C. Whether proposal involves any construction of buildings (including residential) or not. If yes, details thereof: -No

D. Total cost of the project at present rates: 435.12 Cr.

E. Wildlife:

Whether forest area proposed for diversion is important from wildlife point of view or not: No diversion is proposed in WL section

F. Vegetation:

i. Details of total number of trees to be felled: Total No of Trees to be felled = 4688

- ii. **Effect of removal of trees on the general ecosystem in the area.** - General Eco system will be impacted to some extent.

G. Background on the proposal: Proposal is for diversion of forest land in 30-meter ROW for AU-108 - Two Lanning of District Boundary to Chuncha-Manatha-Barad-Mudkhed Road with paved shoulder in Nanded District under HAM. SH-261 Km. 0/00 To 48/700 and AU-109 - Two Lanning of Mudkhed-Gadga-Khandgaon-Mukhed-Savargaon (Bk.)-Jamb to District Border Road with paved shoulder in Nanded District SH-261 Km. 48/700 To 97/951.

H. Compensatory afforestation:

1. **Whether land for compensatory afforestation is suitable from plantation and management point of view or not** –The land identified for CA a non-forest land. It is hilly and rocky in nature with very less soil depth (photographs attached). The plantation may not show good survival. Hence it is not suitable from plantation point of view. Moreover, biotic pressure in shape of *Neelgai* has been found. However, as per the DCF Nanded, few successful plantations have been undertaken in such conditions.

2. **Whether land for compensatory afforestation is free from encroachments/other encumbrances:** Yes

3. **Whether land for compensatory a forestation is important from Religious/Archaeological point of view-** No

4. **Land identified for raising compensatory afforestation is in how many patches, whether patches are compact or not-** Single patch.

5. **Map with details:** Provided in the proposal

6. **Total financial outlay:** 1.33 Cr.

I. **Whether proposal involves violation of Forest (Conservation) Act, 1980 or not. If yes, a detailed report on violation including action taken against the concerned officials.** –Yes, violation report enclosed in forest diversion proposal. However, preliminary inquiry/action under section 3A/3B has not been initiated by the Forest Department. The work order made by the Executive Engineer is attached as **Annexure 1**.

J. **Whether proposal involves rehabilitation of displaced persons. If yes, whether rehabilitation plan has been prepared by the State Government or not. Details be furnished specifically if rehabilitation plan would affect any other forest area by translocating outsees in and around the said forest:** No

K. **Reclamation Plan-**NA

L. **Details on catchment and command area under the project:** -NA

M. **Cost benefit ratio:** NA

N. Recommendations of the Principal Chief Conservator of Forests/ State Government:
Attached in the proposal.

O. Recommendations of Regional Chief Conservator of Forests along with detail reasons:
Separately attached.

P. Detailed comments on whether there are any alternatives routes/alignments for locating the project on the non-forest land: Not available

Q. Whether land being diverted has any socio-cultural/religious value. Whether any sacred grove or very old grown trees/forests exists in areas proposed for diversion: No

R. Situation w.r.t. any Protected Area: No Protected area is proposed for diversion.

S. Any other information relating to the project:

- i. Photographs (attached).
- ii. Details of places of violations are attached as **Annexure 2**.

(C. B. Tashildar)
Assistant Inspector General of Forests (Central)

Proposal No.: FP/MH/ROAD/45644/2020

Recommendations by the Deputy Director General of Forests, RO, MoEF&CC, Nagpur

The proposal is recommended subject to the following:

1. The CA land is rocky and hilly with very less soil depth. The plantation may not have a good survival. However, the local DCF has raised successful plantations on similar landscapes. The State Government may submit a detailed plan of action to ensure good survival. If not, another land can be identified.
2. The State Forest Department may initiate inquiry under section 3A and 3B against the work order issued by the concerned Executive Engineer.

(Dr. V. George Jenner)
