

PART-III

(To be filled up by concerned Conservator of Forests)

14. Whether Site, the forest land involved is located has been inspected by concerned Conservator of Forests (yes/No). If yes, the date of inspection & observation made in form of inspection note to be enclosed :-

The site was inspected on 03.04.2013, the land is almost plain and bears good quality coal. The forest is thin and has a density of 0.2 to 0.3

The proposed area is juxtaposed to the phase-I of Rajrappa project wherein Coal Mining is operational. No new area is proposed for residential colonies or offices etc. The site is coal bearing and is situated on the north side of the Damodar River.

15. Whether the concerned Conservator of Forests agree with the information given in Part-B and the recommendations of Deputy Conservator of Forest :- Yes.

16. Specific recommendation of Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons :-

The Proposal is site specific and hence recommended for acceptance in the larger interest of the society.
