		are enclosed herewith ( Annexure-VII).
vii	State Government, Maharashtra / Nodal Officer (FCA), Maharashtra shall ensure settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (No. 2 of 2007) before issuing an order for handing over of forest land to the User Agency as per Rule- 9 (6) (b) (ii) of Forest (Conservation) Rules, 2022 dated 28.06.2022;	Yes, User Agency agreed to this condition. The Project Authority is bound to submit a settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (No. 2 of 2007) in the prescribed format, along with the Part-I Certificate of the Hon. District Collector, Kolhapur , and other supporting documents for Village-Badewadi (Vekhandwadi) Tal-Panhala Area-0.1655 ha . The User Agency is the prescribed format, along with the Part-I Certificate of the Hon. District Collector, Kolhapur and all documents enclosed here with (Annexure-VIII)
viii	To improve the Forest/ Tree cover and to reduce pollution in the State, as mandated in National Forest Policy, 1988 and Environmental (Protection) Act, 1986 respectively. the User Agency with involvement of Joint Forest Management Committees (JFMC's) and in consultation with local DCF shall raise at least 500 seedlings of forestry species along with bamboo, fruit bearing, medicinal, ornamental and indigenous/local for 10 years. At least 50% of seedlings shall be planted in the vicinity of project area and remaining 50% of seedlings shall be distributed among villagers as per choice of villagers. The concerned JFMC's shall maintain record of plantation/ seedling distribution to villagers:	The User Agency agrees to this condition. In compliance with this condition, the User Agency will contact the Joint Forest Management Committees (JFMCs) and discuss/consult with the DYCF Kolhapur Forest Division Kolhapur about raising 500 seedlings of forestry species, along with bamboo, fruit-bearing, medicinal, ornamental, and indigenous/local species, for a period of 10 years. These 500 seedlings will be purchased from the Social Forestry Department, Kolhapur or other nurseries. Fifty percent of these seedlings should be planted in the vicinity of the project suitable area under the guidance of the Forest Department Kolhapur and the remaining 50% of seedlings should be given/distributed to the people of the village as per the choice of the villagers. The concerned JFMCs will maintain a record of plantation/seedling distribution to villagers. The User Agency is submitting an undertaking, which is enclosed herewith (Annexure-IX).
ix	The pipeline shall be laid down 1.5 meter below the ground and after lying down of pipe line the ground will be levelled;	The User Agency agrees to this condition. In compliance The User Agency the pipeline will be laid down 1.5 meter below the ground and after lying down of pipe line the ground will be levelled;
x	If required, the Row of instant of proposal shall be utilised by other farmers having agricultural land in close vicinity in future and no additional forest land shall be diverted for agriculture purpose in area and User Agency shall allow other farmers to utilise the Row for laying pipelines for agriculture purpose;	The User Agency agrees to this condition. If, this water supply pipe line and water will be utilised by other farmers having agricultural land in close vicinity in future and no additional forest land will be diverted for agriculture purpose in area and User Agency will allow other farmers to utilise the Row for laying pipelines for agriculture purpose.
xi	The User Agency shall provide an outlet to the Forest Department for irrigating the plantation and for filling water holes in adjoining	The User Agency agrees to this condition. In compliance The User Agency will be provide an outlet to the Forest Department for irrigating the plantation and for filling water holes in adjoining forest area as and when

	forest area as and when required. User Agency shall also provide water for drinking to nearby villagers during water scarcity;	required. User Agency will also provide water for drinking to nearby villagers during water scarcity;
xii	User Agency shall obtain Environmental Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable;	User Agency agrees to this condition. As per the existing norms of the Environment Impact Assessment Notification 2006, as amended from time to time, this road project is exempted from the purview of EIA Notification 2006 and hence do not require Environmental Clearance. However, an undertaking. In compliance of this condition has been submitted at enclosed here with. (Annexure-XIII).
xiii	The layout plan of the proposal shall not be changed without prior approval of Central Government;	User Agency agrees to this condition. The Project authority confirms that no changes have been made to the layout plan of the project and that the drinking water supply pipe line will proceed according to the design submitted with the proposal. Undertaking enclosed here with at (Annexure-XIV).
xiv	No labour camp shall be established on the forest land;	User Agency agrees to this condition. The Project authority No labour camp will be established in the forest land. If, labour camps, needed will be set up in non forest area. User Agency undertaking has been submitted at enclosed here with. (Annexure-XV).
xv	Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel:	User Agency agree this condition All unskilled labour engaged in the proposed drinking water supply pipe line work will be sourced locally, while skilled labour will be provided with LPG gas by the Project Authority. Only forest land required for drinking water supply pipe line will be used, with no damage to any forest or non-forest areas. User Agency undertaking has been submitted at enclosed here with. (Annexure-XVI).
xvi	The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer,	Yes, User Agency agrees to this condition The boundary of the forest land to be diverted for the proposed drinking water supply pipe line. Project authority will be suitably demarcated on the ground under the examination of the Forest Department Kolhapur. The cost for the demarcation will be borne by the project authority as per the directions of the concerned Deputy Conservator of Forest, Kolhapur Forest Division. Kolhapur. User Agency undertaking has been submitted at enclosed here with. (Annexure-XVII).
xvii	No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work:	User Agency agrees to this condition The Project authority for this drinking water supply pipe line project work. No additional or new path will be constructed for drinking water supply pipe line. User Agency undertaking is submitted enclosed

		here with. ( Annexure-XVIII).
xviii	The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less;	User Agency agrees to this condition The project authority will consider the period of diversion of forest land under this project work approval, if it is co-terminus with the period of lease to be granted in favor of the user agency or the project life, whichever is less. An undertaking has been submitted, which is enclosed here with. ( Annexure-XIX).
xix	The forest land shall not be used for any purpose other than that specified in the project proposal;	User Agency agrees to this condition The forest land diverted for the drinking water supply pipe line work shall be used exclusively for this purpose by the project authority, and not for any other purposes. Undertaking is submitted enclosed here with. ( Annexure-XX).
xx	The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India;	User Agency agrees to this condition Project authority The forest land diverted by the Forest Department to the User Agency under this drinking water supply pipe line project shall not, under any circumstances, be transferred by the Project Authority to any other organization, department or person without prior permission from the Government of India. Undertaking is submitted enclosed here with. ( Annexure-XXI).
xxi	Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as per the MoEF&CC Guideline F. No. 11-42/2017-FC dt 29/01/2018;	User Agency agrees to this condition The forest land diverted by the Forest Department to user agency under this drinking water supply pipe line project. No any work start in forest land, as well as non forest land . proposed work start permission of forest department. . Hence, no any violation has been committed by user agency. Undertaking is submitted enclosed here with. ( Annexure-XXII).
xxii	Any other condition that the Ministry of Environment, Forests & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife;	User Agency agrees to this condition The forest land diverted by the Forest Department to the user agency under this drinking water supply pipe line project, and if any additional conditions are stipulated by the Ministry of Environment, Forests & Climate Change, the project agency shall fullfill and comply with these conditions. Undertaking is submitted enclosed here with. ( Annexure-XXIII).

xxiii	<p>The compliance report shall be uploaded on e-portal (<a href="https://parivesh.nic.in/">https://parivesh.nic.in/</a>);</p> <p>After receipt of a report on the compliance of conditions no iii, iv (a), v, vi, vii, ix and undertakings, duly authenticated by the competent authority in the State Government, in respect of all other conditions, from the State Government, formal approval will be considered in this regard under Section-2 of the Forest (Conservation) Act, 1980.</p>	<p>Yes, User Agency agree this condition.</p> <p>Compliance report for the first stage – I conditions, stipulated by the Ministry of Environment, Forests &amp; Climate Change from 1 to 23, will be uploaded on the e-portal. The User Agency will upload six-monthly progress reports on the e-portal in a timely manner.</p> <p>All Undertaking by User Agency is submitted enclosed here with. ( Annexure-XXIV).</p>

MoEF&CC, Government of India, integrated Regional Office,

Nagpur Letter No. . FC-1/MH-249/2021-NGP/10154/ Dated- 06/8/2022

Annexure-IX

Undertaking in compliance of condition no (VIII) of Stage-I approval by Government of India .

I, am Executive Engineer, Rural Water Supply Division, Zillha Parishad Kolhapur. Project authority, agree to this condition and hereby submit undertaking

User Agency will contact the Joint Forest Management Committees (JFMCs) and discuss/consult with the DYCF Kolhapur Forest Division Kolhapur about raising 500 seedlings of forestry species, along with bamboo, fruit-bearing, medicinal, ornamental, and indigenous/local species, for a period of 10 years. These 500 seedlings will be purchased from the Social Forestry Department, Kolhapur or other nurseries. Fifty percent of these seedlings should be planted in the vicinity of the project suitable area under the guidance of the Forest Department Kolhapur and the remaining 50% of seedlings should be given/distributed to the people of the village as per the choice of the villagers.

The concerned JFMCs will maintain a record of plantation/seedling distribution to villagers.
