कार्यालय प्रधान मुख्य वन संरक्षक (कक्ष भू-प्रबंध), वन भवन, तुलसी नगर, म.प्र., भोपाल

क्रमांक / एफ-1 / 839 / 2023 / 10-11 / 3139

भोपाल, दिनांक 14 06 2024

वन महानिरीक्षक (एफ.सी.) भारत सरकार, पर्यावरण वन एवं जलवायु परिवर्तन मंत्रालय इंदिरा पर्यावरण भवन, अलीगंज, जोरबाग रोड, नई दिल्ली–110003

विषय:— वन मंडल दक्षिण शहडोल के विभिन्न खसरों के रकबा 15.549 है. राजस्व वनभूमि एवं वन मंडल उमरिया के वन कक्ष RF-227 & PF-779 के रकबा 46.488 है. वनभूमि तथा विभिन्न खसरों की रकबा 18.553 है. राजस्व वनभूमि कुल 80.59 है. वनभूमि में शाहपुर पश्चिम कोल ब्लॉक अन्तर्गत भूमिगत कोयला उत्खनन तथा उपरिसतह उपयोग के व्यपवर्तन का—सारडा एनर्जी एण्ड मिनरल्स लिमिटेड का प्रस्ताव।

संदर्भ:— भारत सरकार, पर्यावरण वन एवं जलवायु परिवर्तन मंत्रालय, भोपाल का पत्र दिनांक दिनांक 12 / 02 / 2024

कृपया आपके संदर्भित पत्र द्वारा जारी प्रथम चरण सैद्धांतिक अनुमित पत्र में अधिरोपित शर्तो का पालन प्रतिवेदन मुख्य वन संरक्षक, शहडोल के पत्र क्रमांक/2773 दिनांक 10/06/2024 से वनमण्डल अधिकारी, दक्षिण शहडोल द्वारा पत्र क्रमांक 1081 दिनांक 06.05.2024 तथा वन मंडल उमरिया के पत्र क्रमांक/886 दिनांक 03/06/2024 से प्रस्तुत किया गया है। प्राप्त पालन प्रतिवेदन अनुसार सैद्धांतिक अनुमित दिनांक 12/02/2024 में अधिरोपित शर्तों का शर्तवार पालन प्रतिवेदन निम्नानुसार है:—

- Legal status of the diverted forest land shall remain unchanged;
 इस शर्त से आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।
- ii. Wildlife Management Plan for area within 10 km radius of the project shall be prepared and implemented at the cost of user agency; इस शर्त के पालन के संबंध में लेख है कि इस प्रस्ताव में वन्यप्राणी प्रबंधन योजना हेतु आवेदक संस्था से परियोजना लागत की 2 प्रतिशत की राशि रू. 8.44 करोड जमा करा ली गई है।
- For effective protection, the forest area within the mining lease shall be fenced with chain link fencing and gap planting, approximately in upto twenty percent of the gross area, will be carried out at the cost of the user agency;
 - इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।
- iv. The State shall ensure that no underground mining activities are carried out upto 30 meters on both sides of the Nalas within the mining lease; इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

v. The NPV shall be deposited as per the provisions/guidelines laid down under the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 in view of the surface strain predicted by the 3-D prediction model;

इस शर्त के संबंध में आवेदक संस्था द्वारा अवगत कराया गया है कि इस परियोजना में Surface strain 9.45 मि.मी. प्रति मीटर है। इस Surface strain के लिये नेट प्रजेंट वैल्यू की दर सामान्य दर से 10 प्रतिशत होती है। अतः प्रकरण में इस दर से गणना कर नेट प्रजेंट वैल्यू की राशि रू. 99,01,207/— ऑनलाईन पोर्टल के माध्यम से जमा करा दी गई है।

vi. As intimated by the state, there is no further requirement of forest land for coal transportation/evacuation in the instant case and accordingly no future proposal for diversion of forest land for coal transportation/evacuation shall be considered/submitted. An undertaking in this regard shall be submitted by the State/user agency;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

vii. At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

viii. All the funds received from the user agency under the project, except the funds realized for regeneration/ demarcation of safety zone, shall be transferred to Ad-hoc CAMPA in the Savings Bank Account pertaining to the State concerned;

इस शर्त के पालन में सभी भुगतान ऑनलाईन पोर्टल के माध्यम से किये गये हैं।

ix. The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted as per the sub-rule (7) of Rule 11 of the Van (Sanrakshan Evam Samvardhan) Rules, 2023;

इस शर्त के संबंध आवेदक संस्था द्वारा प्रमाण पत्र प्रस्तुत किया है जो संलग्न है।

 The State Government shall upload the KML files of the area under diversion in the E-green watch portal of FSI, before handing over forest land to the user agency;

इस शर्त के पालन में प्रस्तावित प्रत्यावर्तित वनभूमि को ई-ग्रीन वॉच पोर्टल पर अपलोड कर दिया गया है, जिसका आईडी क्रमांक : 54042 है। प्रति संलग्न।

xi. The R&R Plan shall be implemented as per the R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R&R Plan will be monitored by the State Government/Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xii. The User Agency shall undertake mining in a phased manner after taking due care for reclamation of the mined over area. The concurrent reclamation plan as per the approved mining plan shall be executed by the User Agency from the very first year, and an annual report on implementation thereof shall be submitted to the Nodal Officer, in the concerned State Government and the concerned Regional Office of the Ministry. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the User Agency, the Nodal Officer or the concern Regional Office of the Ministry may direct that the mining activities shall remain suspended till such time, such reclamation activities area satisfactorily executed:

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

- xiii. The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required; इस शर्त के पालन में आवेदक संस्था ने अवगत कराया है कि प्रस्ताव में पर्यावरणीय स्वीकृति दिनांक 16.02.2024 को प्राप्त हो चुकी है। आवेदक संस्था द्वारा प्रस्तुत पर्यावरणीय स्वीकृति प्रति संलग्न है।
- xiv. The boundary of the diverted forest land, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing and distance from pillar to pillar;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xv. The User agency, if required, will undertake comprehensive soil conservation measures in the area being diverted at the project cost in consultation with the State Forest Department. A scheme of the same may be submitted along with the compliance report;

इस शर्त के पालन में आवेदक संस्था ने अवगत कराया है कि यह खदान भूमिगत खदान है। अतः मृदा एवं जल संरक्षण कार्यों की आवश्यकता नहीं है।

- xvi. No labour camp shall be established on the forest land; इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।
- xvii. The User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xviii. The forest land shall not be used for any purpose other than that specified in the proposal;

> इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xix. The layout plan of the proposal shall not be changed without the prior approval of the Central Government;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xx. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xxi. No damage to the flora and fauna of the adjoining area shall be caused; xxii. Any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xxii. The user agency in consultation with the State Government shall create and maintain alternate habitat/home for the avifauna, whose nesting trees are to be cleared in this project. Bird's nests artificially made out of eco-friendly material shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xxiii. The User Agency shall submit six monthly self-compliance reports as on 1st January and 1st July of every year to this office as well as to the Nodal Officer of the State;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xxiv. The State Government shall monitor compliance of conditions of Forest Clearance and shall submit in this regard yearly report as on 31st December of every year;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xxv. The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है।

xxvi. Any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife;

इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तुत वचन पत्र संलग्न है। xxvii. Violation of any of these conditions will amount to violation of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and action would be taken as prescribed in para 1.16 of Chapter 1 of the Consolidated Guidelines and Clarifications on Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 as issued by this Ministry's letter dated 29.12.2023.

> इस शर्त के संबंध में आवेदक संस्था सहमत है। इस संबंध में आवेदक संस्था द्वारा प्रस्तृत वचन पत्र संलग्न है।

अतः प्रस्ताव में सैद्धान्तिक स्वीकृति की समस्त शर्तों का पालन हो गया है। प्रस्ताव में औपचारिक स्वीकृति जारी किये जाने का अनुरोध है। संलग्न:-उपरोक्तानुसार

FORM-II

(for projects other than Pricar projects)
Government of Madhya Pradesh

Office of the District Collector Shando

No. /2

Dated 22 2/2/

To WHOWSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MeEF). Government of India's letter No 11-9/48-FC (pt.) dated 3rd August 2009 wherein the McEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Initial and Other Traditional Forest Dwellers (Recognition of Forest Right) Act. 2006 (FRA*, for short) on the forest land proposed to be diverted for non-forest purposes, it is certified that 15.549 hectare of Revenue forest land proposed to be diverted in favour of M/s Sanda Energy & Minerals Limited for Underground Mining of Coal from Sahapur West Coal Mine in Shahdol district falls within jurisdiction of Kathautiya and Khamharija Kalan yillages in Sohagpur tehsil.

It is further certified that.

- the complete process for identification and settlement of rights under the ERA has been carried out for the entire 15.549 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s), Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure "A1" to "A2", annexure "B" and annexure "C".
- (b) the proposal for such diversion (with full details of the project and its implications, in vernacular/ local language) have been placed before each concerned Gram Sabha of forestdwellers, who eligible under the ERA;
- (c) the each of concerned Gram Sabha(s), has certified that all formalities/processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion. A copy of certificate issued by the gram sabha of Kathautiya and Khamharia Kalan village is enclosed as annexure "A1" to annexure "A2".
- (d) the discussion and decisions on such proposals had taken pace only when there was a quorum of minimum 50% of the members of Gram Sabha present;
- the diversion of forest land for facilities managed by the Government as required under section.
 3 (2) of the FRA have been completed and the Gram Sabhas have given their consent to it;
- (f) the rights of Primitive Tribal Groups and Pre-Agricultural Communities, where applicable have been specifically safeguarded as per section 3 (1) (e) of the FRA

वन अधिकार की मान्यता के अन्तर्गत गठित अनुभाग स्तर समिति की बैठक की कार्यवाही का विवरण दिनाक 12/09/2023

आज दिनांक 12/09/2023 को उपखण्ड स्तरीय वन अधिकारी समिति की बैठक आयोजित की गई। अनुसूचित जनजाति एव अन्य परपरागत वन निवासी (वन अधिकारी की मान्यता) अधिनियम 2006. नियम 2008 के तहत ग्राम पंचायत क्षेत्र चुनिया अंतर्गत ग्राम कठौतिया एवं ग्राम पंचायत क्षेत्र खस्हरिया कला अंतर्गत ग्राम खस्हरिया कला में मेससे सारडा एनर्जी एण्ड मिनरल्स लिमि, को शहडोल जिले की सोहागपुर तहसील में आवटित शाहपुर वेस्ट कौल बलाक हेतु ग्राम सभा कठौतिया एवं खम्हरिया कलां के बैठक का ठहराव प्रस्ताव एवं वन अधिकार समिति कठौतिया (चुनिया) एवं खम्हरिया कलां का प्रस्ताव एवं अनुशंसा प्रतिवेदन सहित पान्त होने पर उपखण्ड स्तरीय समिति के समक्ष विचारार्थ रखा गया। मेससे सारडा एनजी एण्ड मिनरल्स लिमि को शहडोल जिले के सोहागपुर तहसील में आवटित शाहपुर वेस्ट कौल माइस के अंतरात वन भूमि के व्यपवर्तन हेतु आवेदित राजस्व वन भूमि रकवा 15.549 है0 है जिसका विवरण निम्नानुसार है

	ब	गमवार राजस्व वन भूमि का विवरण	
क्रमाक	ग्राम	राजस्व वन भूमि रकवा (है0 मैं0)	कुल योग सकता (है0 में0)
1	कठौतिया	0.04	0.04
2	सम्हारिया कला	15.509	15.509
	योग	15.549	15.549

प्रस्तावित वन भूमि के संबंध में विचार हेतु आज दिनाक 12/09/2023 को उपखण्ड स्तरीय समिति की बैठक आयोजित की गई। जिसमें परीक्षण उपरांत यह पाया गया कि उपरोक्त भूमि पर वन अधिकार पत्र न तो वितरित है और न ही कोई भी दावें लंबित है। ग्राम सभा कठौंतिया (धुनिया) एवं खम्हरिया कला के द्वारा व्यपवर्तन हेतु प्रस्तावित भूमि पर सहमति व्यक्त की गई है। उपरोक्त राजस्व वन भूमि का और वानिकी प्रयोजन हेतु व्यपवर्टन नियमानुसार उपखण्ड स्तरीय वन अधिकार समिति द्वारा अनुमोदन किया जाता है।

अतः उपरोक्त प्रस्तावित भूमि पर कोयला खनन् हेनु उपखण्ड स्तरीय समिति की अनुशंसा सहित जिला स्तरीय वन अधिकार समिति को प्रेषित किये जाने का निर्णय लिया गया।

कार्यालय ग्राम सभा कठौतिया, ग्राम पंचायत चुनिया जनपद पंचायत सोहागपुर, जिला शहडोल (म. प्र.)

प्रमाणित किया जाता है कि:-

मेसर्स सारडा एनर्जी & मिनरत्स लिमटेड की साहपुर पश्चिम कोयला खदान परियोजना से भूमिगत कोयला उत्पादन का कार्य किया जाना प्रस्तावित है। ग्राम पंचायत चुनिया क्षेत्र के ग्राम कठौतिया के राजस्व वन क्षेत्र के खसरा क्रमांक 222 रकबा 0.040 हेक्टेयर के वन भूमि के व्यपवर्तन का प्रस्ताव वन संरक्षण अधिनियम 1980 के अंतर्गत ग्राम सभा के समक्ष विचारार्थ प्रस्तुत हुआ है।

वन भूमि के व्यपवर्तन का प्रस्ताव अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों) की मान्यता) अधिनियम 2006 के अंतर्गत ग्राम सभा के समक्ष रखा गया है। प्रस्ताव का परिक्षण एवं उस पर चर्चा ग्राम सभा की बैठक दिनांक 14.04.2022 को की गई जिसमे ग्राम सभा के 50 % से अधिक सदस्य उपस्थित थे, जिसमे एक तिहाई से अधिक महिलाएं मौजूद थी।

ग्राम सभा यह प्रमाणित करती है कि व्यपवर्तन के लिए आवेदित वन भूमि के संपूर्ण क्षेत्र पर अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के तहत वन अधिकार पत्रक वितरित नहीं किया गया है न ही कोई दावा लंबित हैतथा ग्राम सभा ने अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के अंतर्गत समस्त औपचारिकताओं / प्रक्रियाओं का पालन पूर्ण कर लिया है साथ ही ग्राम सभा ने व्यपवर्तन के प्रस्ताव के विवरण को समझ लिया है।

वन भूमि के व्यपवर्तन के फलस्वरूप किये जाने वाले कार्य से पंचायत क्षेत्र के विकास की संभावना है अतः ग्राम सभा एतद द्वारा उक्त कार्य पर एवं परियोजना के लिए अपनी सहमति व्यक्त करती है साथ ही भविष्य में मेसर्स सारडा एनर्जी & मिनरल्स लिमटेड को परियोजना के लिए दिए जाने वाले खनिपट्टा पर भी अपनी सहमति प्रदान करती है।

संलग्न :- ग्राम सभा की बैठक का कार्यवाही विवरण की छायाप्रति।

UNDERTAKING

I, Shiv Shankar Shrivastava, by the virtue of powers delegated to me by M/s Sarda Energy & Minerals Limited through Board Resolution dated 05th October 2021, affirm that Sahapur West Coal Block is an Underground Coal Mining Project therefore progressive reclamation is not required. Moreover there is zero Surface utilization of Forest Land within the Mining Lease area as well. All the surface infrastructure facilities have been planned on Non-Forest Land and the same will be reclaimed at the end of mine life. It is also to mention that Mining and Mine Closure activities will be undertaken as per approved Mine Plan and Mine Closure Plan.

Subject:

Sahapur West UG Coal Mine of 0.6 MTPA (Peak production) in an area of 619 Ha of M/s Sarda Energy and Minerals Limited at village Khamariya Khurd, Kushmaha Khurd, Shahpur, Tehsil Pali of District Umariya and village Khamhariya Kala, Kathotiya, Tehsil Suhagpur, District Shahdol (Madhya Pradesh) - For Environmental Clearance – reg.

Sir/Madam,

This is in reference to your application submitted to MoEF&CC vide proposal number IA/MP/CMIN/426483/2023 dated 20/04/2023 for grant of prior Environmental Clearance (EC) to the project under the provision of the EIA Notification 2006-and as amended thereof.

EC23A0102MP5447817N

J-11015/280/2010-IA-II(M)

2. The particulars of the proposal are as below:

(i) EC Identification No.
(ii) File No.

(iii) Clearance Type Fresh EC

(iv) Category A

(vii) Name of Project

(v) Project/Activity Included Schedule No. 1(a) Mining of minerals

(vi) Sector Coal Mining

Sahapur West Underground Coal Mine Project (ML Area: 619 Ha) for 0.60 MTPA Coal Production at Village Khamhariya Khurd, Kushmaha Khurd, Sahapur, Tehsil – Pali of Umaria District and Village, Khamhariya Kala, Kathotiya, Tehsil – Sohagpur of Shahdol District, Madhya Pradesh by M/s Sarda Energy & Minerals Limited

(ix) Location of Project (District, State) UMARIA, MADHYA PRADESH

(x) Issuing Authority

(xii) Applicability of General Conditions

MoEF&CC No

This has reference to your online proposal No. IA/MP/CMIN/426483/2023 dated 20th April, 2023 for grant of Environmental Clearance to the above project.

3. The Ministry of Environment, Forest and Climate Change has considered the application. It is noted that the proposal is for grant of Environmental Clearance to Sahapur West UG Coal Mine of 0.6 MTPA (Peak production) in an area of 619 Ha of M/s Sarda Energy and Minerals Limited at village Khamariya Khurd, Kushmaha Khurd, Shahpur, Tehsil Pali of District Umariya and village Khamhariya Kala, Kathotiya, Tehsil Suhagpur, District Shahdol (Madhya Pradesh).
The project/activity is covered under category 'A' of item (a) 'Mining of Minerals' the Schedule to the EIA Notification.

The project/activity is covered under category 'A' of item1(a) 'Mining of Minerals' the Schedule to the EIA Notification, 2006

- 4. The proposal was considered by the sectoral Expert Appraisal Committee (EAC) in its 44th meeting held on 9th May, 2023 through Video Conferencing. The details of the proposal, as ascertained from the proposal documents and as revealed from the discussions held during the meetings, are given as under:
- The project area is covered under Survey of India Topo Sheet No 64E/7 & 64E/8 and is bounded by the geographical coordinates ranging from Latitude: 23°14'19"N to 23°15'33"N, Longitude: 81° 17'10" E & 81° 18'48" E.
- Coal linkage of the project is proposed for commercial sale of Coal.
- 3. Joint venture cartel has been formed: N/A
- Project does not fall in the Critically Polluted Area (CPA), where the MoEF&CC's vide its OM dated 13th January, 2010 has imposed moratorium on grant of environment clearance.
- 5. Employment generation, direct employment to 830 persons will be provided from the project.
- 6. The project is reported to be beneficial in terms of direct and indirect employment generation in that region.
- Terms of Reference granted on (for EC proposals): On the environmental clearance, the coal mine had received a
 Terms of Reference on 22.11.2021 vide letter no. J-11015/280/2010-IA-II (M) and Amendment in ToR was granted on
 12.05.2022 vide F. No. J-11015/280/2010-IA.II (M).
- Total mining lease area as per block allotment is 619 ha. Mining Plan (Including Progressive Mine Closure Plan) has been approved by the Ministry of Coal on 21,04.2022.
- 9. The land usage pattern of the project is as given in Table 1, Annexure 2:
- 10. Total geological reserve reported in the mine lease area is 38,376 MT with 17.38 MT mineable reserve. Out of total mineable reserve of 10.38 MT are available for extraction. Percent of extraction is 29,01%.
- 11. 8 seams with thickness ranging from 1.5m to 4.16m are workable. Grade of coal is G6-G7stripping ratio N/A, while gradient is 1° to 2°.
- 12. Method of mining operations envisages by underground board and pillar method.
- 13. Life of mine is 19 years.
- 14. Transportation of coal has been proposed by Coal tippers from bunkers/pit head stockpile to stock yards at railway sidings or other nearby destinations.
- 15. 80.59 ha of forest land has been reported to be involved in the project. Approval under the Forest (Conservation) Act, 1980 for diversion of 80.59 ha of forest land for non-forestry purposes is under active consideration at MoEF&CC.
- Please mention any National Parks, Wildlife Sanctuaries and Eco-Sensitive Zones fall within 10 km boundary of the project: Not Applicable
- 17. Wildlife conservation plan for schedule I species has been submitted to PCCF
- The ground water level has been reported to be varying between 60-202 m.

- 19. Total water requirement for the project is 409.45 KLD.
- Application for obtaining the approval of the Central Ground Water Authority for 32 KLD has been submitted and NOC has been Granted BY CGWA on 29.12.2022.
- 21. Public hearing for the project of 0.60 MTPA capacity in an area of 619 ha was conducted on 14.12.2022 at Shasakiya Prathamik Vidyalaya Prangan, (Near Aangan badi) Village: Khamhariya Kala, Tehsil-Sohagpur District- Shahdol, Madhya Pradesh under the Chairmanship of Additional Collector, Mr. Arpit Verma, a representative authorized by Collector / District Magistrate, Shahdol and Shri Sanjeev Mehra, Regional Officer of M. P. Pollution Control Board, Shahdol.
- 22. Major issues raised in the public hearing include providing employment to local people, Compensation, water problems, electricity problems, Hospital problem Infrastructure development of road, mandir, community etc.
- Appropriate action to address the issues raised in the Public Hearing have already been taken/proposed to be taken are as under MoEFCC Office Memorandum dated 30.09.2020.
- 24. Revised action Plan to address the public hearing issues arising for Shahdol district is given in Table 2, Annexure 2
- 25. Public hearing for project of 0.60 MTPA capacity in an area of 619 ha was conducted on 16.12.2022 at Government Primary School, Village Khamhariya Khurd, Tehsil-Pali, District- Umaria (MP) under the Chairmanship of Additional Collector, Mrs. Misha Singh, representative of Collector / District Magistrate Umaria and Shri Sanjeev Mehra, Regional Officer of M. P. Pollution Control Board, Shahdol.
- 26. Major issues raised in the public hearing include providing employment to local people, Compensation, water problems, electricity problems, Hospital problem Infrastructure development of road, mandir, community etc.
- Appropriate action to address the issues raised in the Public Hearing have already been taken/proposed to be taken are as under MoEF&CC Office Memorandum dated 30.09.2020.
- 28. Revised action Plan to address the public hearing issues arising for Umaria District as in Table 3, Annexure 2:
- 29. Ghogra Nala & Ghinau Chiha Nalla river/nalla is flowing within the boundary of lease. The nallah will not be diverted as no mining shall be done below water bodies.
- 30. Regular monitoring of ambient air quality is being carried out on fortnightly basis. The documented report is submitted and also to MoEF&CC along with half yearly EC compliance report. In general, the results of ambient air quality monitoring data were found within prescribed limits except few aberrations which can be attributed to the specific local conditions during the day of sampling.
- 31. No court cases, violation cases are pending against the project of the PP.
- 32. R&R : Not applicable as no resettlement has been proposed. Employment will be provided as per prevailing norms.
- 33. Total cost of project is Rs. 421.86 crores. Cost of production has been estimated as Rs 2000/Ton (Tentatively). CSR will be undertaken as per Companies Act 2013. As per OM dated 30th September 2020 vide letter no. F.No. 22-65/2017-IA.III by MOEF & CC budget allocation for CER. is 6.375 Crores, R&R cost is N.A. Environment Management Cost is Rs. 41.91 Cr.
- 34. Base line monitoring status:
- 35. Mention the Period/ Season of baseline study carried out.: 1st December, 2021 to 28th February 2022,
- 36. Whether the Laboratory has been accredited by the NABL/MoEF&CC certification involved in analysis of water, air, noise & soil quality data, also providing its respective lab reports: yes.
- 37. Detail of Air quality and surface water quality
- · Air quality: Number of sampling location monitored: 12 locations
 - The result indicates that the maximum and minimum values of PM10 are in the range of 27.5 to 42.8 g/m³ whereas the PM2.5 are in the range of 47.7 to 71.8 g/m³-µg/m³. The SO2 concentrations within the study area are in the range of 6.1 to 10.2g/m³, and the NOx are in the range of 9.5-20.5g/m³

- Surface water quality-Number of sampling location monitored: 8 locations. During the analysis pH of the samples
 was found in the range of 7.24-7.95. TDS analysis was also carried out for surface water sample and it was found in
 the range of 235-460 mg/L. DO measured during analysis was found in the range of 4.5-5.8 mg/L. COD measured
 during analysis was found in the range of 10-32 mg/L. BOD measured during analysis was found in the range of 2.17.2 mg/L. MPN test was also carried out for this surface water sample and it was found positive. It indicates towards
 the fecal contamination in surface water body.
- 5. The Expert Appraisal Committee in its 44thEAC meeting held on 9thMay, 2023 through Video Conferencing has recommended the project for grant of Environment Clearance. Based on recommendations of the EAC, Ministry of Environment, Forest and Climate Change hereby accords approval for Environment Clearance(EC) to Sahapur West UG Coal Mine of 0.6 MTPA (Peak production) in an area of 619 Ha of M/s Sarda Energy and Minerals Limited at village Khamariya Khurd, Kushmaha Khurd, Shahpur, Tehsil Pali of District Umariya and village Khamhariya Kala, Kathotiya, Tehsil Suhagpur, District Shahdol (Madhya Pradesh), under the provisions of the Environment Impact Assessment Notification, 2006 and subsequent amendments/circulars thereto subject to the compliance of the following terms & conditions / specific conditions in addition to the standard environmental conditions notified by the Ministry as given in

Annexure 1.

- 6. In view of the particulars given in the Para 1 above, the project proposal interalia including Form-1(Part A, B and C)/ EIA & EMP Reports were submitted to the MoEF&CC for an appraisal by the EAC under the provision of EIA notification 2006 and its subsequent amendments.
- 7. The above-mentioned proposal has been considered by EAC in the meeting held on 09/05/2023. The minutes of the meeting and all the project documents are available on PARIVESH portal which can be accessed from the PARIVESH portal by scanning the QR Code above. Brief description of the project is as under: The mine will also bring enhanced socioeconomic benefits to the local population of the project area
- 8. Details of the minerals to be mined along with production capacity and the brief on the salient features of the project as submitted by the project proponent in Form 1 (Part A and B) in the reports and as presented during EAC are annexed to this EC as Annexure (1).
- 9. The EAC, in its meeting held on 09/05/2023, based on information submitted viz: Form 1 (Part A, B and C), EIA/EMP report etc & clarifications provided by the project proponent and after detailed deliberations on all technical aspects and public hearing issues and compliance thereto furnished by the Project Proponent, recommended the proposal for grant of Environment Clearance under the provision of EIA Notification, 2006 and as amended thereof subject to stipulation of Specific and Standard EC conditions as detailed in the point below.

10. General Instructions:

- The proponent shall abide by all the commitments and recommendations made in the EIA/EMP report and also that during presentation to the EAC. All the commitments made on the issues raised during public hearing shall also be implemented in letter and spirit.
- The project proponent shall prominently advertise it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days indicating that the project has been accorded environment clearance and the details of MoEF&CC website where it is displayed.
- 3. The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn must display the same for 30 days from the date of receipt.
- 4. The project proponent shall have a well laid down environmental policy duly approved by the Board of Directors (in case of Company) or competent authority, duly prescribing standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental / forest / wildlife norms / conditions.
- 5. Action plan for implementing EMP and environmental conditions along with responsibility matrix of the project

- Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
- 7. The Regional Office of this MoEF&CCshall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.
- Any appeal against this EC shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
- 9. The proponent shall obtain all necessary clearances/approvals that may be required before the start of the project. The Ministry or any other competent authority may stipulate any further condition for environmental protection. The Ministry or any other competent authority may stipulate any further condition for environmental protection.
- Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
- 11. The coal company/project proponent shall be liable to pay the compensation against the illegal mining, if any, and as raised by the respective State Governments at any point of time, in terms of the orders dated 2nd August, 2017 of Hon'ble Supreme Court in WP (Civil) No.114/2014 in the matter of 'Common Cause Vs Union of India & others.
- 12. The concerned State Government shall ensure no mining operations to commence till the entire compensation for illegal mining, if any, is paid by the project proponent through their respective Department of Mining & Geology, in strict compliance of the judgment of Hon'ble Supreme Court.
- 13. This environmental clearance shall not be operational till such time the project proponent complies with the above said judgment of Hon'ble Supreme Court, as applicable, and other statutory requirements.
- 14. This issue with an approval of the Competent Authority.

Annexure 1

Specific EC Conditions for (Mining Of Minerals)

1. Mining Of Minerals

S. No	EC Conditions
ы	PP to plant additional fruit bearing plants with three tier plantation along the transportation route and identified areas with consent to the gram panchayat within two year.
1.2	PP shall maintain at least 10 mtrs width tree plantation of broad leaves and wind break/green- shield of about 10 mts height along the boundary of coal storage yard.
1.3	PP shall develop a rain water harvesting pond (min 1000 sq m and the depth will be 3 m) for the villagers in consultation with Gram Panchayat within 1 year. Also, Indicator aquatic species shall be planted in this water bodies to see the environmental quality. PP shall own water bodies/pond currently present in project area, maintain and regularly monitor the quality for its long term protection.
1.4	PP shall construct a dedicated pucca road joining to NH for transportation of coal with plantation on either side of the road.
1.5	PP shall install observatory wells at suitable locations to monitor the ground water level and probable impact due to mining.
1.6	As proposed, PP shall transport coal from underground faces by conveyor belt to silos for storage and loading. PP shall deploy only 40 tonnes covered trucks to reduce fleet size til railway siding.
1.7	As proposed, PP shall implement the public hearing budget on the items given above at Table 2 & 3 of Annexure 2 separately for Shahdol district i.e. 354.50 lakhs and for Umaria district i.e 364 lakhs.
1.8	As proposed, PP to implement EMP budget of Rs. 4191 lakhs as capital expenditure or pollution control measures with annual recurring cost of Rs. 615 lakhs
1.9	PP to protect agriculture field as well as River/Nallah lying inside the mine lease area and no nala/drain diversion shall be undertaken.
1.10	PP to implement the recommendation of land subsidence study carried out for underground mine and report shall be submitted to IRO in every six monthly report
1.11	PP should establish in house (at project site) environment laboratory for measurement of environment parameter with respect to air quality and water (surface and ground. A dedicated team to oversee environment management shall be setup which should comprise of Environment Engineers, Laboratory chemist and staff for monitoring of air, water quality parameters or routine basis. Any non- compliance or infringement should be reported to the concerned authority.
1.12	Hon'ble Supreme Court in an Writ Petition(s) Civil No. 114/2014, Common Cause vs Union of India & Ors vide its judgement dated 8th January, 2020 has directed the Union of India to impose a condition in the mining lease and a similar condition in the environmental clearance and the mining plan to the effect that the mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc. Compliance of this condition after the mining activity is over at the cost of the mining lease holders/Project Proponent". The implementation report of the above

S. No	EC Conditions
	said condition shall be sent to the Regional Office of the MoEF&CC.
1.13	PP shall submit Stage-I Forest Clearance of forest land 80.59 ha required for non-forestry activity prior to grant of Environment Clearance. As proposed, PP shall utilize forest land for infrastructure purposes.
1.14	PP shall pay to farmers of agricultural land if there is any loss due to pollution found by concerned District Commissioner as per extent rules or norms.
1.15	PP shall obtain CTE/CTO from State Pollution Control Board for 0.6 MTPA capacity
1.16	PP to obtain the star rating as per the guidelines of Ministry of Coal.
1.17	The illumination and sound at night at project sites disturb the villages in respect of both human and animal population. Consequent sleeping disorders and stress may affect the health in the villages located close to mining operations. Habitations have a right for darkness and minima noise levels at night. PPs must ensure that the biological clock of the villages is not disturbed by orienting the floodlights/ masks away from the villagers and keeping the noise levels well within the prescribed limits for day light/night hours.
1.18	PP to fulfill all the commitment made in the minutes of public hearing to address the issue raised therein in a time bound manner and a progressive report to be furnished to IRO in every six monthly as compliance report.
1.19	Persons of nearby villages shall be given training on livelihood and skill development to make them employable with its proper records.
1.20	PP to install solar lights along the road used for transportation of minerals to avoid the accident at night and also seek its maintenance. PP is asked to also identify the rural areas for installation of solar light with its maintenance within the study area of 10 km radius buffer zone within one year.
1.21	The status of mine closure activities must be included in every six months compliance report submitted to the state pollution control board and IRO
1.22	PP shall conduct third party audit of compliance of EC condition at an interval six months and its report shall be submitted to IRO, MoEF&CC.
1.23	PP shall install fixed fog cannon (mist spayer) and fixed sprinkler all along the coatransportation route and accordingly sufficient number of fog cannons (not less than 10 nos. with 40 mts jet length shall be installed.
1.24	Persons of nearby villages shall be given training on livelihood and skill development to mak them employable with its proper records.
1.25	Proponent shall appoint an Occupational Health Specialist for Regular and Periodical medical examination of the workers engaged in the Project and maintain records accordingly; also Occupational health check-ups for workers having some ailments like BP, diabetes, habitual smoking, etc. shall be undertaken once in six months and necessary remedial/preventive measures taken accordingly. The Recommendations of National Institute for ensuring good

S. No	EC Conditions
	occupational environment for mine workers shall be implemented. The prevention measure for burns, malaria and provision of anti-snake venom including all other paramedical safeguards may be ensured before initiating the mining activities
1.26	PP must explore innovative technology to recover methane from gases extracted from underground mine while venting.
1.27	PP to install 1 continuous ambient air quality monitoring stations at suitable locations preferably village side with consultation of SPCB. The real time data so generated shall be uploaded on company website and linked it with website of CPCB &SPCB. In addition, data should also be displayed digitally at entry and exit gate of mine lease area for public display.
1.28	PP to monitor the water quality of the ground water and surface water body located within the core zone and 5 km radius from the periphery of the mine boundary as per procedure laid down by CPCB.
1.29	PP shall implement Effluent Treatment Plant for wastewater generated from workshop and Sewage Treatment Plan for its colony. No untreated water shall be discharged to ponds/nallah/river.

Standard EC Conditions for (Mining of minerals)

1. Statutory Compliance

S. No	EC Conditions
1.1	The Environmental clearance shall be subject to orders of Hon'ble Supreme Court of India, Hon'ble High Courts, NGT and any other Court of Law, from time to time, and as applicable to the project
1.2	The project proponent shall obtain forest clearance under the provisions of Forest (Conservation) Act, 1986, in case of the diversion of forest land for non-forest purpose involved in the project.
1.3	The project proponent shall obtain clearance from the National Board for Wildlife, if applicable.
1.4	The project proponent shall prepare a Site-Specific Conservation Plan & Wildlife Management Plan and approved by the Chief Wildlife Warden. The recommendations of the approved Site-Specific Conservation Plan / Wildlife Management Plan shall be implemented in consultation with the State Forest Department. TThe implementation report shall be furnished along with the six-monthly compliance report (in case of the presence of schedule-I species in the study area).
1.5	The project proponent shall obtain Consent to Establish / Operate under the provisions of Air (Prevention & Control of Pollution) Act, 1981 and the Water (Prevention & Control of Pollution) Act, 1974 from the concerned State pollution Control Board/ Committee.
1.6	The project proponent shall obtain the necessary permission from the Central Ground Water Authority
1.7	Solid/hazardous waste generated in the mines needs to addressed in accordance to the Solid Waste Management Rules, 2016/Hazardous & Other Waste Management Rules, 2016.

S. No	EC Conditions
1.8	Permission of power supply to be taken from the concerned authority for meeting power demand of the project site.
1.9	The maximum production or peak production at any given time shall not exceed the limit as prescribed in the EC.
1.10	Validity of EC is as per life of the mine mentioned in EC letter or 30 years as per EIA Notification, 2006 and its amendments therein

2. Air Quality Monitoring And Mitigation Measure

S. No	EC Conditions
2.1	Adequate ambient air quality monitoring stations shall be established in the core zone as well as in the buffer zone for monitoring of pollutants, namely particulates, SO2 and NOx. Location of the stations shall be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive receptors in consultation with the State Pollution Control Board. Online ambient air quality monitoring station/stations may also be installed in addition to the regular air monitoring stations as per the requirement and/or in consultation with the SPCB
2.2	The Ambient Air Quality monitoring in the core zone shall be carried out to ensure the Coal Industry Standards notified vide GSR 742 (E) dated 25th September, 2000 and as amended from time to time by the Central Pollution Control Board. Data on ambient air quality and heavy metals such as Hg, As, Ni, Cd, Cr and other monitoring data shall be regularly reported to the Ministry/Regional Office and to the CPCB/SPCB.
2.3	Transportation of coal, to the extent if permitted by road, shall be carried out by covered trucks/conveyors. Effective control measures such as regular water sprinkling/rain gun/ Fog cannon/mist sprinkling etc., shall be carried out in critical areas prone to air pollution with higher level of particulate matter all through the coal transport roads, loading/unloading and transfer points. Fugitive dust emissions from all sources shall be controlled regularly. It shall be ensured that the ambient air quality parameters conform to the norms prescribed by the Central/State Pollution Control Board.
2.4	Major approach roads shall be black topped and properly maintained.
2.5	PP to install solar lights along the road used for transportation of coal to avoid the accidents at night and also seek its maintenance.
2.6	The transportation of coal shall be carried out as per the provisions and route proposed in the approved mining plan. Transportation of the coal through the existing road passing through any village shall be avoided. In case, it is proposed to construct a 'bypass' road, it should be so constructed that the impact of sound, dust and accidents could be appropriately mitigated.
2.7	Vehicular emissions shall be kept under control and regularly monitored. All the vehicles engaged in mining and allied activities shall operate only after obtaining 'PUC' certificate from the authorized pollution testing centres.
2.8	Coal stock pile/crusher/feeder and breaker material transfer points shall invariably be provided with

S. No	EC Conditions
	dust suppression system. Belt-conveyors shall be fully covered to avoid air borne dust. Side cladding all along the conveyor gantry should be made to avoid air borne dust. Drills shall be wet operated or fitted with dust extractors.
2.9	Coal handling plant shall be operated with effective control measures w.r.t. various environmental parameters. Environmental friendly sustainable technology should be implemented for mitigating such parameters.
2.10	Adequate number of Fog canon (mist sprayer) shall be installed to reduce the impact of air pollution at dust generating sources with time bound action plan.
2.11	PP should Install Wind breaker/shield arrangement along the railway siding for reducing the dust propagation in upwind direction.
2.12	Post environmental closure third party monitoring by reputed instituted in air quality, water, land & soil etc shall be carried out and analysed with EMP measures at regular interval. A suitable recommendation in this regard, shall be furnished to IRO, MoEF&CC for compliance. The data used for analysis shall be obtained from continuos AQMS, site specific water regime. Also third party shall analyses the implementation of river diversion, meeting to the requirement of project report.

3. Water Quality Monitoring And Mitigation Measures

S. No	EC Conditions
3.1	The effluent discharge (mine waste water, workshop effluent) shall be monitored in terms of the parameters notified under the Water Act, 1974 Coal Industry Standards vide GSR 742 (E) dated 25th September, 2000 and as amended from time to time by the Central Pollution Control Board.
3.2	The monitoring data shall be uploaded on the company's website and displayed at the project site at a suitable location. The circular No.J-20012/1/2006-IA.11 (M) dated 27th May, 2009 issued by Ministry of Environment, Forest and Climate Change shall also be referred in this regard for its compliance.
3.3	Regular monitoring of ground water level and quality shall be carried out in and around the mine lease area by establishing a network of existing wells and constructing new piezometers during the mining operations. The monitoring of ground water levels shall be carried out four times a year i.e. pre-monsoon, monsoon, post-monsoon and winter. The ground water quality shall be monitored once a year, and the data thus collected shall be sent regularly to MOEFCC/RO.
3.4	Monitoring of water quality upstream and downstream of river including pons, lakes, tanks shall be carried out once in six months and record of monitoring data shall be maintained and submitted to the Ministry of Environment, Forest and Climate Change/Regional Office.
3.5	Ground water, excluding mine water, shall not be used for mining operations. Rainwater harvesting shall be implemented for conservation and augmentation of ground water resources.
3.6	The project proponent shall not alter major water channels around the site. Appropriate embankment shall be provided along the side of the river/nallah flowing near or adjacent to the

S. No	EC Conditions
	mine. The embankment constructed along the river/nallah boundary shall be of suitable dimensions and critical patches shall be strengthened by stone pitching on the river front side, stabilized with plantation so as to withstand the peak water pressure preventing any chance of mine inundation.
3.7	Garland drains (of suitable size, gradient and length) around the critical areas i.e. mine shaft and low lying areas, shall be designed keeping at least 50% safety margin over and above the peak sudden rainfall and maximum discharge in the area adjoining the mine sites. The sump capacity shall also provide adequate retention period to allow proper settling of silt material of the surface runoff
3.8	The water pumped out from the mine, after siltation, shall be utilized for industrial purpose viz. watering the mine area, roads, green belt development etc. The drains shall be regularly desilted particularly after monsoon and maintained properly
3.9	Industrial waste water from coal handling plant and mine water shall be properly collected and treated so as to conform to the standards prescribed under the Environment (Protection) Act, 1986 and the Rules made thereunder, and as amended from time to time. Oil and grease trap shall be installed before discharge of workshop effluent. Sewage treatment plant of adequate capacity shall be installed for treatment of domestic waste water.
3.10	Adequate groundwater recharge measures shall be taken up for augmentation of ground water. The project authorities shall meet water requirement of nearby village(s) in case the village wells go dry due to dewatering of mine.
3.11	The surface drainage plan including surface water conservation plan for the area of influence affected by the said mining operations shall be prepared, considering the presence of any river/rivulet/pond/lake etc., with impact of mining activities on it, and implemented by the project proponent. The surface drainage plan and/or any diversion of natural water courses shall be as per the provisions of the approved Mining Plan/ EIA-EMP submitted to this Ministry and the same should be done with due approval of the concerned State/GoI Authority. The construction of embankment to prevent any danger against inrush of surface water into the mine should be as per the approved mining plan and as per the permission of DGMS.
3.12	The project proponent shall take all precautionary measures to ensure reverian/ riparian ecosystem in and around the coal mine upto a distance of 5 km. A revarian /riparian ecosystem conservation and management plan should be prepared and implemented in consultation with the irrigation water resource department in the state government.
3.13	Domestic water shall be providing to the residents/villages which are coming under the zone of influence of the project due to ground water extraction by installing a RO plant with proper supply line and Taps within 2 years
3.14	No obselete technologies for sewage treatment shall be implemented. Construction of Sewage Treatment Plant with latest technology should be completed within 2 years and treated water shall be reused for plantation. CTE and CTO of STP shall be obtained as per the norms.

4. Noise And Vibration Monitoring And Prevention

S. No	EC Conditions
4.1	Adequate measures shall be taken for control of noise levels as per Noise Pollution Rules, 2016 in the work environment. Workers engaged in blasting and drilling operations, operation of HEMM, etc shall be provided with personal protective equipments (PPE) like ear plugs/muffs in conformity with the prescribed norms and guidelines in this regard. Adequate awareness programme for users to be conducted. Progress in usage of such accessories to be monitored.
4.2	The noise level survey shall be carried out as per the prescribed guidelines to assess noise exposure of the workmen at vulnerable points in the mine premises, and report in this regard shall be submitted to the Ministry/RO on six-monthly basis.

5. Mining Plan

S. No	EC Conditions
5.1	5- Star Rating is mandatory to obtaine certification as per guidelines of Mininstry of Coal
5.2	Mining shall be carried out under strict adherence to provisions of the Mines Act 1952 and subordinate legislations made there-under as applicable.
5.3	No change in mining method i.e. UG to OC, calendar programme and scope of work shall be made without obtaining prior approval of the Ministry of Environment, Forests and Climate Change (MoEFCC).
5.4	Mining shall be carried out as per the approved mining plan (including Mine Closure Plan) abiding by mining laws related to coal mining and the relevant circulars issued by Directorate General Mines Safety (DGMS).
5.5	Underground work place environmental conditions shall be rendered ergonomic and air breathable with adequate illumination in conformance with DGMS standards.
5.6	No mining shall be carried out in forest land without obtaining Forestry Clearance as per Forest (Conservation) Act, 1980 and also adhering to The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 read with provisions of Indian Forest Act, 1927.
5.7	Efforts should be made to reduce energy and fuel consumption by conservation, efficiency improvements and use of renewable energy.
5.8	Tranportation by Railway Siding shall be developed to avoid transportation by Road

6. Land Recalmation

S. No	EC Conditions
6.1	Digital Survey of entire lease hold area/core zone using Satellite Remote Sensing survey shall be carried out at least once in three years for monitoring land use pattern and report in 1:50,000 scale or as notified by Ministry of Environment, Forest and Climate Change(MOEFCC) from time to time shall be submitted to MOEFCC/Regional Office (RO).

S. No	EC Conditions					
6.2	Post-mining land be rendered usable for agricultural/forestry purposes and shall be handed over to the respective State Government, as specified in the Guidelines for Preparation of Mine Closure Plan, issued by the Ministry of Coal dated 27th August, 2009 and subsequent amendments.					
6.3	Regular monitoring of subsidence movement on the surface over and around the working its impact on natural drainage pattern, water bodies, vegetation, structure, roads and surreshall be continued till movement ceases completely. In case of observation of any hig subsidence beyond the limit prescribed, appropriate effective mitigation measures shall be avoid loss of life and materials. Cracks should be effectively plugged in with ballast soil/suitable material.					
6.4	Fly ash shall be used for external dump of overburden, backfilling or stowing of mine as per provisions contained in clause (i) and (ii) of subparagraph (8) of fly ash notification issued vide SO 2804 (E) dated 3rd November, 2009 as amended from time to time. Efforts shall be made to utilize gypsum generated from Flue Gas Desulfurization (FGD), if any, along with fly ash for external dump of overburden, backfilling of mines. Compliance report shall be submitted to Regional Office of MoEF&CC, CPCB and SPCB.					
6.5	A separate team for subsidence monitoring and surface mitigation measures shall be constituted and continuous monitoring & implementation of mitigation measures be carried out.					
6.6	Thorough inspection of the mine lease area for any cracks developed at the surface due to mining activities below ground shall be carried out to prevent inrush of water in the mine.					
6.7	Native tree species shall be selected and planted over areas affected by subsidence.					
6.8	The project proponent shall make necessary alternative arrangements, if grazing land is involved in core zone, in consultation with the State government to provide alternate areas for livestock grazing, if any. In this context, the project proponent shall implement the directions of Hon'ble Supreme Court with regard to acquiring grazing land.					

7. Public Hearing And Human Health Issues

S. No	EC Conditions				
7.1	Adequate illumination shall be ensured in all mine locations (as per DGMS standards) and monitored.				
7.2	The project proponent shall undertake occupational health survey for initial and periodical medical examination of the personnel engaged in the project and maintain records accordingly as per the provisions of the Mines Rules, 1955 and DGMS circulars. Besides regular periodic health check-up, 20% of the personnel identified from workforce engaged in active mining operations shall be subjected to health check-up for occupational diseases and hearing impairment, if any, as amended time to time.				
7.3	Personnel (including outsourced employees) working in core zone shall wear protective respiratory devices and shall also be provided with adequate training and information on safety and health aspects.				

S. No	EC Conditions
7.4	Skill training as per safety norms specified by DGMS shall be provided to all workmen including the outsourcing employees to ensure high safety standards in mines.
7.5	Effective arrangement shall be made to provide and maintain at suitable points conveniently situated, a sufficient supply of drinking water for all the persons employed.
7.6	Implementation of the time bound action plan on the issues raised during the public hearing shall be ensured. The project proponent shall undertake all the tasks/measures as per the time bound action plan submitted with budgetary provisions during the public hearing. Land oustees shall be compensated as per the norms laid down in the R&R policy of the company/State Government/Central Government, as applicable.
7.7	The project proponent shall follow the mitigation measures provided in this Ministry's OM No.Z-11013/5712014-IA.11 (M) dated 29th October, 2014, titled 'Impact of mining activities on habitations-issues related to the mining projects wherein habitations and villages are the part of mine lease areas or habitations and villages are surrounded by the mine lease area.'
7.8	PP to conduct need based assessment survey of the area to for in order to decide the activities to be carried under the CSR and to provide detail of the activity carried out with adequate budgetary provision and time bound action plan.
7.9	PP should conduct epidemiology study to (analysis of the distribution, patterns and determinants of health and disease conditions in defined populations).
7.10	Permanent Health care facilities of Hospital should be established within 5 km of project boundary for the local people.
7.11	PP must ensure an emergency action plan during pandemic in order to provide assistance to the nearby villages located within the 10 km radius buffer zone (If required)
7.12	PP is asked to also identify the rural areas for installation of solar light with its maintenance within the study area of 10 km radius buffer zone with time bound action plan
7.13	PP to take measure for installation of Renewable Energy sources in nearby area falling within 10 km radius

8. Corporate Environment Responsibility

S. No	EC Conditions		
8.1	The company shall have a well laid down environmental policy duly approve by the Board of Directors. The environmental policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental/forest/wildlife norms/conditions. The company shall have defined system of reporting infringements/deviation/violation of the environmental/forest/wildlife norms/conditions and/or shareholders/stake holders.		
8.2	A separate Environmental Cell both at the project and company head quarter level, with qualified personnel shall be set up under the control of senior Executive, who will directly to the head of the		

S. No	EC Conditions
	organization.
8.3	Action plan for implementing EMP and environmental conditions along with responsibility matrix of the company shall be prepared and shall be duly approved by competent authority. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Year wise progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six Monthly Compliance Report.
8.4	Self environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.
8.5	PP should establish in house (at project site) environment laboratory for measurement of environment parameter with respect to air quality and water (surface and ground. A dedicated team to oversee environment management shall be setup which should comprise of Environment Engineers, Laboratory chemist and staff for monitoring of air, water quality parameters on routine basis. Any non- compliance or infringement should be reported to the concerned authority

9. Miscellaneous

S. No	EC Conditions
9.1	The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponent's website permanently.
9.2	The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
9.3	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.
9.4	The project proponent shall submit six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.
9.5	The project proponent shall submit the environmental statement for each financial year in Form-V to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the company.
9.6	The project authorities shall inform to the Regional Office of the MOEFCC regarding commencement of mining operations.
9.7	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.

S. No	EC Conditions
9.8	The project proponent shall abide by all the commitments and recommendations made in the EIA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.
9.9	No further expansion or modifications in the plant shall be carried out without prior approval of the Ministry of Environment, Forests and Climate Change (MoEF&CC).
9.10	Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
9.11	The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
9.12	The Ministry reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.
9.13	The Regional Office of this Ministry shall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.
9.14	The above conditions shall be enforced, inter-alia under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India High Courts and any other Court of Law relating to the subject matter.
9.15	The proponent shall abide by all the commitments and recommendations made in the EIA/EMF report and also that during presentation to the EAC. All the commitments made on the issues raised during public hearing shall also be implemented in letter and spirit.
9.16	Compensation of the land acquired for the project shall be settled as per the R&R Policy. Adequate facility of drinking water, plantation and other social amenities should be provided to established R&R villages.
9.17	Persons of nearby villages shall be given training on livelihood and skill development to make them employable with its proper records.
9.18	The illumination and sound at night at project sites disturb the villages in respect of both human and animal population. Consequent sleeping disorders and stress may affect the health in the villages located close to mining operations. Habitations have a right for darkness and minimal noise levels a night. PPs must ensure that the biological clock of the villages is not disturbed; by orienting the floodlights/ masks away from the villagers and keeping the noise levels well within the prescribed limits for day light/night hours
9.19	The project proponent shall follow the mitigation measures provided in this Ministry's OM No.Z-11013/5712014-IA.I1 (M) dated 29 th October, 2014, titled 'Impact of mining activities or habitations-issues related to the mining projects wherein habitations and villages are the part of mine lease areas or habitations and villages are surrounded by the mine lease area.

Table 1: Pre-mining land use details: (Area in Ha):

S. No.	Land Use	Within ML Area	Outside ML Area	Total
ű	Agricultural Land (includes few residential houses)	513.411	0.00	513,411
2	Forest Land	80.590	0.00	80.590
3	Wasteland	0.00	0.00	0.00
4	Grazing Land	0.00	0.00	0.00
5	Surface Water Bodies	18.518	0.00	18.518
6	Others (Specify)			
	Road	3.583	0.00	3.583
	Community	2.898	0.00	2.898
	Total Project Area =	619	0.00	619

Post Mining

S.	Land use			Land use		
No.		Plantation	Water Body	Public Use	Undisturbed	Total
1	External OB	-		-	100 :	0.00
	Dump				A Allen	
2	Top Soil Dump	0.030			1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	0.030
3	Excavation	1551			- 50	. /

FORM-II

(for projects other than linear projects)

Government of Madhya Pradesh

Office of the District Collector - Umaria

No...1894

Dated 14: 6: 24

To WHOWSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No.11-9/98-FC (pt.) dated 3rd August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Right) Act, 2006 ('FRA', for short) on the forest land proposed to be diverted for non-forest purposes, it is certified that 65.041 hectare of Forest and Revenue forest land proposed to be diverted in favour of M/s Sarda Energy & Minerals Limited for Underground Mining of Coal from Sahapur West Coal Mine in Umaria district falls within jurisdiction of Kushmaha Khurd, Shahpur and Khamharia Khurd villages in Pali tehsil.

It is further certified that:

- (a) the complete process for identification and settlement of rights under the FRA has been carried out for the entire 65.041 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s), Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure "A1" to "A3", annexure "B" and annexure "C".
- (b) the proposal for such diversion (with full details of the project and its implications, in vernacular/ local language) have been placed before each concerned Gram Sabha of forestdwellers, who eligible under the FRA;
- (c) the each of concerned Gram Sabha(s), has certified that all formalities/processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion. A copy of certificate issued by the gram sabha of Kushmaha Khurd, Shahpur and Khamharia Khurd village is enclosed as annexure "A1" to annexure "A3".
- (d) the discussion and decisions on such proposals had taken pace only when there was a quorum of minimum 50% of the members of Gram Sabha present;
- (e) the diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Gram Sabhas have given their consent to it;

(f) the rights of Primitive Tribal Groups and Pre-Agricultural Communities, where applicable have been specifically safeguarded as per section 3 (1) (e) of the FRA.

Encls.: As above.

जिला उमरिया (म.प्र.)

(Dharnendra Kumar Jain) Collector, Umaria District – Umaria (M.P.)

- Add CA Land / Site Details to the Project. Please click here to add the CA Site/Land Details to the Project.

Point wise compliance to the conditions as mentioned in the In-principle/Stage-I approval letter dated 12.02.2024

≤.	<	2	=:	=:	-	S.No
As intimated by the state, there is no further requirement of forest land for coal transportation/ evacuation in the instant case and accordingly no future proposal for diversion of forest land for coal transportation/evacuation shall be considered/ submitted. An undertaking in this regard shall be submitted by the state/user agency;	The NPV shall be deposited as per the provisions/guidelines laid down under the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 in view of the surface strain predicted by the 3-D prediction model;	The state shall ensure that no underground mining activities are carried out upto 30 meters on both sides of the Nalas within the mining lease;	For effective protection, the forest area within the mining lease shall be fenced with chain link fencing and gap planting, approximately in up to twenty percent of the gross area, will be carried out at the cost of user agency;	Wildlife Management plan for area within 10 km radius of the project shall be prepared and implemented at the cost of user agency;	Legal status of the diverted forest land shall remain unchanged;	Condition
Undertaking is enclosed as Annexure- VI.	The maximum predicted surface strain of Sahapur West Coal Block is 9.45mm/m and hence 10% applicable NPV, is to be paid. Accordingly in line with the demand note received from State Forest Department NPV of Rs 19,10,335 for 15,549 Ha Revenue Forest in South Shahdol Division and Rs 79,90,872 for 65,041 Ha Forest and Revenue Forest in Umaria Division has been deposited in Madhya Pradesh CAMPA account. Copy of payment proof is enclosed as Annexure - IV & V.	Agreed Undertaking is enclosed as Annexure-III	Undertaking is enclosed as Annexure-II.	Wildlife Management Plan has been prepared and submitted on 09.12.2023. Since the same is under approval, an amount of 2% of the project cost i.e. Rs. 8.44 Crores has been deposited in Madhya Pradesh CAMPA account. Copy of proof of payment is enclosed as Annexure-I	Agreed.	Compliance by User Agency

0

Xi The F Gove India imple Gove monit	x The S divers land t	the S. Rules	viii All the fu be to pertain	preva additi the H
The R&R plan shall be implemented as per the R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R&R Plan will be monitored by the State Government/Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones;	The State Government shall upload the KML files of the area under diversion in the E-green watch portal of FSI, before handing over forest land to the user agency;	The State Government shall complete settlement of rights, in terms of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted as per the sub-rule (7) of Rule 11 of the Van (Sanrakshan Evam Samvardhan) Rules, 2023;	All the funds received from the user agency under the project, except the funds realized for regeneration / demarcation of safety zone, shall be transferred to Ad-hoc CAMPA in the Savings Bank Account pertaining to the State concerned;	prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
Since the instant proposal is of Under Ground Coal Mining, no displacement is envisaged therefore no R&R is required.	To be complied by State Forest Department at appropriate time.	Copy of duly signed Form-II, Minutes of the District Level FRA Committee, Minutes of Sub-Divisional Level FRA Committee, Minutes of Sub-Divisional Level FRA Committee, Gram Sabha Resolutions of 15.549 Ha Revenue Forest Land of Shahdol is enclosed as Annexure-IX. Copy of Minutes of Sub-Divisional Level FRA Committee, Gram Sabhas of 65.041 Ha Forest and Revenue Forest Land of Umaria is enclosed as Annexure-X. Since Model Code of Conduct Is prevailing, Meeting of District Level FRA Committee of Umaria cannot be organized, hence an Undertaking regarding submission of duly signed Form-II and Minutes of the District Level FRA Committee for 65.041 Ha Forest and Revenue Forest Land of Umaria after Grant of Stage-II Approval and before issuance of order for diversion from State Govt is enclosed as Annexure-XI.	Payment towards NPV and Wildlife Management Plan has been deposited in Madhya Pradesh CAMPA account. Copy of proof of payment is enclosed as Annexure-VIII.	VII.

Government of Madhya Pradesh

Office of the District Collector Shinasi

No. 1220

Dated 22 17/34

To WHOWSOEVER IT MAY CONCERN.

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No 11-9/98-FC (pt.) dated 3" August 2009 whermin the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Index and Other Traditional Forest Dwellers (Recognition of Forest Right) Act, 2006 ("FRA" for short) on the forest land proposed to be diverted for non-forest purposes, it is certified that 15.549 hectare of Revenue forest land proposed to be diverted in favour of M/s Sanda Energy & Minerals Limited for Underground Mining of Coal from Sahapur West Coal Mine in Shahdor distinct falls within pursuited on of Kathaubiya and Khamhana Kalan villages in Sohagpur tensit

it is further certified that

- (a) the complete process for identification and settlement of rights under the FRA has been carried out for the entire 15,549 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s), Gram Sabha(s). Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure "A1" to "A2", annexure "B" and annexure "C".
- (b) the proposal for such diversion (with full details of the project and its implications, in vernacular) focal language) have been placed before each concerned Gram Sabha of forestdwellers, who eligible under the ERA;
- (c) the each of concerned Grain Sabha(s), has certified that all formalities/processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion. A copy of certificate issued by the grain sabha of Kathautiya and Khamharia Kalan village is enclosed as annexure "A1" to annexure "A2".
- (d) the discussion and decisions on such proposals had taken pace only when there was a quorum of minimum 50% of the members of Gram Sabha present;
- (e) the diversion of forest land for facilities managed by the Government as required under section 3 (2) of the FRA have been completed and the Gram Sabhas have given their consent to it.
- (f) the rights of Primitive Tribal Groups and Pre-Agricultural Communities, where applicable have been specifically safeguarded as per section 3 (1) (e) of the FRA.

Encis.: As above.

कार्यालय ग्राम सभा कठौतिया, ग्राम पंचायत चुनिया जनपद पंचायत सोहागपुर, जिला शहुडोल (म. प्र.)

प्रमाणित किया जाता है कि:-

मेंसर्स सारडा एनर्जी & मिनरत्स लिमटेड की साहपुर पश्चिम कोयला खदान परियोजना से भूमिगत कोयला उत्पादन का कार्य किया जाना प्रस्तावित है। ग्राम पंचायत चुनिया क्षेत्र के ग्राम कठौतिया के राजस्व वन क्षेत्र के खसरा क्रमांक 222 रकबा 0.040 हेक्टेयर के वन भूमि के व्यपवर्तन का प्रस्ताव वन संरक्षण अधिनियम 1980 के अंतर्गत ग्राम सभा के समक्ष विचारार्थ प्रस्तुत हुआ है।

वन भूमि के व्यपवर्तन का प्रस्ताव अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों) की मान्यता) अधिनियम 2006 के अंतर्गत ग्राम सभा के समक्ष रखा गया है। प्रस्ताव का परिक्षण एवं उस पर चर्चा ग्राम सभा की बैठक दिनांक 14.04.2022 को की गई जिसमे ग्राम सभा के 50 % से अधिक सदस्य उपस्थित थे, जिसमे एक तिहाई से अधिक महिलाएं मौजूद थी।

ग्राम सभा यह प्रमाणित करती है कि व्यपवर्तन के लिए आवेदित वन भूमि के संपूर्ण क्षेत्र पर अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के तहत वन अधिकार पत्रक वितरित नहीं किया गया है न ही कोई दावा लंबित हैतथा ग्राम सभा ने अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के अंतर्गत समस्त औपचारिकताओं / प्रक्रियाओं का पालन पूर्ण कर लिया है साथ ही ग्राम सभा ने व्यपवर्तन के प्रस्ताव के विवरण को समझ लिया है।

वन भूमि के व्यपवर्तन के फलस्वरूप किये जाने वाले कार्य से पंचायत क्षेत्र के विकास की संभावना है अतः ग्राम सभा एतद द्वारा उक्त कार्य पर एवं परियोजना के लिए अपनी सहमति व्यक्त करती है साथ ही भविष्य में मेसर्स सारडा एनर्जी & मिनरल्स लिमटेड को परियोजना के लिए दिए जाने वाले खनिपट्टा पर भी अपनी सहमति प्रदान करती है।

संलग्न :- ग्राम सभा की बैठक का कार्यवाही विवरण की छायाप्रति।

CHANGE OF SERVING

प्रमाणित किया जाता है कि

मेसर्स सारडा एनर्जी & मिनरल्स लिमटेड की साहपुर पश्चिम कोयला खदान परियोजना से भूमिगत कोयला उत्पादन का कार्य किया जाना प्रस्तावित है। याम पंचायत नरवार क्षेत्र के याम खम्हरिया खुर्द के संरक्षित वन क्षेत्र के वन खंड क्रमाक P-27 प्रभावित रक्ष्या 12.248 हेक्टेयर एवं राजस्व वन क्षेत्र के खसरा क्रमांक 56,59/1,59/2, 64, 68, 72/1, 74, 87, 88, 92, 94/1, 94/2, 104, 106, 107, 109, 115, 117, 121, 122, 300/1, 301, 322, 325, 338, 340, 341, 342, 349, 350 रक्ष्या क्रमशः 0.202, 0.999, 0.280, 0.405, 0.21/0.074, 0.089, 0.049, 0.809, 0.607, 0.769, 1.416, 0.627, 0.607, 0.348, 0.125, 0.036, 0.085, 0.664, 0.037, 0.028, 0.077, 0.507, 0.020, 0.231, 0.101, 0.332, 0.202, 0.003, 0.088 प्रभावित रक्षा 10.034 हेक्टेयर कुल प्रभावित रक्षा 22.282 हेक्टेयर के वन भूमि के व्ययवर्तन का प्रस्ताव वन संरक्षण अधिनियम 1980 के अंतर्गत ग्राम सभा के समक्ष विचारार्थ प्रस्तुत हुआ है।

वन भूमि के व्यपवर्तन का प्रस्ताव अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों) की मान्यता) अधिनियम 2006 के अंतर्गत ग्राम सभा के समक्ष रखा गया। प्रस्ताव का परीक्षण एवं उस पर चर्चा ग्राम सभा की बैठक दिनांक 16.04.2022 को की गई जिसमें ग्राम सभा के 50 % से अधिक सदस्य उपस्थित थे, जिसमें एक तिहाई से अधिक महिलाएं मौजूद थी।

ग्राम सभा यह प्रमाणित करती है कि व्यपवर्तन के लिए आवेदित वन भूमि के संपूर्ण क्षेत्र पर अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के तहत वन अधिकार पत्रक वितरित नहीं किया गया है न ही कोई दावा लंबित है। तथा ग्राम सभा ने अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के अंतर्गत समस्त औपचारिकताओं / प्रक्रियाओं का पालन पूर्ण कर लिया है साथ ही ग्राम सभा ने व्यपवर्तन के प्रस्ताव के विवरण को समझ लिया है।

वन भूमि के व्यपवर्तन के फलस्वरूप किये जाने वाले कार्य से पंचायत क्षेत्र के विकास की संभावना है अतः ग्राम सभा को उक्त कार्य के लिए कोई आपत्ति नहीं है एवं ग्राम सभा परियोजना के लिए अपनी सहमति व्यक्त करती है।

साथ ही ग्राम सभा मेसर्स सारडा एनर्जी & मिनरल्स लिमटेड को परियोजना के लिए खनन कार्य किये जाने पर भी अपनी सहमति प्रदान करती है ।

संलग्न : ग्राम सभा की बैठक की कार्यवाही विवरण की छायाप्रति।

प्रमाणित किया जाता है कि:-

मेसर्स सारडा एनर्जी & मिनरहस लिमटेड ह्नारा साहपुर पश्चिम कोपला खडान परिघोजना से भूमिगत कोपला उत्पादन का कार्य किया जाना प्रस्तावित है। उक्त परियोजना में ग्राम शाहपुर के राजस्व वन क्षेत्र के खसरा क्रमांक 582, 583, 584 एवं 585 रकबा क्रमशः 0.275, 0.243, 0.154 एवं 1.753 हेक्टेयर कुल प्रभावित रकबा 2.425 हैक्टेयर के वन भूमि के व्यपवर्तन का प्रस्ताव वन संरक्षण अधिनियम 1980 के अंतर्गत ग्राम सभा के समक्ष विचारार्थ प्रस्तुत हुआ है।

वन भूमि के व्यपवर्तन का प्रस्ताव अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों) की मान्यता) अधिनियम 2006 के अंतर्गत ग्राम सभा के समक्ष रखा गया। प्रस्ताव का परीक्षण एवं उस पर चर्चा ग्राम सभा की बैठक दिनांक 16.08.2022 को की गई जिसमें ग्राम सभा के 50% से अधिक सदस्य उपस्थित थे, जिसमें एक तिहाई से अधिक महिलाएं मौजूद थी।

ग्राम सभा यह प्रमाणित करती है कि व्यपवर्तन के लिए आवेदित वन भूमि के संपूर्ण क्षेत्र पर अनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के तहत वन अधिकार पत्रक वितरित नहीं किया गया है न ही कोई दावा लेबित है। तथा ग्राम सभा ने उनुसूचित जनजाति और अन्य परंपरागत वन निवासी (वन अधिकारों की मान्यता) अधिनियम 2006 के अलर्गत समस्त ओपचारिकताओं / प्रक्रियाओं का पालन पूर्ण कर लिया है साथ ही ग्राम सभा ने व्यपवर्तन के प्रस्ताव के विवरण को समझ लिया है।

वन भूमि के व्यपवर्तन एवं परियोजना के संवालन के फलस्वरूप किये जाने वाले कार्य से क्षेत्र के विकास एवं रोजगार में वृद्धि की संभावना है, अतः ग्राम सभा सारडा एनजीं & मिनरत्स लिमटेड की साहपुर पश्चिम कोयला खदान के वन भूमि व्यपवर्तन प्रस्ताव एवं खनन परियोजना को स्वीकृति देने हेतु अपनी सहमति व्यक्त करती है।

This has reference to your online proposal No. IA/MP/CMIN/426483/2023 dated 20th April, 2023 for grant of Environmental Clearance to the above project.

- 3. The Ministry of Environment, Forest and Climate Change has considered the application. It is noted that the proposal is for grant of Environmental Clearance to Sahapur West UG Coal Mine of 0.6 MTPA (Peak production) in an area of 619 Ha of M/s Sarda Energy and Minerals Limited at village Khamariya Khurd, Kushmaha Khurd, Shahpur, Tehsil Pali of District Umariya and village Khamhariya Kala, Kathotiya, Tehsil Suhagpur, District Shahdol (Madhya Pradesh).
- The project/activity is covered under category 'A' of item1(a) 'Mining of Minerals' the Schedule to the EIA Notification, 2006
- 4. The proposal was considered by the sectoral Expert Appraisal Committee (EAC) in its 44th meeting held on 9th May, 2023 through Video Conferencing. The details of the proposal, as ascertained from the proposal documents and as revealed from the discussions held during the meetings, are given as under:
- The project area is covered under Survey of India Topo Sheet No 64E/7 & 64E/8 and is bounded by the geographical coordinates ranging from Latitude: 23°14'19"N to 23°15'33"N, Longitude: 81° 17'10" E & 81° 18'48" E.
- 2. Coal linkage of the project is proposed for commercial sale of Coal.
- 3. Joint venture cartel has been formed: N/A
- Project does not fall in the Critically Polluted Area (CPA), where the MoEF&CC's vide its OM dated 13th January, 2010 has imposed moratorium on grant of environment clearance.
- 5. Employment generation, direct employment to 830 persons will be provided from the project.
- 6. The project is reported to be beneficial in terms of direct and indirect employment generation in that region.
- Terms of Reference granted on (for EC proposals): On the environmental clearance, the coal mine had received a
 Terms of Reference on 22.11.2021 vide letter no. J-11015/280/2010-IA-II (M) and Amendment in ToR was granted on
 12.05.2022 vide F. No. J-11015/280/2010-IA.II (M).
- Total mining lease area as per block allotment is 619 ha. Mining Plan (Including Progressive Mine Closure Plan) has been approved by the Ministry of Coal on 21.04.2022.
- 9. The land usage pattern of the project is as given in Table 1, Annexure 2;
- Total geological reserve reported in the mine lease area is 38.376 MT with 17.38 MT mineable reserve. Out of total
 mineable reserve of 10.38 MT are available for extraction. Percent of extraction is 29.01%.
- 11. 8 seams with thickness ranging from 1.5m to 4.16m are workable. Grade of coal is G6-G7stripping ratio N/A, while gradient is 1° to 2°.
- 12. Method of mining operations envisages by underground board and pillar method.
- 13. Life of mine is 19 years.
- 14. Transportation of coal has been proposed by Coal tippers from bunkers/pit head stockpile to stock yards at railway sidings or other nearby destinations.
- 15. 80.59 ha of forest land has been reported to be involved in the project. Approval under the Forest (Conservation) Act, 1980 for diversion of 80.59 ha of forest land for non-forestry purposes is under active consideration at MoEF&CC.
- Please mention any National Parks, Wildlife Sanctuaries and Eco-Sensitive Zones fall within 10 km boundary of the project: Not Applicable
- 17. Wildlife conservation plan for schedule I species has been submitted to PCCF
- 18. The ground water level has been reported to be varying between 60-202 m.

- 19. Total water requirement for the project is 409.45 KLD.
- Application for obtaining the approval of the Central Ground Water Authority for 32 KLD has been submitted and NOC has been Granted BY CGWA on 29.12.2022.
- 21. Public hearing for the project of 0.60 MTPA capacity in an area of 619 ha was conducted on 14.12.2022 at Shasakiya Prathamik Vidyalaya Prangan, (Near Aangan badi) Village: Khamhariya Kala, Tehsil-Sohagpur District- Shahdol, Madhya Pradesh under the Chairmanship of Additional Collector, Mr. Arpit Verma, a representative authorized by Collector / District Magistrate, Shahdol and Shri Sanjeev Mehra, Regional Officer of M. P. Pollution Control Board, Shahdol.
- 22. Major issues raised in the public hearing include providing employment to local people, Compensation, water problems, electricity problems, Hospital problem Infrastructure development of road, mandir, community etc.
- Appropriate action to address the issues raised in the Public Hearing have already been taken/proposed to be taken are as under MoEFCC Office Memorandum dated 30.09.2020.
- 24. Revised action Plan to address the public hearing issues arising for Shahdol district is given in Table 2, Annexure 2
- 25. Public hearing for project of 0.60 MTPA capacity in an area of 619 ha was conducted on 16.12.2022 at Government Primary School, Village Khamhariya Khurd, Tehsil-Pali, District- Umaria (MP) under the Chairmanship of Additional Collector, Mrs. Misha Singh, representative of Collector / District Magistrate Umaria and Shri Sanjeev Mehra, Regional Officer of M. P. Pollution Control Board, Shahdol.
- 26. Major issues raised in the public hearing include providing employment to local people, Compensation, water problems, electricity problems, Hospital problem Infrastructure development of road, mandir, community etc.
- Appropriate action to address the issues raised in the Public Hearing have already been taken/proposed to be taken are as under MoEF&CC Office Memorandum dated 30.09.2020.
- 28. Revised action Plan to address the public hearing issues arising for Umaria District as in Table 3, Annexure 2:
- Ghogra Nala & Ghinau Chiha Nalla river/nalla is flowing within the boundary of lease. The nallah will not be diverted
 as no mining shall be done below water bodies.
- 30. Regular monitoring of ambient air quality is being carried out on fortnightly basis. The documented report is submitted and also to MoEF&CC along with half yearly EC compliance report. In general, the results of ambient air quality monitoring data were found within prescribed limits except few aberrations which can be attributed to the specific local conditions during the day of sampling.
- 31. No court cases, violation cases are pending against the project of the PP.
- 32. R&R: Not applicable as no resettlement has been proposed. Employment will be provided as per prevailing norms.
- 33. Total cost of project is Rs. 421.86 crores. Cost of production has been estimated as Rs 2000/Ton (Tentatively). CSR will be undertaken as per Companies Act 2013. As per OM dated 30th September 2020 vide letter no. F.No. 22-65/2017-IA.III by MOEF & CC budget allocation for CER, is 6.375 Crores, R&R cost is N.A. Environment Management Cost is Rs. 41.91 Cr.
- 34. Base line monitoring status:
- 35. Mention the Period/ Season of baseline study carried out.: 1st December, 2021 to 28th February 2022.
- 36. Whether the Laboratory has been accredited by the NABL/MoEF&CC certification involved in analysis of water, air, noise & soil quality data, also providing its respective lab reports; yes.
- 37. Detail of Air quality and surface water quality
- · Air quality: Number of sampling location monitored: 12 locations
 - The result indicates that the maximum and minimum values of PM10 are in the range of 27.5 to 42.8 g/m³ whereas the PM2.5 are in the range of 47.7 to 71.8 g/m³-µg/m³. The SO2 concentrations within the study area are in the range of 6.1 to 10.2g/m³, and the NOx are in the range of 9.5-20.5g/m³

The incremental increase in the values were projected to be 3.02 g/m³ for PM10, 1.51 g/m³ for PM2.5, 1.51 g/m² for SO2, and 0.68 g/m³ for NOx. The value of Total GLC is 70.02 g/m³ for PM10, 42.01 g/m³ for PM2.5, 11.01 g/m³ for SO2, and 20.18 g/m³ for NOx. The observed pollutant levels were compared with CPCB National Ambient Air Quality Standards and found to be in the norms.

- Surface water quality-Number of sampling location monitored: 8 locations. During the analysis pH of the samples
 was found in the range of 7.24-7.95. TDS analysis was also carried out for surface water sample and it was found in
 the range of 235-460 mg/L. DO measured during analysis was found in the range of 4.5-5.8 mg/L. COD measured
 during analysis was found in the range of 10-32 mg/L. BOD measured during analysis was found in the range of 2.17.2 mg/L. MPN test was also carried out for this surface water sample and it was found positive. It indicates towards
 the fecal contamination in surface water body.
- 5. The Expert Appraisal Committee in its 44thEAC meeting held on 9thMay, 2023 through Video Conferencing has recommended the project for grant of Environment Clearance. Based on recommendations of the EAC, Ministry of Environment, Forest and Climate Change hereby accords approval for Environment Clearance(EC) to Sahapur West UG Coal Mine of 0.6 MTPA (Peak production) in an area of 619 Ha of M/s Sarda Energy and Minerals Limited at village Khamariya Khurd, Kushmaha Khurd, Shahpur, Tehsil Pali of District Umariya and village Khamhariya Kala, Kathotiya, Tehsil Suhagpur, District Shahdol (Madhya Pradesh), under the provisions of the Environment Impact Assessment Notification, 2006 and subsequent amendments/circulars thereto subject to the compliance of the following terms & conditions / specific conditions in addition to the standard environmental conditions notified by the Ministry as given in

Annexure 1.

6. In view of the particulars given in the Para 1 above, the project proposal interalia including Form-1(Part A, B and C)/
EIA & EMP Reports were submitted to the MoEF&CC for an appraisal by the EAC under the provision of EIA
notification 2006 and its subsequent amendments.

7. The above-mentioned proposal has been considered by EAC in the meeting held on 09/05/2023. The minutes of the meeting and all the project documents are available on PARIVESH portal which can be accessed from the PARIVESH portal by scanning the QR Code above. Brief description of the project is as under. The mine will also bring enhanced socioeconomic benefits to the local population of the project area.

8. Details of the minerals to be mined along with production capacity and the brief on the salient features of the project as submitted by the project proponent in Form 1 (Part A and B) in the reports and as presented during EAC are annexed to this EC as Annexure (1).

9. The EAC, in its meeting held on 09/05/2023, based on information submitted viz: Form 1 (Part A, B and C), EIA/EMP report etc & clarifications provided by the project proponent and after detailed deliberations on all technical aspects and public hearing issues and compliance thereto furnished by the Project Proponent, recommended the proposal for grant of Environment Clearance under the provision of EIA Notification, 2006 and as amended thereof subject to stipulation of Specific and Standard EC conditions as detailed in the point below.

10. General Instructions:

- The proponent shall abide by all the commitments and recommendations made in the EIA/EMP report and also that during presentation to the EAC. All the commitments made on the issues raised during public hearing shall also be implemented in letter and spirit.
- The project proponent shall prominently advertise it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days indicating that the project has been accorded environment clearance and the details of MoEF&CC website where it is displayed.
- 3. The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn must display the same for 30 days from the date of receipt.
- 4. The project proponent shall have a well laid down environmental policy duly approved by the Board of Directors (in case of Company) or competent authority, duly prescribing standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental / forest / wildlife norms / conditions.
- 5. Action plan for implementing EMP and environmental conditions along with responsibility matrix of the project

proponent (during construction phase) and authorized entity mandated with compliance of conditions (during operational phase) shall be prepared. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Six monthly progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six-Monthly Compliance Report.

- Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
- 7. The Regional Office of this MoEF&CCshall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.
- Any appeal against this EC shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
- 9. The proponent shall obtain all necessary clearances/approvals that may be required before the start of the project. The Ministry or any other competent authority may stipulate any further condition for environmental protection. The Ministry or any other competent authority may stipulate any further condition for environmental protection.
- 10. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
- 11. The coal company/project proponent shall be liable to pay the compensation against the illegal mining, if any, and as raised by the respective State Governments at any point of time, in terms of the orders dated 2nd August, 2017 of Hon'ble Supreme Court in WP (Civil) No.114/2014 in the matter of 'Common Cause Vs Union of India & others.
- 12. The concerned State Government shall ensure no mining operations to commence till the entire compensation for illegal mining, if any, is paid by the project proponent through their respective Department of Mining & Geology, in strict compliance of the judgment of Hon'ble Supreme Court.
- 13. This environmental clearance shall not be operational till such time the project proponent complies with the above said judgment of Hon'ble Supreme Court, as applicable, and other statutory requirements.
- 14. This issue with an approval of the Competent Authority.

Annexure 1

Specific EC Conditions for (Mining Of Minerals)

1. Mining Of Minerals

S. No	EC Conditions
LI	PP to plant additional fruit bearing plants with three tier plantation along the transportation route and identified areas with consent to the gram panchayat within two year.
1.2	PP shall maintain at least 10 mtrs width tree plantation of broad leaves and wind break/green shield of about 10 mts height along the boundary of coal storage yard.
1.3	PP shall develop a rain water harvesting pond (min 1000 sq m and the depth will be 3 m) for the villagers in consultation with Gram Panchayat within 1 year. Also, Indicator aquatic species shall be planted in this water bodies to see the environmental quality. PP shall own water bodies/pond currently present in project area, maintain and regularly monitor the quality for its long term protection.
1.4	PP shall construct a dedicated pucca road joining to NH for transportation of coal with plantation on either side of the road.
1.5	PP shall install observatory wells at suitable locations to monitor the ground water level and probable impact due to mining.
1.6	As proposed, PP shall transport coal from underground faces by conveyor belt to silos for storage and loading. PP shall deploy only 40 tonnes covered trucks to reduce fleet size till railway siding.
1.7	As proposed, PP shall implement the public hearing budget on the items given above at Table 2 & 3 of Annexure 2 separately for Shahdol district i.e. 354.50 lakhs and for Umaria district i.e 364 lakhs.
1.8	As proposed, PP to implement EMP budget of Rs. 4191 lakhs as capital expenditure or pollution control measures with annual recurring cost of Rs. 615 lakhs
1.9	PP to protect agriculture field as well as River/Nallah lying inside the mine lease area and no nala/drain diversion shall be undertaken.
1.10	PP to implement the recommendation of land subsidence study carried out for underground mine and report shall be submitted to IRO in every six monthly report
1.11	PP should establish in house (at project site) environment laboratory for measurement of environment parameter with respect to air quality and water (surface and ground. A dedicated team to oversee environment management shall be setup which should comprise of Environment Engineers, Laboratory chemist and staff for monitoring of air, water quality parameters on routine basis. Any non-compliance or infringement should be reported to the concerned authority.
1.12	Hon'ble Supreme Court in an Writ Petition(s) Civil No. 114/2014, Common Cause vs Union of India & Ors vide its judgement dated 8th January, 2020 has directed the Union of India to impose a condition in the mining lease and a similar condition in the environmental clearance and the mining plan to the effect that the mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc. Compliance of this condition after the mining activity is over at the cost of the mining lease holders/Project Proponent". The implementation report of the above

S. No	EC Conditions
7	said condition shall be sent to the Regional Office of the MoEF&CC.
1.13	PP shall submit Stage-I Forest Clearance of forest land 80.59 ha required for non-forestry activity prior to grant of Environment Clearance. As proposed, PP shall utilize forest land for infrastructure purposes.
1.14	PP shall pay to farmers of agricultural land if there is any loss due to pollution found by concerned District Commissioner as per extent rules or norms.
1.15	PP shall obtain CTE/CTO from State Pollution Control Board for 0.6 MTPA capacity
1.16	PP to obtain the star rating as per the guidelines of Ministry of Coal.
1.17	The illumination and sound at night at project sites disturb the villages in respect of both human and animal population. Consequent sleeping disorders and stress may affect the health in the villages located close to mining operations. Habitations have a right for darkness and minimal noise levels at night. PPs must ensure that the biological clock of the villages is not disturbed; by orienting the floodlights/ masks away from the villagers and keeping the noise levels well within the prescribed limits for day light/night hours.
1.18	PP to fulfill all the commitment made in the minutes of public hearing to address the issues raised therein in a time bound manner and a progressive report to be furnished to IRO in every six monthly as compliance report.
1.19	Persons of nearby villages shall be given training on livelihood and skill development to make them employable with its proper records.
1.20	PP to install solar lights along the road used for transportation of minerals to avoid the accidents at night and also seek its maintenance. PP is asked to also identify the rural areas for installation of solar light with its maintenance within the study area of 10 km radius buffer zone within one year.
1.21	The status of mine closure activities must be included in every six months compliance report submitted to the state pollution control board and IRO
1.22	PP shall conduct third party audit of compliance of EC condition at an interval six months and its report shall be submitted to IRO, MoEF&CC.
1.23	PP shall install fixed fog cannon (mist spayer) and fixed sprinkler all along the coatransportation route and accordingly sufficient number of fog cannons (not less than 10 nos. with 40 mts jet length shall be installed.
1,24	Persons of nearby villages shall be given training on livelihood and skill development to make them employable with its proper records.
1.25	Proponent shall appoint an Occupational Health Specialist for Regular and Periodical medical examination of the workers engaged in the Project and maintain records accordingly; also Occupational health check-ups for workers having some ailments like BP, diabetes, habitus smoking, etc. shall be undertaken once in six months and necessary remedial/preventive measures taken accordingly. The Recommendations of National Institute for ensuring good

ATTEMPT ATTEMPT

S. No	EC Conditions
	occupational environment for mine workers shall be implemented. The prevention measure for burns, malaria and provision of anti-snake venom including all other paramedical safeguards may be ensured before initiating the mining activities
1.26	PP must explore innovative technology to recover methane from gases extracted from underground mine while venting.
1.27	PP to install 1 continuous ambient air quality monitoring stations at suitable locations preferably village side with consultation of SPCB. The real time data so generated shall be uploaded on company website and linked it with website of CPCB &SPCB. In addition, data should also be displayed digitally at entry and exit gate of mine lease area for public display.
1.28	PP to monitor the water quality of the ground water and surface water body located within the core zone and 5 km radius from the periphery of the mine boundary as per procedure laid down by CPCB.
1.29	PP shall implement Effluent Treatment Plant for wastewater generated from workshop and Sewage Treatment Plan for its colony. No untreated water shall be discharged to ponds/nallah/river.

Standard EC Conditions for (Mining of minerals)

1. Statutory Compliance

S. No	EC Conditions
1.1	The Environmental clearance shall be subject to orders of Hon'ble Supreme Court of India, Hon'ble High Courts, NGT and any other Court of Law, from time to time, and as applicable to the project
1.2	The project proponent shall obtain forest clearance under the provisions of Forest (Conservation Act, 1986, in case of the diversion of forest land for non-forest purpose involved in the project.
1.3	The project proponent shall obtain clearance from the National Board for Wildlife, if applicable.
1.4	The project proponent shall prepare a Site-Specific Conservation Plan & Wildlife Management Plan and approved by the Chief Wildlife Warden. The recommendations of the approved Site-Specific Conservation Plan / Wildlife Management Plan shall be implemented in consultation with the State Forest Department. TThe implementation report shall be furnished along with the six-monthly compliance report (in case of the presence of schedule-I species in the study area).
1.5	The project proponent shall obtain Consent to Establish / Operate under the provisions of Air (Prevention & Control of Pollution) Act, 1981 and the Water (Prevention & Control of Pollution) Act, 1974 from the concerned State pollution Control Board/ Committee.
1.6	The project proponent shall obtain the necessary permission from the Central Ground Water Authority
1.7	Solid/hazardous waste generated in the mines needs to addressed in accordance to the Solid Waste Management Rules, 2016/Hazardous & Other Waste Management Rules, 2016.

S. No	EC Conditions
1.8	Permission of power supply to be taken from the concerned authority for meeting power demand of the project site.
1.9	The maximum production or peak production at any given time shall not exceed the limit as prescribed in the EC.
1.10	Validity of EC is as per life of the mine mentioned in EC letter or 30 years as per EIA Notification, 2006 and its amendments therein

2. Air Quality Monitoring And Mitigation Measure

S. No	EC Conditions
2.1	Adequate ambient air quality monitoring stations shall be established in the core zone as well as in the buffer zone for monitoring of pollutants, namely particulates, SO2 and NOx. Location of the stations shall be decided based on the meteorological data, topographical features and environmentally and ecologically sensitive receptors in consultation with the State Pollution Control Board. Online ambient air quality monitoring station/stations may also be installed in addition to the regular air monitoring stations as per the requirement and/or in consultation with the SPCB
2.2	The Ambient Air Quality monitoring in the core zone shall be carried out to ensure the Coal Industry Standards notified vide GSR 742 (E) dated 25th September, 2000 and as amended from time to time by the Central Pollution Control Board. Data on ambient air quality and heavy metals such as Hg, As, Ni, Cd, Cr and other monitoring data shall be regularly reported to the Ministry/Regional Office and to the CPCB/SPCB.
2.3	Transportation of coal, to the extent if permitted by road, shall be carried out by covered trucks/conveyors. Effective control measures such as regular water sprinkling/rain gun/ Fog cannon/mist sprinkling etc., shall be carried out in critical areas prone to air pollution with higher level of particulate matter all through the coal transport roads, loading/unloading and transfer points. Fugitive dust emissions from all sources shall be controlled regularly. It shall be ensured that the ambient air quality parameters conform to the norms prescribed by the Central/State Pollution Control Board.
2.4	Major approach roads shall be black topped and properly maintained.
2.5	PP to install solar lights along the road used for transportation of coal to avoid the accidents at night and also seek its maintenance.
2.6	The transportation of coal shall be carried out as per the provisions and route proposed in the approved mining plan. Transportation of the coal through the existing road passing through any village shall be avoided. In case, it is proposed to construct a 'bypass' road, it should be so constructed that the impact of sound, dust and accidents could be appropriately mitigated.
2.7	Vehicular emissions shall be kept under control and regularly monitored. All the vehicles engaged in mining and allied activities shall operate only after obtaining 'PUC' certificate from the authorized pollution testing centres.
2.8	Coal stock pile/crusher/feeder and breaker material transfer points shall invariably be provided with

S. No	EC Conditions
	dust suppression system. Belt-conveyors shall be fully covered to avoid air borne dust. Side cladding all along the conveyor gantry should be made to avoid air borne dust. Drills shall be we operated or fitted with dust extractors.
2.9	Coal handling plant shall be operated with effective control measures w.r.t. various environmental parameters. Environmental friendly sustainable technology should be implemented for mitigating such parameters.
2.10	Adequate number of Fog canon (mist sprayer) shall be installed to reduce the impact of air pollution at dust generating sources with time bound action plan.
2.11	PP should Install Wind breaker/shield arrangement along the railway siding for reducing the dust propagation in upwind direction.
2.12	Post environmental closure third party monitoring by reputed instituted in air quality, water, land & soil etc shall be carried out and analysed with EMP measures at regular interval. A suitable recommendation in this regard, shall be furnished to IRO, MoEF&CC for compliance. The data used for analysis shall be obtained from continuos AQMS, site specific water regime. Also third party shall analyses the implementation of river diversion, meeting to the requirement of project report.

3. Water Quality Monitoring And Mitigation Measures

S. No	EC Conditions
3.1	The effluent discharge (mine waste water, workshop effluent) shall be monitored in terms of the parameters notified under the Water Act, 1974 Coal Industry Standards vide GSR 742 (E) dated 25th September, 2000 and as amended from time to time by the Central Pollution Control Board.
3.2	The monitoring data shall be uploaded on the company's website and displayed at the project site at a suitable location. The circular No.J-20012/1/2006-IA.11 (M) dated 27th May, 2009 issued by Ministry of Environment, Forest and Climate Change shall also be referred in this regard for its compliance.
3.3	Regular monitoring of ground water level and quality shall be carried out in and around the mine lease area by establishing a network of existing wells and constructing new piezometers during the mining operations. The monitoring of ground water levels shall be carried out four times a year i.e. pre-monsoon, monsoon, post-monsoon and winter. The ground water quality shall be monitored once a year, and the data thus collected shall be sent regularly to MOEFCC/RO.
3.4	Monitoring of water quality upstream and downstream of river including pons, lakes, tanks shall be carried out once in six months and record of monitoring data shall be maintained and submitted to the Ministry of Environment, Forest and Climate Change/Regional Office.
3.5	Ground water, excluding mine water, shall not be used for mining operations. Rainwater harvesting shall be implemented for conservation and augmentation of ground water resources.
3.6	The project proponent shall not alter major water channels around the site. Appropriate embankment shall be provided along the side of the river/nallah flowing near or adjacent to the

S. No	EC Conditions
	mine. The embankment constructed along the river/nallah boundary shall be of suitable dimensions and critical patches shall be strengthened by stone pitching on the river front side, stabilized with plantation so as to withstand the peak water pressure preventing any chance of mine inundation.
3.7	Garland drains (of suitable size, gradient and length) around the critical areas i.e. mine shaft and low lying areas, shall be designed keeping at least 50% safety margin over and above the peak sudden rainfall and maximum discharge in the area adjoining the mine sites. The sump capacity shall also provide adequate retention period to allow proper settling of silt material of the surface runoff
3.8	The water pumped out from the mine, after siltation, shall be utilized for industrial purpose viz. watering the mine area, roads, green belt development etc. The drains shall be regularly desilted particularly after monsoon and maintained properly
3.9	Industrial waste water from coal handling plant and mine water shall be properly collected and treated so as to conform to the standards prescribed under the Environment (Protection) Act, 1986 and the Rules made thereunder, and as amended from time to time. Oil and grease trap shall be installed before discharge of workshop effluent. Sewage treatment plant of adequate capacity shall be installed for treatment of domestic waste water.
3.10	Adequate groundwater recharge measures shall be taken up for augmentation of ground water. The project authorities shall meet water requirement of nearby village(s) in case the village wells go dry due to dewatering of mine.
3.11	The surface drainage plan including surface water conservation plan for the area of influence affected by the said mining operations shall be prepared, considering the presence of any river/rivulet/pond/lake etc., with impact of mining activities on it, and implemented by the project proponent. The surface drainage plan and/or any diversion of natural water courses shall be as per the provisions of the approved Mining Plan/ EIA-EMP submitted to this Ministry and the same should be done with due approval of the concerned State/Gol Authority. The construction of embankment to prevent any danger against inrush of surface water into the mine should be as per the approved mining plan and as per the permission of DGMS.
3.12	The project proponent shall take all precautionary measures to ensure reverian/ riparian ecosystem in and around the coal mine upto a distance of 5 km. A revarian /riparian ecosystem conservation and management plan should be prepared and implemented in consultation with the irrigation water resource department in the state government.
3.13	Domestic water shall be providing to the residents/villages which are coming under the zone of influence of the project due to ground water extraction by installing a RO plant with proper supply line and Taps within 2 years
3.14	No obselete technologies for sewage treatment shall be implemented. Construction of Sewage Treatment Plant with latest technology should be completed within 2 years and treated water shall be reused for plantation. CTE and CTO of STP shall be obtained as per the norms.

S. No	EC Conditions
4.1	Adequate measures shall be taken for control of noise levels as per Noise Pollution Rules, 2016 in the work environment. Workers engaged in blasting and drilling operations, operation o HEMM, etc shall be provided with personal protective equipments (PPE) like ear plugs/muffs in conformity with the prescribed norms and guidelines in this regard. Adequate awareness programme for users to be conducted. Progress in usage of such accessories to be monitored.
4.2	The noise level survey shall be carried out as per the prescribed guidelines to assess noise exposure of the workmen at vulnerable points in the mine premises, and report in this regard shall be submitted to the Ministry/RO on six-monthly basis.

5. Mining Plan

S. No	EC Conditions
5.1	5- Star Rating is mandatory to obtaine certification as per guidelines of Mininstry of Coal
5.2	Mining shall be carried out under strict adherence to provisions of the Mines Act 1952 and subordinate legislations made there-under as applicable.
5.3	No change in mining method i.e. UG to OC, calendar programme and scope of work shall be made without obtaining prior approval of the Ministry of Environment, Forests and Climate Change (MoEFCC).
5.4	Mining shall be carried out as per the approved mining plan (including Mine Closure Plan) abiding by mining laws related to coal mining and the relevant circulars issued by Directorate General Mines Safety (DGMS).
5.5	Underground work place environmental conditions shall be rendered ergonomic and air breathable with adequate illumination in conformance with DGMS standards.
5.6	No mining shall be carried out in forest land without obtaining Forestry Clearance as per Forest (Conservation) Act, 1980 and also adhering to The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 read with provisions of Indian Forest Act, 1927.
5.7	Efforts should be made to reduce energy and fuel consumption by conservation, efficiency improvements and use of renewable energy.
5.8	Tranportation by Railway Siding shall be developed to avoid transportation by Road

6. Land Recalmation

S. No	EC Conditions
6.1	Digital Survey of entire lease hold area/core zone using Satellite Remote Sensing survey shall be carried out at least once in three years for monitoring land use pattern and report in 1:50,000 scale or as notified by Ministry of Environment, Forest and Climate Change(MOEFCC) from time to time shall be submitted to MOEFCC/Regional Office (RO).

S. No	EC Conditions
6.2	Post-mining land be rendered usable for agricultural/forestry purposes and shall be handed over to the respective State Government, as specified in the Guidelines for Preparation of Mine Closure Plan, issued by the Ministry of Coal dated 27th August, 2009 and subsequent amendments.
6.3	Regular monitoring of subsidence movement on the surface over and around the working areas and its impact on natural drainage pattern, water bodies, vegetation, structure, roads and surroundings shall be continued till movement ceases completely. In case of observation of any high rate of subsidence beyond the limit prescribed, appropriate effective initigation measures shall be taken to avoid loss of life and materials. Cracks should be effectively plugged in with ballast and clay soil/suitable material.
6.4	Fly ash shall be used for external dump of overburden, backfilling or stowing of mine as per provisions contained in clause (i) and (ii) of subparagraph (8) of fly ash notification issued vide SO 2804 (E) dated 3rd November, 2009 as amended from time to time. Efforts shall be made to utilize gypsum generated from Flue Gas Desulfurization (FGD), if any, along with fly ash for external dump of overburden, backfilling of mines. Compliance report shall be submitted to Regional Office of MoEF&CC, CPCB and SPCB.
6.5	A separate team for subsidence monitoring and surface mitigation measures shall be constituted and continuous monitoring & implementation of mitigation measures be carried out.
6.6	Thorough inspection of the mine lease area for any cracks developed at the surface due to mining activities below ground shall be carried out to prevent inrush of water in the mine.
6.7	Native tree species shall be selected and planted over areas affected by subsidence.
6.8	The project proponent shall make necessary alternative arrangements, if grazing land is involved in core zone, in consultation with the State government to provide alternate areas for livestock grazing, if any. In this context, the project proponent shall implement the directions of Hon'ble Supreme Court with regard to acquiring grazing land.

7. Public Hearing And Human Health Issues

S. No	EC Conditions
7.1	Adequate illumination shall be ensured in all mine locations (as per DGMS standards) and monitored.
7.2	The project proponent shall undertake occupational health survey for initial and periodical medical examination of the personnel engaged in the project and maintain records accordingly as per the provisions of the Mines Rules, 1955 and DGMS circulars. Besides regular periodic health check-up, 20% of the personnel identified from workforce engaged in active mining operations shall be subjected to health check-up for occupational diseases and hearing impairment, if any, as amended time to time.
7.3	Personnel (including outsourced employees) working in core zone shall wear protective respiratory devices and shall also be provided with adequate training and information on safety and health aspects.

S. No	EC Conditions
7.4	Skill training as per safety norms specified by DGMS shall be provided to all workmen including the outsourcing employees to ensure high safety standards in mines.
7.5	Effective arrangement shall be made to provide and maintain at suitable points conveniently situated, a sufficient supply of drinking water for all the persons employed.
7.6	Implementation of the time bound action plan on the issues raised during the public hearing shall be ensured. The project proponent shall undertake all the tasks/measures as per the time bound action plan submitted with budgetary provisions during the public hearing. Land oustees shall be compensated as per the norms laid down in the R&R policy of the company/State Government/Central Government, as applicable.
7.7	The project proponent shall follow the mitigation measures provided in this Ministry's OM No.Z-11013/5712014-IA.I1 (M) dated 29th October, 2014, titled 'Impact of mining activities on habitations-issues related to the mining projects wherein habitations and villages are the part of mine lease areas or habitations and villages are surrounded by the mine lease area.'
7.8	PP to conduct need based assessment survey of the area to for in order to decide the activities to be carried under the CSR and to provide detail of the activity carried out with adequate budgetary provision and time bound action plan.
7.9	PP should conduct epidemiology study to (analysis of the distribution, patterns and determinants of health and disease conditions in defined populations).
7.10	Permanent Health care facilities of Hospital should be established within 5 km of project boundary for the local people.
7.11	PP must ensure an emergency action plan during pandemic in order to provide assistance to the nearby villages located within the 10 km radius buffer zone (If required)
7.12	PP is asked to also identify the rural areas for installation of solar light with its maintenance within the study area of 10 km radius buffer zone with time bound action plan
7.13	PP to take measure for installation of Renewable Energy sources in nearby area falling within 10 km radius

8. Corporate Environment Responsibility

S. No	EC Conditions
8.1	The company shall have a well laid down environmental policy duly approve by the Board of Directors. The environmental policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental/forest/wildlife norms/conditions. The company shall have defined system of reporting infringements/deviation/violation of the environmental/forest/wildlife norms/conditions and/or shareholders/stake holders.
8.2	A separate Environmental Cell both at the project and company head quarter level, with qualified personnel shall be set up under the control of senior Executive, who will directly to the head of the

S. No	EC Conditions
	organization.
8.3	Action plan for implementing EMP and environmental conditions along with responsibility matrix of the company shall be prepared and shall be duly approved by competent authority. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Year wise progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six Monthly Compliance Report.
8.4	Self environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.
8.5	PP should establish in house (at project site) environment laboratory for measurement of environment parameter with respect to air quality and water (surface and ground. A dedicated team to oversee environment management shall be setup which should comprise of Environment Engineers, Laboratory chemist and staff for monitoring of air, water quality parameters on routine basis. Any non-compliance or infringement should be reported to the concerned authority

9. Miscellaneous

S. No	EC Conditions
9.1	The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponent's website permanently.
9.2	The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
9.3	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.
9.4	The project proponent shall submit six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.
9.5	The project proponent shall submit the environmental statement for each financial year in Form-V to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the company.
9.6	The project authorities shall inform to the Regional Office of the MOEFCC regarding commencement of mining operations.
9.7	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.

S. No	EC Conditions
9.8	The project proponent shall abide by all the commitments and recommendations made in the EIA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.
9.9	No further expansion or modifications in the plant shall be carried out without prior approval of the Ministry of Environment, Forests and Climate Change (MoEF&CC).
9.10	Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
9.11	The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
9.12	The Ministry reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.
9.13	The Regional Office of this Ministry shall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.
9.14	The above conditions shall be enforced, inter-alia under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India / High Courts and any other Court of Law relating to the subject matter.
9.15	The proponent shall abide by all the commitments and recommendations made in the EIA/EMP report and also that during presentation to the EAC. All the commitments made on the issues raised during public hearing shall also be implemented in letter and spirit.
9.16	Compensation of the land acquired for the project shall be settled as per the R&R Policy. Adequate facility of drinking water, plantation and other social amenities should be provided to established R&R villages.
0.17	Persons of nearby villages shall be given training on livelihood and skill development to make them employable with its proper records.
.18	The illumination and sound at night at project sites disturb the villages in respect of both human and animal population. Consequent sleeping disorders and stress may affect the health in the villages located close to mining operations. Habitations have a right for darkness and minimal noise levels at night. PPs must ensure that the biological clock of the villages is not disturbed; by orienting the floodlights/ masks away from the villagers and keeping the noise levels well within the prescribed limits for day light/night hours
.19	The project proponent shall follow the mitigation measures provided in this Ministry's OM No.Z-11013/5712014-IA.I1 (M) dated 29 th October, 2014, titled 'Impact of mining activities on habitations-issues related to the mining projects wherein habitations and villages are the part of mine lease areas or habitations and villages are surrounded by the mine lease area'.
