APPENDIX

(See rule 6)

FORM – A

FORM FOR THE SEEKING PRIOR APPROVAL UNDER SECTION 2 OF PROPOSALS BY THE STATE GOVERNMENT & AUTHORITIES

PART – I

(To be filled up by user agency)

1. Project Details:-

- I) Short narrative of the proposal and project / scheme for which the forest land is required. **Purpose:-** Some part of Shirur Taluka falls under draught prone area. The Village Kendur Tal Shirur has no permanent water source available for drinking water as well as for Irrigation purpose.

As need and demand for farming activities & drinking we intend to lay out underground water pipeline, from well of Malki land Gut No.12 on the bank of Chaskaman dam left bank Canal of village Chichoshi to our farmland Shri Anil Tukaram Sakore Gut No.898, Shri Tukaram Baburao Sakore Gut No.899, and Gut No.896, Gut No. 899/2, Shri Navnath Chimaji Sakore G.No.800/1, & G.No.800/2, Shri Dadabhau Genbhau Dukre G.No.802,G.No.819, & G.No.921, Shri Krishnaji Genuji Sakore G.No.805, and others G.No.893, G.No.895, G.No.793, G.No.923,/4, and G.No. 923/1 of village Kendur Tal.Shirur District-Pune.

The Chaskaman Dam Left bank Canal is built-up by Government of Maharashtra for farmers irrigation & drinking water facilities for Khed, Shirur , Daund, and other concern talukas.

It is observed that the alignment of proposed water pipeline for farmland Gut No.898, Gut No.899, Gut No.896, Gut No. 899/2, G.No.800/1, & G.No.800/2, G.No.802,G.No.819, G.No.921, G.No.805, G.No.893, G.No.895, G.No.793, G.No.923,/4, and G.No. 923/1 is to be passing through the Forest Comptt.No.272 S.No.155 Gut No.1022 of Village Chinchoshi Tal Khed District Pune, which is exactly between our farmlands of village Kendur Tal Shirur District Pune. The Total forest land is to be required 0.0324 ha. (i.e. 216 mtrx1.5mtr= 324 mtr) only.

The forest area demanded is the barest minimum and immediate requirement for the proposed pipeline project and there is no alternatives non forest land available for this purpose.

Due to Irrigation scheme the problem of drinking water will solved and the agricultural production will increase and the dairy farming will also help to increase the level of business of land holders in our family which will speed up their annual income. Hence it would help to achieve the National Productivity also.

We personally examine all possible alternatives for this purpose but there is no possible alternative non forest land available. Our farm land Gut No.898, Gut No.899, Gut No.896, Gut No. 899/2, G.No.800/1, & G.No.800/2, G.No.802,G.No.819, G.No.921, G.No.805, G.No.893, G.No.895,

G.No.793, G.No.923,/4, and G.No. 923/1 is nearby forest land. Hence it is not possible to avoid the forest land. It is unavoidable.

We learn from the forest department that the required land is Reserved Forest land. However, the prior permission of the Government of India, under the provision of the Forest (Conservation) Act 1980, is necessary & essential for carrying any non-forestry work in such forest land. We are aware of the fact, that such forest land have comes under purview of the provisions of the Forest (Conservation) Act 1980, making it incumbent on the State Government to obtain prior approval of the central Government under the provision of the said Act. Hence submitted this proposal for necessary permission.

- II)** Map showing the required forest land, boundary of adjoining forest on a 1:50000 scale map. Essential map attached on page No. -----
- III)** Cost of Project. Approximately Gross Cost of the pipeline project is Rs.3,00,000/- including material and labour charges.
- IV)** Justification for locating the project in forest area. The other all possible alternatives were examined by us. Proposed water pipeline is to be passing through the forest Comptt.No.272 Gut No.1022 of Village Chichoshi Tal Shirur Dist Pune which is exactly between our farmlands Gut No. Gut No.898,

Gut No.899, Gut No.896, Gut No. 899/2, G.No.800/1, & G.No.800/2, G.No.802,G.No.819, G.No.921, G.No.805, G.No.893, G.No.895, G.No.793, G.No.923,/4, and G.No. 923/1of village Kendur Tal Shirur District Pune.

Our farmland Gut No. Gut No.898, Gut No.899, Gut No.896, Gut No. 899/2, G.No.800/1, & G.No.800/2, G.No.802,G.No.819, G.No.921, G.No.805, G.No.893, G.No.895, G.No.793, G.No.923,/4, and G.No. 923/1 is nearby forest land. Hence is not possible to implement the proposed project without avoiding the forest area in forest Gut No. 1022 of village Chichoshi Tal Shirur District Pune.

The forest area demanded is the barest minimum and immediate requirement for the proposed pipeline project and there is no alternatives non forest land available for this purpose.

The total forest land is to be required 0.0324 ha. (i.e.216 mtrx1.5mtr= 324 mtr) only. The demanded area is barest minimum and no trees are required to be felled. The proposed work of underground water pipeline will be started and completed only after prior permission from competent authority. Therefore we have decided to take necessary permission under the Forest Conservation Act, 1980. Hence this proposal is being submitted for necessary sanction.

V) Cost – benefit analysis Not Applicable

VI) Employment likely to be generated. The approximately cost of the work is Rs.3.00 lac. Including all labour & material charges, assuming labour component at 40%, which work out to Rs.1,20,000/-,daily wage rate @ 323.54/-per day. However, total labour potential created would be 371 man days during construction period.

2. Purpose-wise break-up of the Forest land required.

Name of Component	Name of Village	Forest Land Required					Legal Status of Land	Non-Forest land Required			Total Area (Ha)	
		F.S./Gut No	Compt No.	Length x Width (m)	Area			S.N./Gut No.	Length x Width (m)	Area (Ha)		
					Sqm	ha						
Construction of laying underground water pipeline	Chichoshi Tal. Khed Dist-Pune	155/1022	272	216x 1.5	324	0.0324	RF	---	---	---	0.0324	
		---	---	---	---	---	---	212	300 x 1.5	0.045	0.045	
									213	302 x 1.5	0.0453	0.0453
									260	280x 1.5	0.042	0.042
									169	280x 1.5	0.042	0.042
		---	---	---	---	---	---	---	170	280x 1.5	0.042	0.042
									199	240 x 1.5	0.036	0.036

									176	75 x 1.5	0.011	0.011
									179	85 x 1.5	0.012	0.012
									1023	90 x 1.5	0.0135	0.0135
Total area to be required for the Project					324	0.0324	RF	---	--	0.3428	0.3752	

3. Details of displacement of people due to the project, if any.

- i) Number of families. : Nil
- ii) Number of Scheduled cast / Scheduled Tribe families : Nil
- iii) Rehabilitation plan (to be enclosed) : Not Applicable
- 4 Whether clearance from environment (protection) Act 1986 required? (Yes/No) : No
- 5 Undertaking to bear the cost of raising and maintenance of compensatory afforestation and / or penal compensatory afforestation as well as cost for protection and regeneration of Safety zone etc. as per the scheme prepared by the state Government (undertaking to be enclosed) : Undertaking to bear the cost of compensatory afforestation and others is enclosed on page No.-----
- 6 Details of certificates/ documents enclosed as required under the instruction.
- 1.Index Map
 - 2.Village Map of Village Chinchoshi
 3. Location Map
 4. 7/12 extract (Marathi & English)
 5. Brief Note.
 - 6.Necessary Certificates & Undertaking

It is state that the all possible alternatives for this purpose of water pipeline have been explored. The required forest land admeasuring 0.0324 ha.is minimum demands made for this project. Propose underground water pipeline is to be needed for drinking water and agricultural, farming activities. Therefore it is request that the proposal may please be recommended for necessary sanction.
