

## **Justification Certificate**

This to certify that there is no other alternative alignment is feasible for this project. This project includes widening of existing road Mansa – Vihar SH 218 (Ch: 0/00 to 12/00 Km ) of Gandhinagar District. An effort was made to find out land other than forest land in surrounding areas for widening of road but was not possible and except this there was no other alternative for demanding forest land and hence the required forest land is requested to be granted for the purpose.
