**File No. : NOFN/BTI/OFC/Forest Permission/02**

To,  
Divisional Forest Officer  
Jalandhar.

**Sub: Proposal for grant of permission to lay OFC under NOFN Project of M/s BHARAT SANCHAR NIGAM LIMITED IN NAKODER BLOCK on various routes as per Annex-I & II. Total length of routes= 173955 meters.**

Dear Sir,

This is reference to the above subject we would like to inform you that M/s BHARAT SANCHAR NIGAM LIMITED O/o GMTD Jalandhar to establish and maintain the assets such as Dark Fibers, Right of way, Ducts space and Tower.

We are planning to lay optical fibre cable through duct adopting various methodologies like HDD, clamping and another suitable method as required on the ground in the subject Area to construct a Fibre optic backbone link to connect the all Gram Panchayat of Nakoder Block throughout India. This project comes under dream Project of GOI to make digital India.

The work will be carried out as per laid down standard, polices and Guidelines of the authorities for laying the OFC.

We are enclosing herewith the requisite documents for the permission to lay OFC along with routes Diagram and Survey of India Map.

You are requested to kind grant us the permission at the earliest.

Place: Jalandhar

Date: 26-02-2015

Enclosures:

1. Routes diagram
2. Survey of India Map.

## Detail Note on Project

The telecom cables are always laid along the road side due to easy supervision, quick maintenance and low cost of maintenance. The Applicant does not have to acquire land for this purpose as the road side land belongs to PWD, Punjab State. Laying of cable shall be done on 0.4m width of surface of land & up to 1.65m of depth and near to extreme road boundary where alignment of trench will be done in such a way that no tree required to be cut. The laying of telecom transmission cable along road side is an agreed policy of applicant and Ministry of surface transport.

This Optical Fibre Cable system will fulfil the needs of telecommunication circuits, broadband services and other Data services for Government of India under National Optical Fibre Network (NOFN) project to connect all Gram Panchayats (GP) of India with fibre optics. This telecom infrastructure shall lead to growth in economy and hence more employment and better living condition of the geography/State/Country.

This new scheme of laying optical fibre cable is most modern and state of art Technology in field of Telecommunication. Same cable will cater the need of Integrated Services Digital Network.

## FOR STAGE-I APPROVALS

### FORM-`A`

**Form for seeking prior approval under section 2 of the proposals by the State Government and other authorities**

(to be filled by user agency)

1. Project Details		
1	Short Narrative of the proposals and project/scheme for which the forest land is required	For lay OFC under NOFN Project of M/s BHARAT SANCHAR NIGAM LIMITED IN Nakodar BLOCK as per Annex.I & II(attached). Total length of routes = 173955 meters.
2	Map showing the required forest land, boundary of adjoining forest on a 1:50000 scale map	Map Enclosed, Annexure-1 Map no:H43D8, H43D12, H43J5, H43J9
3	Cost of the Project	590 Lac
4	Justification for locating the project in forest area	NA
5	Cost-Benefit analysis (to be enclosed)	NA
6	Employment likely to be generated	10 No unskilled Labours

2. Purposes wise break up of the total land required			
Sr. No	Name of Purpose	Area in Ha	Present use of land
1	For lay OFC under NOFN Project M/s BHARAT SANCHAR NIGAM LIMITED IN NAKODER BLOCK	3.913	NA
