To

The Principal Secretary (Forests),
Government of Jharkhand,
Ranchi.

Subject: Proposal for Compensatory Afforestation on alternative sites in case of plantation through other schemes on the originally proposed compensatory/penal afforestation for New B. G. Railway line from Hazaribagh to Barkhakana section of M/s East Central Railways-regarding.

Madam/Sir,

I am directed to refer to the Government of Jharkhand's letter No. VanBhumi-41/2023-4211/V.P. dated 07.11.2023 on the above subject seeking prior approval of the Central Government for plantation on alternative CA sites. The proposal was considered by the Advisory Committee (AC) in its meeting held on 30.04.2024. The minutes of the meeting of the AC may kindly be seen at www.parivesh.nic.in.

After careful examination of the proposal of the State Government & on the basis of the recommendations of the Advisory Committee and with due approval of the Hon'ble Minister, Environment, Forest and Climate Change, the prior approval of the Central Government is hereby granted to change the CA sites for 231.18 ha balance CA plantation and for raising the same on alternative degraded forest land sites identified in case of New B. G. Railway line from Hazaribagh to Barkhakana section of M/s East Central Railways subject to following conditions:

- i. Delay in raising of Compensatory Afforestation (CA) plantation was viewed seriously by the committee. In order to facilitate CA the request of State as recommended by Regional Office has been agreed. However, it should not

be taken as precedence and additional cost for CA plantation is to be managed by the State at its own level.

- ii. Compensatory Afforestation is crucial for maintaining ecological stability. Therefore the balance CA must be carried out within next two (2) years positively. This is required for maintaining a green and healthy environment in the State of Jharkhand.

Yours sincerely

Sd/-

(Suneet Bhardwaj)

Assistant Inspector General of Forests
