A sewage master plan prepared for the Hyderabad Urban Agglomeration up to the Outer Ring Road, including L B Nagar constituency, by Shah Technical Consultants, Mumbai

of Rs 313.26 crore in LB Nagar. The MB scheme was taken up to prevent drinking water problem under the leadership of CM KCR. About 95 per

cent of work of the scheme has been completed.

The minister said a sewage master plan was prepared for the Hyderabad Urban Agglomeration up to the Outer Ring Road, including L B Nagar constituency, by M/s Shah Technical Consultants, Mumbai. "We solved the drinking water problem of the city. Now our focus will be on sewage," he stated.

Earlier Sudheer Reddy said because of many colonies coming up in the constituency, there was a problem for drinking water. He said following huge rain, the groundwater levels have increased; polluted water was coming from bore wells. He wanted the government to start drinking water pipelines only after taking up road and drainage works.

CM assures CB-CID probe into Waqf lands encroachment

HANS NEWS SERVICE
HYDERABAD

CHIEF Minister K Chandrashekar Rao assured a CB-CID probe into the encroachments of Waqf lands in the State, when the MIM Legislative Party leader Akbaruddin Owaisi raised the issue once again in the Assembly on Thursday. When the MIM sought the government to provide justice to the vendors of Kothapet fruit market, the Chief Minister said that the government intends to construct a multi-specialty hospital at the site to provide better health-care facilities to people, adding that vendors of the market would not be left in the lurch. He suggested the MIM members to lead a meeting with Deputy Chief Minister and the authorities concerned to arrive at a consensus.

CM assures to protect Stadium

When BJP MLA Raghunandan Rao raised the issue of protect the stadium land, where the construction of a hospital is proposed at

Gachibowli, the Chief Minister suggested the government to not to acquire the middle part of the stadium land, but the other section. He assured to protect the shape of the stadium and instructed the officials to identify the other section of the land to construct the hospital.

Stamp Duty-Free Bill passed in Assembly

In the evening, the Legislative Assembly approved the Stamp Duty-Free Bill with a voice vote. During the voting, BJP MLA

Raghunandan Rao expressed dissatisfaction and said that prices were going up after all land acquisition from farmers was completed. He said had the government revised the land rates for every two years after the formation of Telangana, the farmers, who lost their lands to various projects, would have got more money. Now that the land acquisition was over, prices were going up. The BJP MLA asked that the clause be kept for now to which Minister Prashant Reddy said the suggestions would be considered.

Many Food Security Card applications rejected as per strict Central rules

HANS NEWS SERVICE
HYDERABAD

CIVIL Supplies Minister Gangula Kamalakar on Thursday said that many applications for the Food Security Cards (FSC) were rejected because of the strict rules of the Centre.

However, he said the State government had issued cards to over 6.71 lakh applicants, who were found eligible. The government received 953,394

applications for FSC, 75 per cent of ration cards in the State were white.

Authorities had rejected 282,935 applications for various reasons, like owning a two-wheeler, four-wheeler, excess agri land, professionals, retired pensioners and government employees.

Replying to a question by Kausar Moineuddin (AIMIM), the minister alleged that the Centre was imposing restrictions on supply of ration.

DISCOURAGE TIPPLERS; STOP LITTERING MENACE

Linking of Aadhaar with liquor sales has many advantages. One, it will reduce the menace of empty bottles strewn across the place, near drainages and street corners, as it would become easy to track culprits and punish such irresponsible people. Tipplers are spending most of the money they get from government welfare schemes under direct money transfer on alcohol. Even if the money is deposited in the accounts of women, the tipplers force them to part with it for their habit of consuming liquor. Linking of Aadhaar to liquor sales will also help in checking these practices as such people can be removed from the list of beneficiaries.

Fish farming in several city lakes soon: Talasani

They include Lotus Pond, Banjara Lake and Lake View Park

HANS NEWS SERVICE
HYDERABAD

SEVERAL lakes in the city will soon have fish farming after setting up of sewage treatment plants. They include Lotus Pond, Banjara Lake and Lake View Park.

This was announced by Animal Husbandry Minister Talasani Srinivas Yadav while replying to a question on fish farming in the State. Khairatabad member Danam Nageswar Rao pointed out that there were lakes such as Lotus Pond, Banjara Lake and Lake View pond. There is opportunity to have farming as fish are seen but there is no mechanism to take them out.

Replying to this, the minister said that the government proposes to start fish farming in the Greater Hyderabad lakes, but this would be done after setting up sewage treatment plants.

The minister stated that the government was promoting fish farming in a big way in the State after formation of Telangana. Stocking of fish seeds and prawn juveniles was taken up with

100 per cent grant to increase fish production in the State and to increase livelihood of fishermen.

The government proposes to stock 93 crores of fish seeds in 28,704 water bodies and also ten crores of prawn juveniles in 200 selected water bodies in 2021-22. The fish production has gone up considerably during the last few years thanks to the water flowing into barrages under the Kaleshwaram project. Fish has become a best alternative for expensive meat and chicken; it is also prescribed by doctors, he said.

Yadav said during 2021-22 around four lakh metric tonnes of fish production was expected at an estimated cost of Rs 5,600 crore. "Some fools are mocking our efforts and saying that the government is not giving jobs. Employment does not mean providing government jobs... providing livelihood is also providing jobs," he remarked, adding unemployed were given mobile outlets.
