**B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval:**

1. Legal status of the diverted forest land shall remain unchanged.
2. At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
3. User Agency shall restrict the felling of trees to minimum numbers in the diverted forest land and trees shall be felled under the strict supervision of the State Forest Department.
4. The User Agency shall provide some water off take points in the forest area for supply of water to water holes for the Wildlife.
5. The User Agency shall provide water to the Forest Department for plantation activities.
6. The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
7. No labour camp shall be established on the forest land by the State Government.
8. No additional or new paths will be constructed inside the forest area for transportation of construction materials for execution of the project work.
9. The forest land shall not be used for any purpose other than that specified in the project proposal.
10. The total forest area utilized for the project shall not exceed 0.7815 ha.
11. The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government.
12. No damage to the flora and fauna of the adjoining area shall be caused.

13. The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
14. The concerned Divisional Forest Officer, will monitor and take necessary mitigation measures to ensure that there is no adverse impact on the forest in the surrounding area.
15. The User Agency shall submit the annual self-compliance report in respect of the above stated conditions to the State Government and Integrated Regional Office, Bangalore by the end of March every year.
16. The user agency shall comply with all the provisions of the all Acts, Rules, Regulations, Guidelines, Hon'ble Court Order (s) and NGT Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.
17. Any other condition that the Ministry of Environment, Forest and Climate Change may stipulate from time to time in the interest of conservation, protection and development of Forest and Wildlife.

After receipt of compliance report on fulfilment of the conditions mentioned above, the proposal shall be considered for final approval under Section-2 of the Forest (Conservation) Act, 1980.

Further, it may also be noted that this in-principle approval shall be valid for a period of 5 years from the date of issue of this letter. In the event of non-compliance of the above conditions, this in-principle approval shall be revoked after 5 years.

Yours faithfully,

(M.K. Shambhu)
