Sub: Diversion of forest land for non-forest purposes under the Forest (Conservation) Act, 1980 - ensuring compliance of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.

Sir,

I am directed to refer to this Ministry's letter of even number dated 03.08.2009 wherein this Ministry issued detailed guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.

25(4)
This Ministry has received representations from various Ministries to exempt projects like construction of roads, canals, laying of pipelines/optical fibres and transmission lines etc. where linear diversion of forest land in several villages are involved, from the requirement of obtaining consent of Gram Sabha, as stipulated in this Ministry's said letter dated 3.8.2009.

The matter has also been examined by an inter-ministerial Committee. The Committee after examination of the matter had *inter alia* recommended that a resolution of the Gram Sabha of the area, based on full and prior information of the project and a public hearing, endorsing that the project is in the interest of the people living on the forest land, use of which is proposed to be diverted for non-forest purposes may not be required for the projects like construction of roads, canals, laying of pipelines/optical fibres and transmission lines etc. where linear diversion of use of forest land in several villages are involved, unless recognised rights of Primitive Tribal Groups (PTG) and Pre-Agricultural Communities (PAC) are being affected.

h.v.
The Hon'ble Minister for Tribal Affairs in his D.O. letter dated 21.01.2013 addressed to the Hon'ble Minister of State (Independent Charge) for Power has informed that the Ministry of Tribal Affairs agrees with the recommendation of said Committee that resolution of the Gram Sabha may not be required in cases of projects like transmission lines where linear diversion of forest land in several villages are involved, unless recognised rights of PTG/ PAC are being affected.

27/02/2013

Accordingly, I am directed to say that proposals seeking prior approval of Central Government under the Forest (Conservation) Act, 1980 for projects like construction of roads, canals, laying of pipelines/ optical fibres and transmission lines etc. where linear diversion of use of forest land in several villages are involved, unless recognised rights of PTG/ PAC are being affected, are exempted from the requirement of obtaining consent of the concerned Gram Sabha(s) as stipulated in clause (c) read with clause (b), (e) and (f) in second para of this Ministry's said letter dated 03.08.2009.

This issues with approval of the Hon'ble Minister of State (Independent Charge) for Environment and Forests.

Yours faithfully,

(H.C. Chaudhary)

Compliance by Divisional Forest Officer, Malkangiri Forest Division

This document outlines the conditions imposed by the Ministry of Environment, Forest & Climate Change (MoEF&CC), Government of India, and the Government of Odisha for Stage-I approval of forest land diversion (48.782 ha) for construction of 220 KV LILO transmission line from existing LoC No. 70 of 220 KV LILO Malkangiri – Balimela transmission line to existing 220/33 KV Grid Sub-station Khairaput, Gobindapally by OPTC Ltd in Malkangiri District of Odisha.

Condition 1: Legal Status of Forest Land

Legal status of the diverted forest land shall remain unchanged.

Compliance: An undertaking from the User Agency has been provided and is enclosed as **Annexure-A** to ensure the legal status remains unchanged.

Condition 2: Compensatory Afforestation

(i) Compensatory Afforestation over degraded forest land, double in extent to the forest land being diverted i.e., 97.564 ha, shall be raised by the State Forest Department at the project cost as per applicable guide lines;

(ii) The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation as per approved CA Scheme at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal;

(iii) The cost of survey, demarcation and erection of permanent pillars, if required on the identified CA land, shall be deposited in advance with the Forest Department by the User Agency. The CA will be maintained for 10 years. The scheme may include afforestation of indigenous species with appropriate provision for anticipated cost increase for works schedule for subsequent years.

Compliance: Compensatory afforestation over 97.564 ha of degraded forest land shall be raised as per approved CA Scheme utilizing funds deposited by OPTCL in CAMPA. OPTCL transferred Rs 5,52,77,000/- through NEFT via UBI Cheque No. 009067 dated 01.03.2025 to ORRISA CAMPA account. The DFO demand letter No. 7208/(Diversion)-2024 dated 24.12.2024 and NEFT receipt are enclosed as **Annexure-B Series**. OPTCL has already provided necessary arrangements on the identified CA Land.

Condition 3: Net Present Value

(i) User Agency shall transfer the funds towards the cost of Net Present Value (NPV) of the forest land being diverted under this proposal from the User Agency as per the Orders of Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/ 1995 and the guidelines issued by this Ministry vide its letter No. 5-3 '2007-FC dated 06.01.2022 read with 22.03.2022 through online portal of CAMPA account of the State Concerned;

(ii) At the time of payment of Net Present Value (NPV) at the present rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.

Compliance: OPTCL transferred the entire NPV amount of Rs 7,00,84,000/- through NEFT mode via UBI Cheque No. 009067 dated 01.03.2025 to ORRISA CAMPA account. DFO demand letter No. 751/(Diversion Cell)-2025 dated 06.02.2025 and NEFT receipt are enclosed as **Annexure-C**. An undertaking by OPTCL is provided at **Annexure-D** to pay additional NPV amount as determined by Hon'ble Supreme Court of India.

Condition 4: Compensatory Levies Transfer

Compensatory levies to be realized from the User Agency under the project shall be transferred/ deposited, through e-payment module on PARIVESH portal (<https://parivesh.nic.in/>), into the account of CAMPA of the State concerned, managed by the National Authority (CAMPA);

Compliance: All funds under the project have been transferred/deposited online in ORRISA CAMPA account only through e-portal (<https://parivesh.nic.in/>). An undertaking is enclosed as **Annexure- D(I)** regarding the same.

Condition 5: KML Files Upload

The KML files of the diverted area, the CA area, the proposed SMC treatment area and the WLMP area shall be uploaded on the e-Green watch portal with all requisite details prior to 'Final' approval;

Compliance: User Agency has submitted the required files at the Office of DFO, Malkangiri and uploaded them on the "e-Green watch portal".

Condition 6: Action Against Erring Officials

The State Govt. shall take action against the erring official under section 3A/3B of the Adhiniyam;

Compliance: Documentation enclosed as **Annexure E-1 & E-2**.

Condition 7: Penal NPV Realization

The State Govt. shall realize Penal NPV of forest land per ha per each year of violation from the date of actual diversion as reported by the inspecting officer with maximum up to 5 times the NPV plus 12% simple interest from the date of raising of such demand till the deposit is made.

Compliance: Documentation enclosed as **Annexure-F**.

Condition 8: Penal Compensatory Afforestation

The matter regarding imposition of penal CA is under consideration for the formulation of a uniform policy guideline in the matter. Keeping this in view, the imposition of penal CA (if any) shall be as per the said guideline, if issued;

Compliance: OPTCL has provided an undertaking at **Annexure-G** to pay penal CA (if any) as per guidelines when issued.

Condition 9: Right of Way Width Limitation

The maximum width of right of way for the proposed transmission line on the forest land shall not be more than 35 mtrs.

Compliance: User Agency has agreed through their compliance to maintain the specified width limit. An undertaking is enclosed as **Annexure- G(I)** regarding the same.

Condition 10: Transmission Line Guidelines Compliance

The User Agency shall comply with the guidelines for laying transmission lines through forest areas issued by the Ministry;

Compliance: User Agency has agreed through their compliance to follow all applicable guidelines. An undertaking is enclosed as **Annexure- G(II)** regarding the same.

Condition 11: Wildlife Protection Measures

The User Agency shall install circuit breakers at suitable places besides maintain necessary ground clearance to prevent electrocution of wild animals;

Compliance: OPTCL has provided an undertaking at **Annexure-H** regarding installation of wildlife protection measures.

Condition 12: Transportation Restrictions

No approach road shall be constructed in the forest area for transportation of steel and other material required for the transmission line. As far as possible the User Agency shall use the existing road and the proposed RoW for the transportation of the material and in the event of non-availability of such facilities, the User Agency shall transport material manually without construction of any path;

Compliance: An undertaking is enclosed as **Annexure-I** confirming compliance with transportation restrictions.

Condition 13: Tree Felling Minimization Guidelines

To minimize the felling of trees for construction of transmission line, user agency shall comply with the following guidelines:

(i) Below each conductor, width clearance of 3.0 mts. would be permitted for carrying the tension stringing equipment. The trees on such strips may be felled but after stringing work is completed, the natural regeneration will be allowed to come up.

(ii) One outer strip may be left clear to permit maintenance of the transmission line.

(iii) In the remaining width the right of way felling/ pollarding/ pruning of trees will be done with the permission of the local forest officer whenever necessary to maintain the electrical clearance, trees shall be allowed to be felled or lopped to the extent required, for preventing electrical hazards by maintaining the minimum 4.6 mtr. clearance between conductor and trees. The sag and swing of the conductors are to be kept in view while working out the minimum clearance mentioned as above.

(iv) User agency in consultation with the State Forest Department prepare a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in right of way under the transmission line and provide funds for execution of the said scheme to the State Forest Department; and

(v) In case a portion of the transmission lines to be constructed is located in hilly areas, where adequate clearance is already available, trees shall not be cut;

Compliance: User Agency has agreed to all sub-conditions through their compliance. Undertakings are enclosed as **Annexure- I(I), I(II) & I(III)** regarding the same. For dwarf plantation scheme, User Agency completed the scheme in consultation with State Forest Department and obtained approval. DFO demand letter No. 1284/(Diversion Cell)-2025 dated 06.03.2025 and NEFT receipt are enclosed as **Annexure-K**. OPTCL provided undertaking at **Annexure-J** for maintaining electrical clearance requirements.

Condition 14: Compensation to Affected Persons

The user agency will ensure that all the compensations, as per the norms and rules of the State Government to the affected persons shall be paid prior to handing over of forest land to the user agency;

Compliance: OPTCL has provided an undertaking at **Annexure-L** regarding compensation payments.

Condition 15: Prevention of Forest Encroachment

User Agency will ensure that forest area nearby shall not be encroached upon due to implementation of the project;

Compliance: An undertaking is enclosed as **Annexure-M** to prevent forest encroachment.

Condition 16: Supervised Tree Removal

The State Government shall ensure that the minimum number of trees/ plants/ poles in any case not more than mentioned in the applied forest area will be removed and the trees should be felled under strict supervision of the State Forest Department;

Compliance: OPTCL has provided an undertaking at **Annexure-N** for supervised tree removal.

Condition 17: Tree Felling Cost Deposit

The cost of felling of trees shall be deposited by the User Agency with the State Forest Department;

Compliance: As per DFO demand letter, the cost for tree felling has been deposited and documentation is enclosed as **Annexure-O**.

Condition 18: Tree Translocation

The User Agency shall explore the possibility of translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;

Compliance: Already mentioned in the Diversion Proposal, which has been agreed in principle by MoEF&CC.

Condition 19: Environment Clearance
