Sir,

Reference is invited to the subject mentioned above. The above proposal was discussed in the 79th meeting of Standing Committee of National Board for Wild Life held on 31st July, 2024 under the Chairmanship of Hon'ble Minister for Environment, Forest & Climate Change.

2. After discussions, the Standing Committee decided to recommend the proposal subject to the following conditions:

- The legal status of the land shall remain unchanged. The User Agency will have right only for construction, maintenance and use of the road and the land shall not be used for any purpose other than that specified in the proposal.
- II. As forest land and trees standing over it are also involved in the project, Forest Clearance as per provisions of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 shall also be required.
- III. User Agency will comply with all conditions stipulated in forest clearance under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980.
- IV. Amount of Net Present Value (N.P.V.) shall be paid by the User Agency as per directions issued by Ministry of Environment of Forest (FC

Division), New Delhi vide Letter No. F.No. 5-3/201 1-FC (Vol-D) dated 06.01.2022 and Letter No. F.No. 5-3/2011-FC (Vol-I) dated 19.01.2022 for proposed 5.345 ha. of Forest Land arid 1.5015 ha. Non Forest Land within ESZ of National Chambal Sanctuary. The User Agency will provide the funds (2% of project cost) for mitigation measures or to implement Specific Wildlife Management Plan in the Wildlife area for ecological development of wildlife habitat in the National Chambal Sanctuary as proposed by the Wildlife Warden (the Protected Area Manager).

.....

- V. The personnel of User Agency working on the site should be well aware and shall be bound to follow of provision of Wild Life (protection) Act, 1972.
- VI. The instructions/ orders passed by the State. Government/ Central Government and the directions passed by Hon'ble Court/ Supreme Court from time to time regarding such project shall be complied with.
- VII. The User Agency will ensure that no labour camp shall be established inside the sanctuary or any other sensitive area in eco- sensitive zone. Neither firewood nor any other forest produce from the forest will be used.
- VIII. The User Agency will keep firefighting equipments as well as equipments for minimizing air and noise pollution at the site.
 - IX. The User Agency shall provide the necessary finance to undertake compensatory afforestation work of native species on double degraded forest land i.e. 10.69 ha. land against the 5.345 ha. of Forest land affected with this project by planting 2138 plants and to grow 9621 plants through seed sowing along with its 10 years maintenance in the nearby suitable area of the sanctuary as proposed by DFO/ WLW.
 - X. During the construction period, the User Agency will establish one temporary forest check post along with the required manpower at its own cost.
 - XI. User Agency will fix sign board at appropriate point of the project.
- XII. Construction waste materials shall not be thrown inside the protected forest area or eco-sensitive zone area or on the movement corridor of Wildlife.
- XIII. No work shall be allowed from sunset to sunrise. User Agency will take all precautions including technical measures to contain the noise and air pollution, protection from fire due to during construction activities and shall also obtain consent to operate the project work from U.P. Pollution Control Board and effectively implement all the conditions stipulated therein.
- XIV. User Agency shall prepare and submit the Animal Passage Plan as required. Blasted Ammunition materials shall not be carried by User Agency in Wildlife area. The User Agency shall extend all support to Forest Department in case of any wildlife offense.
- XV. All the construction material will be brought from outside the PA.
- XVI. Flow of water interruption should be minimal or atleast channelised so that dolphins are not stuck in deeper pools.
- XVII. Immediate debris removal post construction of bridges.
- XVIII. Ensuring that no construction material is dumped in the river.

- XIX. During construction, where underwater digging or dredging or construction is taking place, implementing sound barriers like bubble curtains need to be tried.
- XX. An annual compliance certificate on the stipulated conditions shall be submitted by the User Agency to the State Chief Wild Life Warden and an annual compliance certificate shall be submitted by the State Chief Wild Life Warden to Government.

3. The minutes of the meeting have been posted online in the "PARIVESH" portal of this Ministry.

Yours faithfully,
