Sir,

This is with reference to queries/ EDS raised by Govt. of India, MoEFCC, RO, Ranchi vide letter referred dated 30.07.2024 which has been forwarded vide your letter dated 09.08.2024 to NHA for necessary compliances. In this regard, point-wise compliances/ replies are submitted/ uploaded for your kind information and further needful action at your end to grant final forest clearance to the project at the earliest:

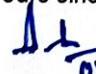

S.N.	Query/ EDS raised by MoEFCC, RO, Ranchi	Compliances/ replies by the User Agency (UA)
1.	The condition no. A (4) of in-principle approval states, "The KML files of the area to be diverted and the CA area shall be uploaded on the e-Green watch portal with all requisite details and submitting compliance report for seeking Stage-II approval." Whereas, State Forest Department has submitted that the KML file of the proposed CA site has been uploaded on e-Green Watch Portal but is not visible on the Portal. Therefore, State Forest Department is requested to provide the uploaded details from the portal corresponding to the specific kml file.	Pertains to State Forest Department.
2.	The condition no. B (5) of in-principle approval states, "The State Forest Department shall raise Strip Plantation on both sides of the road as per the IRC norms on the basis of available blank area in RoW by using plastic wire mesh at cost provided by the User Agency through CAMP." Whereas, State Forest Department has submitted that the user agency has submitted an undertaking to comply with the condition, while there is no mention of realization of corresponding amount from user agency to the CAMP fund. Therefore, the state government is required to clearly state that the strip plantation shall be raised by the state forest department on project cost and user agency is required to submit a consenting undertaking to bear the required cost.	It is submitted that the "Construction works of Four Lane Access Controlled Greenfield National Highway from Amas (Ch. 00+000) to Shivrampur (Ch. 55+002) of NH-119D under Bharatmala Pariyojana in the State of Bihar" is ongoing under Hybrid Annuity Mode (HAM), whereby, Strip Plantation on both sides of the road as per IRC norms is included in the scope of works of Concessionaire & the corresponding costs is included under HAM Agreement. Therefore, strip plantation on both sides of road on the available space shall be carried out by the concessionaire as per IRC norms.

After due consideration of the proposal of the State Government, the Central Government, hereby conveyed "**in-principle**" approval for diversion of 2.064 ha forest land in favour of National Highway Authority of India (NHAI), PIU, Gaya for construction of four lane Inter Corridor Package-I from Amas (Ch.Km 0+000) to Shivrampur (Ch.Km55+002), NH-119D under Bharatmala Pariyojna in Gaya district of Bihar, subject to the following conditions and stipulations.

A: Conditions which need to be complied prior to handing over of forest land by the State Forest Department.

- (1) The cost of compensatory afforestation on the CA land (4.5 ha) at the prevailing wage rates as per compensatory afforestation scheme (including the cost of survey, demarcation and erection of permanent pillars etc. as required for securing the land against encroachment) shall be deposited in advance with the State Forest Department by the project authority. The CA will be maintained for 10 years. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.

- (2) The State Government shall charge the Net Present Value (NPV) for the 2.064 ha forest area to be diverted under this proposal from the User Agency as per the order of the Hon'ble Supreme Court of India dated 30/10/2002, 01/08/2003, 28/03/2008, 24/04/2008 and 09/05/2008 in IA No. 566 in WP (C) No. 202/1995 and as per the guidelines issued by the Ministry vide letters No. 5-1/1998-FC (Pt.II) dated 18/09/2003, as well as letter No. 5-2/2006-FC dated 03/10/2006 and 5-3/2007-FC dated 05/02/2009 and **5-3/2011-FC(vol-I) dated 19/01/2022** in this regard.
- (3) All the funds received from the user agency under the project shall be transferred / deposited to CAMPA fund only through e-portal (<https://parivesh.nic.in/>).
- (4) **The KML files of the area to be diverted and the CA area shall be uploaded on the e-Green watch portal with all requisite details and submitting compliance report for seeking Stage-II approval.**
- (5) The FRA certificate as per Ministry's guidelines shall be submitted before the issuance of final approval. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
- (6) Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of Comprehensive Guidelines of Forest (Conservation) Act, 1980 as issued by this Ministry's letter No.5-2/2017-FC dated 28.03.2019.
- (7) The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).

B: Conditions which need to be strictly complied on field after handing over of forest land to the User Agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval:

- (1) Legal status of the forest land shall remain unchanged.
- (2) Compensatory afforestation shall be taken up by the Forest Department over 4.5 ha. degraded forest land (Site -Baghi Khurd, Range - Gaya, Compartment No.28 under Gaya Forest Division) at the cost of the user agency. As far as possible, a mixture of local native species shall be planted and monoculture of any species, especially non-native species should be avoided.
- (3) Additional amount of the NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India on receipt of the report from the Expert Committee, shall also be charged by the

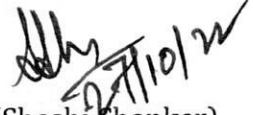

State Government from the User Agency. The User Agency shall furnish an undertaking to this effect.

- (4) User Agency shall restrict the felling of trees to minimum number in the diverted forest land and the trees shall be felled under the strict supervision and permission of the State Forest Department and the cost of felling of trees shall be deposited by the User Agency with the State Forest Department. Further, in view of the State Government's recommendation, such number of trees whose removal is unavoidable, and whose translocation (species, number and girth to be decided by SFD) is practicable, will be translocated to the extent possible at the cost of user agency.
- (5) The State Forest Department shall raise Strip Plantation on both sides of the road as per the IRC norms on the basis of available blank area in RoW by using plastic wire mesh at cost provided by the User Agency.
- (6) (a) The User Agency shall ensure that the labourers and staff engaged in construction activities do not damage the nearby forest flora and fauna.
(b) The User Agency shall provide alternate fuels preferably LPG to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas.
- (7) The layout plan of the proposal shall not be changed without prior approval of the Ministry of Environment, Forest & Climate Change.
- (8) (a) The forest land shall not be used for any purpose other than that specified in the project proposal.
(b) The period of diversion under this approval shall be co-terminus with the period of the project life/ requirement.
(c) The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department, or person without prior approval of the Ministry of Environment, Forest & Climate Change.
- (9) Any other condition that the Ministry of Environment, Forest & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forest & wildlife.

After receipt of the report from the State Government regarding due compliance and fulfillment of the above conditions and stipulations, formal approval will be issued in this regard under Section 2 of Forest (Conservation) Act, 1980. Transfer of forest land by the State Government to the user agency should not be given effect to till formal order approving diversion of forest land is issued by the Ministry of Environment, Forest and Climate Change. To facilitate speedy execution of this project, the in-principle approval may be considered for issuance of working permission for commencement of works by the competent authority, if the required

funds for NPV and all other compensatory levies specified in the in-principle approval are realized from the user agency and accordingly the State Government, by passing an order, may allow the commencement of work of the linear project in forest land for a period of one year (The detail guideline issued vide Ministry letter No. 11-306/2014-FC, dated 28.08.2015 may be referred).

Yours sincerely,
