Sir,

Please refer to your letter cited in reference (ix) above vide which DFO Sanagreddy has been requested to offer his remarks on comments made therein. In response, DFO Sangareddy has furnished reply to CCF, Charminar Circle, Hyderabad. Copies of these letters are also addressed to this office.

2. DFO Sangareddy, in his reply for felling of trees, has reported to your good office that the cost of translocation of trees is not included in the FSR of Forest Department, or HMDA of GHMC. The DFO, Sangareddy further informed that total 948 numbers of trees are to be translocated. For which an amount of Rs.3,36,02,000.00 are to be deposited in PD account of District forest officer, Sangareddy.

Further, DFO, Sangareddy has informed that the proposed 6 no's culverts can be converted to passages which will act as under passes for the wild animals. Also, the DFO, Sangareddy, proposed an amount of Rs. 21,00,000.00 towards the wild life mitigation plan for Schedule-1 animals.

3. In this regard, it is mentioned that that the translocation of trees will be executed by the EPC contractor through specialized/expert key personnel/Agency under the supervision of Forest department field officers. Detailed credentials of the Agency, in this regard, will be furnished to Forest Department for concurrence as discussed in meeting held on 28.04.2023 under the chairmanship of PCCF, Hyderabad at Aranya Bhavan in due course before starting of translocation of trees. Further, the necessary amount towards the mitigation plan may be paid to the PD account of DFO, Sangareddy by the User Agency.

4. In view of the above, it is requested to issue working permission and Stage-II approval for forest land diversion proposal of subject work.

Yours faithfully,

*** **

Adverting to the reference 7th cited, it is to submit that as per the instructions of the Principal Chief Conservator of Forests, Telangana, Hyderabad the following condition wise information is submitted here under for diversion of 15.594 Ha of Forest land for improvement and widening of two lane with paved shoulder from km 0.0 to Km 49.00 of NH 161 B on Nizampet – Narayankhed – Bidar Road in Sangareddy District.

Sl. No.	Description of the Condition	Reply
1	2	3
1	The User Agency shall endeavor to avoid felling of trees existing on the forest land proposed to be utilized to the extent possible. Wherever necessary, felling shall be carried out under the strict supervision of the DFO/ FDO concerned. The state forest department shall carry out translocation of eligible tress (31 cm to 90cm GBH) in the adjoining forest area at the cost of the user agency.	The cost of translocation of trees is not included in the FSR of Forest Department, or HMDA or GHMC. During the construction of Metrorail corridors way back in 2011 certain rates were fixed by Metro Rail for translocation of trees falling in the alignment of metro rail corridor. The rates of 2011 are as follows: • >60 cm – Rs.5850/- Translocation – Rs.10,500/- transport Total – Rs.16,350/- each • 60 cm to 91 cm Rs.15,345/- +Rs.10,500/- = Rs.25,845/- each.

		There is a 200% to 300% increase in the rates stipulated by HMRL way back in 2011. Accordingly on an average 100% hike is proposed and the following unit Rates are proposed for translocation of the trees including transportation. • 31 cm to 60 cm - Rs.33,000/- each tree • 61 cm to 90 cm- Rs.52,000/- each tree Accordingly, the following amount has to be deposited in the P.D Account of District Forest Officer, Sangareddy for the propose. • 31-60 Nos (826) – @ Rate 33000/- Amount – Rs.2,72,58,000/- • 61-90 Nos (122) - @ Rate.52000 /- Amount - Rs. 63,44,000/- • G. Total - Rs.3,36,02,000/- (Rupees Three Cores Thirty-Six lakhs Two thousand only). Further, it is to inform the User Agency that the above costs are only estimated costs and in actual execution if any escalation of cost is their the difference amount has to be remitted by the user Agency, and an under taking has to be submitted by User Agency to that extent.
2	The User Agency shall provide suitable under /over pass in protected area / forest area to facilitate free movement of wild life in consultation with the CCF Charminar / CWLW	The under passes for wild animals to cross the road are proposed in the part – II submitted by the District Forest Officer, Sangareddy. The Forest Stretches along the proposed National Highway are inspected on 29.03.2023, and its found that there are (6) Nos small culverts across the road. If these culverts are converted into 10 feet x 9 feet passages the same will act as under passes for the wild animals. Because all these streams are very small and water will flow only for few hours during huge rains only.

		Hence, at all these 6 places if 9"x10" box culverts may be constructed by the User Agency. The CA scheme is enclosed.
3	Wild life conservation / Mitigation plan is to be prepared for schedule 1 animals present in the adjoining forest area.	For wild life mitigation plan, it is to be proposed for construction of Mini Percolation tanks approved Bore well and solar pumps in two places, one each on either side of the proposed National Highway to later the drinking water needs of the wild animals during peak summers. Revised CA scheme is submitted herewith. • Bore well Drilling cost (2) Nos @ Rs.2,00,000/- = Rs.4,00,000/- • Solar Pump Cost (2) Nos @ Rs. 6,50,000/- = Rs. 13,00,000/- • Percolation Tank (2) Nos @ Rs. 2,00,000/- = Rs. 4,00,000/- G. Total - Rs.21,00,000/-

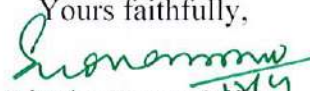

In this regard it is to submit that the CA Scheme total plan for **Rs. 9,71,14,881/-** however the User Agency has deposited an amount of **Rs.6,14,12,881/-** for implementation of CA Scheme the details as follows:

1. District Forest Officer, Sangareddy (PD Account) - Rs. 1,93,68,970/-
2. Telangana State Adhoc CAMPA account - Rs. 4,20,43,911/-

Total	-	Rs. 6,14,12,881/-
--------------	---	--------------------------

3. Balance to be remitted by the User Agency (In to the DFO, Sangareddy (PD Account)) - **Rs. 3,57,02,000/-**

This is submitted for favour of kind information and necessary action.

Yours faithfully,

 District Forest Officer,
 Sangareddy.

Copy submitted to the Nodal Officer, (FCA), O/o. Principal Chief Conservator of Forests, (HoFF), Telangana, Hyderabad for favour of kind information.

Sir,

Kind attention of the Prl. Chief Conservator of Forests & Head of Forest Force, Telangana, Hyderabad is invited to the references cited above.

2) In compliance to the Stage-I approval conditions stipulated by the IRO, MoEF&CC, Gol, Hyderabad vide ref 4th cited, the MoRTH has paid the following compensatory levies, as per the demand notice issued by the District Forest Officer, Sangareddy vide Lr.nO.659/S6/2021, dt.23.08.2022.

1	NPV	1,49,35,622/-
2	CA	2,17,03,469/-
3	Raising of plantation in the left out portion of the old road 0.42 ha	2,92,320/-
4	SMC Works	20,62,500/-
5	Establishment of new nursery	30,50,000/-
	TOTAL (Deposited into Ad-hoc CAMPA Account)	4,20,43,911/-

(1)

[Handwritten signature]

2053556/2023/FCA SECTION-PCCF

1	Protection Structure for Central nursery and Forest complex	1,76,00,000
2	Big Pillars	5,00,000
3	Small pillars	7,50,000
4	Extraction charges	5,18,970
	TOTAL (Deposited into PD Account of DFO)	1,93,68,970

3) The RO, MoRTH, Hyderabad vide ref 6th cited has submitted condition-wise compliance report on the Stage-I approval conditions stipulated. On which the Prl. Chief Conservator of Forests & Head of Forest Force, TS, Hyderabad vide ref 7th cited has raised the following Essential Details Sought (EDS).

4) The RO MoRTH, Hyderabad vide ref 10th cited and District Forest Officer, Sangareddy vide ref 9th cited has submitted replies to the EDS raised by the Prl. Chief Conservator of Forests, which are reproduced below:

1	Condition no. IX UA shall endeavor to avoid felling of trees existing on the forest land proposed to be utilized to the extent possible. Wherever necessary, felling shall be carried out under the strict supervision of the DFO / FDO concerned. the SFD shall carry out translocation of eligible trees (31 cm to 90 cm GBH) in the adjoining forest area at the cost of the UA.	The District Forest Officer has estimated cost towards translocation of the trees as Rs.3,36,02,000/-. On the above, the RO MoRTH vide ref 10th cited, has informed that the translocation of trees will be done by the EPC contractor through specialized/ expert key personnel/agency under the supervision of the field officers of Forest Department. <u>Hence, the Prl. Chief Conservator of Forests & HoFF, TS, Hyderabad is requested to kindly consider the request and issue suitable orders in the matter.</u>
2	Condition no XII- UA shall provide suitable under / over pass in PA / forest area to facilitate free movement of WL in consultation with the CCF, Medak and CWLW.	The District Forest Officer vide his report 9th cited has proposed and recommended for construction of existing culverts as underpasses. On the above, it is submitted that the forest area proposed for diversion is not falling in any of the Protected Area / Tiger Reserve / Sanctuary, which is also reported by the District Forest Officer in his part-II findings while forwarding the proposal to the higher authorities. The Wildlife Institute of India has published eco-friendly measures to mitigate impacts of linear infrastructure. As per the chapter 06 "general guidelines for mitigating impacts on WL", under table 6.1 Types of structures to enable animal crossing, the Box Culverts can be used as underpasses.

✓

(2)

2053556/2023/FCA SECTION-PCCF

		Hence, the locations of existing culverts proposed by the District Forest Officer may be considered as underpasses. We will undertake to carryout the formation of the culverts as per the specifications given by the Forest Department, under the supervision of Forest Department. Hence, the CWLW is requested to kindly approve the proposal given by the District Forest Officer regarding underpasses.
3	Condition no XIV- Wildlife Conservation / Mitigation plan is to be prepared for schedule 1 animals present in the adjoining forest area.	The cost towards mitigation measures as prepared and approved by the CWLW will be deposited into the concerned account as and when demand for the same is received by the District Forest Officer.

5) It is further submitted that this proposal is being discussed in the PMG group and the Gol is very keen in completing the proposal in a time bound period. Any change in the alignment and formation of new underpasses other than that proposed by the District Forest Officer., will include cost escalation and for which permission from the competent authority of MoRTH is required, which will ultimately lead in execution of proposal.

6) Hon'ble Prime Minister of India has laid the foundation stone for this new project on 08.04.2023.

In view of the above, it is requested kindly to accord working permission of the above project at early so that the contractor may start the execution of the work.

Yours faithfully,

(S.K. Kushvaha)

For Regional Officer

UNDERTAKING in compliance to condition no (IX) and (XII)

I hereby undertake in respect of diversion of 15.594 Ha of Forest Land in Sangareddy Division for Improvement and Widening to Two lane with paved shoulders from Km 0.000 to 49.000 of NH 161B on Nizampet - Narayankhed - Bidar road in the state of Telangana on EPC mode in Sangareddy District in favour of Regional Officer, MoRT&H, GoI, Hyderabad..

IX) Translocation of trees will be done by the EPC contractor through specialized / expert key personnel / professional organization agency under the supervision of the fielded officers of forest department.

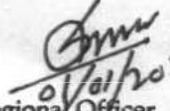

XII) The following dimension for the construction of 9 number of box culverts proposed in the forest stretch by the user agency to achieve minimum openness index of 0.52.

Height of the Box culvert - 2.70 Meters

Width of the Box Culvert - 3.00 Meters

Length of the Box culvert - 12.0 Meters

Further, the wild animal movement is channeled to the passage way for crossing the infrastructure by using appropriate funneling structures either natural or artificial. The funnel shall have grasses and shrubs on both sides of the box culvert to create proper environment for attracting animals to cross the underpass. Fencing on either side of the opening may also be taken up to channelize the wild animals towards opening.

Sir,

It is to submit that MoRTH, Government of India vide letter cited in reference (i) above has sanctioned the work of "Widening to two lane with paved shoulder from Km 0/000 to Km 45/946 of Nizampet - Narayankhed - Bidar section of NH-161B in the State of Telangana under NH(O)".

2. In this regard, PCCF(HoFF), Telangana has issued working permission vide his letter cited in reference (xiv) above with the condition that User Agency shall enter into agreement with DFO Sanga Reddy before commencement of work in the diverted land.

3. Accordingly, this office is authorizing Executive Engineer (R&B), NH Hyderabad to enter into agreement with the DFO Sanga Reddy.

Yours faithfully,

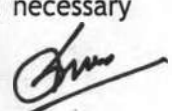

(S. K. Kushvaha)
Regional Officer
