

**GOVERNMENT OF TELANGANA**  
**RURAL WATER SUPPLY AND SANITATION DEPARTMENT**  
**TELANGANA DRINKING WATER SUPPLY PROJECT**

APPENDEX  
(See Rule 6)

**FORM-'A'**

Form for seeking prior approval under section 2 of the proposals by the state  
Government and other authorities.

**PART-1**  
**(TO BE FILLED BY USER AGENCY)**

**1. Project Details : Providing and Laying of Pipe Line and Construction  
of Structures to provide safe Drinking Water to  
Jadcherla Constituency (1/4) in Mahabubnagar  
District.**

- i) Short narrative of the Proposal for Project : The Government of Telangana has decided to improve the drinking water Supply level to all the habitations in the new State to Provide safe Drinking Water to all in the State. To avoid Quantitative and Qualitative problems it is proposed to supply surface water from Yellore Cistern reservoir of Mahatma Gandhi Kalwakurthy Lift Irrigation. The Treated water from various wtp in Mahaboobnagar Distrcet is to be covered by laying clear Water Pipe lines up to habitation to cover in the Segment – 01. The proposed Raw water and Clear Water Pipe line alignment is passing through the Reserve Forest for which Forest Land Diversion is required to

complete the Telangana Drinking Water Supply Project for Jadcherla constituency in Mahabubnagar Dist.

- ii) Map showing the required forest land Boundary of adjoining Forest on a 1 in 50,000 Scale topo map. : Map showing the reserve forest and boundary is enclosed.  
The land is meant for laying of Pumping mains and Gravity Mains including land required for construction of structures like WTPs, OHBRs and watchmen quarters etc. complete in Mahaboobnagar District under Segment 01.
- iii) Cost of the Project. : Rs. 358.00 Crores
- iv) Justification for location the project forest area : i The proposed Pipe lines of Telangana Drinking Water Project have no other alternative routes to cover all the habitations. And the proposed Structures in the Forest Area are essential to cover all the habitations to Jadcherla Constituency (1/4). As per the Hydraulic Designs and Topography of the Area the proposed locations are very much essential and there are no other alternative alignments.
- v) Cost benefit analysis (to be enclosed) : Not applicable, as there is no other alternate to compare the cost.
- vi) Employment likely to be generated : **44600 Mandays**

**2. Purpose wise breakup of the total Land required Extent :**

After working out various options in execution of the Pipe Line Works in the forest Land, the diversion of forest land to the minimum requirement is worked out. The details of the land requirement are here with enclosed for more clarity.

The purpose wise land requirement for  
1. Pipe line Portion - 0.207 Hect.

Total - 0.207 Hect.

**3. Details of displacement of people due**

**to the project if any:**

- i) Number of families :
- ii) Number of Schedule Caste / Schedule Tribal families. :

No

iii) Rehabilitation Plan :

**4. Where Clearance under Environment (Protection) Act, 1986 Required? (Yes/No)**

No
