

DETAILED NOTE ON THE PROJECT

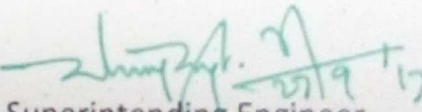

Pasra - Bhupalapally road from Km 0/0 to 58/040 is an important Major District Road in Bhupalapally Assembly constituency in Jayashankar Bhupalpally district. The road starts at Pasra on NH 163 and ends near Bhupalapally on NH 363. The road is an important connectivity for many number of interior tribal villages of Bhupalapally, S.S.Tadvai and Govindaraopet Mandals. It also connects Medaram village, where for every 2 years the famous Sri Sammakka Saralamma Jathara will be held. This is the shortest route to the devotees of Karimnagar, Peddapally, Adilabad districts and States of Maharashtra, Madhya Pradesh to reach Jathara. This is the main corridor and shortest route for the people of four (4) mandals viz., Mangapet, Eturunagaram, Govindaraopet and Tadvai to reach to the District headquarters.

The road is passing through forest area from Km 46/100 to 58/040. The reach is under the forest jurisdiction of Bhupalapally Division.

It is proposed to widen the existing single lane B.T road to double lane road . There is no other alternative except to widen the existing single lane B.T road in Bhupalapally Division. By constructing the above road, it would improve further connectivity in terms of achieving smooth and safe traffic flow and improve level of service for Medaram Jathara pilgrims. In addition to above, substantial economic gain in terms of reduced Vehicle Operating Cost (VOC) and reduced travel time will be acheived.

It is proposed to widen the existing single lane B.T road to double lane road . As such the permission of the forest authorities is required. Hence, proposal is submitted for diversion of forest land worked out to an extent of 15.00 Hectares in Bhupalapally Division.
