To

The Additional Chief Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009

Subject: Diversion of 1.28 ha (revised from 1.593 ha) of forest land for the formation of Madurai Ring Road for Routes and Coastal Roads to improve the efficiency of freight movement in the State of Tamil Nadu in favour of Project, Director, National Highways Authority of India, Madurai - Reg

Madam,

Please refer to the State Government's letter No.4379/FR.10/2021-8 dated 05.08.2022 and 4379/FR.10/2021-11 dated 16.03.2023 online application No.FP/TN/ ROAD/32148/2018 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal submitted by the State Government and considering the importance of the project, I am directed to convey the Central Government's in principle approval (**Stage-I**) under Section '2' of Forest (Conservation) Act, 1980 for **Diversion of 1.28 ha (revised from 1.593 ha) of forest land for the formation of Madurai Ring Road for Routes and Coastal Roads to improve the efficiency of freight movement in the State of Tamil Nadu in favour of Project, Director, National Highways Authority of India, Madurai, for a period of 20 years**, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged;
- (ii) Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of the User Agency;

I/40228/2023

- (iii) The State Forest Department shall carry out compensatory afforestation over an extent of **2.56 ha** of Degraded Forest Land identified in Waguthumalai, Madurai, at the cost of the User Agency;
- (iv) **Identified CA area and CA scheme shall not be changed without prior approval of Central Government;**
- (v) The State Government shall charge the Net Present Value of the diverted forest land measuring **1.28 ha** from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and Ministry's guideline No. 5-3/2011-FC(Vol-I) dated 06.01.2022 and clarification issued vide letter dated 19.01.2022 and 22.03.2022
- (vi) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect;
- (vii) All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (<https://parivesh.nic.in/>) ;
- (viii) The User Agency shall construct retaining walls and check walls wherever required, by consulting the DFO concerned, at the project cost;
- (ix) The User Agency shall carryout avenue plantation and its maintenance on sides of the road at the cost of the project;
- (x) Tree shall be felled wherever necessary under the strict supervision of DFO Concerned. Tree of spontaneous growth shall not be felled without prior permission from the competent authority;
- (xi) **The UA shall construct animal over pass/ under pass along with other structures as per the requirement in the field to ensure easy movement of the wild animals and shall strictly implement all other measures proposed in the Wildlife mitigation plan, at the project cost;**

- (xii) Construction of culverts / bridges, if any, over the natural streams/rivers/ canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals;
- (xiii) Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil;
- (xiv) The dug out material / overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area;
- (xv) The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
- (xvi) The User Agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling and no labour camp shall be established inside the forest area;
- (xvii) Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
- (xviii) The total forest area utilized for the project shall not exceed 1.28 ha and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;
- (xix) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;
- (xx) The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project;
- (xxi) Any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;

I/40228/2023

(xxii) In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules / guidelines issued under FCA, 1980;

Chennai Letter No. FG. No. 4/TNB091/CHN-2022
dated 28.03.2023.**
- 2. Principal Chief Conservator of Forest, (Head of
Forest Force) Chennai C.No.TS4/7185/2018-
Dated 29/03/2023.**
- 3. District Forest Officer, Madurai D1/1173/2018
D1 Dated 21/01/2023.**

With reference to the above, it is informed that the State Government in Principle approval (Stage-I) under section 2 of Forest Conservation Act 1980, for diversion of 1.28 Ha (revised from 1.593 Ha) of forest land for formation of Madurai ring road in Waguthumalai RF for a period of 20 years, in the reference 1st cited with subjected to the stipulated conditions.

Further, it is informed that only after the receipt of the compliance report on the mentioned condition, the proposal will be considered for final

approval and the proposed forest land will be diverted to the user agency until then the final approval will not be issued.

Sl. No	Conditions stipulated by the Government	The Demand
1)	The legal status of the diverted forest land shall remain unchanged	Will not be changed
2)	Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of the User Agency.	The User Agency is instructed to erect 4 feet height cement concrete pillars duly numbered at an interval of 20 meter both sides in the diverted area and shall give the necessary undertaking in this regard.
3)	The State Forest Department shall carry out compensatory afforestation over an extent of 2.56 ha of Degraded forest land identified at Waguthumalai RF at the cost of the User Agency.	It is kindly informed that the CA scheme of degraded forest area for diversion is 1.28 ha in waguthumalai RF. As per the Modal Estimate : Rs. 36,05,896/- for 2.56 Ha 1) No of trees to be felled – 100 nos 2) No of seedlings proposed for replanting in the CA100 trees x 10 nos =1000 nos 3) The area for diversion = 1.28 ha 4)The CA land for the project =2.56 ha
4)	Identified CA area and CA scheme shall not be changed without prior approval of Central Government	The User Agency shall give the necessary undertakings in this regard.
5)	The State Government shall charge the Net Present Value of the diverted forest land measuring 1.28 ha from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and Ministry's guideline No.5-3/2011-FC(Vol-I) dated 06.01.2022 and clarification issued vide letter dated 19.01.2022 and 22.03.2022.	As per the Honorable Supreme court order dt 28.03.2008. The diversion of forest land Departed is 1.28 Ha 1.28 Ha (1280)X 861390 = 11,02,580 This is for kind information.
6)	Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency	The User Agency shall give the necessary undertakings in this regard.

Amide.

Sl. No	Conditions stipulated by the Government	The Demand
7)	All the funds received from the User Agency under the project shall be transferred / deposited to CAMPA fund only through e-portal ((https://parvesh.nic.in/);	The User agency shall give necessary undertakings in this regard.
8)	The User Agency shall construct retaining walls and check walls wherever required, by consulting the DFO concerned, at the project cost.	The User agency shall consult the District Forest Officer before constructing retaining walls, check walls and user agency is requested to submit the details of such structures whether considered required and planned in the proposed sites.
10)	The User Agency shall carryout avenue plantation and its maintenance on sides of the road at the cost of the project.	The User agency shall give necessary undertakings in this regard
11)	Tree shall be felled wherever necessary under the strict supervision of DFOs concerned. Tree of spontaneous growth shall not be felled without prior permission from the competent authority.	The User Agency shall give the necessary under taking for regarding this and submit the no of trees to be cut at present for ongoing project only.
12)	The UA shall construct animal over pass/under pass along with other structures as per the requirement in the field to ensure easy movement of the wild animals and shall strictly implement all other measures proposed in the Wildlife mitigation plan,at the project cost.	The User agency shall give necessary undertakings in this regard
13)	Construction of culverts / bridges, if any, over the natural streams/rivers/canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals.	The User Agency shall give details of bridges if any to be constructed and give undertaking that, it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals.

Sl. No	Conditions stipulated by the Government	The Demand
14)	Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the District Forest Officer concerned so as to stabilize the soil.	The User Agency may submit the Soil stabilisation measure structures planned, being undertaken where cutting of forest land is involved.
15)	The dug out material / overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area.	The user Agency shall give necessary undertakings for this stipulated condition. The portion of overburden material (Soil etc.,) to be provided to department structures nursery works etc., outside forest area.
16)	The layout plan of the proposal shall not be changed without the prior approval of the Central Government.	The User Agency shall not change the layout plan of the proposal without prior approval of the Central Government.
17)	The User Agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling and no labour camp shall be established inside the forest area.	The User Agency shall give necessary undertakings in this regard.
18)	Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearly forest flora & fauna.	The User Agency shall give necessary undertaking in this regard.
19)	The total forest area utilized for the project shall not exceed 1.28 ha. The forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.	The Diverted forest land, in WaguthumalaiRF-1.28Haof Madurai Division for this project, the tree felling work shall be conducted only in the area requested for present widening. The User Agency may request for concurrence from IRD Chennai for future utility purpose.
20)	The forest land proposed for diversion shall under no circumstance be transferred or sublet to any other agency, department or person without prior approval of the Central Government.	The User Agency shall give necessary undertakings in this regard.

Sl. No	Conditions stipulated by the Government	The Demand
21)	The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.	The User Agency shall give necessary undertakings for to ensure compliance to provisions of the all Acts Rules, Regulations and Guidelines, for the time being in force as applicable to the project.
22)	Any other conditions that the Central Government or Regional Officer of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency.	The User Agency shall give necessary undertakings in this regard.
23)	In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the rules / guidelines issued under FCA, 1980.	The User Agency is requested to follow all condition stipulated the Central & State Government under FCA 1980.

The User Agency is requested to submit the compliance report immediately without fail.

Yours faithfully,
Sd/-Guruswamy Dabbala,
District Forest Officer,
Madurai Forest Division,
Madurai.

2. Principal Chief Conservator of Forests ref. No. TS4/7185/2018, dt. 22.02.2023
3. GOI , MoEF & CC, IRO, Chennai-6 Lr. No: F. No:4-TNB091/CHN-2022/388 dated 28.03.2023.
4. Fund verification form uploaded by the user agency on 17.04.2023 along with DFO, Madurai Lr. No: D1/1173/2018 dated 12.04.2023.

Kind attention of the Project Director, NHAI, Madurai is invited to the references cited. The Fund demand verification to an amount of Rs.47,08,476/- towards remittance of Net Present Value and CA scheme uploaded by the user agency in the reference 4th cited is rejected due to incorrect amount demanded for NPV as detailed below.

NPV amount of Rs.11,02,580/- has been demanded by the District Forest Officer for the proposed area of 1.28ha which works out to Rs, 8,61,390/ha. As per Government of India guidelines, for the density of 0.3 and eco class-4, a rate of Rs.670140/-ha has been fixed. Accordingly for 1.28 ha of forest land, an amount

of Rs.8,57,779/ has to be fixed at Ra.670140/- per Ha. Hence demand for payment of NPV has to be revised.

Hence the User Agency is requested to obtain revised demand letter from the District Forest Officer and upload the same in the Web portal for further action.

Yours faithfully,
Sd/- V. Karunapriya
for Principal Chief Conservator of Forests
(Head of Forest Force).

Copy to the District Forest Officer, Madurai for taking immediate action.

The District Forest Officer is requested to revise the demand letter as per Government of India guidelines prescribed for NPV and as per conditions stipulated in Stage I approval He is also requested to take immediate action to obtain approval from Principal Chief Conservator of Forests & Chief Wildlife Warden for the Wildlife Mitigation Plan and raise demand after approval of Chief Wildlife Warden.

Copy to the Chief Conservator of Forests & Field Director, SMTR, Madurai.

I wish to inform that The Government of India, Ministry of
Environment, Forests & Climate Change, Chennai has accorded Principal
approval (Stage-I) for diversion 1.28 Ha of Forest land for formation of
Madurai Ring Road for development of economic corridors, inter corridors,
feeder routes and coastal roads to improve the efficiency of freight movement
in India in favour of the Project Director, National Highways of Authority of
India (NHAI) Madurai for a period of 20 years.

In this regard the Compensatory Afforestation estimate has
been prepared and arrived for 2.56Ha of Forest Land estimated cost is
Rs. 36,05,896/- (Rupees Thirty Six Lakhs Five Thousand and Eight

Hundred and Ninety Six only) and the CA amount was uploaded in the Parivesh web portal in PART-II. The arrived amount of CA shall be credited by the user agency and this work will be carried out by the Forest Department.

The Net Present Value (NPV) has been revised and arrived an amount of Rs.6,70,140 /- (Rupees Six Lakhs Seventy Thousand One Hundred and Forty only) as fixed by the Forest Department for the diversion of 1.28 Ha area of Waguthumalai RF.

The Mitigation plan is prepared and submitted by the user agency. The mitigation plan is for diversion of 1.28 Ha of forest land in Waguthumalai RF for Road project. The District Forest Officer has recommended the mitigation plan submitted by the User agency and the Principal Chief Conservation of Forests and Chief Wildlife Warden has approved said conservation plan vide reference 3rd cited.

Therefore, the user agency is requested to remit the amount in CAMPA account for the Compensatory Afforestation and Net Present Value amount and requested to generate challen from PARIVESH Web portal to deposit the below amount towards Compensatory leaves at the earliest.

1.	Compensatory Afforestation amount	36,05,896.00
2.	Net Present Value (NPV)	8,57,779.00
	Total	44,63,675.00

(Rupees **Fourty four Lakhs sixty three thousand six hundred and seventy five** only)

The User agency shall implement the components specified in the mitigation plan and as submitted and given undertaken in this regard that the Animal over pass, under pass and all other measures shall be implemented by the user agency at the project cost.

The amount of Rs.11,38,76,806/- of conservation proposal as recommended by the District Forest Officer and approved by the Principal Chief Conservator of Forests and Chief Wildlife Warden shall be implemented by user agency at the project cost and progress is to be communicated to this office monthly with the following conditions.

CONDITIONS SHOULD BE STRICTLY ADHERED:

1. Disturbance to the movement of wildlife in the proposed area should be avoided.
2. All safety measures shall be taken to avoid accidents and structural failures.
3. The works shall be carried out without disturbing or damaging flora and fauna, or habitat of the area
4. The User should give an Under taking to the District Forest Officer, Madurai to that effect that the mitigation plan amount will not be claimed future in any case.

Yours faithfully,
Sd/-Guruswamy Dabbala,
District Forest Officer,
Madurai Forest Division,
Madurai.
