Sub: Proposal for Environmental Clearance for Sandul Irrigation Project (Barrage)
near Village Dutta in M. Rampur Block in the district of Kalahandi with
CCA-5000 ha.

Sir,

This has reference to your letter no.5678 dated 16.10.2012 and subsequent letter no.6193 dated 24.4.2012 and letter no.52/WE dated 05.01.2017 seeking environmental clearance for the above project under EIA Notification 2006 and 2009 and subsequent amendments thereto. The proposal has been appraised as per the provisions under the EIA Notification 2006 and on the basis of the documents enclosed with the application and clarifications furnished in response to the observations of the State Expert Appraisal Committee, Odisha.

Sandul Irrigation project has been planned to construct a barrage of length 235.5 mtr. on River Sandul near village -Dutta in Madanpur Rampur block of Kalahandi District. The River Sandul is a tributary of Uttei which in turn joins River Tel, a tributary of River Mahanadi. The geographical co-ordinates of the Barrage site are latitude- 20° 12' 09"N and longitude 83° 27' 37" E. Considering water availability at Sandul Barrage site, kharif irrigation can be provided to 5000 ha CCA with drinking water facility to 5000 population benefiting Karlamunda, Kesinga and Narla blocks of Kalahandi District. The cost of the project has been estimated to be Rs. 13,240.00 lakhs

As per 2010 price level with cost benefit ratio 1.67. The Forest diversion proposal has been submitted to C.C.F., (Nodal), Bhubaneswar vide E.E., Kalahandi investigation Division, Bhawanipatana letter no. 86(WE) dated 21.01.2013.

As regards to major impact of irrigation project Sandul Barrage is free from village submergence, no population displacement, minimum forest involvement (village forest 1.7 ha for Head works + 8.0 ha. for main canal). The project proponent made a detailed presentation on the project before the SEAC on 16.03.2013 and the proposal was again discussed in the SEAC meeting held on 16.03.2017 and 06.11.2017.

Considering the information/documents furnished and additional clarifications provided during presentation made by the consultant M/s CEMC Pvt. Limited Bhubaneswar on behalf of the project proponent, the SEAC considered the project under Category-B2 and exempted it from EIA/EMP studies /reports and recommended for the grant of Environmental Clearance with stipulated conditions subject to submission of copy of Evidence of Public Consultation in the form of Gram Sabha / Palli Sabha resolution to show that the local people have a necessity and demand for such a project in the area and copy of Techno-economic clearance from CWC. However, the committee viewed that environmental clearance shall be issued after receipt of stage-I forest clearance from the proponent as per MoEF & CC, Govt. of India Office Memorandum No. J-11013/41/2006-IAI(I), dated 22.03.2010. Stage-I forest clearance for this project is obtained vide letter no. 5-ORC292/2016-BHU, dated 18.11.2016 and the proponent submitted the same to SEIAA for issue of environmental clearance for the said project vide letter dated 05.01.2017. The project proponent has also submitted the copy of Evidence of Public Consultation in the form of Gram Sabha / Palli Sabha resolution to show that the local people have a necessity and demand for such a project in the area and copy of Techno-economic clearance from CWC.

The State Environment Impact Assessment Authority (SEIAA) after considering the proposal and recommendations of SEAC, Odisha hereby accords Environmental Clearance in favour of the project for a period of 10 (Ten) years under the provisions of EIA Notification 2006 and 2009 and subsequent amendments thereto subject to strict compliance of all the conditions as follows.

Superintending Engineer

Divisional Forest Officer
Kalahandi North Division

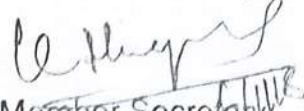

Stipulated Conditions

1. This environmental clearance is valid for a period of 10 years from the date of issue of EC.
2. The project proponent shall submit review report on the status of compliance of the stipulated EC conditions including results of monitored data if any (both in hard copies as well as by e-mail) to the SEIAA after 5 years.
3. The project authority should have wells within the command area for monitoring ground water data. Occurrence of stagnant pools/slow moving water channels during construction and operation of the project providing breeding source for vector mosquitoes and other parasites may be avoided. The water should be properly channelized so that no small pools and poodles are allowed to be formed. Even after taking due precautions, to unforeseen situations, breeding of mosquitoes and resultant malaria or mosquitoes- borne diseases can increase. If such a situation arises, it will be the responsibility of project authorities to take all steps, i.e. spraying of insecticides in all the affected/ likely to be affected project area and surrounding 3 km. area, keeping the flight range of mosquitoes in consideration.
4. The unit shall obtain Forest Clearance and other statutory Clearance from any other Authority as and when required.
5. The project proponent would take construction material from the approved quarry site.
6. Adequate free fuel arrangement should be made for the labour force engaged in the construction work at project cost so that indiscriminate felling of trees is prevented.
7. Medical facilities should also be provided to the labourers, staying at the project sites.
8. All the labourers to be engaged for construction works should be thoroughly examined by health care personnel from time to time and adequately treated if necessary. First-aid medical facilities should be provided at the project site.
9. All the equipment which are likely to generate high noise levels are to be fully mollified (noise reduction measures).
10. Muck generated during working period should be carried out to the muck dump sites and the dump sites should be above high flood level.
11. Adequate financial provision should be made in the total budget of the project for implementation of the environmental safeguard measures.
12. The responsibility of implementation of environmental safeguards rests fully with the project proponent.
13. The project proponent would take adequate measures to ensure that the PM in ambient air quality is within the prescribed limit.
14. Adequate steps shall be taken by the project proponent to protect flora and fauna of the project area.
15. Fish ladder should be provided in the barrage structure.
16. A rapid EIA with EMP may be undertaken after the present monsoon recedes completely and submitted as soon as possible bringing out the present baseline data and possible environmental impacts in the long run. This should be submitted to SEIAA at the earliest.

17. Provisions should be made for consumptive use of water in the command area.
18. Formation of Panipanchayat should be taken up during construction period.
19. Survey of flora and fauna along with conservation measures including peripheral soil conservation measures to avoid extensive siltation, should be done by a competent body.
20. In case of change in the scope of the project or implementation, it would require a fresh appraisal.
21. The proponent will plant sufficient number of trees along the canal embankments.
22. The SEIAA reserves the right to add additional safeguard measures subsequently, if found necessary.
23. The SEIAA reserves the right to cancel this EC and to take action as per the provisions of the Environment (Protection) Act, 1986 in case of noncompliance of any of the above stipulated conditions.
24. The applicant will submit half-yearly compliance report on post environmental monitoring in respect of the stipulated terms and conditions in the Environmental Clearance to the State Environmental Assessment Authority (SEIAA), Odisha, State Pollution Control Board (SPCB) & Regional Office of the Ministry of Environment & Forest, Odisha on 1st June and 1st December of each Calendar Year.
25. The Project Proponent should ensure advertising in at least two local newspapers widely circulated in the region, one of which shall be in vernacular language informing the Public that, the project has been accorded environment clearance and copies of the clearance letters are available with SEIAA, Odisha and the Odisha State Pollution Control Board (OSPCB) and may also be seen on the website of the board. The advertisement shall be made within 7 (seven) days from the date of issue of the environmental clearance & a copy of the same should be forwarded to the Regional office of MoEF & CC, Bhubaneswar.
26. A copy of the clearance letter shall be sent by the proponent to concerned Panchayat, Zila Parisad /Municipal Corporation, urban local Body and the Local NGO, if any, from whom suggestions /representations, if any, were received while processing the proposal.
27. The Proponent shall upload the status of compliance of the stipulated environmental clearance conditions, including results of monitored data on their website and shall update the same periodically on the MoEF & CC website. It shall simultaneously be sent to the Regional Office of MoEF & CC, Bhubaneswar, SEIAA, Odisha, the respective Zonal Office of CPCB and the SPCB.
28. The SEIAA, Odisha reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.
29. All other statutory clearances shall be obtained, as applicable by project proponents from the respective competent authorities.
30. Any appeal against this environmental clearance shall lie with the Hon'ble National Green Tribunal, if preferred, within a period of 30 days as prescribed under section 16 of the National Green Tribunal Act, 2010.

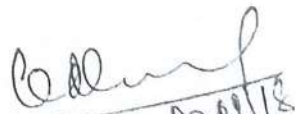

The above mentioned stipulated conditions shall be complied in a time-bound manner. Failure to comply with any of the conditions mentioned above may result in cancellation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.

Yours faithfully,

Member Secretary

Discussions were made as under:

01. Diversion of 7.535 Hectare of Forest land for non-forest purpose for construction of barrage under Sandul Irrigation Project in favour of the Executive Engineer, Kalahandi Investigation Division, Bhawanipatna under Kalahandi (North) Division :-

The project proposal for diversion of forest land for non-forest purposes for construction of Sandul Irrigation Project submitted by the User Agency the Executive Engineer, Kalahandi Investigation Division, Bhawanipatna has been forwarded by DWO, Kalahandi for further necessary correspondence. This was taken into discussion by the committee. All the materials and documents placed with the proposal were scrutinized by the Committee. Especially the views of the villagers of concerned villages affected by diversion proposal was carefully gone through by the Committee. After ~~thorough~~ discussion the committee found the proposal ~~to be suitable~~ for diversion of forest land of 7.535 hectare in favour of the User Agency for the purpose of Sandul Irrigation Project. Accordingly it was decided by the Committee to recommend the proposal to DLC for its approval.

2. Process of CFR, Community & Individual Claims.

The WEOs were directed to process CFR claims in form-C in contemplation to Amendment Rules, 2012, Community Claims in form-B & Individual in form-A and send to SDLC after observing all formalities.

The Chairman advised ACF North/South to issue suitable instructions to Range Officers/ Forest officers under Bhawanipatna Sub-Division to attend the field verification of individual, Community & CFR claimants on the scheduled date as per the request of concerned FRCs.

Then meeting ended with vote of thanks to the chair and participants.

3. **Diversion of 7.535 Hectare of Forest land for non-forest purpose for construction of barrage under Sandul Irrigation Project in favour of the Executive Engineer, Investigation Division, Bhawanipatna under Kalahandi (North) Division:**

The User Agency, Executive Engineer, Kalahandi Investigation Division, Bhawanipatna has submitted proposal for diversion of 7.535 hectare of forest land for construction of barrage over Sandul River under Irrigation project near village Dutta under M.Rampur Tahasil/ Block and issue of certificate for forest clearance for non-forest purposes under the Forest Conservation Act, 1980 ensuring the compliance of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.

Such diversion of forest land of 7.535 hectare for non-forest purpose is introduced comprising of 11 villages they are Sadingtara, Upher, Dhanramal, Dutta, Ghodapolhari, Ekatar, Joradobra, Karnikhunti, Siletpara, Maskadandi and Pipalpadar of Narla, M.Rampur, Krlamunda & Kesinga Block. The User Agency has submitted the Gram Sabha Resolutions of each village duly consented by the villagers ensuring the compliance of the required provisions under Forest Rights Act, 06. The SDLC, Bhawanipatna has also recommended the proposal with its resolution which has been gone through and discussed in the house.

The degree of accuracy and refinement of all actions taken in the matter of diversion proposal and consented views of villagers of the concerned villages were elaborately taken into discussion and consideration in view of the latest guidelines dated 05th February, 2013 of Govt. of Odisha in F&E Department with reference to the letter issued by the Govt. of India. After unanimous decision taken in the house the proposal of diversion of forest land for non-forest purposes in favour of the User Agency was approved for issue of required Certificates by the Collector in Form-I (for linear project) and Form-II (for other than linear project)

4. **Diversion proposal for an area of 6.08 hectare of forest land for non-forest purpose for construction of Turpi Minor Irrigation Project in Bhawanipatna Block:**

The proposal submitted by the User Agency was taken up for discussion. The Project report and the consented views of the villagers of concerned village was placed before the house. While scrutinizing the materials of the proposal diversion the Committee found that the Gram Sabha resolution of their consent are of the year, 2007 which construed by the Committee to contrary to the provisions of FRA Rules come into force from 01.01.2008 and in conformity to the guidelines of the Govt. As such after careful discussion the committee held that the User Agency to get the consent of villagers of the concerned village taking into liabilities of the present position without tendering the Govt. principles.

Reasons for Delay in Submission of Compliance to the Conditions stipulated in Stage-I Approval for diversion of 7.535 Ha of forest land for construction of Sandul Irrigation Project in M.Rampur block of Kalahandi District, Odisha.

The above Project has obtained Stage-I Approval on 18.11.2016 vide MoEF & CC letter No. 5-ORC292/2016-BHU.

As per the Stage-I condition No. (v): "The non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of State Forest Department before issue of the Stage-II Clearance". Accordingly, Collector, Kalahandi acknowledged for allotment of compensatory afforestation land of 7.535 Ha identified in Tahsil, Th. Rampur alongwith requisition in Form No. 1 for processing of allineation proposal for sanction of the land in favour of Forest & Environment Department to Divisional Forest Officer, Kalahandi vide letter no. 1268 dated 28.07.2015 of O/o the Collector and District Magistrate Kalahandi. The Divisional Forest Officer, (South) Forest Division, Bhawanipatna has submitted the alienation proposal to Tahsildar, Th. Rampur vide his letter no. 3209 dated 28.08.2015. Eventually, the non-forest Govt. land identified for compensatory afforestation has transferred and mutated in favour of the State Forest Dept. on 20.09.2022 vide of RoR. It caused a delay of 7 years and 1 month.

Moreover, we may also like to intimate that, there is a delay of 1 year and 6 months from dt. 25.03.2020 to dt. 25.09.2021 due to covid-19 Pandemic and restriction of movement and communication imposed by the State Government.
