Government of India
Ministry of Environment, Forests and Climate Change
(FC Division)

Indira Paryavaran Bhawan,
Aliganj, Jor Bag Road,
New Delhi - 110003.

Dated: 18th December, 2017

To

The Principal Secretary (Forests),
Government of Arunachal Pradesh,
Itanagar.

Sub: Diversion of 280.54 ha forest land for construction of Talong Londa Hydro Electric project (225 MW) in East kameng district of Arunachal Pradesh by M/s GMR Londa Hydro Power Pvt. Ltd.

I am directed to refer to the State Government's letter no. FOR.329/Cons/2010/1461-65 dated 10.11.2017 forwarding information/ documents as sought on vide this ministry's letter of even no. dated 08.02.2017. After examination of the said compliance report, the following shortcomings were again noticed:

1. Shape file/ KML file of the proposed CA area has been examined by the DSS Cell found that out of Seven Patches proposed for CA, Shape file/ KML file of Two patches, Namely Gangro Mobia VFR (102 Ha) & Kerma Pao VFR (153.062 Ha) has not been given in CD's. Moreover, coordinates of these Two patches are unreadable from the maps submitted with compliance report and it is also observed through Topo Map of proposed CA land that the shape/ drawing & location of Two CA patches namely Fyodang Yar VFR & Gangro Mobia VFR are found identical. Moreover, the shape file/ KML file for the proposed area of diversion under this project has not been provided. Accordingly, the shape file/KML file for the proposed area of diversion of 280.54 ha and entire sites proposed for CA may be provided.
2. It is informed by the State Govt. that R&R plan has not been approved by the competent authority and compliance on FRA is under process. Therefore, the present status on R&R Plan & FRA. may be intimated.

In view of the above, the State Government may be requested to furnish information /documents/ clarification on the above points for further consideration for the proposal in the Ministry.

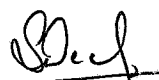

Yours faithfully
