Sir

This is with reference to the above cited subject and reference wherein the request for Stage I/ In-Principle approval to the subject proposal has been received. In this regard it is to state that the same was scrutinized and placed before Regional Empowered Committee (REC) of Regional Office Chennai, in its 78th Meeting held on 30.09.2025.

During deliberation, the Nodal Officer, FCA, TGSFD, informed that the User Agency has requested withdrawal of 26 proposals, including the instant case, primarily citing financial constraints. On inquiry regarding the non-violation report, it was clarified that the field inspection was carried out in September 2025 and no violations were reported.

Since, no formal request for withdrawal of the proposal has been received in the Regional Office, as recommended by the REC, I am directed to request that the State Government shall provide its viewpoint, along with any viable alternatives, for the formal withdrawal of the subject proposal. Formal request for withdrawal along with non-violation report may be submitted for further needful action.

Yours faithfully,

(M. Sivagami Selvi)

Assistant Commissioner (Forestry)
