, thus meeting the energy requirement of the country.

ck

(viii) The land usage of the project will be as follows:

Pre Mining:

| S. No. | Land Use | Within ML Area (ha) | Outside ML Area (ha) | Total |
|--------------|----------------------------------|---------------------|----------------------|-----------------|
| 1. | Tenancy Land (Agricultural land) | 1481.54 | NIL | 1481.54 |
| 2. | Forest Land | 1180.171 | NIL | 1180.171 |
| 3. | Waste Land | - | NIL | - |
| 4. | Grazing Land | - | NIL | - |
| 5. | Surface Water Bodies | - | NIL | - |
| 6. | Settlements | - | NIL | - |
| 7. | Others (Government land) | 515.46 | NIL | 515.46 |
| Total | | 3177.171 | NIL | 3177.171 |

Post Mining:

| S. No. | Land use during Mining Operation | Land Use (ha) | | | | |
|--------------|---|--|---------------|---------------|----------|-----------------|
| | | Plantation | Water Body | Public Use | Others | Total |
| 1. | External OB Dump | 118.65 | - | - | - | 118.65 |
| 2. | Top Soil Dump | Top soil will be completely used in reclamation of dumps | | | | |
| 3. | Excavation | 1589.00 | 251.00 | - | - | 1840.00 |
| 4. | Roads and Railways | 96.75 | - | - | - | 96.75 |
| 5. | Built up area (Infrastructure & colony) | 82.00 | - | 261.90 | - | 343.90 |
| 6. | Green Belt | 93.30 | - | - | - | 93.30 |
| 7. | Undisturbed Area (Safety Zone, Waste land, vacant land and Mudwani dam) | 625.371 | 59.20 | - | - | 684.571 |
| Total | | 2605.071 | 310.20 | 261.90 | - | 3177.171 |

- (ix) Total net geological reserve is 305.50 MT. The mineable reserve is 282.71 MT and extractable reserve is 282.71MT (figures as on 31.03.2018) with the % extraction as 92.54%.
- (x) The average product mix coal grade of all the seams is G-10. The stripping ratio is 2.96 cum/tonne as on 31.03.2018. The average gradient varies from 2° to 4°. Thickness of all the three seams occurring in the ML area is tabulated as under:-

| S. No. | Coal Seam | Thickness (m) | |
|--------|---------------|---------------|-------|
| | | From | To |
| 1. | Purewa Top | 4.00 | 13.07 |
| 2. | Purewa Bottom | 8.69 | 18.54 |
| 3. | Turra | 13.90 | 23.61 |

- (xi) Total estimated water requirement is 11654 cum/day. The level of ground water ranges from 0.24 m to 18.50 m below ground level.
- (xii) The method of mining would be opencast mining deploying dragline and shovel-dumper.
- (xiii) There are two external OB dumps with quantity of 60 Mcum in an area of 118.65 ha with height of 90 meter above the surface level and two internal dumps with quantity of 1758.58 Mcum in an area of 1589 ha.
- (xiv) The final mine void would be in 251.0 ha with depth varying from 30 to 40 m and the total quarry area is 1840 ha. Backfilled quarry area of 1589 ha shall be reclaimed with plantation. Proposed void shall be converted into a water body.
- (xv) The life of mine is 16 years (Balance life as on 1.04.2018).
- (xvi) Coal transportation in pit: from mine pit to crusher by rear dumpers/tippers; Surface to Siding: By belt conveyors from CHP and through tippers; Siding to loading point: By automatic loading system through Silo.
- (xvii) There is R & R involved. There is 1599 number of PAFs.
- (xviii) Cost: Total capital cost of the project is Rs. 2725.66 crores (including 942.57 crores of existing 10MTPA project). CSR Cost is Rs. 2/- per tonne of coal production. R&R Cost is Rs. 753.94 crores. Environmental Management Cost is Rs. 355.57 crore (Capital as per EPR'16).
- (xix) Approvals:
- Date of approval of EPR from NCL board – 1st march 2016 communicated vide letter No. NCL/Board/08 (202)/19 dated 9th April, 2016 and from CIL board – 2nd may 2017 communicated vide letter No. CIL/XI (D)/04112/2017/17160 dated 16.05.2017.
 - Date of approval of Mine Closure Plan: Mine Closure Plan is an integral part of EPR, and is approved on 2nd May, 2017 by CIL board.
 - Revised Mine Closure Plan (incorporating 3177.171 ha of land) was approved approved by NCL Board in its 229th meeting held on 21st June, 2018.
 - Application for renewal/NOC for ground water clearance has been processed for enhanced production capacity of 25 MTPA on 13.07.2017 (offline) and again on 24.05.2018 online as per directives of CGWA. (Application No- 21-4/649/MP/MIN/2018).
- (xx) Wildlife issues: No National Parks, Wildlife Sanctuaries, Biosphere Reserves are located in the 10 km buffer zone.
- (xxi) Total forest area involved is 1180.171 ha (including safety zone and all types of forest land). Forest Clearance has been obtained for the same.
- (xxii) Total afforestation plan shall be implemented covering an area of 2605.071ha at the end of mining. Proposed density of tree plantation is 2500 is trees/ha.
- (xxiii) There is one court case pending with the project proponent.
- (xxiv) The public hearing was held on 13th December, 2017 for expansion capacity of 25 MTPA. The issues raised during the public hearing included rehabilitation & employment of oustees, social & economical problem of oustees and affected population like availability of drinking water, electricity and employment.
- (xxv) The monitoring report on compliance status of the conditions stipulated in the EC dated 10th December, 2008, corrected on 15th April, 2009, was forwarded to the Ministry by the Regional Office at Bhopal vide their letter dated 25th November, 2016. Action taken report submitted earlier by the project proponent, was discussed in the EAC meeting held on 31st May, 2017 while considering the proposal for ToR to the project.
- (xxvi) The baseline data has been generated for pre-monsoon season for the period 15th March, 2016 to 15th June, 2016 and all the air, water, noise and other parameters were found to be within permissible limit.
- 86

4. The sectoral Expert Appraisal Committee in its 32nd meeting held on 28th June, 2018 has recommended the project for grant of environmental clearance. Based on recommendations of the EAC, the Ministry of Environment, Forest and Climate Change hereby accords environmental clearance to the **expansion of Jayant Opencast Coal Mining project from 15.5 MTPA to 25 MTPA of M/s Northern Coalfields Limited located in an area of 3177.171 ha in District Singrauli (Madhya Pradesh)**, under the provisions of the Environment Impact Assessment Notification, 2006 and subsequent amendments/circulars thereto subject to the compliance of the terms & conditions and environmental safeguards as under:-

- (i) To control the dust production at source, crusher and in-pit belt conveyors shall be provided with mist type sprinklers.
- (ii) Mitigative measures shall be undertaken to control dust and other fugitive emissions all along the roads by providing sufficient numbers of water sprinklers. Adequate corrective measures shall be undertaken to control dust emissions as presented before the Committee, which would include mechanized sweeping, water sprinkling/mist spraying on haul roads and loading sites, long range misting/fogging arrangement, wind barrier wall and vertical greenery system, green belt, dust suppression arrangement at railway siding, etc.
- (iii) Persons of nearby villages shall be given training on livelihood and skill development to make them employable.
- (iv) To ensure health and welfare of nearby villages, regular medical camps shall be organized at least once in six months.
- (v) Thick green belt of adequate width in the down wind direction of the project site shall be developed to mitigate/check the dust pollution. Plantation plan shall be prepared in consultation with the State Forest Department.

4.1 The grant of environmental clearance is further subject to compliance of the generic conditions as under:

(a) Mining

- (i) Mining shall be carried out under strict adherence to provisions of the Mines Act 1952 and subordinate legislations made there-under as applicable.
- (ii) No change in mining method, calendar programme and scope of work shall be made without obtaining prior approval of the Ministry of Environment, Forest and Climate Change.
- (iii) Mining shall be carried out as per the approved mining plan including Mine Closure Plan, abiding by mining laws related to coal mining and the relevant circulars issued by Directorate General Mines Safety (DGMS).
- (iv) No mining shall be carried out in forest land without obtaining Forestry Clearance as per Forest (Conservation) Act, 1980 and also adhering to The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 read with provisions of Indian Forest Act, 1927.

(b) Land reclamation and water conservation

- (i) Digital Survey of entire lease hold area/core zone using Satellite Remote Sensing survey shall be carried out at least once in three years for monitoring land use pattern and report in 1:50,000 scale shall be submitted to Ministry of Environment, Forest and Climate Change/Regional Office (RO).

skl

(ii) The surface drainage plan including surface water conservation plan for the area of influence affected by the said mining operations, considering the presence of river/rivulet/pond/lake etc, shall be prepared and implemented by the project proponent. The surface drainage plan and/or any diversion of natural water courses shall be as per the approved Mining Plan/EIA/EMP report and with due approval of the concerned State/Gol Authority. The construction of embankment to prevent any danger against inrush of surface water into the mine should be as per the approved Mining Plan and as per the permission of DGMS.

(iii) The final mine void depth should preferably be as per the approved Mine Closure Plan, and in case it exceeds 40 m, adequate engineering interventions shall be provided for sustenance of aquatic life therein. The remaining area shall be backfilled and covered with thick and alive top soil. Post-mining land be rendered usable for agricultural/forestry purposes and shall be handed over to the respective state government as specified in the guidelines for Preparation of Mine Closure Plan issued by the Ministry of Coal dated 27th August, 2009 and subsequent amendments.

(iv) The entire excavated area, backfilling, external OB dumping (including top soil) and afforestation plan shall be in conformity with the "during mining"/"post mining" land-use pattern, which is an integral part of the approved Mining Plan and the EIA/EMP submitted to this Ministry. Progressive compliance status vis-a-vis the post mining land use pattern shall be submitted to the Ministry of Environment, Forest and Climate Change/Regional Office on six monthly basis.

(v) The top soil shall temporarily be stored at earmarked site(s) only and shall not be kept unutilized for long. The top soil shall be used for land reclamation and plantation purposes. Active OB dumps shall be stabilised with native grass species to prevent erosion and surface run off. The other overburden dumps shall be vegetated with native flora species. The excavated area shall be backfilled and afforested in line with the approved Mine Closure Plan. Monitoring and management of rehabilitated areas shall continue until the vegetation becomes self-sustaining. Compliance status shall be submitted to the Ministry of Environment, Forest and Climate Change/ Regional Office on six monthly basis.

(c) Emissions, effluents, and waste disposal

(i) Transportation of coal, to the extent permitted by road, shall be carried out by covered trucks/conveyors. Effective control measures such as regular water/mist sprinkling/rain gun etc shall be carried out in critical areas prone to air pollution (with higher values of PM₁₀/PM_{2.5}) such as haul road, loading/unloading and transfer points. Fugitive dust emissions from all sources shall be controlled regularly. It shall be ensured that the Ambient Air Quality parameters conform to the norms prescribed by the Central/State Pollution Control Board.

(ii) Greenbelt consisting of 3-tier plantation of width not less than 7.5 m shall be developed all along the mine lease area in a phased manner. The green belt comprising a mix of native species shall be developed all along the major approach/ coal transportation roads.

(iii) The transportation of coal shall be carried out as per the provisions and route proposed in the approved Mining Plan. Transportation of the coal through the existing road passing through any village shall be avoided. In case, it is proposed to construct a 'bypass' road, it should be so constructed so that the impact of sound, dust and accidents could be appropriately mitigated.

SH

- (iv) Vehicular emissions shall be kept under control and regularly monitored. All the vehicles engaged in mining and allied activities shall operate only after obtaining 'PUC' certificate from the authorized pollution testing centres.
- (v) Coal stock pile/crusher/feeder and breaker material transfer points shall invariably be provided with dust suppression system. Belt-conveyors shall be fully covered to avoid air borne dust. Side cladding all along the conveyor gantry should be made to avoid air borne dust. Drills shall be wet operated or fitted with dust extractors.
- (vi) Coal handling plant shall be operated with effective control measures viz. bag filters/water or mist sprinkling system etc to check fugitive emissions from crushing operations, conveyor system, transfer points, etc.
- (vii) Ground water, excluding mine water, shall not be used for mining operations. Rainwater harvesting shall be implemented for conservation and augmentation of ground water resources.
- (viii) Catch/garland drains and siltation ponds of appropriate size shall be constructed around the mine working, coal heaps & OB dumps to prevent run off of water and flow of sediments directly into the river and water bodies. Further, dump material shall be properly consolidated/compacted and accumulation of water over dumps shall be avoided by providing adequate channels for flow of silt into the drains. The drains/ ponds so constructed shall be regularly de-silted particularly before onset of monsoon and maintained properly. Sump capacity should provide adequate retention period to allow proper settling of silt material. The water so collected in the sump shall be utilised for dust suppression measures and green belt development. Dimension of the retaining wall constructed, if any, at the toe of the OB dumps within the mine to check run-off and siltation should be based on the rainfall data. The plantation of native species to be made between toe of the dump and adjacent field/habitation/water bodies.
- (ix) Industrial waste water generated from CHP, workshop and other waste water, shall be properly collected and treated so as to conform to the standards prescribed under the Environment (Protection) Act, 1986 and the Rules made there under, and as amended from time to time. Oil and grease trap shall be installed and maintained fully functional with effluents discharge adhering to the norms. Sewage treatment plant of adequate capacity shall be installed for treatment of domestic waste.
- (x) Adequate groundwater recharge measures shall be taken up for augmentation of ground water. The project authorities shall meet water requirement of nearby village(s) in case the village wells go dry due to dewatering of mine.
- (d) Illumination, noise & vibration**
- (i) Adequate illumination shall be ensured in all mine locations (as per DGMS standards) and monitored weekly. The report on the same shall be submitted to this ministry & its RO on six-monthly basis.
- (ii) Adequate measures shall be taken for control of noise levels below 85 dB(A) in the work environment. Workers engaged in blasting and drilling operations, operation of HEMM, etc shall be provided with personal protective equipments (PPE) like ear plugs/muffs in conformity with the prescribed norms and guidelines in this regard. Adequate awareness programme for users to be conducted. Progress in usage of such accessories to be monitored.

8/10

(iii) Controlled blasting techniques shall be practiced in order to mitigate ground vibrations and fly rocks as per the guidelines prescribed by the DGMS.

(iv) The noise level survey shall be carried out as per the prescribed guidelines to assess noise exposure of the workmen at vulnerable points in the mine premises, and report in this regard shall be submitted to the Ministry/RO on six-monthly basis.

(e) Occupational health & safety

(i) The project proponent shall undertake occupational health survey for initial and periodical medical examination of the workers engaged in the project and maintain records accordingly as per the provisions of the Mines Rules, 1955 and DGMS circulars. Besides regular periodic health check-up, 20% of the workers identified from workforce engaged in active mining operations shall be subjected to health check-up for occupational diseases and hearing impairment, if any.

(ii) Personnel (including outsourcing employees) working in dusty areas shall wear protective respiratory devices and shall also be provided with adequate training and information on safety and health aspects.

(iii) Skill training as per safety norms specified by DGMS shall be provided to all workmen including the outsourcing employees to ensure high safety standards in mines.

(f) Ecosystem and biodiversity conservation

(i) The project proponent shall take all precautionary measures during mining operation for conservation and protection of endangered flora/fauna, if any, spotted/reported in the study area. The Action plan in this regard, if any, shall be prepared and implemented in consultation with the State Forest and Wildlife Department.

(g) Public hearing, R&R and CSR

(i) Implementation of the action plan on the issues raised during the public hearing shall be ensured. The project proponent shall undertake all the tasks/measures as per the action plan submitted with budgetary provisions during the public hearing. Land oustees shall be compensated as per the norms laid down in the R&R policy of the company/State Government/Central Government, as applicable.

(ii) The project proponent shall ensure the expenditure towards socio-economic development in and around the mine, in every financial year as per the Corporate Social Responsibility Policy as per the provisions under Section 135 of the Companies Act, 2013

(iii) The project proponent shall follow the mitigation measures provided in this Ministry's OM No.Z-11013/5712014-IA.I1 (M) dated 29th October, 2014, titled 'Impact of mining activities on habitations-issues related to the mining projects wherein habitations and villages are the part of mine lease areas or habitations and villages are surrounded by the mine lease area'.

(iv) The project proponent shall make necessary alternative arrangements, if grazing land is involved in core zone, in consultation with the State government to provide alternate areas for livestock grazing, if any. In this context, the project proponent shall implement the directions of Hon'ble Supreme Court with regard to acquiring grazing land.

SH

(h) Corporate environment responsibility

(i) The Company shall have a well laid down environment policy duly approved by Board of Directors. The environment policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental or forest norms/conditions. Also, the company shall have a defined system of reporting of non-compliances/violations of environmental norms to the Board of Directors and/or shareholders/stakeholders.

(ii) The project proponent shall comply with the provisions contained in this Ministry's OM dated 1st May, 2018, as applicable, regarding Corporate Environment Responsibility.

(iii) The hierarchical system or Administrative Order of the company to deal with environmental issues and for ensuring compliance with the environmental clearance conditions should be displayed on website of the Company.

(iv) A separate environmental management cell both at the project and company headquarter level, with suitable qualified personnel shall be set-up under the control of a Senior Executive, who will report directly to the Head of the Organization.

(v) Action plan for implementing EMP and environmental conditions shall be prepared and shall be duly approved by competent authority. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Year wise progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six Monthly Compliance Report.

(vi) Self environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.

(i) Statutory Obligations

(i) The environmental clearance shall be subject to orders of Hon'ble Supreme Court of India, Hon'ble High Court, NGT and any other Court of Law from time to time, and as applicable to the project.

(ii) This environmental clearance shall be subject to obtaining wildlife clearance, if applicable, from the Standing Committee of National Board for Wildlife.

(iii) The project proponent shall obtain Consent to Establish/Operate under the Air Act, 1981 and the Water Act, 1974 from the concerned State Pollution Control Board.

(iv) The project proponent shall obtain the necessary permission from the Central Ground Water Authority (CGWA).

(j) Monitoring of project

(i) Adequate ambient air quality monitoring stations shall be established in the core zone as well as in the buffer zone for monitoring of pollutants, namely PM₁₀, PM_{2.5}, SO₂ and NO_x. Location of the stations shall be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive targets in consultation with the State Pollution Control Board. Online ambient air quality monitoring stations may also be installed in

86

addition to the regular monitoring stations as per the requirement and/or in consultation with the SPCB. Monitoring of heavy metals such as Hg, As, Ni, Cd, Cr, etc to be carried out at least once in six months.

(ii) The Ambient Air Quality monitoring in the core zone shall be carried out to ensure the Coal Industry Standards notified vide GSR 742 (E) dated 25.9.2000 and as amended from time to time by the Central Pollution Control Board. Data on ambient air quality and heavy metals such as Hg, As, Ni, Cd, Cr and other monitoring data shall be regularly reported to the Ministry/Regional Office and to the CPCB/SPCB.

(iii) The effluent discharge (mine waste water, workshop effluent) shall be monitored in terms of the parameters notified under the Coal Industry Standards vide GSR 742 (E) dated 25.9.2000 and as amended from time to time by the Central Pollution Control Board.

(iv) The monitoring data shall be uploaded on the company's website and displayed at the project site at a suitable location. The circular No. J-20012/1/2006-IA.11 (M) dated 27.05.2009 issued by Ministry of Environment, Forest and Climate Change shall also be referred in this regard for its compliance.

(v) Regular monitoring of ground water level and quality shall be carried out in and around the mine lease area by establishing a network of existing wells and constructing new piezometers during the mining operations. The monitoring of ground water levels shall be carried out four times a year i.e. pre-monsoon, monsoon, post-monsoon and winter. The ground water quality shall be monitored once a year, and the data thus collected shall be sent regularly to Ministry of Environment, Forest and Climate Change/Regional Office.

(vi) Monitoring of water quality upstream and downstream of water bodies shall be carried out once in six months and record of monitoring data shall be maintained and submitted to the Ministry of Environment, Forest and Climate Change/Regional Office.

(vii) The project proponent shall submit six monthly reports on the status of the implementation of the stipulated environmental conditions to the Ministry of Environment, Forest and Climate Change/Regional Office. For half yearly monitoring reports, the data should be monitored for the period of April to September and October to March of the financial years.

(viii) The Regional Office of this Ministry shall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.

(k) Miscellaneous

(i) Efforts should be made to reduce energy consumption by conservation, efficiency improvements and use of renewable energy.

(ii) The project authorities shall inform to the Regional Office regarding commencement of mining operations.

(iii) A copy of the environmental clearance shall be marked to concerned Panchayat. A copy of the same shall also be sent to the concerned State Pollution Control Board, Regional Office, District Industry Sector and Collector's Office/Tehsildar Office for information in public domain within 30 days.

SKD

- (iv) The EC shall be uploaded on the company's website. The compliance status of the stipulated EC conditions shall also be uploaded by the project authorities on their website and updated at least once every six months so as to bring the same in public domain.
- (v) The project authorities shall advertise at least in two local newspapers widely circulated, one of which shall be in the vernacular language of the locality concerned, within 7 days of the issue of this clearance, informing that the project has been accorded environmental clearance and a copy of the same is available with the State Pollution Control Board and also at website of the Ministry.
- (vi) The environmental statement for each financial year ending 31 March in Form-V is mandated to be submitted by the project proponent for the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be uploaded on the Company's website along with the status of compliance of EC conditions and shall be sent to the respective Regional Offices of the MoEF&CC by e-mail. Concerns raised during public hearing.
- (vii) The above conditions will be enforced inter-alia, under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India/High Courts and any other Court of Law relating to the subject matter.
5. The project proponent shall abide by all the commitments and recommendations made in the EIA/EMP report and also that during presentation to the EAC. All the commitments made on the issues raised during public hearing shall also be implemented in letter and spirit.
6. The project proponent shall obtain all necessary clearances/approvals required before start of the project. The Ministry or any other competent authority may stipulate any further condition for environmental protection. The Ministry or any other competent authority may stipulate any further condition for environmental protection.
7. Any appeal against this environmental clearance lies with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
8. The coal company/project proponent shall be liable to pay the compensation against the illegal mining, if any, and as raised by the respective State Governments at any point of time, in terms of the judgment dated 2nd August, 2017 of Hon'ble Supreme Court in WP (Civil) No.114/2014 in the matter of 'Common Cause Vs Union of India & others'.
9. The concerned State Government shall ensure no mining operations to commence till the entire compensation for illegal mining, if any, is paid by the project proponent through their respective Department of Mining & Geology, in strict compliance of the judgment of Hon'ble Supreme Court.
10. This environmental clearance shall not be operational till such time the project proponent complies with the above said judgment of Hon'ble Supreme Court, as applicable, and other statutory requirements.

8th

11. This issues in supersession of the earlier EC granted vide letter No.J-11015/382/2008-IA.II (M) dated 10th December, 2008, with approval of the competent authority after receipt of undertaking from the project proponent vide their letter No.Jnt/Env/MOEF/18/414 dated 28th August, 2018 regarding no violation of the EIA Notification, 2006 in future.
