Sub : Request for granting Permission for laying proposed 90mmø PE Gas Pipeline Along/Across Service Road of NH-56 (Dahod-Alirajpur) in Dahod (CA-07) of Dahod GA to supply natural Gas through MDPE to various segments i.e. domestic, commercial in Taluka Dahod of Dist. Dahod of Dahod GA.

(280.80 Sq.m i.e. 0.0281 Hectares Area)

Dear Sir,

Please find enclosed herewith a proposal along with Annexures in four Copies for granting of No Objection Certificate for laying of 90mm Ø MDPE Gas Pipeline in Protected Forest land as mentioned above.

It may kindly be noted that pipeline will be laid in Along/Across Service Road of NH-56 (Dahod-Alirajpur) in Dahod (CA-07) of Dahod GA to supply natural gas through MDPE to various segments i.e. domestic, commercial in Taluka Dahod of Dist. Dahod as said herein.

The pipeline will be laid by excavation of a narrow strip trench of 60 cm width and by horizontal directional drilling (HDD) for pushing the casing pipe wherever required. The same strip of the trench will be reinstated to its original condition and the land area in question will not be required to be handed over to the Gujarat Gas Limited for its exclusive use. The Applicant will not have any right other than that of the user. It is also intimated that no structure will be erected on the pipeline route.

The pipeline route proposed is most economical and it is badly necessary to Along/Across Service Road of NH-56 (Dahod-Alirajpur) in Dahod (CA-07) of Dahod GA to supply natural gas through MDPE to various segments i.e. domestic, commercial in Taluka Dahod of Dist. Dahod in as stated herein above. It is not possible now any other alternative route except to use the proposed route of pipeline. NHAI, Ahmedabad has been requested to allow laying pipeline as stated herein above and permission is likely to be received shortly.

It is not possible to get land for laying the pipeline other than the road being used by the Forest Department.

Considering the above you are requested to grant the permission for the above works at the earliest and oblige.
