The Principal Secretary (Forests)
Government of Madhya Pradesh

Sub: Diversion of 50.00 ha (Originally proposed 55.00 ha) forest land under the Forest (Conservation) Act, 1980, for relocation of Village Dhunwani from the Ratapani Wildlife Sanctuary, District Raisen of Madhya Pradesh State (Online No. FP/MP/FVC/152645/2022)-reg.

Madam/Sir,

I am directed to refer to the Government of Madhya Pradesh's letter 24.11.2025 on the above mentioned subject and to say that after examination of the compliance report submitted by the State Government, the following shortcomings has been revealed:

- i. In compliance of the condition no. A (v) of the Stage-I approval, the KML file of the area of 55.0 Ha is found uploaded on the e-green watch portal with GPS id No. 14243. However, the Ministry has accorded the Stage-I approval for diversion of 50.0 Ha (originally proposed 55.0 Ha) vide letter dated 09.01.2023. The correct KML files for the area of 50.0 Ha needs to be uploaded on the portal by the State Govt.
2. Accordingly, the State Government is requested to submit the information/documents as indicated above, for further consideration of the proposal in the Ministry.

Yours sincerely,

Sd/-
