Sl. No.	Query	Compliance																																
1.	In compliance to condition no. A (i) of Stage-I approval, the State Government informed that the villages to be resettled namely Kujrum and Latu are forest villages situated inside the Core Area of Palamau Tiger Reserve and are already part of Baresanr Reserve Forest. However, the notifications/documentary evidence indicating that the areas to be vacated are already a part of the notified forest has not been submitted.	In the above context, it is to inform that Forest Villages Latu and Kujrum are located in Palamau Tiger Reserve, Baresanr Compartment 2 and 3, which has been notified as core area of Palamau Tiger Reserve on serial number 44 and 45 of Jharkhand Government, Forest Environment and Climate Change Department, notification number 1318 dated 09.05.2022. A copy of the notification is annexed as <b>Annexure-1</b> for easy reference. Also, attested copy showing Kujrum and Latu forest village on google map is attached at <b>Annexure- 2, 3 &amp; 4</b>																																
2.	As per the Tiger reserve boundary of NTCA there is a minor overlap between the boundaries of PTR and proposed forest area. The State Govt shall therefore reexamine the matter and comply with the Condition A(ii) of the Stage-1 approval.	The area proposed for diversion (133.64 ha. Of Polpol Kalan PF) lies in medininagar territorial forest division. So the proposed area is part of a territorial division and doesn't fall within any protected area. Hence, permission from NBWL is not required. The map is annexed as <b>Annexure- 5</b>																																
3.	The State Government has not furnished the FRA certificate for the 133.64 ha forest land proposed for rehabilitation of village Lato from Palamau Tiger Reserve in view of condition no. A (iv) of Stage-I approval. Therefore a copy of FRA certificate over an area of 133.64 ha needs to be furnished along with all necessary documents.	<table border="1"><thead><tr><th rowspan="2">Village</th><th rowspan="2">Plot No.</th><th colspan="2">Area proposed for diversion</th><th colspan="2">FRA certificate issued</th></tr><tr><th>in hectare</th><th>in acre</th><th>in hectare</th><th>in acre</th></tr></thead><tbody><tr><td rowspan="3">Polpol Kalan</td><td>1295</td><td>20.24</td><td>50.02</td><td>72.97</td><td>180.31</td></tr><tr><td>1296</td><td>4.77</td><td>11.79</td><td>28.61</td><td>70.69</td></tr><tr><td>1345</td><td>108.62</td><td>268.41</td><td>128.32</td><td>317.10</td></tr><tr><td colspan="2"><b>Total :-</b></td><td><b>133.64</b></td><td><b>330.22</b></td><td><b>229.90</b></td><td><b>568.10</b></td></tr></tbody></table> <p>FRA certificate has been issued for 568.10 acre (229.90 ha) land while the proposal has been submitted for diversion of 330.22 acre (133.64 ha) land. **Subject: Proposal for diversion of 133.64 ha of forest land for Polpol Kalan PF of Khundri Range, Medininagar Forest Division for Relocation of Kujrum, Latu & other villages from Palamu tiger Reserve, Daltonganj, Jharkhand –reg.**

Madam/Sir,

I am directed to refer to the Government of Jharkhand's letter No. Van Bhumi-20/2021-3480/ V.P. dated 12.09.2023 on the above subject requesting for modification/deletion of condition no. A (ii) of Stage-I/In-principle approval conveyed vide Ministry's letter of even no. dated 14.12.2022 i.e. *"The State Government shall obtain approval of the Standing Committee of the NBWL as some portion of the area proposed for rehabilitation falls within the buffer area of the Tiger Reserve"*. The matter was examined by the Advisory Committee in its meeting held on 20.10.2023. The detailed minutes of the said AC meeting may be accessed at [www.parivesh.nic.in](http://www.parivesh.nic.in).

The Advisory Committee observed that the area proposed for diversion (133.64 ha of Polpol Kalan PF) lies in Medininagar territorial forest division and the proposed area is part of a territorial division and doesn't fall within any protected area and also the revised correct KML file of Palamau Tiger Reserve has been submitted to NTCA and on perusal of same by NTCA, it has been observed that the proposed forest area identified for relocation of the villages falls outside the boundaries of Palamau Tiger Reserve with no overlap. The area is not a part of any least cost pathway tiger dispersal corridor delineated by NTCA and WII.

Based on the recommendation of the Advisory Committee and with due approval of the competent authority, the Central Government hereby accords its approval to delete the following condition at Sr. no A (ii) of the Stage-I/In-principle approval dated 14.12.2022 for diversion of 133.64 ha of forest land:

*A (ii) "The State Government shall obtain approval of the Standing Committee of the NBWL as some portion of the area proposed for rehabilitation falls within the buffer area of the Tiger Reserve".*

This issues with the approval of competent authority.
