To,
The Principal Secretary to the Government,
Environment, Forests, Science & Technology Department,
Telangana State Secretariat, Hyderabad

Subject: Diversion of 22.258 Ha of Forest Land in Warangal North Division and Warangal WLM Division for Laying of Water Pipeline and Construction of Structure of Eturunagaram Segment - 20/3 for providing drinking water to Warangal Dist in favour of IDWSP- reg

Sir,

Please refer to the State Government's letter No.4989/For.I (1)/2016-I dated 05.12.2016 and online Proposal No.FP/ TG/WATER/19597/2016 seeking prior approval of the Central Government for diversion of forest land in accordance with Section 2 of Forest (Conservation) Act, 1980 for the above mentioned project.

The Regional Empowered Committee in its meeting held on 06.02.2017 has recommended the project for clearance with the following conditions in addition to the general conditions:

- The CA area identified at Nagarjunasagar has to be apportioned project wise and details have to be provided to the State Government before the issue of final clearance.
- State Government/ User Agency shall carry out mitigation measures or any other conditions if same is stipulated by the NBWL
- Wherever necessary, User agency shall provide free supply of water for forest nurseries and field staff quarters and range officers, besides providing outlets with snail troughs during summer for wild animals in forest areas.

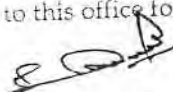

The Standing committee of NBWL has cleared the subject proposal with the following recommendations vide Ministry's letter No.6-69/2017/WL dated 02.06.2017

- Some villages in the core area of Kawal Tiger Reserve have been identified for voluntary resettlement outside. In cases where villagers have already given their consent for resettlement and the State government has identified alternative sites for such villages.

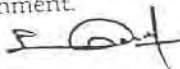

50

In view of the above observations and recommendations, I am hereby directed to convey Central Government's approval in-principle (Stage-I) under Section '2' of Forest (Conservation) Act, 1980 for Diversion of 22.258 Ha of Forest Land in Warangal North Division and Warangal WLM Division for Laying of Water Pipeline and Construction of Structure of Eturunagaram Segment - 20/7 for providing drinking water to Warangal Dist in favour of TDWSP, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged.
- (ii) The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency.
- (iii) The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 22.258 ha out of the 187.677 ha of non-forest land identified in Sy.No.109 of Peddamunagala and in Sy No. 139 & 147 of Thimmapuram in Chandamper Mandal of Nalgonda District at the cost of user agency.
- (iv) The State Government has proposed 22.258 ha of non forest land for compensatory afforestation under the subject proposal as part of 187.677 ha of non forest land identified for entire TDWSP projects (Mission Bhageeratha Project). The CA land identified to the extent of 187.677 ha for the Mission Bhageeratha project under the working control of WLM division, Nagarjunasagar shall be apportioned project wise including the CA area identified for the present proposal and all the relevant details like DGPS coordinates, map, CA scheme, soil suitability certificate etc shall be uploaded in the Ministry's online portal against the subject proposal.
- (v) Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government.
- (vi) Non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the Stage-II clearance.
- (vii) Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation, shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act. The Nodal Officer must report compliance within a period of 6 months from the date of grant of final approval and send a copy of the original notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be, to this office for information and record.

- (viii) The State Government shall charge the Net Present Value of the diverted forest land measuring 22.258 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995
- (ix) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency.
- (x) The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project including levies towards mitigation measures for wildlife conservation etc shall be deposited in the respective bank account of the Telangana State CAMPA. The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry's website.
- (xi) The muck generated in the earth cutting if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the forest areas.
- (xii) Tree felling in the proposed forest area shall be carried out wherever necessary, with the prior permission of the Divisional Forest Officer concerned.
- (xiii) State Government and the user agency shall implement mitigation measures and other conditions as recommended by the Standing Committee of NBWL vide Ministry's letter No. 6-69/2017/WL dated 02.06.2017 at the project cost
- (xiv) State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency.
- (xv) Wherever necessary, user agency shall provide free supply of water for forest nurseries and field staff quarters and range offices, besides providing outlets with small troughs during summer for wild animals in forest areas.
- (xvi) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
- (xvii) The layout plan of the proposal shall not be changed without the prior approval of the Central Government.

- 61 -
- (xviii) Minimal disturbance should be ensured by creating labour camps outside the forest area as far as possible and it will be the responsibility of the UA to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna.
 - (xix) The total forest area utilized for the project shall not exceed 22.258 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.
 - (xx) The Progress of the Compensatory Afforestation as mentioned by the DFO Warangal (North) Division in SI No 12 (v) (a) & (b) of part II i.e 319.25 ha of forest land and 37.85 ha of non forest land shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office to upload the same in the web portal.
 - (xxi) User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
 - (xxii) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
 - (xxiii) In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

F.No.4-TSC048/2017-CHN/2917
Date 13 June, 2017

✓ To,

The Principal Secretary to the Government,
Environment, Forests, Science & Technology Department,
Telangana State Secretariat, Hyderabad

Subject: Diversion of 22.258 Ha of Forest Land in Warangal North Division and Warangal WLM Division for Laying of Water Pipeline and Construction of Structure of Eturunagaram Segment - 20/3 for providing drinking water to Warangal Dist in favour of TDWSP- reg

Sir,

Please refer to the State Government's letter No.4989/For.I (1)/2016-1 dated 05.12.2016 and online Proposal No.FP/TG/WATER/19597/2016 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

The Regional Empowered Committee in its meeting held on 06.02.2017 has recommended the project for clearance with the following conditions in addition to the general conditions:

- The CA area identified at Nagarjunasagar has to be apportioned project wise and the details have to be provided by the State Government before the issue of final clearance.
- State Government/ User Agency shall carry out mitigation measures or any other conditions if same is stipulated by the NBWL.
- Wherever necessary, User agency shall provide free supply of water for forest nurseries and field staff quarters and range officers, besides providing outlets with small troughs during summer for wild animals in forest areas.

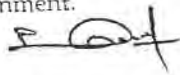

The Standing committee of NBWL has cleared the subject proposal with the following recommendations vide Ministry's letter No.6-69/2017/WL dated 02.06.2017

- Some villages in the core area of Kawal Tiger Reserve have been identified for voluntary resettlement outside. In cases where villagers have already given their consent for resettlement and the State government has identified alternative sites for such villages.

In view of the above observations and recommendations, I am hereby directed to convey Central Government's approval in-principle (*Stage-I*) under Section '2' of Forest (Conservation) Act, 1980 for Diversion of 22.258 Ha of Forest Land in Warangal North Division and Warangal WLM Division for Laying of Water Pipeline and Construction of Structure of Eturunagaram Segment - 20/3 for providing drinking water to Warangal Dist in favour of TDWSP, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged.
- (ii) The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency.
- (iii) The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 22.258 ha out of the 187.677 ha of non-forest land identified in Sy.No.169 of Peddamunagala and in Sy No. 139 & 147 of Thimmapuram in Chandampet Mandal of Nalgonda District at the cost of user agency.
- (iv) The State Government has proposed 22.258 ha of non forest land for compensatory afforestation under the subject proposal as part of 187.677 ha of non forest land identified for entire TDWSP projects (Mission Bhageeratha Project). The CA land identified to the extent of 187.677 ha for the Mission Bhageeratha project under the working control of WLM division, Nagarjunasagar shall be apportioned project wise including the CA area identified for the present proposal and all the relevant details like DGPS coordinates, map, CA scheme, soil suitability certificate etc shall be uploaded in the Ministry's online portal against the subject proposal.
- (v) Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government.
- (vi) Non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the Stage-II clearance;
- (vii) Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation, shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act. The Nodal Officer must report compliance within a period of 6 months from the date of grant of final approval and send a copy of the original notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be, to this office for information and record;

- (viii) The State Government shall charge the Net Present Value of the diverted forest land measuring 22.258 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995.
- (ix) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency.
- (x) The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project including levies towards mitigation measures for wildlife conservation etc shall be deposited in the respective bank account of the Telangana State CAMPA. The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry's website.
- (xi) The muck generated in the earth cutting if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the forest areas.
- (xii) Tree felling in the proposed forest area shall be carried out wherever necessary, with the prior permission of the Divisional Forest Officer concerned.
- (xiii) State Government and the user agency shall implement mitigation measures and other conditions as recommended by the Standing Committee of NBWL vide Ministry's letter No. 6-69/2017/WL dated 02.06.2017 at the project cost.
- (xiv) State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency.
- (xv) Wherever necessary, user agency shall provide free supply of water for forest nurseries and field staff quarters and range offices, besides providing outlets with small troughs during summer for wild animals in forest areas.
- (xvi) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
- (xvii) The layout plan of the proposal shall not be changed without the prior approval of the Central Government.

- 61 -
- (xviii) Minimal disturbance should be ensured by creating labour camps outside the forest area as far as possible and it will be the responsibility of the UA to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna.
 - (xix) The total forest area utilized for the project shall not exceed 22.258 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.
 - (xx) The Progress of the Compensatory Afforestation as mentioned by the DFO Warangal (North) Division in Sl No 12 (v) (a) & (b) of part II i.e 319.25 ha of forest land and 37.85 ha of non forest land shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office to upload the same in the web portal.
 - (xxi) User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
 - (xxii) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
 - (xxiii) In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(Dr.K.Ganesh Kumar)

Subject: Diversion of 22.258 Ha of Forest Land in Warangal North Division and Warangal WLM Division for Laying of Water Pipeline and Construction of Structure of Eturunagaram Segment - 20/3 for providing drinking water to Warangal Dist in favour of TDWSP- reg

Sir,

Please refer to the State Government's letter No.4989/For.I (1)/2016-1 dated 05.12.2016 and online Proposal No.FP/TG/WATER/19597/2016 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

12/6/17 The Regional Empowered Committee in its meeting held on 06.02.2017 has recommended the project for clearance with the following conditions in addition to the general conditions:

- The CA area identified at Nagarjunasagar has to be apportioned project wise and the details have to be provided by the State Government before the issue of final clearance.
- State Government/ User Agency shall carry out mitigation measures or any other conditions if same is stipulated by the NBWL.
- Wherever necessary, User agency shall provide free supply of water for forest nurseries and field staff quarters and range officers, besides providing outlets with small troughs during summer for wild animals in forest areas.

The Standing committee of NBWL has cleared the subject proposal with the following recommendations vide Ministry's letter No.6-69/2017/WL dated 02.06.2017

- Some villages in the core area of Kawal Tiger Reserve have been identified for voluntary resettlement outside. In cases where villagers have already given their consent for resettlement and the State government has identified alternative sites for such villages.

In view of the above observations and recommendations, I am hereby directed to convey Central Government's approval in-principle (*Stage-I*) under Section '2' of Forest (Conservation) Act, 1980 for Diversion of 22.258 Ha of Forest Land in Warangal North Division and Warangal WLM Division for Laying of Water Pipeline and Construction of Structure of Eturunagaram Segment - 20/3 for providing drinking water to Warangal Dist in favour of TDWSP, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged.
- (ii) The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency.
- (iii) The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 22.258 ha out of the 187.677 ha of non-forest land identified in Sy.No.169 of Peddamunagala and in Sy No. 139 & 147 of Thimmapuram in Chandampet Mandal of Nalgonda District at the cost of user agency.
- (iv) The State Government has proposed 22.258 ha of non forest land for compensatory afforestation under the subject proposal as part of 187.677 ha of non forest land identified for entire TDWSP projects (Mission Bhageeratha Project). The CA land identified to the extent of 187.677 ha for the Mission Bhageeratha project under the working control of WLM division, Nagarjunasagar shall be apportioned project wise including the CA area identified for the present proposal and all the relevant details like DGPS coordinates, map, CA scheme, soil suitability certificate etc shall be uploaded in the Ministry's online portal against the subject proposal.
- (v) Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government.
- (vi) Non-forest land identified for raising compensatory afforestation shall be transferred and mutated in favour of the State Forest Department before issue of the Stage-II clearance;
- (vii) Non-forest land which is transferred and mutated in favour of the State Forest Department for the purpose of compensatory afforestation, shall be declared as Reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant Section(s) of the local Forest Act. The Nodal Officer must report compliance within a period of 6 months from the date of grant of final approval and send a copy of the original notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be, to this office for information and record;

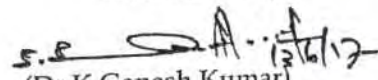

- (viii) The State Government shall charge the Net Present Value of the diverted forest land measuring 22.258 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995.
- (ix) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency.
- (x) The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project including levies towards mitigation measures for wildlife conservation etc shall be deposited in the respective bank account of the Telangana State CAMPA. The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry's website.
- (xi) The muck generated in the earth cutting if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the forest areas.
- (xii) Tree felling in the proposed forest area shall be carried out wherever necessary, with the prior permission of the Divisional Forest Officer concerned.
- (xiii) State Government and the user agency shall implement mitigation measures and other conditions as recommended by the Standing Committee of NBWL vide Ministry's letter No. 6-69/2017/WL dated 02.06.2017 at the project cost.
- (xiv) State Forest Department shall carry out translocation of the trees wherever feasible at the cost of User Agency.
- (xv) Wherever necessary, user agency shall provide free supply of water for forest nurseries and field staff quarters and range offices, besides providing outlets with small troughs during summer for wild animals in forest areas.
- (xvi) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government.
- (xvii) The layout plan of the proposal shall not be changed without the prior approval of the Central Government.

- 61 -
- (xviii) Minimal disturbance should be ensured by creating labour camps outside the forest area as far as possible and it will be the responsibility of the UA to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna.
 - (xix) The total forest area utilized for the project shall not exceed 22.258 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.
 - (xx) The Progress of the Compensatory Afforestation as mentioned by the DFO Warangal (North) Division in SI No 12 (v) (a) & (b) of part II i.e 319.25 ha of forest land and 37.85 ha of non forest land shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office to upload the same in the web portal.
 - (xxi) User agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
 - (xxii) Any other conditions that the Central Government or Addl. PCCF(Central) of Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
 - (xxiii) In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central), Regional Office, Chennai.

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. Transfer of forest land to User Agency shall not be effected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of noncompliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,
