FORM-I
(for linear projects)
Government of Rajasthan

OFFICE OF THE DISTRICT COLLECTOR, JODHPUR

No. 5582

Dated. 15/12/2020

TO WHOM SO EVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No. 11-9/98-FC (pt.) dated 3rd August 2009 wherein the MoEF issued guidelines on submission evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Right) Act, 2006 ('FRA', for short) on the forest land proposed to be diverted for non-forest purposes read with MoEF's letter dated 5th February 2013 wherein MoEF issued certain relaxation in respect of linear projects, it is certified that **2.8874 hectare** of forest land proposed to be diverted in favour of **Power Grid Fatehgarh Transmission Limited** for Construction of **765 K.V. D/C Fatehgarh II to Bhadla II Transmission Line overhead crossing of the Bithri Village K.No. 89 of Phalodi Tehsil, Village Dediya K.No. 46, 18 of Lohawat Tehsil & Village Khirwa K.No. 112/16, 112/10, 112/8, Village Gadna K.No. 44, 68 & Village Barisird K.No. 169, 144, 153 of Bap Tehsil by 765 KV D/C Fatehgarh II Bhadla II Transmission Line Under Tehsil Phalodi, Bap & Lohawat District Jodhpur. State Rajasthan falls within jurisdiction of Jodhpur.**

It is further certified that :

- (a) The complete process for identification and settlement of rights under the FRA has been carried out for the entire **2.8874 hectare** of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s) Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure A to Annexure C.
- (b) The diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Grama Sabhas have given their consent on it.
- (c) The proposal does not involve recognized right of Primitive Tribal Groups and Pre-agricultural communities.

Encls.: As above.

13/05/21

Subj: Proposal for grant of permission for overhead crossing of 765KV D/C Fatehgarh-II to Bhadla-II Transmission Line near Dediya in Jodhpur of NH-125 at Km. 147-770 (Jodhpur-Pokhran section) in the State of Rajasthan by M/s. PGCIL -Provisional Permission - reg.

- Ref:
1. PGCL Letter dated 25.09.2020.
 2. PD, PIU-Jodhpur letter no. 16004/1/2020/Jdp/NH-Crossing/3301 dt. 21.12.2020.
 3. This office letter no. NHAI/18013/1/2020-ROJ/Permission-Overhead Crossing-765KV/28/NH-11, km 312-313/3246 dated 28.12.2020.
 4. PD, PIU-Jodhpur letter no. 16004/1/2020/Jodhpur-Pokaran/NH-Crossing/468 dt. 10.02.2021.
 5. This office letter no. NHAI/18013/1/2020-ROJ/Permission-Overhead Crossing-765KV/58/NH-11, km 312-313/4392 dated 04.03.2021.

Sir,

This has reference to your letter cited under ref. (2) & (4) above, vide which you have submitted the proposal for grant of permission for overhead crossing of 765KV D/C Fatehgarh-II to Bhadla-II Transmission Line near Dediya in Jodhpur of NH-125 at Km. 147+770 (Jodhpur-Pokhran section) in the State of Rajasthan by M/s. PGCIL for approval of the Competent Authority.

2. As per para 4 of Ministry's guidelines dated 22.11.2016, the application shall be uploaded on the public domain for 30 days for seeking claims and objections (on grounds of public inconvenience, safety and general public interest). Accordingly, the application was uploaded on the Ministry's website on vide RO-Jaipur letter no. 4392 dated 04.03.2021. However, this office has not received any comments during/after the expiry of the period stipulated in the Ministry's guidelines i.e. one month from public.

3. Based on the facts submitted by RO, MoRTH, Jaipur and IE/PD's submissions/certification, the Competent Authority has accord provisional permission to the proposal with the request to ensure fulfillment of all the requirements of MoRTH/NHAI guidelines prior to permitting actual execution of overhead crossing of PGCIL transmission line. Further, you are authorized to sign the License Deed/Agreement on behalf of NHAI after fulfillment of all requirements like Performance Guarantees (laying along NH per RM/across per crossing of NH) as per MoRTH/NHAI latest guidelines and obtaining necessary clearance of any other related department, if same is required for the proposed work before execution after ensuring the compliance of Para 8, 9, & 10 of the checklist

4. The proposed permission shall be subjected to following additional conditions that-

- (i) The accommodation of proposed utility shall be strictly as per the Ministry's letter No.RW/NH-33044/29/2015/S&R(R) dated 22.11.2016 and as per the details indicated in the sketches/drawings enclosed herewith. No change in the alignment of other than approved herein will be entertained. Any deviation may result in cancelling of the permission/approval.
- (ii) The applicant will be authorized to install/laying of the utility services as per approved methodology and drawings within the NH RoW only after signing of the agreement.
- (iii) The proposed laying operation of utility shall be in such a manner that it causes least interference to the traffic movement and also traffic safety.
- (iv) RoW permissions are only enabling in nature. The purpose of extending the way leave facility on the National Highway RoW is not for enhancing the scope of activity of a utility service provider, either by content or by intent. Further, enforceability of the permission so granted shall be restricted only to the extent of provisions/scope of activities defined in the license agreement for the purpose for which it is granted.

- (v) No Licensee shall claim exclusive right on the RoW and any subsequent user will be permitted to use the RoW, either above or below, or by the side of the utilities laid by the first user, subject to technical requirements being fulfilled. Decision of the Authority in relation to fulfillment of technical requirements shall be final and binding on all concerned parties. In case any disruption/damage is caused to any existing user by the subsequent user, the Authority shall not be held accountable or liable in any manner.
- (vi) The Licensee shall be responsible for undertaking all activities including, but not limited to site identification, survey, design, engineering, arranging finance, project management, obtaining regulatory approvals & necessary clearances, supply of equipment, material, construction, erection, testing and commissioning, maintenance and operation and all other activities essential or required for efficient functioning of their own utility / industrial infrastructure facilities.
- (vii) License Fee (as worked out by the PD/EE) shall have to be paid in advance for the period for which permission is granted for entering into a license agreement. In case of renewal, rate prevailing at the time of renewal shall be charged. Delay in renewal and deposition of fee shall attract interest @ 15% per annum compounded annually.
- (viii) The utility service shall be permitted to cross the National Highway either through structure or conduits specially built for that purposes. The casing / conduit pipe should, as minimum, extend from drain to drain in cuts and toe of slope to toe of slope in the fills and shall be designed in accordance with the provision of IRC and executed following the Specifications of the Ministry. The Existing drainage structures shall not be allowed to carry the lines across. The Licensee shall ensure making good the excavated trench for laying utility services by proper filling and compaction, so as to restore the land in to the same condition as it was before digging the trench, clearing debris/ loose earth produced due to execution of trenching at least 50m away from the edge of the right of way.
- (ix) All required restoration works subsequent to laying of the overhead crossing of PGCIL transmission line shall be required to be undertaken by the Licensee at its own cost either by itself or through its authorized representative in consultation with the Authority (The Project Director/ Executive Engineer) as per predetermined time schedule and quality standards.
- (x) Prior to commencement of any work on the ground, a performance Bank Guarantee as worked out by the Concerned PD/EE as per MoRTH circular dated 22.11.2016 with a validity of one year initially (extendable if required till satisfactory completion of work) shall have to be furnished by the Licensee to the Authority/its designated agency as a security against improper restoration of ground in terms of filling/unsatisfactory compaction damages caused to other underground installations/utility services interference, interruption, disruption or failure caused thereof to any services etc. In case of the Licensee failing to discharge the obligation of making good of the excavated trench/other restoration work, the Authority shall have a right to make good the damages caused by excavation, at the cost of the Licensee and recover the amount by for feature of the Bank Guarantee.
- (xi) In case, the Performance Bank Guarantee is invoked as mentioned above, the Licensee shall be required to replenish and reinstate the required Performance Bank Guarantee within one month of such invoking. In case the work contemplated herein is not completed to the satisfaction of the Authority, which has granted the permission, within a period of 11 months from the date of issue of the Bank Guarantee, the Licensee shall either furnish a fresh guarantee or extend the guarantee for a further period of one year. Notwithstanding this, the Licensee shall be liable to pay full compensation to the aggrieved Authority/its designated agency for any damage sustained by them by reason of the exercise of the RoW facility.

Cont....3

पंकज सुथार / Pankaj Suthar
प्रबंधक (टीएलसी) / Manager(TLC)
पावरग्रिड, भड़ला-II/POWERGRID,Bhadla-II

- (xii) The Licensee shall shift the utility services within 90 days on own cost (or as specified by the respective Authority) from the date of issue of the notice by the concerned Authority to shift/ relocate the utility services, in case it is so required for the purpose of improvement/widening of the road/route/highway or construction of flyover/bridge and restore the road/land to its original condition at his own cost and risk.
- (xiii) The Licensee shall be responsible to ascertain from the respective agency in co-ordination with Authority, regarding the location of other utilities/underground installations/facilities etc. The Licensee shall ensure the safety and security of already existing underground installations/utilities/facilities etc. before commencement of the excavation/using the existing cable ducts. The Licensee shall procure insurance from a reputed insurance company against damages to already existing underground installations/utilities/facilities etc.
- (xiv) The Licensee shall be solely responsible/liable for full compensation/indemnification of concerned agency/aggrieved Authority for any direct, indirect or consequential damage caused to them/claims or replacements sought for, at the cost and risk of the Licensee. The concerned agency in co-ordination with Authority shall also have a right make good such damages/recover the claims by forfeiture of Bank Guarantee.
- (xv) Three copies of 'as laid drawings' of utilities (hard and soft copies) with geotagged photographs and geo-tagged video recordings of laying of overhead crossing of PGCIL transmission line in the trench (with respect to the NH) and after complete restoration shall be submitted to the Authority for verification and submitting their recommendation for issuing the Final NOC by Highway Administration for making utility operational.
- (xvi) The utility services shall not be made operational by the Licensee unless a final approval is obtained from the Highway Administration without which the concerned Project Director/Executive Engineer will not release the submitted performance Bank Guarantee.
- (xvii) For PPP Projects, in case of any financial loss incurred by the respective project concessionaires due to such laying/shifting of utility services by the Licensee, compensation for the same shall be required to be borne by the Licensee in mutual agreement with the respective project concessionaires. MoRT&H / NHAI implementing authorities for the project shall not be liable to the concessionaire in any way in this regard.
- (xviii) In case of any damages to ongoing road work due to shifting of PGCIL overhead transmission line, all cost pertaining to repair and the claims likely to be raised by the Concessionaire/IE, shall be borne by Licensee.
- (xix) PD should ensure after signing of agreement that Licensee Department has completed all the works of laying & NH crossing of overhead crossing of PGCIL transmission line as permitted by this office in time bound manner at the earliest.
- (xx) Necessary precaution should be taken to avoid accident during crossing or execution of the work.
- (xxi) Before signing of agreement, recommendation of IE & consent of Concessionaire/ Supervision Consultant may also be obtained, if not taken so far.
- (xxii) Work shall be executed as per approved methodology without obstructing the NH.
- (xxiii) PD should ensure before signing of agreement that all undertakings given by Licensee are project specific and signed by Competent Authority of permission seeker agency.
- (xxiv) PD should ensure before signing of agreement that all the required undertakings and compliances of conditions as communicated by IE/Concessionaires of the project highway, if any, may be obtained from the applicant.

- (xxv) PD should ensure before signing of agreement that the applicant has deposited License fee and required processing fee in 'Bharat Kosh' and performance Bank Guarantee in PIU office. It is presumed that concerned PD while finalizing license fee has verified and satisfied himself regarding the land rate used in calculation of fee, in addition, PD shall take desired undertaking from authorized signatory of applicant that "They will pay necessary increase in license fee within seven days as and when asked by the concerned PD/Highway Administration".
- (xxvi) PD should take necessary action under section 25 of the 'Control of NH (Land & Traffic) Act, 2002' as per the powers delegated vide NHAHQ Policy Circular (SOP) issued 14.19/2020 dated 06.01.2020.
- (xxvii) Notwithstanding to the above, the provisional permission shall stand cancelled under the following circumstances -
- (i) If any document/information furnished by the applicant proves to be false or if the applicant is found to have willfully suppressed any information.
 - (ii) Any breach of the condition imposed by the Highway Administration or the officer authorized by the Administration on his behalf.
 - (iii) If at later stage, any dispute/legal matter arises in the matter.
- (xxviii) The applicant shall ensure prior to execution that no legal proceedings/dispute is involved in the subject matter and if, at later stage, any dispute/legal matter arises out then the responsibility of the same will be upon applicant only.

This issues with the approval of Competent Authority.

Yours faithfully,

06/05/2021
(Kuldeep Songara)

Sir,

This has reference to your letter cited under ref. (3) & (5) above, vide which you have submitted the proposal for grant of permission for overhead crossing of NH-11 at Km. 304 to 305 on Jaisalmer-Bikaner section by PGCL for construction of Transmission line Pkg- TL02 for Fatehgarh-II-Bhadla II of 765 KV D/C Line associated with "Transmission system associated with LTA application from Rajasthan SEZ Part-B" under Tariff Based Competitive Bidding (TBCB) by M/s. PGCIL on Bikaner-Phalodi section of NH-15 (New NH-11) in the state of Rajasthan for approval of the Competent Authority.

2. As per para 4 of Ministry's guidelines dated 22.11.2016, the application shall be uploaded on the public domain for 30 days for seeking claims and objections (on grounds of public inconvenience, safety and general public interest). Accordingly, the application was uploaded on the Ministry's website on vide RO-Jaipur letter no. 4435 dated 08.03.2021. However, this office has not received any comments during/after the expiry of the period stipulated in the Ministry's guidelines i.e. one month from public.

3. Based on the facts submitted by RO, MoRTH, Jaipur and IE/PD's submissions/certification, the Competent Authority has accord provisional permission to the proposal with the request to ensure fulfillment of all the requirements of MoRTH/NHAI guidelines prior to permitting actual execution of overhead crossing of PGCIL transmission line. Further, you are authorized to sign the License Deed / Agreement on behalf of NHAI after fulfillment of all requirements like Performance Guarantees (laying along NH per RM/across per crossing of NH) as per MoRTH/NHAI latest guidelines and obtaining necessary clearance of any other related department, if same is required for the proposed work before execution after ensuring the compliance of Para 8, 9, & 10 of the checklist.

4. The proposed permission shall be subjected to following additional conditions that-

- The accommodation of proposed utility shall be strictly as per the Ministry's letter No.RW/NH-33044/29/2015/S&R(R) dated 22.11.2016 and as per the details indicated in the sketches/drawings enclosed herewith. No change in the alignment of other than approved herein will be entertained. Any deviation may result in cancelling of the permission/approval.
- The applicant will be authorized to install/laying of the utility services as per approved methodology and drawings within the NH RoW only after signing of the agreement.
- The proposed laying operation of utility shall be in such a manner that it causes least interference to the traffic movement and also traffic safety

- (iv) RoW permissions are only enabling in nature. The purpose of extending the way leave facility on the National Highway RoW is not for enhancing the scope of activity of a utility service provider, either by content or by intent. Further, enforceability of the permission so granted shall be restricted only to the extent of provisions/scope of activities defined in the license agreement for the purpose for which it is granted.
- (v) No Licensee shall claim exclusive right on the RoW and any subsequent user will be permitted to use the RoW, either above or below, or by the side of the utilities laid by the first user, subject to technical requirements being fulfilled. Decision of the Authority in relation to fulfillment of technical requirements shall be final and binding on all concerned parties. In case any disruption/damage is caused to any existing user by the subsequent user, the Authority shall not be held accountable or liable in any manner.
- (vi) The Licensee shall be responsible for undertaking all activities including, but not limited to site identification, survey, design, engineering, arranging finance, project management, obtaining regulatory approvals & necessary clearances, supply of equipment, material, construction, erection, testing and commissioning, maintenance and operation and all other activities essential or required for efficient functioning of their own utility / industrial infrastructure facilities.
- (vii) License Fee (as worked out by the PD/EE) shall have to be paid in advance for the period for which permission is granted for entering into a license agreement. In case of renewal, rate prevailing at the time of renewal shall be charged. Delay in renewal and deposition of fee shall attract interest @ 15% per annum compounded annually.
- (viii) The utility service shall be permitted to cross the National Highway either through structure or conduits specially built for that purposes. The casing / conduit pipe should, as minimum, extend from drain to drain in cuts and toe of slope to toe of slope in the fills and shall be designed in accordance with the provision of IRC and executed following the Specifications of the Ministry. The Existing drainage structures shall not be allowed to carry the lines across. The Licensee shall ensure making good the excavated trench for laying utility services by proper filling and compaction, so as to restore the land in to the same condition as it was before digging the trench, clearing debris/loose earth produced due to execution of trenching at least 50m away from the edge of the right of way.
- (ix) All required restoration works subsequent to laying of the overhead crossing of PGCIL transmission line shall be required to be undertaken by the Licensee at its own cost either by itself or through its authorized representative in consultation with the Authority (The Project Director/ Executive Engineer) as per predetermined time schedule and quality standards.
- (x) Prior to commencement of any work on the ground, a performance Bank Guarantee as worked out by the Concerned PD/EE as per MoRTH circular dated 22.11.2016 with a validity of one year initially (extendable if required till satisfactory completion of work) shall have to be furnished by the Licensee to the Authority/its designated agency as a security against improper restoration of ground in terms of filling/unsatisfactory compaction damages caused to other underground installations/utility services interference, interruption, disruption or failure caused thereof to any services etc. In case of the Licensee failing to discharge the obligation of making good of the excavated trench/other restoration work, the Authority shall have a right to make good the damages caused by excavation, at the cost of the Licensee and recover the amount by for feature of the Bank Guarantee.
- (xi) In case, the Performance Bank Guarantee is invoked as mentioned above, the Licensee shall be required to replenish and reinstate the required Performance Bank Guarantee within one month of such invoking. In case the work contemplated herein is not completed to the satisfaction of the Authority, which has granted the permission, within a period of 11 months from the date of issue of the Bank Guarantee, the Licensee shall either furnish a fresh guarantee or extend the guarantee for a further period of one year. Notwithstanding this, the Licensee shall be liable to pay full compensation to the aggrieved Authority/its designated agency for any damage sustained by them by reason of the exercise of the RoW facility.

- (xii) The Licensee shall shift the utility services within 90 days on own cost (or as specified by the respective Authority) from the date of issue of the notice by the concerned Authority to shift/ relocate the utility services, in case it is so required for the purpose of improvement/widening of the road/route/highway or construction of flyover/bridge and restore the road/land to its original condition at his own cost and risk.
- (xiii) The Licensee shall be responsible to ascertain from the respective agency in co-ordination with Authority, regarding the location of other utilities / underground installations/facilities etc. The Licensee shall ensure the safety and security of already existing underground installations/utilities/facilities etc. before commencement of the excavation/using the existing cable ducts. The Licensee shall procure insurance from a reputed insurance company against damages to already existing underground installations/utilities/facilities etc.
- (xiv) The Licensee shall be solely responsible/liable for full compensation/indemnification of concerned agency/aggrieved Authority for any direct, indirect or consequential damage caused to them/claims or replacements sought for, at the cost and risk of the Licensee. The concerned agency in co-ordination with Authority shall also have a right make good such damages/recover the claims by forfeiture of Bank Guarantee.
- (xv) Three copies of 'as laid drawings' of utilities (hard and soft copies) with geotagged photographs and geo-tagged video recordings of laying of overhead crossing of PGCIL transmission line in the trench (with respect to the NH) and after complete restoration shall be submitted to the Authority for verification and submitting their recommendation for issuing the Final NOC by Highway Administration for making utility operational.
- (xvi) The utility services shall not be made operational by the Licensee unless a final approval is obtained from the Highway Administration without which the concerned Project Director/Executive Engineer will not release the submitted performance Bank Guarantee.
- (xvii) For PPP Projects, in case of any financial loss incurred by the respective project concessionaires due to such laying/shifting of utility services by the Licensee, compensation for the same shall be required to be borne by the Licensee in mutual agreement with the respective project concessionaires. MoRT&H / NHAI implementing authorities for the project shall not be liable to the concessionaire in any way in this regard.
- (xviii) In case of any damages to ongoing road work due to shifting of PGCIL overhead transmission line, all cost pertaining to repair and the claims likely to be raised by the Concessionaire/IE, shall be borne by Licensee.
- (xix) PD should ensure after signing of agreement that Licensee Department has completed all the works of laying & NH crossing of overhead crossing of PGCIL transmission line as permitted by this office in time bound manner at the earliest.
- (xx) Necessary precaution should be taken to avoid accident during crossing or execution of the work.
- (xxi) Before signing of agreement, recommendation of IE & consent of Concessionaire/Supervision Consultant may also be obtained, if not taken so far.
- (xxii) Work shall be executed as per approved methodology without obstructing the NH.
- (xxiii) PD should ensure before signing of agreement that all undertakings given by Licensee are project specific and signed by Competent Authority of permission seeker agency.
- (xxiv) PD should ensure before signing of agreement that all the required undertakings and compliances of conditions as communicated by IE/Concessionaires of the project highway, if any, may be obtained from the applicant.

- (xxv) PD should ensure before signing of agreement that the applicant has deposited License fee and required processing fee in 'Bharat Kosh' and performance Bank Guarantee in PIU office. It is presumed that concerned PD while finalizing license fee has verified and satisfied himself regarding the land rate used in calculation of fee, in addition, PD shall take desired undertaking from authorized signatory of applicant that "They will pay necessary increase in license fee within seven days as and when asked by the concerned PD/Highway Administration".
- (xxvi) PD should take necessary action under section 25 of the 'Control of NH (Land & Traffic) Act, 2002' as per the powers delegated vide NHAI HQ Policy Circular (SOP) issued 14.19/2020 dated 06.01.2020.
- (xxvii) Notwithstanding to the above, the provisional permission shall stand cancelled under the following circumstances -
- If any document/information furnished by the applicant proves to be false or if the applicant is found to have will fully suppressed any information.
 - Any breach of the condition imposed by the Highway Administration or the officer authorized by the Administration on his behalf.
 - If at later stage, any dispute/legal matter arises in the matter.
- (xxviii) The applicant shall ensure prior to execution that no legal proceedings/dispute is involved in the subject matter and if, at later stage, any dispute/legal matter arises out then the responsibility of the same will be upon applicant only.

This issues with the approval of Competent Authority.

Yours faithfully,

Sir,

This has reference to your letter cited under ref. (2) & (4) above, vide which you have submitted the proposal for grant of permission for overhead crossing of transmission line Package TL02 for Fatechgarh-II-Bhadla-II 765 KV D/C Line associated with "Transmission system associated with LTA applications from Rajasthan SEZ Part-B" under Tariff based competitive bidding (TBCB) by M/s. PGCIL on Phalodi-Jaisalmer section of NH-15 (New NH-11) in the state of Rajasthan for approval of the Competent Authority.

2. As per para 4 of Ministry's guidelines dated 22.11.2016, the application shall be uploaded on the public domain for 30 days for seeking claims and objections (on grounds of public inconvenience, safety and general public interest). Accordingly, the application was uploaded on the Ministry's website on vide RO-Jaipur letter no. 4393 dated 04.03.2021. However, this office has not received any comments during/after the expiry of the period stipulated in the Ministry's guidelines i.e. one month from public.

3. Based on the facts submitted by RO, MoRTH, Jaipur and IE/PD's submissions/certification, the Competent Authority has accord provisional permission to the proposal with the request to ensure fulfillment of all the requirements of MoRTH/NHAI guidelines prior to permitting actual execution of overhead crossing of PGCIL transmission line. Further, you are authorized to sign the License Deed/Agreement on behalf of NHAI after fulfillment of all requirements like Performance Guarantees (laying along NH per RM/across per crossing of NH) as per MoRTH/NHAI latest guidelines and obtaining necessary clearance of any other related department, if same is required for the proposed work before execution after ensuring the compliance of Para 8, 9, & 10 of the checklist.

4. The proposed permission shall be subjected to following additional conditions that-

(i) The accommodation of proposed utility shall be strictly as per the Ministry's letter No.RW/NH-33044/29/2015/S&R(R) dated 22.11.2016 and as per the details indicated in the sketches/drawings enclosed herewith. No change in the alignment of other than approved herein will be entertained. Any deviation may result in cancelling of the permission/approval.

(ii) The applicant will be authorized to install/laying of the utility services as per approved methodology and drawings within the NH RoW only after signing of the agreement.

(iii) The proposed laying operation of utility shall be in such a manner that it causes least interference to the traffic movement and also traffic safety.

(iv) RoW permissions are only enabling in nature. The purpose of extending the way leave facility on the National Highway RoW is not for enhancing the scope of activity of a utility service provider, either by content or by intent. Further, enforceability of the permission so granted shall be restricted only to the extent of provisions/scope of activities defined in the license agreement for the purpose for which it is granted.

Cont...2

- (v) No Licensee shall claim exclusive right on the RoW and any subsequent user will be permitted to use the RoW, either above or below, or by the side of the utilities laid by the first user, subject to technical requirements being fulfilled. Decision of the Authority in relation to fulfillment of technical requirements shall be final and binding on all concerned parties. In case any disruption/damage is caused to any existing user by the subsequent user, the Authority shall not be held accountable or liable in any manner.
- (vi) The Licensee shall be responsible for undertaking all activities including, but not limited to site identification, survey, design, engineering, arranging finance, project management, obtaining regulatory approvals & necessary clearances, supply of equipment, material, construction, erection, testing and commissioning, maintenance and operation and all other activities essential or required for efficient functioning of their own utility / industrial infrastructure facilities.
- (vii) License Fee (as worked out by the PD/EE) shall have to be paid in advance for the period for which permission is granted for entering into a license agreement. In case of renewal, rate prevailing at the time of renewal shall be charged. Delay in renewal and deposition of fee shall attract interest @ 15% per annum compounded annually.
- (viii) The utility service shall be permitted to cross the National Highway either through structure or conduits specially built for that purposes. The casing / conduit pipe should, as minimum, extend from drain to drain in cuts and toe of slope to toe of slope in the fills and shall be designed in accordance with the provision of IRC and executed following the Specifications of the Ministry. The Existing drainage structures shall not be allowed to carry the lines across. The Licensee shall ensure making good the excavated trench for laying utility services by proper filling and compaction, so as to restore the land in to the same condition as it was before digging the trench, clearing debris/loose earth produced due to execution of trenching at least 50m away from the edge of the right of way.
- (ix) All required restoration works subsequent to laying of the overhead crossing of PGCIL transmission line shall be required to be undertaken by the Licensee at its own cost either by itself or through its authorized representative in consultation with the Authority (The Project Director/ Executive Engineer) as per predetermined time schedule and quality standards.
- (x) Prior to commencement of any work on the ground, a performance Bank Guarantee as worked out by the Concerned PD/EE as per MoRTH circular dated 22.11.2016 with a validity of one year initially (extendable if required till satisfactory completion of work) shall have to be furnished by the Licensee to the Authority/its designated agency as a security against improper restoration of ground in terms of filling/unsatisfactory compaction damages caused to other underground installations/utility services interference, interruption, disruption or failure caused thereof to any services etc. In case of the Licensee failing to discharge the obligation of making good of the excavated trench/other restoration work, the Authority shall have a right to make good the damages caused by excavation, at the cost of the Licensee and recover the amount by for feature of the Bank Guarantee.
- (xi) In case, the Performance Bank Guarantee is invoked as mentioned above, the Licensee shall be required to replenish and reinstate the required Performance Bank Guarantee within one month of such invoking. In case the work contemplated herein is not completed to the satisfaction of the Authority, which has granted the permission, within a period of 11 months from the date of issue of the Bank Guarantee, the Licensee shall either furnish a fresh guarantee or extend the guarantee for a further period of one year. Notwithstanding this, the Licensee shall be liable to pay full compensation to the aggrieved Authority/its designated agency for any damage sustained by them by reason of the exercise of the RoW facility.
- (xii) The Licensee shall shift the utility services within 90 days on own cost (or as specified by the respective Authority) from the date of issue of the notice by the concerned Authority to shift/ relocate the utility services, in case it is so required for the purpose of improvement/widening of the road/route/highway or construction of flyover/bridge and restore the road/land to its original condition at his own cost and risk.
- (xiii) The Licensee shall be responsible to ascertain from the respective agency in co-ordination with Authority, regarding the location of other utilities/underground installations/ facilities etc. The Licensee shall ensure the safety and security of already existing underground installations/utilities/facilities etc. before commencement of the excavation/ using the existing cable ducts. The Licensee shall procure insurance from a reputed insurance company against damages to already existing underground installations/ utilities/facilities etc.
- (xiv) The Licensee shall be solely responsible/liable for full compensation/ indemnification of concerned agency/aggrieved Authority for any direct, indirect or consequential damage caused to them/ claims or replacements sought for, at the cost and risk of the Licensee. The concerned agency in co-ordination with Authority shall also have a right make good such damages/recover the claims by forfeiture of Bank Guarantee

- (xv) Three copies of 'as laid drawings' of utilities (hard and soft copies) with geotagged photographs and geo-tagged video recordings of laying of overhead crossing of PGCIL transmission line in the trench (with respect to the NH) and after complete restoration shall be submitted to the Authority for verification and submitting their recommendation for issuing the Final NOC by Highway Administration for making utility operational.
- (xvi) The utility services shall not be made operational by the Licensee unless a final approval is obtained from the Highway Administration without which the concerned Project Director/Executive Engineer will not release the submitted performance Bank Guarantee.
- (xvii) For PPP Projects, in case of any financial loss incurred by the respective project concessionaires due to such laying/shifting of utility services by the Licensee, compensation for the same shall be required to be borne by the Licensee in mutual agreement with the respective project concessionaires. MoRT&H/NHAI implementing authorities for the project shall not be liable to the concessionaire in any way in this regard.
- (xviii) In case of any damages to ongoing road work due to shifting of PGCIL overhead transmission line, all cost pertaining to repair and the claims likely to be raised by the Concessionaire/IE, shall be borne by Licensee.
- (xix) PD should ensure after signing of agreement that Licensee Department has completed all the works of laying & NH crossing of overhead crossing of PGCIL transmission line as permitted by this office in time bound manner at the earliest.
- (xx) Necessary precaution should be taken to avoid accident during crossing or execution of the work.
- (xxi) Before signing of agreement, recommendation of IE & consent of Concessionaire/Supervision Consultant may also be obtained, if not taken so far.
- (xxii) Work shall be executed as per approved methodology without obstructing the NH.
- (xxiii) PD should ensure before signing of agreement that all undertakings given by Licensee are project specific and signed by Competent Authority of permission seeker agency.
- (xxiv) PD should ensure before signing of agreement that all the required undertakings and compliances of conditions as communicated by IE/Concessionaires of the project highway, if any, may be obtained from the applicant.
- (xxv) PD should ensure before signing of agreement that the applicant has deposited License fee and required processing fee in 'Bharat Kosh' and performance Bank Guarantee in PIU office. It is presumed that concerned PD while finalizing license fee has verified and satisfied himself regarding the land rate used in calculation of fee, in addition, PD shall take desired undertaking from authorized signatory of applicant that "They will pay necessary increase in license fee within seven days as and when asked by the concerned PD/Highway Administration".
- (xxvi) PD should take necessary action under section 25 of the 'Control of NH (Land & Traffic) Act, 2002' as per the powers delegated vide NHAI HQ Policy Circular (SOP) issued 14.19/2020 dated 06.01.2020.
- (xxvii) Notwithstanding to the above, the provisional permission shall stand cancelled under the following circumstances -
- (i) If any document/information furnished by the applicant proves to be false or if the applicant is found to have willfully suppressed any information.
- (ii) Any breach of the condition imposed by the Highway Administration or the officer authorized by the Administration on his behalf.
- (iii) If at later stage, any dispute/legal matter arises in the matter.
- (xxviii) The applicant shall ensure prior to execution that no legal proceedings/dispute is involved in the subject matter and if, at later stage, any dispute/legal matter arises out then the responsibility of the same will be upon applicant only.

This issues with the approval of Competent Authority.

Yours faithfully,

Sir,

This has reference to your letter cited under ref. (2) & (4) above, vide which you have submitted the proposal for grant of permission for overhead crossing of transmission line Package TL02 for Fatechgarh-II-Bhadla-II 765 KV D/C Line associated with "Transmission system associated with LTA applications from Rajasthan SEZ Part-B" under Tariff based competitive bidding (TBCB) by M/s. PGCIL on Khajuwala-Poogal (NH-911A) and Poogal-Bap (NH-911) section in the state of Rajasthan for approval of the Competent Authority.

2. As per para 4 of Ministry's guidelines dated 22.11.2016, the application shall be uploaded on the public domain for 30 days for seeking claims and objections (on grounds of public inconvenience, safety and general public interest). Accordingly, the application was uploaded on the Ministry's website on vide RO-Jaipur letter no. 4394 dated 04.03.2021. However, this office has not received any comments during/after the expiry of the period stipulated in the Ministry's guidelines i.e. one month from public.

3. Based on the facts submitted by RO, MoRTH, Jaipur and IE/PD's submissions/certification, the Competent Authority has accord provisional permission to the proposal with the request to ensure fulfillment of all the requirements of MoRTH/NHAI guidelines prior to permitting actual execution of overhead crossing of PGCIL transmission line. Further, you are authorized to sign the License Deed/Agreement on behalf of NHAI after fulfillment of all requirements like Performance Guarantees (laying along NH per RM/across per crossing of NH) as per MoRTH/NHAI latest guidelines and obtaining necessary clearance of any other related department, if same is required for the proposed work before execution after ensuring the compliance of Para 8, 9, & 10 of the checklist.

4. The proposed permission shall be subjected to following additional conditions that-

(i) The accommodation of proposed utility shall be strictly as per the Ministry's letter No.RW/NH-33044/29/2015/S&R(R) dated 22.11.2016 and as per the details indicated in the sketches/drawings enclosed herewith. No change in the alignment of other than approved herein will be entertained. Any deviation may result in cancelling of the permission/approval.

(ii) The applicant will be authorized to install/laying of the utility services as per approved methodology and drawings within the NH RoW only after signing of the agreement.

(iii) The proposed laying operation of utility shall be in such a manner that it causes least interference to the traffic movement and also traffic safety.

(iv) RoW permissions are only enabling in nature. The purpose of extending the way leave facility on the National Highway RoW is not for enhancing the scope of activity of a utility service provider, either by content or by intent. Further, enforceability of the permission so granted shall be restricted only to the extent of provisions/scope of activities defined in the license agreement for the purpose for which it is granted.

Cont...2

- (v) No Licensee shall claim exclusive right on the RoW and any subsequent user will be permitted to use the RoW, either above or below, or by the side of the utilities laid by the first user, subject to technical requirements being fulfilled. Decision of the Authority in relation to fulfillment of technical requirements shall be final and binding on all concerned parties. In case any disruption/damage is caused to any existing user by the subsequent user, the Authority shall not be held accountable or liable in any manner.
- (vi) The Licensee shall be responsible for undertaking all activities including, but not limited to site identification, survey, design, engineering, arranging finance, project management, obtaining regulatory approvals & necessary clearances, supply of equipment, material, construction, erection, testing and commissioning, maintenance and operation and all other activities essential or required for efficient functioning of their own utility / industrial infrastructure facilities.
- (vii) License Fee (as worked out by the PD/EE) shall have to be paid in advance for the period for which permission is granted for entering into a license agreement. In case of renewal, rate prevailing at the time of renewal shall be charged. Delay in renewal and deposition of fee shall attract interest @ 15% per annum compounded annually.
- (viii) The utility service shall be permitted to cross the National Highway either through structure or conduits specially built for that purposes. The casing / conduit pipe should, as minimum, extend from drain to drain in cuts and toe of slope to toe of slope in the fills and shall be designed in accordance with the provision of IRC and executed following the Specifications of the Ministry. The Existing drainage structures shall not be allowed to carry the lines across. The Licensee shall ensure making good the excavated trench for laying utility services by proper filling and compaction, so as to restore the land in to the same condition as it was before digging the trench, clearing debris/loose earth produced due to execution of trenching at least 50m away from the edge of the right of way.
- (ix) All required restoration works subsequent to laying of the overhead crossing of PGCIL transmission line shall be required to be undertaken by the Licensee at its own cost either by itself or through its authorized representative in consultation with the Authority (The Project Director/ Executive Engineer) as per predetermined time schedule and quality standards.
- (x) Prior to commencement of any work on the ground, a performance Bank Guarantee as worked out by the Concerned PD/EE as per MoRTH circular dated 22.11.2016 with a validity of one year initially (extendable if required till satisfactory completion of work) shall have to be furnished by the Licensee to the Authority/its designated agency as a security against improper restoration of ground in terms of filling/unsatisfactory compaction damages caused to other underground installations/utility services interference, interruption, disruption or failure caused thereof to any services etc. In case of the Licensee failing to discharge the obligation of making good of the excavated trench/other restoration work, the Authority shall have a right to make good the damages caused by excavation, at the cost of the Licensee and recover the amount by for feature of the Bank Guarantee.
- (xi) In case, the Performance Bank Guarantee is invoked as mentioned above, the Licensee shall be required to replenish and reinstate the required Performance Bank Guarantee within one month of such invoking. In case the work contemplated herein is not completed to the satisfaction of the Authority, which has granted the permission, within a period of 11 months from the date of issue of the Bank Guarantee, the Licensee shall either furnish a fresh guarantee or extend the guarantee for a further period of one year. Notwithstanding this, the Licensee shall be liable to pay full compensation to the aggrieved Authority/its designated agency for any damage sustained by them by reason of the exercise of the RoW facility.
- (xii) The Licensee shall shift the utility services within 90 days on own cost (or as specified by the respective Authority) from the date of issue of the notice by the concerned Authority to shift/ relocate the utility services, in case it is so required for the purpose of improvement/widening of the road/route/highway or construction of flyover/bridge and restore the road/land to its original condition at his own cost and risk.
- (xiii) The Licensee shall be responsible to ascertain from the respective agency in co-ordination with Authority, regarding the location of other utilities/underground installations/ facilities etc. The Licensee shall ensure the safety and security of already existing underground installations/utilities/facilities etc. before commencement of the excavation/ using the existing cable ducts. The Licensee shall procure insurance from a reputed insurance company against damages to already existing underground installations/ utilities/facilities etc.
- (xiv) The Licensee shall be solely responsible/liable for full compensation/ indemnification of concerned agency/aggrieved Authority for any direct, indirect or consequential damage caused to them/claims or replacements sought for, at the cost and risk of the Licensee. The concerned agency in co-ordination with Authority shall also have a right make good such damages/recover the claims by forfeiture of Bank Guarantee

- (xv) Three copies of 'as laid drawings' of utilities (hard and soft copies) with geotagged photographs and geo-tagged video recordings of laying of overhead crossing of PGCIL transmission line in the trench (with respect to the NH) and after complete restoration shall be submitted to the Authority for verification and submitting their recommendation for issuing the Final NOC by Highway Administration for making utility operational.
- (xvi) The utility services shall not be made operational by the Licensee unless a final approval is obtained from the Highway Administration without which the concerned Project Director/Executive Engineer will not release the submitted performance Bank Guarantee.
- (xvii) For PPP Projects, in case of any financial loss incurred by the respective project concessionaires due to such laying/shifting of utility services by the Licensee, compensation for the same shall be required to be borne by the Licensee in mutual agreement with the respective project concessionaires. MoRT&H/NHAI implementing authorities for the project shall not be liable to the concessionaire in any way in this regard.
- (xviii) In case of any damages to ongoing road work due to shifting of PGCIL overhead transmission line, all cost pertaining to repair and the claims likely to be raised by the Concessionaire/IE, shall be borne by Licensee.
- (xix) PD should ensure after signing of agreement that Licensee Department has completed all the works of laying & NH crossing of overhead crossing of PGCIL transmission line as permitted by this office in time bound manner at the earliest.
- (xx) Necessary precaution should be taken to avoid accident during crossing or execution of the work.
- (xxi) Before signing of agreement, recommendation of IE & consent of Concessionaire/ Supervision Consultant may also be obtained, if not taken so far.
- (xxii) Work shall be executed as per approved methodology without obstructing the NH.
- (xxiii) PD should ensure before signing of agreement that all undertakings given by Licensee are project specific and signed by Competent Authority of permission seeker agency.
- (xxiv) PD should ensure before signing of agreement that all the required undertakings and compliances of conditions as communicated by IE/Concessionaires of the project highway, if any, may be obtained from the applicant.
- (xxv) PD should ensure before signing of agreement that the applicant has deposited License fee and required processing fee in 'Bharat Kosh' and performance Bank Guarantee in PIU office. It is presumed that concerned PD while finalizing license fee has verified and satisfied himself regarding the land rate used in calculation of fee, in addition, PD shall take desired undertaking from authorized signatory of applicant that "They will pay necessary increase in license fee within seven days as and when asked by the concerned PD/Highway Administration".
- (xxvi) PD should take necessary action under section 25 of the 'Control of NH (Land & Traffic) Act, 2002' as per the powers delegated vide NHAI HQ Policy Circular (SOP) issued 14.19/2020 dated 06.01.2020.
- (xxvii) Notwithstanding to the above, the provisional permission shall stand cancelled under the following circumstances -
- (i) If any document/information furnished by the applicant proves to be false or if the applicant is found to have willfully suppressed any information.
- (ii) Any breach of the condition imposed by the Highway Administration or the officer authorized by the Administration on his behalf.
- (iii) If at later stage, any dispute/legal matter arises in the matter.
- (xxviii) The applicant shall ensure prior to execution that no legal proceedings/dispute is involved in the subject matter and if, at later stage, any dispute/legal matter arises out then the responsibility of the same will be upon applicant only.

This issues with the approval of Competent Authority.

Yours faithfully,

(Kuldeep Songara)

Sir,

This has reference to your letter cited under ref. (2) & (4) above, vide which you have submitted the proposal for grant of permission for overhead crossing of NH-11 at Km. 312 to 313 on Jaisalmer-Bikaner section by PGCL for construction of Transmission line Pkg- TL02 for Fatehgarh-II-Bhadla II of 765 KV D/C Line associated with "Transmission system associated with LTA application from Rajasthan SEZ Part-B" under Tariff Based Competitive Bidding (TBCB) by M/s. PGCIL on Bikaner-Phalodi section of NH-15 (New NH-11) in the state of Rajasthan for approval of the Competent Authority.

2. As per para 4 of Ministry's guidelines dated 22.11.2016, the application shall be uploaded on the public domain for 30 days for seeking claims and objections (on grounds of public inconvenience, safety and general public interest). Accordingly, the application was uploaded on the Ministry's website on vide RO-Jaipur letter no. 4378 dated 03.03.2021. However, this office has not received any comments during/after the expiry of the period stipulated in the Ministry's guidelines i.e. one month from public.

3. Based on the facts submitted by RO, MoRTH, Jaipur and IE/PD's submissions/certification, the Competent Authority has accord provisional permission to the proposal with the request to ensure fulfillment of all the requirements of MoRTH/NHAI guidelines prior to permitting actual execution of overhead crossing of PGCIL transmission line. Further, you are authorized to sign the License Deed/Agreement on behalf of NHAI after fulfillment of all requirements like Performance Guarantees (laying along NH per RM/across per crossing of NH) as per MoRTH/NHAI latest guidelines and obtaining necessary clearance of any other related department, if same is required for the proposed work before execution after ensuring the compliance of Para 8, 9, & 10 of the checklist.

4. The proposed permission shall be subjected to following additional conditions that-

- (i) The accommodation of proposed utility shall be strictly as per the Ministry's letter No.RW/NH-33044/29/2015/S&R(R) dated 22.11.2016 and as per the details indicated in the sketches/drawings enclosed herewith. No change in the alignment of other than approved herein will be entertained. Any deviation may result in cancelling of the permission/approval.
- (ii) The applicant will be authorized to install/laying of the utility services as per approved methodology and drawings within the NH RoW only after signing of the agreement.
- (iii) The proposed laying operation of utility shall be in such a manner that it causes least interference to the traffic movement and also traffic safety.
- (iv) RoW permissions are only enabling in nature. The purpose of extending the way leave facility on the National Highway RoW is not for enhancing the scope of activity of a utility service provider, either by content or by intent. Further, enforceability of the permission so granted shall be restricted only to the extent of provisions/scope of activities defined in the license agreement for the purpose for which it is granted.

Cont...2

- (v) No Licensee shall claim exclusive right on the RoW and any subsequent user will be permitted to use the RoW, either above or below, or by the side of the utilities laid by the first user, subject to technical requirements being fulfilled. Decision of the Authority in relation to fulfillment of technical requirements shall be final and binding on all concerned parties. In case any disruption/damage is caused to any existing user by the subsequent user, the Authority shall not be held accountable or liable in any manner.
- (vi) The Licensee shall be responsible for undertaking all activities including, but not limited to site identification, survey, design, engineering, arranging finance, project management, obtaining regulatory approvals & necessary clearances, supply of equipment, material, construction, erection, testing and commissioning, maintenance and operation and all other activities essential or required for efficient functioning of their own utility / industrial infrastructure facilities.
- (vii) License Fee (as worked out by the PD/EE) shall have to be paid in advance for the period for which permission is granted for entering into a license agreement. In case of renewal, rate prevailing at the time of renewal shall be charged. Delay in renewal and deposition of fee shall attract interest @ 15% per annum compounded annually.
- (viii) The utility service shall be permitted to cross the National Highway either through structure or conduits specially built for that purposes. The casing / conduit pipe should, as minimum, extend from drain to drain in cuts and toe of slope to toe of slope in the fills and shall be designed in accordance with the provision of IRC and executed following the Specifications of the Ministry. The Existing drainage structures shall not be allowed to carry the lines across. The Licensee shall ensure making good the excavated trench for laying utility services by proper filling and compaction, so as to restore the land in to the same condition as it was before digging the trench, clearing debris/loose earth produced due to execution of trenching at least 50m away from the edge of the right of way.
- (ix) All required restoration works subsequent to laying of the overhead crossing of PGCIL transmission line shall be required to be undertaken by the Licensee at its own cost either by itself or through its authorized representative in consultation with the Authority (The Project Director/ Executive Engineer) as per predetermined time schedule and quality standards.
- (x) Prior to commencement of any work on the ground, a performance Bank Guarantee as worked out by the Concerned PD/EE as per MoRTH circular dated 22.11.2016 with a validity of one year initially (extendable if required till satisfactory completion of work) shall have to be furnished by the Licensee to the Authority/its designated agency as a security against improper restoration of ground in terms of filling/unsatisfactory compaction damages caused to other underground installations/utility services interference, interruption, disruption or failure caused thereof to any services etc. In case of the Licensee failing to discharge the obligation of making good of the excavated trench/other restoration work, the Authority shall have a right to make good the damages caused by excavation, at the cost of the Licensee and recover the amount by for feature of the Bank Guarantee.
- (xi) In case, the Performance Bank Guarantee is invoked as mentioned above, the Licensee shall be required to replenish and reinstate the required Performance Bank Guarantee within one month of such invoking. In case the work contemplated herein is not completed to the satisfaction of the Authority, which has granted the permission, within a period of 11 months from the date of issue of the Bank Guarantee, the Licensee shall either furnish a fresh guarantee or extend the guarantee for a further period of one year. Notwithstanding this, the Licensee shall be liable to pay full compensation to the aggrieved Authority/its designated agency for any damage sustained by them by reason of the exercise of the RoW facility.
- (xii) The Licensee shall shift the utility services within 90 days on own cost (or as specified by the respective Authority) from the date of issue of the notice by the concerned Authority to shift/ relocate the utility services, in case it is so required for the purpose of improvement/widening of the road/route/highway or construction of flyover/bridge and restore the road/land to its original condition at his own cost and risk.
- (xiii) The Licensee shall be responsible to ascertain from the respective agency in co-ordination with Authority, regarding the location of other utilities/underground installations/ facilities etc. The Licensee shall ensure the safety and security of already existing underground installations/utilities/facilities etc. before commencement of the excavation/ using the existing cable ducts. The Licensee shall procure insurance from a reputed insurance company against damages to already existing underground installations/ utilities/facilities etc.
- (xiv) The Licensee shall be solely responsible/liable for full compensation/ indemnification of concerned agency/aggrieved Authority for any direct, indirect or consequential damage caused to them/claims or replacements sought for, at the cost and risk of the Licensee. The concerned agency in co-ordination with Authority shall also have a right make good such damages/recover the claims by forfeiture of Bank Guarantee

- (xv) Three copies of 'as laid drawings' of utilities (hard and soft copies) with geotagged photographs and geo-tagged video recordings of laying of overhead crossing of PGCIL transmission line in the trench (with respect to the NH) and after complete restoration shall be submitted to the Authority for verification and submitting their recommendation for issuing the Final NOC by Highway Administration for making utility operational.
- (xvi) The utility services shall not be made operational by the Licensee unless a final approval is obtained from the Highway Administration without which the concerned Project Director/Executive Engineer will not release the submitted performance Bank Guarantee.
- (xvii) For PPP Projects, in case of any financial loss incurred by the respective project concessionaires due to such laying/shifting of utility services by the Licensee, compensation for the same shall be required to be borne by the Licensee in mutual agreement with the respective project concessionaires. MoRT&H/NHAI implementing authorities for the project shall not be liable to the concessionaire in any way in this regard.
- (xviii) In case of any damages to ongoing road work due to shifting of PGCIL overhead transmission line, all cost pertaining to repair and the claims likely to be raised by the Concessionaire/IE, shall be borne by Licensee.
- (xix) PD should ensure after signing of agreement that Licensee Department has completed all the works of laying & NH crossing of overhead crossing of PGCIL transmission line as permitted by this office in time bound manner at the earliest.
- (xx) Necessary precaution should be taken to avoid accident during crossing or execution of the work.
- (xxi) Before signing of agreement, recommendation of IE & consent of Concessionaire/ Supervision Consultant may also be obtained, if not taken so far.
- (xxii) Work shall be executed as per approved methodology without obstructing the NH.
- (xxiii) PD should ensure before signing of agreement that all undertakings given by Licensee are project specific and signed by Competent Authority of permission seeker agency.
- (xxiv) PD should ensure before signing of agreement that all the required undertakings and compliances of conditions as communicated by IE/Concessionaires of the project highway, if any, may be obtained from the applicant.
- (xxv) PD should ensure before signing of agreement that the applicant has deposited License fee and required processing fee in 'Bharat Kosh' and performance Bank Guarantee in PIU office. It is presumed that concerned PD while finalizing license fee has verified and satisfied himself regarding the land rate used in calculation of fee, in addition, PD shall take desired undertaking from authorized signatory of applicant that "They will pay necessary increase in license fee within seven days as and when asked by the concerned PD/Highway Administration".
- (xxvi) PD should take necessary action under section 25 of the 'Control of NH (Land & Traffic) Act, 2002' as per the powers delegated vide NHAI HQ Policy Circular (SOP) issued 14.19/2020 dated 06.01.2020.
- (xxvii) Notwithstanding to the above, the provisional permission shall stand cancelled under the following circumstances -
- (i) If any document/information furnished by the applicant proves to be false or if the applicant is found to have willfully suppressed any information.
- (ii) Any breach of the condition imposed by the Highway Administration or the officer authorized by the Administration on his behalf.
- (iii) If at later stage, any dispute/legal matter arises in the matter.
- (xxviii) The applicant shall ensure prior to execution that no legal proceedings/dispute is involved in the subject matter and if, at later stage, any dispute/legal matter arises out then the responsibility of the same will be upon applicant only.

This issues with the approval of Competent Authority.

25.03.2021 के क्रम में।

महोदय,

उपरोक्त विषयान्तर्गत लेख है कि उप वन महानिरीक्षक (केन्द्रीय) पर्यावरण,
वन एवं जलवायु परिवर्तन मंत्रालय एकीकृत क्षेत्रीय कार्यालय जयपुर का पत्रांक 8 बी/राज./
04/09/2021/एफ.सी/96 दिनांक 25.03.2021 द्वारा वनभूमि प्रत्यावर्तन प्रकरण
Diversion of 2.8874 Ha. of forest land for construction of 765 kv D/C Fatehgarh-II to Bhadla-II
Transmission Line, District Jodhpur, Rajasthan in favour of Power Grid India Limited. (वनभूमि
प्रत्यावर्तन प्रस्ताव संख्या No. FP/RJ/ TRANS /44981/2020) में वनभूमि के प्रत्यावर्तन हेतु सशर्त
सैद्धान्तिक स्वीकृति प्रदान की है। अतः संदर्भित पत्र से अधिरोपित निम्नलिखित बिन्दुओं की
राशि जमा करवाकर, शेष शर्तों की भी पालना/वचनबद्धता रिपोर्ट भिजवाना सुनिश्चित
करें:-

बिन्दु संख्या 2:- प्रयोक्ता अभिकरण द्वारा वनविभाग के पक्ष में प्रभावित वन क्षेत्र के दुगने
अवनत वनभूमि (2.8874 x 2 = 5.7748 हैक्टियर पर क्षतिपूरक वृक्षारोपण एवं 12 वर्षों
तक रख रखाव हेतु आवश्यक धन राशि रुपये 16,11,000/- (अक्षरे सोलह लाख ग्यारह हजार
रुपये मात्र) कैम्पा मद नई दिल्ली में जमा करावे।

बिन्दु संख्या 4- प्रयोक्ता अभिकरण द्वारा माननीय उच्चतम न्यायालय के रिटपिटीशन
(सिविल) 202 /1995 के अन्तर्गत आई.ए.सं. 566 एवं भारत सरकार के पत्र संख्या
5-3/2007 एफ.सी. दिनांक 05.02.2009 के तहत दिये गये आदेशानुसार शुद्ध वर्तमान मूल्य
(एनपीवी) की निर्धारित राशि (T. N Godavarman Thirumulpad petitioners में दिये आदेशानुसार
Open Forest NPV@ 4,38000 = 2.8874X438000 रुपये = 12,64,681/- (अक्षरे बारह लाख
चौसठ हजार छः सौ इकसठ रुपये मात्र) रुपये ई-चालान पोर्टल के माध्यम से कैम्पा मद
नई दिल्ली में जमा करावे।

पंकज सुथार Pankaj Suthar
प्रबंधक (टीएलसी / Manager(TLC)
पावरग्रिड, भडला-II/POWERGRID, Bhadla-II

बिन्दु संख्या 8-प्रयोक्ता अभिकरण द्वारा प्रस्तावित विद्युत लाईन के नीचे बौने पौधों (मुख्यतः औषधीय पौधे) के रोपण एवं 10 वर्षों तक रख रखाव हेतु आवश्यक धन राशि 2.8874X583916.58 रुपये = 16,86,000/- (अक्षरे सोलह लाख छियासी हजार रुपये मात्र) कैम्पा मद नई दिल्ली में जमा करावे।

उक्त के अलावा सैद्धान्तिक स्वीकृति के शेष बिन्दुओं के बिन्दु संख्या 1, 3, 5 से 7 एवं 9 से 25 की बिन्दुवार पालना/वचनबद्धता सैद्धान्तिक स्वीकृति अनुसार भिजवाना सुनिश्चित करावे। प्रकरण में नियमानुसार जमा की जाने वाली राशि स्टेट कैम्पा के निर्धारित मद में ई-चालान द्वारा ऑन लाइन जमा करवाकर चालान की प्रति यू.टी.आर. संख्या के साथ उपलब्ध करावे। इसके अलावा भारत सरकार पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय नई दिल्ली के पत्रांक 7-23/2012-एफ.सी. दिनांक 24.07.2013 से माननीय राष्ट्रीय हरित अधिकरण (एन.जी.टी.) के निर्णय दिनांक 07.11.2012 की पालना में भारत सरकार द्वारा जारी सैद्धान्तिक स्वीकृति की प्रति 2 दैनिक समाचार पत्रों (हिन्दी एवं अंग्रेजी) में प्रकाशित करवाकर समाचार पत्रों की एक मूल प्रति व 4 सेट प्रयोक्ता अभिकरण द्वारा प्रमाणित प्रतियों की पालना के साथ इस कार्यालय में उपलब्ध करावे, ताकि आप द्वारा प्रस्तुत पालना/वचनबद्धता अग्रेतर कार्यवाही हेतु उच्च कार्यालय को प्रेषित की जा सके।

SUB: Reply of Query on Rejection of Demand Note by Nodal Officer dt. 15/04/2021.

Ref: (1) Demand Note issue by your office letter No. एफ (114)/FCA/ उवसं / 2021/ 2757 dt. 06/04/2021.

(2) Query received from Nodal Office dt. 15/04/2021.

Respected sir,

After getting the In – Principle Approval for the “Diversion of 2.8874 hac. of forest land in favour of PowerGrid Fatehgarh Transmission Limited for construction of 765 KV D/C Fatehgarh-II to Bhadla -II Transmission Line, Jodhpur Rajasthan”

With reference to the Demand letter issued by your good office dt 06/04/2021 and the query raised by the Nodal Officer, Jaipur.

We, PowerGrid Fatehgarh Transmission Limited would like to submit herewith the undertaking that there are Zero trees which is to be felled/cut in Forest land proposed for Diversion, as the distance between the bottom conductor and the ground is 23.5 meters in “Construction of 765 KV D/C Fatehgarh – II to Bhadla – II Transmission Line.

There is No Cutting/ looping of tree in forest area so, no additional cost is there, hence the only Amount to be submit is towards the CA, NPV & Medicine plantation, which is mentioned in Demand note dt: 06/04/2021.

UNDERTAKING ENCLOSED
Query from Nodal Enclosed.

Thank You.

(Online Proposal No: FP/RJ/Trans/44981/2020)

विषय: Diversion of 2.8874 ha. forest land in favour of Powergrid Fatehgarh Transmission Limited for construction of 765 KV DC Fatehgarh-II to Bhadla-II Transmission Line, District-Jodhpur, Rajasthan .

सन्दर्भ: शासन सचिव, राजस्थान का पत्रांक-प.1(1)वन/2021, जयपुर, दिनांक-03.03.2021.

महोदय,

उपरोक्त विषयक संदर्भित पत्र का आशय ग्रहण करने का कष्ट करें जिसके द्वारा प्रश्नगत प्रकरण में वन (संरक्षण) अधिनियम, 1980 की धारा (2) के अन्तर्गत भारत सरकार की स्वीकृति मांगी गयी थी।

प्रकरण के परीक्षणोत्तरान्त मुझे आपको यह सूचित करना है कि केन्द्र सरकार उपरोक्त विषयांकित परियोजना हेतु 2.8874 हे० वन भूमि के प्रत्यावर्तन एवं 244 वृक्षों (236 पोल्स, 8 वृक्ष) के पातन की सैद्धान्तिक स्वीकृति निम्नलिखित शर्तों पर प्रदान करती है:-

1. Legal status of the forest land shall remain unchanged.
2. Compensatory afforestation shall be taken up by the Forest Department over an area of 5.7748 ha degraded Forest land in Compartment No. Osian-6, Village Osian, Range Osian, District Jodhpur at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.
3. The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
4. The State Government shall charge the Net Present Value (NPV) for the 2.8874 ha. forest area to be diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated 18/09/2003, as well as letter No. 5-2/2006-FC dated 03/10/2006 and 5-3/2007-FC dated 05/02/2009 in this regard.
5. Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.
6. User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
7. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
8. The User agency in consultation with the State Forest Department prepare a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in right of way under the transmission line and deposit the cost for execution of the said scheme to the State Forest Department.

पंकज सुथार / Pankaj Suthar
प्रबंधक (टीएलसी / Manager(TLC)
पावरग्रिड, भदला-II/POWERGRID,Bhadla-II

9. The user agency at its cost shall provide bird deflectors, which are to be fixed on upper conductor of transmission line at suitable intervals to avoid bird hits.
10. The User Agency shall comply with the guidelines for laying transmission lines through forest areas issued by Ministry vide letter no. 7-25/2012-FC dated 05/05/2014 & 19/11/2014.
11. Muck disposal plan as approved by the concerned DFO shall be submitted.
12. NOC of concerned department (NHAI etc) shall be submitted.
13. User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
14. The layout plan of the proposal shall not be changed without prior approval of Central Government.
15. No labour camp shall be established on the forest land.
16. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
17. The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer.
18. No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
19. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
20. The forest land shall not be used for any purpose other than that specified in the project proposal.
21. The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India.
22. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the MoEF&CC Guideline F. No. 11-42/2017-FC dt 29/01/2018.
23. Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife.
24. All the funds received from the user agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal.
25. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).

After receipt of compliance report on fulfillment of all of the above conditions from the State Government, proposal will be considered for final approval under Section-2 of the Forest (Conservation) Act, 1980, by this office.

The order for transfer of forest land to user agency shall not be issued by the State Government till final approval order for diversion of forest land is issued by Government of India.

भवदीया,

(Online Proposal No.: FP/RJ/Trans/44981/2020)

विषय:- Diversion of 2.8874 ha. forest land in favour of Powergrid Fatehgarh Transmission Limited for construction of 765 KV DC Fatehgarh-II to Bhadla-II Transmission Line, District-Jodhpur, Rajasthan.

सन्दर्भ: शासन सचिव, राजस्थान का पत्रांक-प.1(1)वन/2021, जयपुर, दिनांक-03.03.2021.

महोदय,

उपरोक्त विषयक संदर्भित पत्र का आशय ग्रहण करने का कष्ट करें, जिसके द्वारा प्रश्नगत प्रकरण में वन (संरक्षण) अधिनियम, 1980 की धारा (2) के अन्तर्गत भारत सरकार की स्वीकृति माँगी गयी थी।

प्रकरण के परिष्कारान्त मुझे आपको यह सूचित करना है कि केन्द्र सरकार उपरोक्त विषयांकित परियोजना हेतु 2.8874 हे० वन भूमि के प्रत्यावर्तन एवं 244 ट्रीस (236 पोलस, 8 वृक्ष) के पालन की सैद्धान्तिक स्वीकृति निम्नलिखित शर्तों पर प्रदान करती है:-

1. Legal status of the forest land shall remain unchanged.
 2. Compensatory afforestation shall be taken up by the Forest Department over an area of 5.7748 ha degraded Forest land in Compartment No. Osian-6, Village Osian, Range Osian, District Jodhpur at the cost of the user agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.
 3. The cost of compensatory afforestation at the prevailing wage rates as per compensatory afforestation scheme and the cost of survey, demarcation and erection of permanent pillars if required on the CA land shall be deposited in advance with the Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
 4. The State Government shall charge the Net Present Value (NPV) for the 2.8874 ha. forest area to be diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated 18/09/2003, as well as letter No. 5-2/2006-FC dated 03/10/2006 and 5-3/2007-FC dated 05/02/2009 in this regard.
 5. Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.
 6. User agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department.
 7. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
 8. The User agency in consultation with the State Forest Department prepare a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in right of way under the transmission line and deposit the cost for execution of the said scheme to the State Forest Department.
 9. The user agency at its cost shall provide bird deflectors, which are to be fixed on upper conductor of transmission line at suitable intervals to avoid bird hits.
 10. The User Agency shall comply with the guidelines for laying transmission lines through forest areas issued by Ministry vide letter no. 7-25/2012-FC dated 05/05/2014 & 19/11/2014.
 11. Muck disposal plan as approved by the conserved DFO shall be submitted.
 12. NOC of concerned department (NHA) etc shall be submitted.
 13. User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
 14. The layout plan of the proposal shall not be changed without prior approval of Central Government.
 15. No labour camp shall be established on the forest land.
 16. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel.
 17. The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer.
 18. No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
 19. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
 20. The forest land shall not be used for any purpose other than that specified in the project proposal.
 21. The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or persons without prior approval of Govt. of India.
 22. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the MoEF & CC Guideline F.No. 11-42/2017-FC dt 29/01/2018.
 23. Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife.
 24. All the funds received from the user agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal.
 25. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).
- After receipt of compliance report on fulfilment of all of the above conditions from the State Government, proposal will be considered for final approval under Section-2 of the Forest (Conservation) Act, 1980, by this office.
- The order for transfer of forest land to user agency shall not be issued by the State Government till final approval order for diversion of forest land is issued by Government of India.

the Crime Scene Unit. As the CIU head, he was handling a slew of high-profile cases, including the fake TRP case, fake social media followers case, the DC car finance scam and the Ambani security scare case (in which he is now an accused), the official said.

The SUV with explosives was found near Ambani's residence in south Mumbai on February 25. Hiran, a Thane-based businessman who was in possession of the SUV, was found dead in a creek in Thane on March 5. Waze had allegedly played a key role in both the incidents, the official said.

The NIA has so far arrested nearly half a dozen people in connection with the SUV-cum-murder case, including Waze and API Riyazuddin Kazi.

Panaji: A day after Minister Vishwajit announced that the state all those above 18 years ivermectin tablets as lactic treatment to ease severity of Covid-19. He said the medication prescribed only for clinical "Safety and efficacy important when using for a new indication, recommends against ivermectin for #COVID within clinical WHO chief scientist Swaminathan tweeted.

Rane had said on that the state govt would provide ivermectin as a prophylactic protocol for all Goans years of age to reduce fatality of Covid-19.

The decision, Rane was taken but safely had said. TNN
