West Bokaro Colliery is surrounded by collieries of Central Coalfield Ltd. The details of the adjoining blocks along with map are as follows:

North - Chutua Nalla beyond which lies Kotre-Basantpur-Pachmo Block of CCL

South - Duni Coal block of CCL

East - Kedla & Gose Coal blocks of CCL

West - Pundi & Parej Coal blocks of CCL

As the Mining lease is surrounded by other leases of Coal mines of Central Coal Ltd. there is no forest area available to undertake gap planting and soil & Moisture conservation activities to restock and rejuvenate the degraded open forest (having Crown Density less than 0.40). Hence there is no activities prescribed against this condition.
