Letter No. 542

Date: 15.09.2025.

To

The Divisional Forest Officer
Boudh Forest Division

Sub: Diversion of 0.29 Ha. Of Forest Land for construction of 132/33 KV Grid Sub-Station at Kiakata, Angul by Deputy General Manager (Elect.), E.H.T. Construction Division, OPTCL, Angul, Odisha (Online Proposal No. FP/OP/TRANS/151200/2022)

Ref: Letter No. 4025, dated 26/08/2025.

Sir,

With reference to the above cited letter on the captioned subject, in order to comply the Stage-I approval of the above mentioned project of OPTCL, the map and land schedule earlier submitted against the compliance of condition no-8 of the Stage-I order is now authenticated by the Tahasildar of Harbhanga and included in the Stage-I compliance report. The detail compliance reports in 3sets are being submitted for taking necessary action to transmit the proposal higher quarter for grant of Stage-II approval.

This is for your kind information and necessary action.

**Compliance to the conditions stipulated by Integrated Regional Office,
Ministry of Environment, Forest & Climate Change vide Stage I order
(File No. 5-ORC636/2024-BHU dt. 08.01.2025) for diversion of 5.127
Ha of Forest Land under Athamalik and Boudh Forest Division for
construction of 132/33KV transmission line from Boudh to Proposed
grid substation at Kiakata by OPTCL.**

1. Legal status of the diverted forest land shall remain unchanged;

The Legal status of the forest land will remain unchanged. The user agency has submitted an undertaking to this effect as **Annexure-I**.

2. Compensatory Afforestation:

I. Compensatory Afforestation over degraded forest land, double in extent to the forest land being diverted i.e. 11.50 ha, shall be raised by the State Forest Department at the project cost within two years from the date of grant of final approval;

The Compensatory Afforestation raised over 11.50 Ha. of Forest Land identified under Northern RF of Handapa Forest Range in Athamallik Forest Division. The Divisional Forest Officer Athamallik Forest Division prepared the scheme which was technically approved for Rs. 57, 63,828/-. The State Forest Department will execute the plantation activities within two years from the date of grant of Final approval. The copy of the approved Compensatory Afforestation scheme with financial outlay is enclosed as **Annexure-II**.

II. The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation as per the approved CA Scheme at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal;

OPTCL transferred Rs. 57,63,828/- in CAMPA account through online payment vide UTR No. U82796427 towards cost of raising and maintaining the cost of compensatory afforestation at current wage rate with reference to the demand note of DFO, Athamallik vide Letter No.- 2298 dated 09.05.2025. The demand notes of DFO, Athamallik and the acknowledgement receipt of online payment in CAMPA account are enclosed as **Annexure-II and III**.

III. The cost of survey, demarcation and erection of permanent pillars, if required on the identified CA land, shall be deposited in advance with the Forest Department by the user agency. The CA will be maintained for 10 years. The scheme may Include afforestation of indigenous species with appropriate provision for anticipated cost increase for works scheduled for subsequent years;

OPTCL has furnished an undertaking to deposit the cost of survey, demarcation and erection of permanent pillars if required in the identified CA land to DFO,

Athamallik. The undertaking is enclosed as **Annexure-IV**. The CA scheme has been prepared for ten years maintenance also the indigenous species has been recommended for taking the plantation activities over 11.50 Ha of identified CA Land. There is a provision of 5% escalation has been considered in the approved CA scheme for anticipating the increase of material cost and labour cost.

3. Net Present Value:

I. User Agency shall transfer the funds towards the cost of Net Present Value (NPV) of the forest land being diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 06.01.2022 read with 22.03.2022 through online portal of CAMPA account of the State Concerned;

OPTCL has deposited the cost of NPV for Rs. 46,32,782/- for the diverted Forest land of 4.837 Ha. in Athamallik Forest Division and Rs. 2,77,765/- for the diverted Forest land over 0.29 Ha. involved in Boudh Forest Division, through online in CAMPA account with reference to the demand note of DFO, Athamallik and DFO, Boudh. The copy of the demand note of DFO, Athamallik and DFO, Boudh along with the RTGS Chalan copy are enclosed as **Annexure-V (series)**.

II. At the time of payment of the Net Present Value (NPV) at the present rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India);

OPTCL has furnished an undertaking that they shall pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India). The undertaking is enclosed as **Annexure-VI**.

4. Compensatory levies to be realized from the User Agency under the project shall be transferred/ deposited, through e-payment module on PARIVESH portal (<https://parivesh.nic.in/>), into the account of CAMPA of the State concerned, managed by the National Authority (CAMPA);

OPTCL has deposited all compensatory levies through e-payment module on Parivesh portal into the account of CAMPA of the State concerned managed by National Authority. The undertaking is enclosed as **Annexure-VII**.

5. The penalty for violation shall be equal to NPV of forest land per hectare for each year of violation from the date of actual diversion as reported by the inspecting officer with maximum up to five (5) times the NPV plus 12 percent simple interest from the date of raising of such demand till the deposit is made.

OPTCL has deposited Rs. 27,54,192/- towards penal NPV, which is five (5) times of the violation area with 12% simple interest as per the demand note of DFO, Athamallik vide Letter No.- 2298 dated 09.05.2025. The copy of the demand note and the copy of the payment chalan in CAMPA account are enclosed as **Annexure- III**.

- 6. Action under section 3A 3B of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 shall be initiated for violation of the provisions of Adhiniyam.**

With regards to the violation an encroachment case has been lodged against OPTCL U/S 4,6 & 7 of O.P.L.E. Act 1972. The towers constructed by OPTCL over the forest land proposed for diversion has been demolished and now the land is free from encroachment as reported by the Tahasildar Athmallik, OPTCL issued a show cause notice to Mr. Antaryami Behera GM (Elct) regarding the violation the copy of the show caused notice and copy of the Tahasildar Athamallik are enclosed as **Annexure-VIII**.

- 7. The matter regarding imposition of penal CA is under consideration for the formulation of a uniform policy guideline in the matter. Keeping this in view, the imposition of penal CA (if any) shall be as per the said guideline, if issued.**

OPTCL has furnished an undertaking that they shall pay the Penal Compensatory Afforestation cost. The undertaking is furnished as **Annexure-IX**.

- 8. The length of the proposed Tr. Line is mentioned as 19.324 KM and Row for 132KV Tr. Line is 27 meters. However, the total area including forest and non-forest land involved in the proposal has been mentioned as 49.555 ha. Whereas, keeping in view a length of 19.324 kms and width of 27 meters the total area involved comes out to be 52.17 ha. The state shall re-examine the same and recheck the exact length of the transmission line and area involved keeping in view the minimum 27 meters width of the Row of the Transmission line. The further action as appropriate shall be taken by the state and a detailed report shall be submitted.**

The entire RoW of the Transmission line was re-examined with reference to the Land Schedule, maps and KML file it is found that a portion of the land measuring 2.076 Ha. coming inside river Mahanadi under Krushnamohanpur in Harbhanga Tahasil of Boudh District was not included in the Land schedule. Now, the tahasildar, Harbhanga has submitted the Land Schedule, map and certificate which is now included in the Land schedule. Hence, the length of the Transmission Line is 19.117 k.m. considering the average width of the RoW of 27 mts and the total land involved in the project is 51.615Ha., a brief note, map, certificate and land schedule is enclosed as **Annexure X (series)**.

- 9. An area of 11.50 ha DFL has been proposed for Compensatory afforestation, however the plantation has been proposed over 5.127 ha area only. The State has to ascertain that DFL identified is suitable for CA and carry plantation over the entire area. The CA scheme shall be accordingly submitted before final approval.**

5.127 Ha. of Forest land (4.837 Ha. under Athamallik Forest Division+0.29 Ha. under Boudh Forest Division) has been involved in this proposal. Therefore 11.50 ha. of degraded Forest land has been allotted in leu of Diversion of 5.127 ha. of Forest land considering the tree growth and density of vegetation. The DFO Athamallik prepared the CA Scheme in 1000 plants/Ha. over 5.127 Ha. The copy of the CA scheme is enclosed as **Annexure- II**.

10. The maximum width of right of way for the proposed transmission line on the forest land shall not be more than 35 mtrs;

OPTCL has furnished an undertaking that they shall maintain the maximum width of right of way which shall not be more than 35mtrs. The require undertaking is enclosed as **Annexure- XI**.

11. The User agency shall comply with the guidelines for laying transmission lines through forest areas issued by the Ministry:

OPTCL has furnished an undertaking that they shall comply with the guidelines for laying transmission lines through forest areas issued by the Ministry, which is enclosed as **Annexure-XII**.

12. The user agency shall install circuit breakers at suitable places besides maintain necessary ground clearance to prevent electrocution of wild animals;

OPTCL has furnished an undertaking that they shall install circuit breakers at suitable places besides maintain necessary ground clearance to prevent electrocution of wild animals, which is enclosed as **Annexure-XIII**.

13. No approach road shall be constructed in the forest area for transportation of steel and other material required for the transmission line. As far as possible the User Agency shall use the existing road and the proposed Row for the transportation of the material and in the event of non-availability of such facilities, the User Agency shall transport material manually without construction of any path;

OPTCL has furnished an undertaking that they shall not construct any road in the forest area proposed for Diversion for transportation of materials required for construction of transmission line, rather they shall use the existing roads available in the proposed Row area for transportation of its materials. The undertaking is enclosed as **Annexure-XIV**.

14. To minimize the felling for construction of transmission line, user agency shall - comply with the following guidelines:

- i. Below each conductor, width clearance of 3 mts. would be permitted for carrying the tension stringing equipment. The trees on such strips may be felled but after stringing work is completed, the natural regeneration will be allowed to come up.**

OPTCL has furnished an undertaking that they shall maintain 3mtr. Width clearance below each conductor for carrying the tension stringing equipment. The trees on such strips may be felled but after stringing work is completed, the natural regeneration will be allowed to come up. The undertaking is enclosed as **Annexure-XV**.

- ii. One outer strip may be left clear to permit maintenance of the transmission line;**

OPTCL has furnished an undertaking that they shall maintain one outer strip may be left clear to permit maintenance of the transmission line. The undertaking is enclosed as **Annexure-XVI**.

- iii. In the remaining width the right of way felling/pollarding/pruning of trees will be done with the permission of the local forest officer whenever necessary to maintain the electrical clearance, trees shall be allowed to be felled or lopped to the extent required, for preventing electrical hazards by maintaining the minimum 4.6 meter clearance between conductors and trees. The sag and swing of the conductors are to be kept in view while working out the minimum clearance mentioned as above;**

OPTCL has furnished an undertaking that they shall maintain 4.6 mtr clearance between the conductor and trees. The felling/pollarding/pruning of trees will be done with permission of local forest officers to maintain the electrical clearance. The undertaking is enclosed as **Annexure-XVII**.

- iv. User agency in consultation with the State Forest Department prepare a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in right of way under the transmission line, and provide funds for execution of the said scheme to the State Forest Department; and**

The dwarf Plantation scheme has been prepared by DFO, Athamallik and DFO, Boudh which were technically approved by RCCF, Angul circle and RCCF, Berhampur circle. Accordingly, the demand note has been issued to OPTCL for depositing the fund towards implementation of dwarf plantation scheme. OPTCL has deposited under CAMPA head through online Rs. 65, 97,143/- for the diverted forest land over 4.837 Ha. under Athamallik Forest Division with reference to the demand note of DFO, Athamallik, similarly Rs.2,79,505/- has been deposited under CAMPA head through online as per the demand note of DFO, Boudh Forest Division. The copy of the demand note and payment chalan copy are enclosed as **Annexure-XVIII (series)**.

- v. In case a portion of the transmission lines to be constructed is located in hilly areas, where adequate clearance is already available, trees shall not be cut;**

OPTCL has furnished an undertaking that in case any portion of the transmission lines to be constructed is located in hilly areas, where adequate clearance is already available, trees shall not be cut. The undertaking is enclosed as **Annexure-XIX**.

- 15. The user agency will ensure that all the compensations, as per the norms and rules of the State Government to the affected persons shall be paid prior to handing over of forest land to the user agency;**

OPTCL has furnished an undertaking that they shall ensure that all the compensations, as per the norms and rules of the State Government to the affected persons shall be paid prior to handing over of forest land. The undertaking is enclosed as **Annexure-XX**.

16. User agency will ensure that forest area nearby shall not be encroached upon due to implementation of the project:

OPTCL has furnished an undertaking that they shall not encroach any forest land for implementing the project. The undertaking is enclosed as **Annexure-XXI**.

17. The State Government shall ensure that the minimum number of trees/plants/poles in any case not more than mentioned in the applied forest area will be removed and the trees should be felled under strict supervision of the State Forest Department;

OPTCL has furnished an undertaking that they shall fell minimum numbers of trees/plants/poles available in the Row of the project, the felling activities shall be done under the supervision of State Forest Department. The undertaking is enclosed as **Annexure-XXII**.

18. The cost of felling of trees shall be deposited by the User Agency with the State Forest Department;

OPTCL has deposited Rs. 1,45,074/- towards Royalty of trees in forest area and Rs 6,51,185 towards Royalty of trees in non-forest area. The details are as **Annexure-XXIII**.

19. The user agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;

OPTCL has furnished an undertaking that they shall fell minimum number of trees and the felling of trees and transportation of trees felled shall be done under the strict supervision of State Forest Department. The undertaking is enclosed as **Annexure-XXIV**.

20. The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required;

OPTCL has furnished an undertaking that they shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required. The undertaking is enclosed as **Annexure-XXV**.

21. The State Government shall complete settlement of rights, in term of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence, in accordance with the Rule 11 (7) of the Van (Sanrakshan Evam Samvardhan) Rules, 2023;

The certificate under Settlement of rights, in term of the Scheduled Tribes and Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit the documentary evidence, in accordance with the Rule 11 (7) of the Van (Sanrakshan Evam Samvardhan) Rules, 2023. The copy of the certificate is enclosed as **Annexure-XXVI (series)**.

- 22. No labour camp shall be established on the forest land and the User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;**

OPTCL has furnished an undertaking that they shall not establish any labour camp in the forest land proposed for diversion also they shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas. The undertaking is enclosed as **Annexure-XXVII.**

- 23. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;**

OPTCL has furnished an undertaking that the forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government. The undertaking is enclosed as **Annexure-XXVIII.**

- 24. The State Govt. shall implement the R&R Plan as per the R&R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R&R Plan will be monitored by the State Government/Regional Office of MoEF&CC along with indicators for monitoring and expected observable milestones.**

Implementation of R&R plan as per the R&R Policy of the State Govt. in consonance with National R&R Policy, Government of India is not applicable to this project.

- 25. No damage to the flora and fauna of the adjoining area shall be caused;**

OPTCL has furnished an undertaking that they shall not damage to the flora and fauna of the adjoining area shall be caused. The undertaking is enclosed as **Annexure-XXIX.**

- 26. Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife;**

OPTCL has furnished an undertaking that they shall implement any condition imposed by concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife. The undertaking is enclosed as **Annexure-XXX.**

- 27. The user agency shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project;**

OPTCL has furnished an undertaking that they shall comply all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project. The undertaking is enclosed as **Annexure-XXXI.**

- 28. Violation of any of these conditions will amount to violation of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and action would be taken as prescribed in para 1.16 of Chapter 1 of the Consolidated Guidelines and Clarifications on Van (Sanrakshan Evam Samvardhan) Adhiniyam, 198 as issued by this Ministry's letter dated 29.12.2023;**

OPTCL has furnished an undertaking that they shall not violet any of the condition imposed in the Stage-I order pertaining to this project under Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 prescribed in 1.16 of Chapter 1 of the Consolidated Guidelines and Clarifications on Van (Sanrakshan Evam Samvardhan) Adhiniyam, 198 as issued by this Ministry's letter dated 29.12.2023. The undertaking is enclosed as **Annexure-XXXII**.

- 29. The User Agency shall submit the annual self-compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly;**

OPTCL has furnished an undertaking that they shall submit the annual self-compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly. The undertaking is enclosed as **Annexure-XXXIII**.

- 30. The compliance report shall be uploaded on e-portal (<https://parivesh.nic.in/>).**

OPTCL has furnished an undertaking that they shall upload the compliance report of e-portal (<https://parivesh.nic.in/>). The undertaking is enclosed as **Annexure-XXXIV**.

SCHEME FOR COMPENSATORY AFFORESTATION

OVER 11.5 HA OF RESERVE FOREST LAND IN THE
NORTHERN RF COMPT NO. 24 UNDER HANDAPA
RANGE OF ATHMALLIK FOREST DIVISION.

(5127 Seedlings)

AGAINST DIVERSION OF FOREST LAND 5.127 Ha.
FOR CONSTRUCTION OF 132/33 KV TRANSMISSION
LINE FROM GRID SUB-STATION BOUDH TO
PROPOSED 220/132/33 KV GRID SUB-STATION AT
KIAKATA.

(AS PER ONE TIME COST NORM BASIS)

Prepared By

Divisional Forest Officer,
Athmallik Forest Division

Chapter II

2 DETAILS OF LAND IDENTIFIED FOR COMPENSATORY AFFORESTATION

2.1 Details of the identified non-forest land

The identified Forest land for Compensatory Afforestation is situated in the Northern RF(Compartment No. 24) in Handapa Range of Athmallik Forest Division.

2.2 Description of Existing Vegetation

The prevailing forest growth has been categorized under forest type-open jungle mainly Sal (Shorea robusta) in SoITopo Sheet No. F45M/2. The vegetation consists of Sal and its scattered associates like Jamun (Syzygium cumini), Piasal (Pterocarpus marsupium), Asana (Terminalia alata), Sisoo (Dalbergiasisoo), Kurum (Adina cordifolia), Karada (Cleistanthus collinus), Dhaura (Anogeissus latifolia), Khair (Areca catechu), Sidha (Lagerstroemia parvifolia), Harida (Terminalia chebula), Bahada (Terminalia belerica) and Amla (Embolia officinalis).

2.3 Working Plan Prescription for the identified site for CA

The special objectives of the management of the Selection Working Circle are within the scope of general objectives of the management of the entire division. These are as follows:

1. To conserve and improve the forest cover by soil and water conservation method following the principles of watershed development.
2. To maintain and improve the biodiversity of the forest blocks.
3. To build up the growing stock and improve stand structure by Silvicultural operations.
4. To establish natural regeneration of indigenous species.
5. To obtain the yield on sustainable basis to cater the need of the people subject to environmental and silvicultural availability and lifting of ban on green tree felling imposed by the State Government.

2.4 Climatic Condition

The area experiences an average annual rainfall ranging from 75 to 100 cm and a maximum temperature of 45°C. The summer season extends from March to June, while the winter season spans from November to February. The rainy season typically occurs from July to September.

2.5 Biotic Pressure

The area experiences grazing pressure from the livestock in the nearby villages.

2.6 Suitability of the identified site for Compensatory Afforestation

The identified site in Northern RF is a degraded patch with existing vegetation of Sal and associates. Gaps are sporadically spread over the forest block. The topography of the area is mainly undulating hilly having good depth of red boulder mixed soil conducive for plantation under AR with Gap plantation model @1000 seedlings per Ha for 5.127 Ha in which 5127 seedlings will be planted. The average maximum temperature is 40^o to 45^oC and minimum 5^o to 10^o C and annual rainfall varies from 1100 mm to 1800 mm. The maximum rainfall is received during the rainy season from July to September. The site has been demarcated with 4 feet RCC pillars with erection of durable signboard depicting Scheme, Year, User Agency, Area etc. on it

Chapter III

3 DELINEATION OF PROPOSED AREA ON SUITABLE MAP

3.1 DGPS Coordinates and GPS Map of The Compensatory Afforestation Site

The area has been demarcated through DGPS survey and vetted by ORSAC. The survey data showing latitude and longitude of each point and their chainage with bearing is also mention in the Compensatory Afforestation Map. The boundary pillar points are given below as follow.

Pillar No.	Longitude	Latitude
1	84° 38' 05.7358"	21°01'59.73054"
2	84° 38' 06.82610"	21°02'04.81152"
3	84° 38' 10.24918"	21°02'03.83989"
4	84° 38' 13.76096"	21°02'01.44160"
5	84° 38' 13.42422"	21°01'59.72715"
6	84° 38' 18.16688"	21°01'56.18345"
7	84° 38' 23.90311"	21°01'51.89767"
8	84° 38' 22.41882"	21°01'51.09159"
9	84° 38' 21.75037"	21°01'45.95311"
10	84° 38' 20.36255"	21°01'44.20503"
11	84° 38' 18.36226"	21°01'45.18500"
12	84° 38' 15.13725"	21°01'49.43503"
13	84° 38' 15.34224"	21°01'51.14644"
14	84° 38' 10.90078"	21°01'55.90043"
15	84° 38' 07.53016"	21°01'59.50742"
Total 15 pillars		

3.2 Decision Support – Analysis of Forest Cover Map

The map of the proposed CA land was processed using DSS for analysis of Forest cover over the area.

Sl No.	Name of Range	Name of the Forest Block (R/P/R/F/PF/DPF/Revenue Forest)	Area identified for CA/ACA/PCA (in ha.)	Clarification of identified land (in ha.)							Plantation model (AR/ANR)	Remarks

Chapter IV

4 AGENCY RESPONSIBLE FOR COMPENSATORY AFFORESTATION

4.1 Agency Responsible For Placement of Funds

Odisha Power Transmission Corporation Limited (OPTCL), EHT Construction Division, Angul shall provide funds for raising Compensatory Afforestation as per approved scheme.

4.2 Agency Responsible For Execution of Compensatory Afforestation

Divisional Forest Officer, Athmallik Forest Division will execute the Compensatory Afforestation.

Chapter V

5 DETAILS OF PROPOSED COMPENSATORY AFFORESTATION

5.1 Plantation Plan

Planting Plan reflects the species-specific treatment of the identified site. Choice of species is based on the geo-morphology of the site, soil-texture, structure, fertility and depth, proneness of the site to water logging etc. Specific treatment of the site in terms of soil and moisture conservation intervention will be depicted in the treatment map. A treatment map will invariably be prepared for Species to be planted and treatments to be applied to the different patches shown in the treatment map and planting plan. This plan will be followed when actual planting is carried out.

5.1.1 Choice of Species

Considering the edaphic and micro-climatic conditions the following species are recommended.

Sl.	Name of Species	Common Name
1	<i>Azadirachta indica</i>	Neem
2	<i>Dalbergia sissoo</i>	Sissoo
3	<i>Artocarpus heterophyllus</i>	Jackfruit
4	<i>Derris indica</i>	Karanja
5	<i>Terminalia tomentosa</i>	Asan
6	<i>Dendrocalamus strictus</i>	Bamboo
7	<i>Emblica officinalis</i>	Amla
8	<i>Gritelna arborea</i>	Gambhari
9	<i>Mangifera indica</i>	Mango

5.2 Pre-Planting & Post-Planting Operations

5.2.1 Raising of Plantation Stock – Nursery

A nursery will be established to grow 1000 seedlings per hectare, which includes seedlings for a 10% replacement in case of casualties, for the total area of 5.127 hectares.

5.2.2 Survey, Demarcation & Pillar Posting, GPS Reading with Mapping

The planting area has been surveyed and demarcated with four feet height RCC pillars at inter visible distance (as per the direction of the Forest Range officer, Handapa Range) with DGPS coordinates, forward and backward bearing, pillar No. and distance between pillars inscribed in it. A DGPS map in the scale of 1:4000 has been prepared along with DGPS co-ordinates, forward & backward bearing, pillar to pillar distance and pillar numbers reflected in the map. A sign board has been erected at a conspicuous location with name of the site, scheme, area etc. depicted on it..

5.2.3 Fencing

To safeguard the plantation from grazing and other forms of biotic interference, a Bamboo Twig fence will be installed. The cost for this fencing will be covered by the User Agency. The Bamboo Twig fencing will encircle the entire patch in accordance with the cost norms outlined by the PCCF, Odisha, as per their guidelines dated 08.11.2021 and 01.12.2021. An area of 11.5 Ha. of Bamboo Twig fencing will be necessary.

5.2.4 Site Preparation and Silvicultural Operation including clearance of weed, climber cutting, high stump cutting, singling of shoots

The clearing of the site, which includes the removal of invasive weeds, bushes, climbers, high stumps, and singling of shoots, will be undertaken, preferably by the end of February and no later than the end of March. Pits with dimensions of 45 cm x 45 cm x 45 cm will be dug at a rate of 1000 pits per hectare, ideally two months before or at least one month prior to the planting of seedlings.

5.2.5 Planting operation

The planting of seedlings will be carried out during the month of July. The polythene covers (size 12 x 10) with a thickness of 300 gauge, which encase the earth balls around the roots, will be cautiously removed before planting. Great care will be taken to ensure that the earth ball remains intact during this process. The seedling, still within its earth ball, will then be firmly placed in the pit and buried at a depth where the root collar is well below the soil surface. The soil surrounding the plant will be compacted thoroughly, using the heel as the final step, to establish a secure connection between the earth ball and the surrounding soil. The soil near the collar will be slightly elevated to prevent the accumulation of rainwater very close to the plant.

5.2.6 Casualty Replacement

The entire area will be systematically inspected in the same order as the plantation was initially carried out, and any casualties, if encountered, will be promptly replaced as soon as the main plantation operation is completed.

5.2.7 Weeding & Soil Working

Regular and efficient weeding will start immediately after sprouting of the seedling is complete or after the seedlings have started throwing up new buds.

5.2.8 Manuring & Insecticide Application

On degraded sites, organic compost or farmyard manure, if available, will be incorporated into the soil while refilling the pits. Regarding artificial fertilizers, the required minerals and a dosage of 50 grams of patent mixtures such as 'Gromor' or N.P.K. (2:2:1) will be applied in two split doses, with one in August and the other in September.

5.3 Soil Moisture Conservation Measures

To improve soil moisture retention, prevent runoff, and control the carrying of silt in flowing water, it is necessary to construct staggered trenches with dimensions of 2 meters in length, 0.50 meters in width, and 0.5 meters in depth along the contour. However, the implementation of Soil Moisture Conservation (SMC) may be carried out according to the specific requirements under the supervision of the relevant Divisional Forest Officer (DFO).

5.4 Watch And Ward

watch and ward

A single-watcher will be employed for a period of twenty years, starting from the day of plantation.

5.5 Monitoring And Evaluation

The Divisional Forest Officer of Athmallik Forest Division will conduct periodic monitoring and evaluation of the scheme. In accordance with paragraph 2 of Guideline No. 1109/9F-(Misc.)-387/2021 dated 08.11.2021 issued by PCCF (N), the Compensatory Afforestation has been prepared on a "one-time cost norm basis," which separates the CA scheme from wage rate revisions and material cost escalations, simplifying the process for ease of doing business.

The cost norm of the plantation is annexed herewith.

Year	Financial Year	Man-days required for Maintenance	Wage Rate Per Day at 5% increase per year	Cost of Labour for additional MDs
11th Year	2035-2036	107.667	632.12	68058.46
12th Year	2036-2037	107.667	663.73	71461.82
13th Year	2037-2038	107.667	696.92	75035.29
14th Year	2038-2039	107.667	731.77	78787.48
15th Year	2039-2040	107.667	768.36	82727.02
16th Year	2040-2041	107.667	806.78	86863.58
17th Year	2041-2042	107.667	847.12	91206.87
18th Year	2042-2043	107.667	889.48	95767.64
19th Year	2043-2044	107.667	933.95	100555.6
20th Year	2044-2045	107.667	980.65	105583.6
TOTAL		1076.6		8,56,047.4

Sub-

Diversion of 4.837 Ha. of forest land for construction of 132/33 KV Transmission line from Grid Sub-station Bouch to proposed 220/132/33 KV Grid Sub-station at Kiakata.

X-Sub-

Demand of funds towards CA, NPV & Penal NPV under Forest Conservation Act, 1980.

Ref:-

i) Stage-I In principle approval dated 08.01.2025 of the Asst. Inspector General of Forests, FC Division, GoI, MoEF & CC, New Delhi.

ii) Memo No. 1149 dt.16.01.2025 of Chief Conservator of Forests (Nodal) to your address.

iii) This Office Letter No.659 dt.01.02.2025, Letter No.1296 dt.10.03.2025, Letter No.1553 dt.25.03.2025 and Letter No.2200 dt.05.05.2025.

iv) Your Letter No.217 dt.28.04.2025.

Sir,

In continuation to this office letter No cited above on the captioned subject, it is to intimate that the Government of India, Ministry of Environment, Forests & Climate Change Eastern Regional Office, New Delhi has agreed in principle and accorded Stage-I approval for diversion of 4.837 Ha of forest land in favor of OPTCL and the same letter was communicated by the Chief Conservator of Forests (Nodal) and directed the undersigned to raise demand on the User Agency for payment of Compensatory levies. The details of calculation are furnished below.

Sl No	Condition number of Stage-I Approval dated 08.01.2025	Particulars	Amount
1	2	Revised Compensatory Afforestation	Rs. 57,63,838 /-
2	3 (i)	NPV - Forest land involved in the project (4.837 Ha) - Applicability of NPV under FC Act, 1980 (Eco Value Class-III, Density- 0.2) i.e. @ Rs. 9,57,780 lakh per Ha. (4.837 x 9,57,780 = 46,32,781.86 or 46,32,782	Rs. 46,32,782 /-
3	5	Penal NPV (5 times of the area used for non-forestry activities in violation to FC Act, 1980 over 0.553 Ha. forest land i.e. (@ Rs. 9,57,780 x 0.553 Ha. x 5 times) = Rs. 26,48,261.7 or Rs. 26,48,262 /- Violation dated and reported on 27.03.2023. Demand raised on 01.02.2025 to 01.06.2025 12% interest - Rs.26,48,262 x (4/12) x (12/100) = Rs. 1,05,930.48 or Rs. 1,05,930 /- Total Amount = Rs. 26,48,262 + Rs. 1,05,930 /- = Rs. 27,54,192 /-	Rs. 27,54,192 /-
		Grand Total	Rs. 1,31,50,812 /-

(Rupees One Crore Thirty-One Lakhs Fifty Thousand Eight Hundred Twelve) only.

The above demand has to be deposited in ORISSA CAMPA Account only through E-Patra (<https://parivesh.nic.in>) and the proof of the deposit of fund shall be submitted to this office for further necessary action at this end.

Yours Faithfully,

Divisional Forest Officer,
Athmallik Division.

FORM-1

(For Linear Projects)

Government of Odisha

Office of the District Magistrate & Collector, Boudh

No. _____/SSO, Dated: 12/01/2014

TO WHOM SO EVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forests (MoEF), Government of India's letter No. 11-9/98-FC (FC) dated 3rd August 2009 and Ministry of Forest, Environment & Climate Change Department (FECC), Government of Odisha letter No. EF-DIV-FLO-0072-0928-1685/FE & CC, dt. 01.08.2013 wherein the MoEF issued guideline on submission of evidence for having initiated and completed the process of settlement of rights under the Schedule Tribes and Other Traditional Forest Dwellers (Recognition of Forest Right) Act, 2006 (FRA for short) on the forest and proposed to be diverted for non-forest purposes read with MoEF letter dated 5th February 2013 wherein MoEF issued certain relaxation in respect of linear projects, it is certified that 0.29 hectare of forest land and proposed to be diverted in favour of OPTCL, Angul for construction of 132/33 KV transmission line from Grid Sub-Station Boudh to proposed 220/132/33 KV Grid Sub-Station at Kakata by Deputy General Manager (Elect) EHT construction Division, OPTCL, Angul, Odisha in Boudh district falls within jurisdiction of 1. Baliana, 2. Bamanda, 3. Bethlaberani, 4. Chandanagar, 5. Krishnamahampur, 6. Kandibandh & 7. Pipalkata in Harabhanga Tahasil.

It is further certified that:

- (a) The complete process for identification and settlement of rights under FRA has been carried out for the entire 0.29 hectares of forest area proposed for diversion. A copy of records of all consultations and meetings of the Forest Rights Committee(s), Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are not required as per Recognition of Forest Right Act, 2006 read with GOI Letter No. 11-9/98-FC (FC) dated 05.02.2013.
- (b) The diversion of forest land for facilities managed by the Government as required under section 3(2) of the FRA have been completed and the Grama Sabhas and their consent to it did not required.
- (c) The proposal does not involve recognized right of Primitive Tribal Groups and Pre-agricultural communities.

Thus as per letter MoEF dated 5th February, 2013 the resolution of Grama Sabha for linear projects is not required.

Collector & District Magistrate,
Boudh
