Vide under reference (1) above, proposal for diversion of forest land of 30.625 Ha (Revised area 34.1914 Ha) of Salekasa, Dhansua, Navatola and Jamakudo village of Gondia district for construction of 3rd line project between Darekasa – Salekasa stations was submitted by Railway on 26.04.2020. Integrated Regional office, Central Government has given In Principle approval under Section -2 of the Forest (Conservation) Act,1980 (Stage-I Clearance) for Diversion of 34.1914 ha forest Land for construction of 3rd Railway line from Darekasa Salekasa Station in Gondia in lieu of 3rd line Project between Rajnandgaon -Nagpur (Kalumna) , in favour of South East Central Railway Gondia District in the State of Maharashtra vide under reference (2) above.

All conditions mentioned in the Stage –I clearance letter of dated 03.08.21 (Ref-2) have been complied by Railway vide and all required charges (Amount of Rs 7,80,69,210 to MAHARASHTRA CAMPA & Rs 19,05,895/- /- towards tree felling charges ) have been deposited by Railway on 07.10.21.

Compliance to stipulations of Stage-I clearance (ref-2) and observations of letter dated 30.12.21 (ref-3) were submitted by this office on 09.10.2021 & 20.04.2022 respectively.

Regular request letters for giving working permission were written by Railway at all levels. The last one, Chief Engineer/Con/Nagpur has met Principal Secretary/Govt of Maharashtra on 25.05.2022 to again made request for working permission. Principal Secretary/Govt of Maharashtra has indicated that grant of working permission may be considered pending wildlife clearance at this stage only if an unequivocal undertaking is

given by Railway to carried out recommendation of WII/Dehradun on mitigation measures.

Recommendation on mitigation measures for construction of 3<sup>rd</sup> line from Darekasa to Salekasa stations in Gondia District in the State of Maharashtra were received vide letter under reference (4) from WII/Dehradun on 20.05.2022.

In view of technical difficulties in carrying out the proposed mitigation measures, Railway represented to PCCF/Wildlife regarding difficulties requesting to explore alternative mitigation measures which are equally effective & at the same time, technically feasible for execution and a meeting was conducted by Chief Wildlife Warden/ Nagpur on 22.06.2022 duly associating Scientist in-charge of WII/Dehradun, in which technical difficulties have been explained by Railway through VC. It was decided by Chief Wildlife Warden/ Nagpur during meeting of 22.06.22 that to examine and to understand the technical difficulties of Railway for providing under passes, and to explore equally effective alternative mitigation measures, site between Darekasa-Salekasa section shall be visited jointly by Railway officials, Forest officials and Scientist in-charge of WII/Dehradun.

Accordingly, site between Darekasa-Salekasa section was visited by Railway officials, Forest officials and Scientist in-charge of WII/Dehradun on 28.06.2022 and technical difficulties have been explained by Chief Engineer/Con/Nagpur/SEC Railway at site to Forest officials & Scientist in-charge of WII/Dehradun and some possible alternative measures were also discussed.

After that, revised recommendation on mitigation measures for construction of 3<sup>rd</sup> line from Darekasa to Salekasa stations in Gondia District in the State of Maharashtra were received vide letter under reference (5) from WII/Dehradun on 11.07.2022.

Therefore, now we are submitting undertaking to carried out recommendation on mitigation measures for construction of 3<sup>rd</sup> line from Darekasa to Salekasa stations in Gondia District in the State of Maharashtra. You are requested to arrange to process the case for working permission and tree cutting for construction of 3rd line between Darekasa-Salekasa stations at earliest.

The work of Rajnandgaon to Kalmna new 3<sup>rd</sup> Line Railway Project of the Railway Department is in progress. In this project work, in the middle portion, there is Forest Land in between Salekasa to Darekasa, under Jamakudo Gram Panchayat so this Forest Land part, which is required for the downline side of the Railway line and which comes Mouza-Jamkudo and Nawtola under Gram Panchayat Kasamtarraa, this Forest land is to be acquired for this 3<sup>rd</sup> line Railway Project, which is necessary. Looking to the requirement of this Forest Land for the progress of our country and development of this area, we all villagers are giving our consent for acquisition of this forest land, which will help to complete the Railway line work as early as possible. Hence we all villagers are making our signatures as below, for consent of acquisition of this land.

All villagers are of Jamakudo G.P.

The signatures / Thumb impressions are made by all 37 villagers as shown in the list.
