Sub:- Diversion of 39.599 ha of village forest land in village Arda under Kirmira Tahasil of Jharsuguda District, Odisha under Jharsuguda Forest Division for establishment of Oil Depot by Bharat Petroleum Corporation Limited (BPCL) through IDCO, Bhubaneswar.

Madam,

I am directed to refer to State Govt. letter No10F(Cons)179/2020-248/F&E dated 06.01.2021 on the above mentioned subject seeking prior approval of the Ministry of Environment, Forest & Climate Change under section 2 of Forest (Conservation) Act, 1980.

2. After due consideration of the proposal of the State Government and on the basis of decision of Regional Empowered Committee meeting held on 21.01.2021, the Ministry of Environment, Forest & Climate Change hereby conveys '*Stage-I/in-principle*' approval for diversion of 39.599 ha of village forest land in village Arda under Kirmira Tahasil of Jharsuguda District, Odisha under Jharsuguda Forest Division for establishment of Oil Depot by Bharat Petroleum Corporation Limited (BPCL) through IDCO, Bhubaneswar, subject to the fulfillment of the following conditions.

**A: Conditions which need to be complied prior to handing over of forest land by the State Forest Department.**

- i. The user agency shall transfer online, the Net Present Value (NPV) of 39.599 ha forest land being diverted under this proposal, as per the Orders of Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No.5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal in

- CAMPA account of the State concerned.
- ii. The identified Revenue forest land of 79.20 ha for raising compensatory afforestation shall be transferred and mutated in the name of Forest Department and notified as RF/PF prior to Stage-II approval.
  - iii. The land identified for the purpose of Compensatory Afforestation/Additional Compensatory Afforestation shall be clearly depicted on a Survey of India Topo sheet of 1 : 50,000 scale.
  - iv. The user agency shall transfer the cost of raising and maintaining the compensatory afforestation/additional compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The Scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
  - v. The site specific wildlife conservation plan shall be prepared and duly approved by CWLW, Odisha may be implemented at project cost.
  - vi. All the funds received from the user agency under the project shall be transferred/deposited in CAMPA account only through e-portal (<https://parivesh.nic.in/>). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
  - vii. The cost of felling of trees shall be deposited by the user agency with the State Forest Department.
  - viii. The compliance report of the Stage-I approval shall be uploaded on e-portal (<https://parivesh.nic.in/>).
  - ix. The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
  - x. The boundary of the proposed forest land for diversion, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates.
  - xi. Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in Para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest (Conservation) Act, 1980 as issued by this Ministry's letter No.5-2/2017-FC dated 28.03.2019.

**B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval.**

- i. Legal status of forest land proposed for diversion shall remain unchanged.
- ii. Compensatory afforestation shall be raised over 79.20 ha of degraded revenue forest land identified in village Talmunda under Laikera Tahasil of Jharsuguda within three years from the date of Stage-II Clearance and maintained thereafter by the State Forest Department as per approved plan/scheme and maintained thereafter, at the cost of user agency. The species to be planted shall be indigenous to the area and naturally growing species shall be planted using intensive planting technique to ensure survival of the plantation. Intensive monitoring of the plantation needs to be done and documented using Geo tagging so that the increase canopy density and survival and growth of plantation can be evaluated at regular intervals. These reports shall be communicated to IRO periodically.
- iii. Additional compensatory afforestation shall be raised over 68 ha of degraded Forest land identified in Bhai Behan Budhikuten PRF & Banarai PRF under Bagidii Range of

Jharsuguda Forest Division within three years from the date of Stage-II Clearance and maintained thereafter by the State Forest Department as per approved plan/scheme and maintained thereafter, at the cost of user agency. The species to be planted shall be indigenous to the area and naturally growing species shall be planted using intensive planting technique to ensure survival of the plantation. Intensive monitoring of the plantation needs to be done and documented using Geo tagging so that the increase canopy density and survival and growth of plantation can be evaluated at regular intervals. These reports shall be communicated to IRO periodically.

- iv. At the time of payment of Net Present Value (NPV) at the then prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- v. The user agency needs to plan suitably for protecting DMF plantation and with minimum tree felling. The user agency may adopt the best conservation plan/Environmental Management Plan in consultation/guidance with/of the DFO.
- vi. The user agency shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
- vii. The user agency shall maintain green belt (33%) within the allotted area as per the direction of the concerned Divisional Forest Officer.
- viii. No labour camp shall be established on the forest land and the user agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas.
- ix. No additional or new path will be constructed inside the forest area for any activity related to the project work.
- x. The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- xi. The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forest & Climate Change.
- xii. The forest land shall not be used for any purpose other than that specified in the proposal.
- xiii. The forest land proposed to be diverted shall under no circumstances be transferred to any other user agency, department or person without the prior approval of Ministry of Environment, Forest & Climate Change.
- xiv. No damage to the flora and fauna of the adjoining area shall be caused.
- xv. The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.
- xvi. The user agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.
- xvii. The period of diversion under this approval shall be co-terminus with the period of lease granted in favour of user agency or the project life, whichever is less.
- xviii. The user agency shall submit annual self monitoring report on compliance of stipulated conditions to the Nodal Officer (FCA) of the State and concerned Integrated Regional Office of this Ministry by the end of March every year..
- xix. Any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
- xx. The State Govt. and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s)

pertaining to this project, if any, for the time being in force, as applicable to the project.

3. After receipt of the report on compliance to the conditions stipulated above, from the State Government of Odisha, final/Stage-II approval for diversion of the said forest land under Section 2 of Forest (Conservation) Act, 1980 will be issued by this Ministry. Transfer of forest land to user agency should not be effected by the State Government of Odisha till final/Stage-II approval for its diversion is issued by the Ministry of Environment, Forest & Climate Change.

Yours faithfully,

*Padma Mahanti*
