- 10. User agency will also pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- 11. Compensatory levies has been deposited by User Agency, in lieu of diversion of forest land, through e-payment module (https://parivesh.nic.in/) of PARIVESH, into the concerned account of State/UT CAMPA, managed by the National Authority (CAMPA).
- 12. Width of right of way for the transmission line shall be maintained as per norms.
- 13. The user agency will install circuit breakers at suitable places besides maintain necessary ground clearance to prevent electrocution of wild animals.
- 14. No approach road will be constructed in the forest area for transportation of steel and other material required for the transmission line. As far as possible the User Agency will use the existing road and the proposed RoW for the transportation of the material and in the event of non-availability of such facilities, the User Agency will transport material manually without construction of any path.
- 15. (a) Below each conductor, width clearance as per norms, would be permitted for carrying the tension stringing equipment. The trees on such strips may be felled but after stringing work is completed, the natural regeneration will be allowed to come up.
 - (b) One outer strip may be left clear to permit maintenance of the transmission line;
 - (c) In the remaining width the right of way felling/pollarding/pruning of trees will be done with the permission of the local forest officer whenever necessary to maintain the electrical clearance, trees shall be allowed to be felled or lopped to the extent required, for preventing electrical hazards by maintaining the minimum 8B/RAJ012/2023-JPR I/84540/2024 permissible clearance between conductors and trees. The sag and swing of the conductors are to be kept in view while working out the minimum clearance.
 - (d) User agency in consultation with the State Forest Department prepared a detailed scheme for creation and maintenance of plantation of dwarf species (preferably medicinal plants) in right of way under the transmission line, and User Agency has deposited of an amount <u>Rs. 3,74,345/- (Three Lakhs, Seventy Four Thousand, Three Hundred, Forty Five Rupees Only) in CAMPA Fund</u> as per approved Scheme and Deputy Conservator of Forest, Jodhpur demand Letter.
 - (e) In case a portion of the transmission lines to be constructed is located in hilly areas, where adequate clearance is already available, trees shall not be cut;

- 16. The User Agency, if required, shall obtain the environment clearance under the Environment .

 Impact Assessment Notification, 2006 issued under the Environmental (Protection) Act; 1986.
- 17. No labour camp will be established on the forest land and the User Agency will provide firewood preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
- 18. The boundary of the diverted forest land will be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing and distance from pillar to pillar.
- 19. The forest land will not be used for any purpose other than that specified in the proposal.
- 20. The User Agency will ensure that because of this project, no damage is caused to the wildlife available in the area.
- 21. No tree Felling is involved under the Proposal.
- 22. No tree Felling is involved under the Proposal.
- 23. The layout plan of the proposal will not be changed without the prior approval of the Central Government.
- 24. The forest land proposed to be diverted will under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government.
- 25. The User Agency shall implement the R & R Plan, if applicable, as per the R & R Policy of State Government in consonance with National R&R Policy, Government of India before the commencement of the project work and implementation. The said R & R Plan will be monitored by the State Government/Regional Office of MoEF&CC.
- 26. The User Agency will submit the annual self compliance report in respect of the above stated conditions to the State Government, concerned Regional Office and to this Ministry by the end of March every year regularly.
- 27. Any other condition that the concerned Regional Office of this Ministry may stipulate with the approval of competent authority in the interest of conservation, protection and development of forests & wildlife.
- 28. Compliance of Forest Rights Act, 2006 is under process and user agency will submit the same once receipt from Office of the District Collector, Phalodi.
- 29. Violation of any of these conditions will amount to violation of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and action would be taken as prescribed in para 1.16 of consolidated guidelines and clarifications issued under of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 as issued by this Ministry's letter dated 29.12.2019.
