MEMORANDUM OF LOCAL ENQUIRY IN VILLAGE- ANKELBIRA VIDE ALIENATION  
CASE NO. 26 /2021 AND REVENUE MISC. (D/R) CASE NO. 56/2022 FOR  
SUBMISSION OF LEASE/ALIENATION PROPOSAL OF GOVT. LAND.

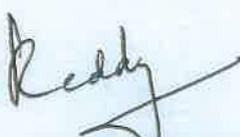

Date of enquiry: 03.09.2022

Conducted filed enquiry in village Ankelbira for submission of Revenue Misc. (De-Reversataion) proposal of Govt. land for sanction of lease/alienation for the purpose of Compensatory Afforestation for raising plantation over said area in lieu of equal extent of forest land already diverted for non-forest use i.e. Coal Mining operation by M/s. Odisha Coal and Power Limited (OCPL) coming under Manoharpur Coal Block and to that effect, Stage-I clearance for the diverted area of 15.701Ha. has already been granted by the Govt. of India in MoEF & CC vide their Order No. F.No.8-63/2011-FC-1/6226 /2021, dated.26.10.2021 under Forest Conservation Act 1980 with a condition that, the legal status of the diverted land shall remain unchanged.

It is ascertained from such field enquiry that the applied site in question is free from encroachment and free from encumbrances. There is no existence of any sairat source. Besides the site bears trees growth but there is no necessity of joint enumeration of standing trees by both Revenue and Forest officials as the area in question applied for purpose of Compensatory Afforestation for raising plantation over it. It is fit for the purpose of Compensatory Afforestation for raising plantation over it in lieu of forest land already diverted thereof. I also examined the land selected for the purpose is sufficient.

Moreover the site in question is tenable for further sanction of alienation.
