Shri. Johnny Joseph (Chairman SEIAA)

The Authority after deliberation decided to recommend the proposal to SEIAA subject to compliance of following conditions:

1. Proposed expansion of Thane Creek Bridge should be as per the provisions of CRZ Notification, 2011 (amended from time to time)
2. Prior High Court permission should be obtained by MSRDC, since mangroves are affected due to project.
3. PP to implement the Environment Management Plan while implementation and operation phase of the project.
4. PP to ensure that piers in creek should not disturb the tidal flow of creek water.
5. PP to ensure minimum mangrove vegetation is affected due to proposed bridge during its construction and operational phase.
6. PP to ensure that construction debris should not be disposed of in CRZ area and particularly in mangroves.
7. PP should restore the mangroves affected area / site after completion of the proposed activities.
8. Navigational routes of local fisherman should not be hampered.
9. MSRDC to carry out compensatory mangrove replantation with the help of Mangroves Cell.
10. PP to ensure that proper disaster management plans is in place for the proposed activities.
11. All other required permissions from different statutory authorities should be obtained.

**Specific Conditions by SEAC:**

- 1) This is only CRZ Clearance.
- 2) CRZ clearance is subject to clearance of High Court regarding cutting of Mangroves.
