Sub : Permission for laying proposed 4" Ø Steel / 125 mm Ø MDPE Natural Gas Pipeline Along/Across NH-27 (Palanpur-Abu Road), NH-58 (Palanpur-Danta-Ambaji) & Along Asphalted Road (To Jagana) to extend City Gas Distribution Network for Lokaniketan Vidhyalay & Jagana Village Connectivity in Palanpur Taluka in Banaskantha District area of Banaskantha GA.

(2893.60 Sq.m. i.e. 0.2894 Ha Area)

Dear Sir,

Please find enclosed herewith a proposal along with Annexure in six Copies for granting of No Objection Certificate for laying of proposed 4" Ø Steel & 125 mm dia PE Gas Pipeline in Protected Forest land as mentioned above.

It may kindly be noted that pipeline will be laid in Banaskantha District – Along/Across NH-27 (Palanpur-Abu Road), NH-58 (Palanpur-Danta-Ambaji) & Along Asphalted Road (To Jagana) as said herein.

The pipeline will be laid by excavation of a narrow strip of trench of 40 cm & 61 cm width and by horizontal directional drilling (HDD) for pushing the casing pipe wherever required. The same strips of the trench will be reinstated to its original condition and the land area in question will not be required to be handed over to the IRM Energy Private Limited for its exclusive use. The Applicant will not have any right other than that of the user. It is also intimated that no structure will be erected on the pipeline route.

The pipeline route proposed is most economical and it is badly necessary to lay Along/Across NH-27 (Palanpur-Abu Road), NH-58 (Palanpur-Danta-Ambaji) & Along Asphalted Road (To Jagana) as stated herein above. It is not possible now any other alternative route except to use the proposed route of pipeline. The General Manager (Tech.) & Project Director, National Highway Authority of India(NHAI), Gandhidham & The Executive Engineer, NH Division, Ahmedabad have been requested to allow to lay pipeline as stated herein above and permission is likely to be received shortly.

It is not possible to get land for laying the pipeline other than the road being used by the Forest Department.

Considering the above you are requested to grant the permission for the above works at the earliest and oblige.
