2. Letter No. 10167/F&E Dtd. 30.06.2020 of Special Secretary to Government, Govt. of Odisha, Forest & Environment Department, (O) Bhubaneswar.

Sir,

In inviting a reference to the memo and subject cited above, I am submitting herewith the pointwise compliance of the additional conditions imposed by Govt. of Odisha for Stage – II Clearance for Diversion of 22.253 Ha (Nabarangpur Division 21.087 Ha + Kalahandi (South) Division 1.166 Ha) of Forestland for construction of 132 KV transmission line from 132/33 KV Grid Sub Station at Dabugam of Nabarangpur District to 220/132/33 KV Grid Sub Station at Jaipatna of Kalahandi District by M/s Odisha Power Transmission Corporation Limited (OPTCL).

Sl No.	Stipulation in Stage – I Approval	Compliance
1	Condition - I No sagging of transmission line is allowed. The User Agency shall certify in the month of March of every year that sagging, if any, has been corrected and further monthly report will be submitted by them till November of each year in the forest area to the DFOs for their reference.	Necessary undertaking is enclosed in Annexure - I
2	Condition - II The User Agency shall be allowed to fell the trees on strips for the tension stringing work and the natural regeneration will be allowed to come up. Felling/pollarding/pruning of trees will be done with the permission of the local DFO, whenever necessary to maintain the electrical clearance. One outer strip shall be left clear to permit maintenance of the transmission line.	Necessary undertaking is enclosed in Annexure - II
3	Condition - III In the case of transmission lines to be constructed in hilly areas, where adequate clearance is already available, trees will not be cut.	Necessary undertaking is enclosed in Annexure - III
4	Condition - IV User Agency shall take all measures for strengthening/ maintaining the transmission tower and transmission line to be erected/laid on forest/non-forest land as per CEA norms for elephant corridor and any other conditions as may be imposed by CWLW, Odisha so as to ensure that no death of wild animals occur due to electrocution.	Necessary undertaking is enclosed in Annexure - IV

FORM-I
(For linear projects)
Government of Odisha
Office of the District Collector, Kalahandi

No. 1251

Dated. 30/06/2021

TO WHOMSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forest (MoEF), Government of India's letter No. 11-9/98-FC (pt.) dated 3rd August, 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 ("FRA" for short) on the forest land proposed to be diverted for non-forest purposes read with MoEF's letter dated 5th February 2013 wherein MoEF issued certain relaxation in respect of Linear projects, it is certified that 1.166 hectares of forest land (Revenue) proposed to be diverted in favour of the User Agency- Deputy General Manager, (Electric), E.H.T. (C) Division, Rayagada, District- Rayagada for the purpose for Construction of 132 KV Transmission line from existing 132/33 KV Grid Sub-Station at Dabugaon to 220/132 KV Grid Sub-Station at Jaypatna in Kalahandi district falls within jurisdiction of Village(s)-Luhabahal, Kuchagaon & Badkarlakot in Jaypatna Tahasil.

It is further certified that:

- (a) The complete process for identification and settlement of rights under the FRA has been carried out for the entire 1.166 hectares (Revenue Forest) of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee (s), Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure to annexure

Grama Sabha has been relaxed for diversion for this linear project vide Government of India (MoEF) guidelines No.110510, dated 05.02.2013. The Proceeding of SDLC & DLC is enclosed at Annexure-I & II.

- (b) The diversion of forest land for facilities managed by the Government as required under Section. 3(2) of FRA have been completed and the Grama Sabhas have given their consent to it.

Not applicable as per clause (a) above.

- (c) The proposal does not involve recognized Rights to Primitive Tribal Groups and Pre-Agricultural Communities.

Encl.: As above

(Dr. Gavali Parag Harshad, IAS)
Collector & District Magistrate, Kalahandi

Proceeding of the District Level Committee Meeting on Implementation of Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 of Kalahandi District held on 29.06.2021 at 4.00 P.M. under the Chairmanship of Collector, Kalahandi in the Res. Office of Collector, Kalahandi

Members Present:-

- | | |
|--|-----------------|
| 01. Collector & District Magistrate, Kalahandi | Chairman |
| 02. Divisional Forest Officer, Kalahandi, South Division | Member |
| 03. Divisional Forest Officer, Kalahandi, North Division | Member |
| 04. Project Administrator, ITDA, Th.Rampur at Bh.patna | Member |
| 05. Sri. Narottam Jhankar, ZP member | Member |
| 06. District Welfare Officer, Kalahandi | Member-Convenor |

The meeting was presided over by Dr. Gavali Parag Harshad, IAS, Collector-cum-Chairman of DLC on FRA, 2006. At the outset, he welcomed all participants and stated the scope and objectives on implementation of various provisions of the Forest Rights Act, 2006, Rules, 2007 & Amendment Rules, 2012. He advised to take up sincere efforts and effective invitation in processing all the claims under Individual, Community & Community Forest Resources Rights of remaining eligible claimants within targeted period so that the district target will be improved.

Under instruction of the Chairman the District Welfare Officer submitted in the meeting for discussion and necessary approval of 02 nos of diversion proposals stated below for non-forest purposes:

- 1) Diversion of forest land of 1.166 ha. to use for non-forest purposes under Forest Conservation Act, 1980 ensuring the compliance of STs & Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 as proposed by the User Agency, Deputy General Manager (Elect.) EHT (C) Division Rayagada for construction of 132 KV transmission line from 132/33 KV grid Sub-station at Dabugaon to 220/132/33 KV Grid Sub-station at Jaipatna.

<u>Land Scheduled</u>				
<u>Type of land</u>	<u>Village:</u>	<u>Khata No.</u>	<u>Plot No.</u>	<u>Area in ha.</u>
Rakhita:	Luhabahal	175	1008,1007,975, 977,976,256,255, 224,257,258,261,	1.1113 ha.
AJA:	Kuchagaon	171	1006	0.0242 ha.
Rakhita:	Badakarlakot	449	256	0.0303 ha.
Total Land:				1.1668 = 1.166 ha.

The proposed forest land comes under linear project. In this regard the District Welfare Officer reflected to the letter issued vide No.17446/F&E, Dated 21.08.2013 of Govt. of Odisha in Forest & Environment Department with reference to letter dated 05.02.2013 of Govt. of India (Ministry of Environment and Forest).

The guiding tone of the Govt. letter was discussed in the house which disclosed for relaxation of Gramsabha consent in case of diversion proposal for construction of any linear project. The Committee considering the positivity of the letter accepted to discuss the effectiveness of such diversion of Forest land in absence of Gramsabha consent keeping in light of the Govt. guideline.

The proceeding of the SDLC, Dharmagarh regarding diversion proposal was placed by the DWO which revealed that after considering the factual aspects the Committee has recommended to the DLC for necessary approval and issue of Certificate to the User Agency by the Collector.

The Committee at this level also discussed the consented view of the Tahasildar, Jaipatna as well as the positive views of Forest Authority that the provisions of Forest Rights Act have been ensured with regard to Govt. guidelines. Keeping in view reported to the Committee by the Tahasildar and the Forest Authority it was discussed and to the satisfaction of the Committee there was no claimant over the proposed forest land and also no such claim application is received under the Forest Rights Act, 2006. After threadbare discussion the Committee being agreed upon decided to approve the diversion proposal for above scheduled forest land for non-forest purpose for use by the aforesaid User Agency.

- 2) Diversion of forest land of 0.985 ha. to use for non-forest purposes under Forest Conservation Act, 1980 ensuring the compliance of STs & Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 as proposed by the User Agency, Chief General Manager (Elect.) OHPC Ltd. Bhubaneswar for drifting and Muck disposal of Drift material required to carry out study for proposed Upper Indravati Pump Storage Project in Village- Ranibahal under Jaypatna Tahasil.

Details of land for plan:

The proposed area of 0.985 ha. is located in Village-Ranibahal under Jaypatna Tahasil between Latitude 19°25'09.52" to 19°25'07.80" N (approx) and Longitude 82°51'13.06" N to 82°51'11.51" E (approx) on survey of India Topo sheet No. E 44E15.

Sl. No.	Particulars of use	Area (in ha.)		
		Forest land	Non-forest land	Total
1	Open cut area	0.19	-	0.19
2	Muck disposal area	0.75	-	0.75
3	Underground tunnel	0.05	-	0.05
TOTAL:		0.99		0.99

The proposed forest land comes under other than linear project. In this regard the District Welfare Officer referred to the letter issued vide No.17446/F&E, Dated 21.08.2013 of Govt. of Odisha in Forest & Environment Department in adherence to letter dated 05.02.2013 of Govt. of India (Ministry of Environment and Forest). Keeping in light the Govt. guideline it was discussed in the house which disclosed that Gramsabha consent is mostly necessary for the other than linear project. The District Welfare Officer placed gramsabha proceeding where the villagers of the

village approved the proposal for diversion of 0.985 ha of forest land located in Ranibahal village for non-forest purposes in favour of the User Agency. After approving the proposal the SDLC, Dharmagarh have recommended the same to the DLC for consideration.

After going through the proceeding of SDLC it is mentioned that the land in question is unsurveyed land. The land is a plantation area raised under RLTA converged with MGNREGA during 2011-12 and holds 1153 nos. of trees with having 0.8 canopy density. According to guideline there not more than 75 trees per acre allowed to fall. Further it is observed by the Committee that there is no claim/objection received from any quarter in respect of the proposed area of 0.985 ha. for diversion. The house on being satisfied with the gramsabha proceeding and recommendation of SDLC arrived at diversion for approval of such diversion.

After going through the deliberated discussion made in the house and considering the consented views of the members for approval of both the above proposals the Chairman pleased to issue necessary certificate as prescribed in Form-I & II for linear project and other than linear project respectively for an area of 1.166 ha & 0.985 ha of forest land in favour of the User Agencies.

After a good deliberation on the factual aspects of implementation of Forest Rights Act the meeting ended with vote of thanks to the Chair and the participants.

Proceeding of the Sub-Divisional Level Committee meeting under Forest Rights Act, 2006 and Rules, 2007 with Amendment Rules, 2012 on implementation of the provisions of the Act held on 21.05.2021 at 10.30 AM under the Chairmanship of the Sub-Collector, Dharmagarh

llc

The list of the members present in the meeting is at Annexure-A to this proceeding.

At the outset, the Sub-Collector-cum-Chairman welcomed the members and explained the aim and object of the provisions under Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 and Rules, 2007 with amended Rules, 2012. The members were also advised to follow the statutory provisions regarding their role & functions contemplated under Amendment Rules, 2012 of Forest Rights Act, 2006 in order to reach the benefit to the forest rights beneficiaries.

As per agenda the following matters were taken into discussion in the house on smooth implementation of the provisions of the Act.

- 1) Discussion on implementation of STs & Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006
- 2) Discussion on demarcation and correction of RoR in respect of vested land issued in favour of the FRA beneficiaries.
- 3) Discussion on diversion proposals of forest land for non-forest purposes under Forest Conservation Act, 1980- ensuring provisions of FRA, 06.
- 4) Any other issues with permission of the Chair.

- 1) Discussion on implementation of STs & Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006:

It was informed to the house that since inception of Forest Rights Act, 2006 and Rules thereof 3407 nos of Individual claims were received from different Gramsabha and after due approval 2752 nos of claims recommended to the DLC for finalization. Rest 655 nos of claims rejected at this level which are not in proper order as per provisions of Forest Rights Act, 2006 & Rules thereof. The same 655 claims have been taken into consideration again and sent to the DLC for final hearing and finalization as per orders of Hon'ble Supreme Court of India in WP (C) No.109/2003. Further till date 101 nos of Community Rights & 03 nos of Community Forest Rights application have been sent to the DLC for approval.

It has come to notice of the Chairman that huge number of Individual claims are pending at different level without any progress. It was discussed and decided by the Committee that all Individual claims should be taken into consideration at FRC/ Gramsabha level and submit to appropriate level so that the STs & OTFDs would get the benefits of their rights over their occupied land under FRA, 06. Importance of convergence of various development works under the Govt. schemes to facilitate the livelihood of the Forest Rights beneficiaries were stressed upon.

As desired in letter of Collector for cent percent coverage of claims under FRA, 06 the Chairman advised all concern to explore all possibilities inviting claims from eligible claimants within the Gramsabha and place the claims before statutory forum. In case no claimant is there a certificate to that effect be obtained from the Gramsabha that there is no eligible claimant for recognition of forest rights in the village.

3485
31/5/21

- 2) Discussion on demarcation and correction of RoR in respect of vested land issued in favour of the FRA beneficiaries:

It has come to the notice of Chairman that 904 nos of RoR have been corrected out of distributed 2728 nos of title in favour of the individual FRA beneficiaries in respect of their forest land vested with them by the Tahasildars of this Sub-Division till to date. The Chairman stricted upon for early completion of correction of RoR with proper demarcation of vested forest land.

- 3) Discussion on diversion proposals of forest land for non-forest purposes under Forest Conservation Act, 1980- ensuring provisions of Forest Rights Act, 2006
Two nos of diversion proposals of forest land for non-forest purposes under Forest Conservation Act, 1980 ensuring provisions of FRA, 2006 were placed in the house for discussion and action as under:

- a) *Diversion proposal of 1.166 ha. of forest land for non-forest purposes for construction of 220 KV Transmission line from existing 220/132/33KV grid Sub-station at Jaipatna to 220/132 KV grid Sub-station at Dabugaon.*

Letter received from the DWO, Kalahandi regarding approval of diversion proposal of 1.166 ha. of forest land for non-forest purpose under Forest Conservation Act. 1980 ensuring compliance of Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.

The Deputy General Manager (Elec.), EHT (C) Division, Rayagada has requested for diversion of 1.166 ha. of forest land for construction of 132 KV Grid Sub-Station at Jaipatna under Forest Conservation Act 1980. It is also informed that the Deputy General Manager (Elec.), EHT (C) Division, Rayagada has requested the Chairman DLC for consideration of diversion proposal of forest land measuring an area of 1.166 ha.

However as per the letter No. 17446/F&E, dated. 21.08.2013 of Govt. of Odisha in F & E Dept. with reference to the letter dated 05.02.2013 of Govt. of India (MoEF) the consent of the Gram Sabha is not required for diversion of forest land for the purpose of construction of linear project.

The Tahasildar, Jaipatna has reported that no individual/ community forest right has been given on the land proposed for diversion. No claim objection has been received from any quarters regarding the diversion proposal.

Considering the aforementioned facts, it is unanimously decided by the committee to recommend the said proposal to DLC for issuance of certificate to the user Agency for diversion of 1.66 ha. of forest land to be used for non-forest purpose.

- b) *Diversion proposal of 0.985 ha. of forest land for non-forest purposes under the Forest Conservation Act. 1980 ensuring compliance of the ST & Other Traditional Forest Dwellers (RFR) Act. 2006 in respect of the Chief General Manager (Elect.) OHPCL Ltd.*

The Block Development Officer, Jaipatna placed the diversion proposal submitted by DWO, Kalahandi vide Letter No. 05-FRA dated. 04.01.2021 for diversion of Forest land to an

extent of Area 0.985 ha. for Drifting and Muck disposal of Drift material required to carry out study for proposed Upper Indravati Pump Storage Project in village of Rainbahal under Jaipatna Tahasil.

The aforementioned diversion proposal was taken into consideration by this committee. The joint enquiry report of the Forest Official (i.e. DFO, (South Division) Kalahandi) and Revenue Official (i.e. Tahasildar, Jaipatna) perused by the committee. It is reported that the land in question is unsurveyed land. The land is a plantation area raised under RLTP converged with MGNREGA during 2011-12 and holds 1153 nos. of tress with having 0.8 canopy density. As per the section 3 (2) of the FRA 2006 no use agency is allowed to fell more than 75 tress per hectare.

Considering the above mentioned facts the proposal for diversion of forest land was taken up and was placed before the Gram Sabha of Ranibahal village of Jaipatna Block as per section 3 of The Scheduled tribes and other Traditional Forest Dwellers (Recognition of Forest Right) Act, 2006, Amendment Rule, 2012.

No claim/ objection received from any quarters regarding the said diversion proposal.

In adherence to Govt. Guidelines issued in letter No.17446/F&E, dated 21.08.2013 of Govt. of Odisha in F&E Department with reference to Letter dated 05.02.2013 of Govt. of India (MoEF) the Committee scrutinized all testimonies of Gramsabha proceeding of Ranibahal under Jaipatna Block, the Committee on being satisfied agreed upon the diversion of 0.985 ha. of forest land for non-forest purposes. Thus, this committee hereby approve for recommendation of diversion proposal to the DLC for kind consideration.

The meeting ended with vote of thanks to the Chair and participants.
