No 4: Conservator of Forest, Chennai circle, Chennai. Ref. No. D/1873/2015 dated 28.03.2022.

No 5: District Forest Officer, Chengalpattu Division, Kancheepuram. C.NO.D/2085/15, dated 19.05.2022.

With reference to your above referred letter we have complied to the following conditions as advised in the stage one clearance letter.

1	Legal status of the diverted forest land shall remain unchanged	We will keep the legal status of the diverted forest remain unchanged. We have enclosed an undertaking letter for the above along with this letter.
2	Demarcation of the proposed forest area shall be carried out by erecting 4 feet high Cement concrete pillars duly numbered at an interval of 20 meters at the cost of the user agency.	We have erected cement pillars duly numbered at an interval of 20 meters as advised and a photograph of the same is attached.
3	The State Forest department shall carryout plantation and its maintenance of ten times the trees felled in the diverted Forest area over identified 0.25 ha of degraded forest area at Appur RF., at the cost of the user agency.	We have deposited the amount for plantation and maintenance for the above degraded forest land in the CAMPA account and the same is attached.
4	The State Government shall charge the net present value of the diverted forest land measuring 0.198 HA. From the user agency as per the Honorable Supreme Court order Dated 28-03-2008 and 9-05-2008 in IA	We have deposited the NPV for 0.198 HA of the forest land of Rs. 132688/_ as advised by the state forest department in the State CAMPA account. Deposit slip is enclosed.

	numbers 826 in 566 with related IA's writ petition (civil) No. 202/1995.	
5	Additional amount of the net present value (NPV) of the diverted forest land if any becoming due after revision of the same by the Honorable Supreme Court Of India in future, shall be charged by the State Government from the user agency. The user Agency shall furnish undertaking to this effect.	We have enclosed the undertaking for the additional amount of net present value of the diverted forest land if any, becoming due after revision of the same By the Honorable Supreme Court of India.
6	All the fund received from the User Agency under the project shall be deposited to CAMPA fund only through E – Portal.	We have deposited the demand amount to CAMPA fund only through E-Portal. 1. For raising nursery and plantation with maintenance for 10 years - Rs. 4,82,351 2. Contingency fund to meet out the special nature of work for restocking plantation - Rs. 24,117 3. NPV for 0.198 HA. Of the forest land - Rs. 1,32,688 For cutting and yield of 24 no's of tree to be felled compensation of Rs. 1413, a DD in favor of the District Forest Officer is enclosed with this.
7	The User Agency shall construct retaining walls and check wall wherever required, by consulting the DFO concerned, at the project cost.	We will get the prior approval from the DFO Chengalpattu before constructing any retaining walls and check walls if required.
8	Roadside cuttings and fillings which require engineering support shall be provided as per the Instruction of the DFO concerned so as to stabilize the soil.	We will provide the required engineering support for roadside cuttings and fillings as per the instruction of the DFO Chengalpattu.
9	The dug-out material/ overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area.	We will dump the dugout material/ overburden outside the forest area, and we will not use the forest area for storage of material.
10	The layout plan of the proposal shall not be changed without the prior approval of the Central Government.	We will not change the layout plan of the proposal without the prior approval of the central Government.
11	No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.	We hereby undertake that we will be using the diverted forest road only for transportation of construction of material and we will not make additional or new path in the forest area.
12	The User Agency shall provide firewood, preferably alternate fuel to laborers working at the site to avoid damage/Tree felling and no labor camp will be established inside the forest area.	We will provide the required alternate fuel to the labors working at the site to avoid damage, tree felling. As we have compounded our land from the forest area, we will engage the laborers inside our land and we will not establish any labor camp

		outside our area and inside the forest area.
13	Disturbance shall be kept minimum by creating Labor camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the Laborer's & staff engaged in execution of work do not destruct nearby forest flora & fauna.	We will take utmost care in execution of our project without any disturbance or destruction to the forest by our laborers or staff and we will not put up any labor camps inside the forest area.
14	The total forest area utilized for the project shall not exceed 0.198 Ha. The approach road shall not exceed 0.198 ha. The approach road shall be of 8m width with extra 2 m in the curves; carriage way of road, drainage Lamp post etc if any shall be strictly laid within the diverted area and the forest area diverted shall not be used for any other purpose other than those shown in the diversion proposal. The user agency shall furnish an undertaking on this effect.	We will not exceed the forest area diverted for the approach road 0.198 ha. We will submit the carriage road Drainage culvert and lamppost details and get the prior approval from the DFO before executing the work. We have enclosed the undertaking along with this.
15	The Forest land proposed for diversion shall under no circumstances be transferred or Sub-let to any other agency, department, or person without prior approval of the Center Government.	We will not transfer the diverted forest land to any agency, department, or person without the prior approval of Center Government
16	The user agency and the state government shall ensure compliance to provision of all Acts, Rules, Regulation and Guidelines For the time being in force, as applicable to the project	We will ensure compliance to provision of all acts, Rules, Regulations and Guidelines as applicable to the project. An undertaking for the same is attached.
17	Any other condition that the Central Government or Regional officer {central} of the Integrated Regional office Chennai may impose from time to time in the interest of the afforestation, Conversion and management of flora and fauna in the area shall be Complied by the User agency.	We will abide by the condition that the Central Government or Regional officer {central} of the Integrated Regional office, Chennai may impose from time to time in the interest of the afforestation, Conversion and management of flora and fauna in the area. An undertaking for the same is attached.
18	In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules/ guidelines issued under FCA 1980.	We agree for the above condition.
19	The state Government shall process and submit compliance report on the above conditions through online (http://parivesh.nic.in/).	To be done by State Government.

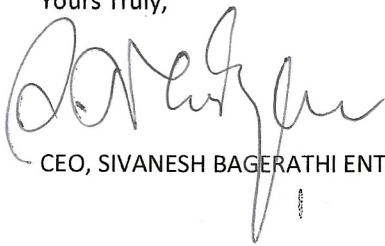

We have complied with all the condition stipulated in the Central Government's in-principal approval {stage-1} under section '2' of Forest {conservation} Act, 1980 for the diversion of 0.198 ha forest land of Thirutheri RF for approach road to our property in the survey no 86 of Veerapuram village in Kancheepuram District.

We kindly request you to recommend our proposal for the stage II clearance.

Thanking you,

Yours Truly,
