9	At the time of payment of the Net Present Value (NPV) at the present rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;	The commitment letter is enclosed. (P-5)
10	The copy of approved Catchment Area Treatment (CAT) Plan shall be submitted and the commensurate cost of CAT plan shall be deposited in the CAMPA account through online portal;	As per the demand letter from the Forest Division, Sendhwa, the approved amount of ₹1,51,97,000 was deposited under the CAMPA head on 18.09.2025. (Photocopies of the challan and advice are enclosed.) (P-1 to P-4)
11	All the funds received from the user agency under the proposal shall be transferred/deposited in CAMPA account only through e-portal ( <a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a> ). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance;	The conditions have been met.
12	The State Government shall upload the KML files of the area under diversion and area earmarked for CA in the e-Green watch portal of FSI, before handing over forest land to the user agency;	The Forest Divisions of Sendhwa and Khargone will comply with the conditions.
13	The User Agency shall obtain the Environment Clearance as per the provision of the Environmental (Protection) Act, 1986, if required;	Not applicable in this case.
14	The user agency shall carry out muck disposal at pre-designated sites in such a manner so as to avoid its rolling down;	Conditions will be complied with.

19/09/25

	The dumping area for muck disposal shall be stabilized and reclaimed by planting suitable species by the user agency at the cost of project under the supervision of State Forest Department. Retaining walls and terracing shall be carried out to hold the dumping material in place.	Conditions will be complied with.
6	The user agency shall provide free water for the forestry related projects.	Conditions will be complied with.
17	The felling of trees shall be restricted to FRL-4 meter only. Number of trees to be removed shall be kept at barest minimum during the execution of the project.	Conditions will be complied with.
18	The User Agency shall restrict the felling of trees to minimum numbers in the diverted forest land and trees shall be felled under strict supervision of the State Forest Department.	Conditions will be complied with.
19	The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.	Conditions will be complied with.
20	The R&R Plan shall be implemented as per the R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R&R Plan will be monitored by the State Government/Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones.	Not applicable as, it is a minor irrigation scheme.
21	The cost of felling of trees shall be deposited by the User Agency with the State Forest Department.	According to the circular of the Madhya Pradesh Government, recovery of cost of cutting of trees from government departments is not applicable.
22	No labour camp shall be established on the forest land and the User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas.	Conditions will be followed.
23	The boundary of the diverted forest land, mining lease and safety zone, as applicable, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS coordinates.	Conditions will be followed.
24	The layout plan of the proposal shall not be changed without the prior approval of the Central Government and the forest land shall not be used for any purpose other than that specified in the proposal except the change in land use allowed on the forest land vide Ministry's guideline dated 26.12.2024.	Conditions will be followed.

*[Signature]* 19/09/2025

25	The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;	Conditions will be followed.
26	No damage to the flora and fauna of the adjoining area shall be caused;	Conditions will be followed.
27	The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project;	Conditions will be followed.
28	The User Agency shall submit the annual self - compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;	Conditions will be followed.
29	Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife;	Conditions will be followed.
30	Violation of any of these conditions will amount to violation of Van (SanrakshanEvamSamvardhan) Adhiniyam, 1980 and action would be taken as prescribed in para 1.16 of consolidated guidelines and clarifications issued under Van (SanrakshanEvamSamvardhan) Adhiniyam, 1980 as issued by this Ministry on dated 29.12.2023;	The user agency will be responsible for any violation of these conditions.
