Date 20th April, 2022

To

The Additional Chief Secretary to the Government of Tamil Nadu,
Environment & Forests Department,
Secretariat, Fort St. George, Chennai - 600 009

**Subject: Diversion of 3.708 ha in Chinnayampattikaradu RF of Natham-
Thuvarankurichi (NH-785 extension) traverse through Natham Taluk of
Dindigul District in favour of National Highways Authority of India,
Dindigul- Reg**

Madam,

Please refer to the State Government's letter Nos. 17780/FR.10/2020-1 dated 08.02.2021 and 17780/FR.10/2022-5 dated 18.04.2022 online proposal No. FP/TN/ROAD/37330/2018 seeking prior approval of the Central Government for diversion of forest land in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project.

After careful consideration of the proposal of the State Government, I am to convey the Central Government's in principle approval (**Stage-I**) under Section '2' of Forest (Conservation) Act, 1980 for diversion of 3.708 ha in Chinnayampattikaradu RF of Natham-Thuvarankurichi (NH-785 extension) traverse through Natham Taluk of Dindigul District in favour of National Highways Authority of India, Dindigul, for a period of **twenty years**, subject to the following conditions:-

- (i) Legal status of the diverted forest land shall remain unchanged;
- (ii) Demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of the User Agency;
- (iii) The State Forest Department shall carryout plantation of indigenous tree species and its maintenance over an extent **8.00 ha** of degraded forest area in Chinnayampattikaradu RF, at the cost of the User Agency;

(Signature)

- (iv) The identified degraded forest area for CA purpose and CA scheme shall not be changed without prior approval of the Central Government. The CA land shall be demarcated properly;
- (v) As proposed, plantation of Thirugukalli (*Euphorbia Spp.*) and Kiluvai (*Commiphora caudata*) and other suitable species may be planted in the Chinnayampattikaradu RF to make RF a suitable habitat for Slender loris species.;
- (vi) The State Government shall charge the Net Present Value of the diverted forest land measuring 3.708 ha from the User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995 and Ministry's guideline No. 5-3/2011-FC(Vol-I) dated 06.01.2022 and clarification issued vide letter dated 19.01.2022;
- (vii) Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from the User Agency. The User Agency shall furnish an undertaking to this effect;
- (viii) All the funds received from the User Agency under the project shall be transferred/ deposited to CAMPA fund only through e-portal (<https://parivesh.nic.in/>);
- (ix) The trees of spontaneous origin shall be felled as per the orders of CEC/ Hon'ble Supreme Court of India, passed on 24.03.2022 in the IA Nos 2180 & 2186/2021 in WP 202/1995. Trees shall be felled under the strict supervision of DFO concerned. The trees (both spontaneous / planted) existing in the forest area over an extent of 1.0506 ha (within 3.708 ha) earmarked for space for avenue plantation shall not be felled. The tree felling may be carried out in phased manner as suggested / recommended in the wildlife mitigation plan;
- (x) The State Government may carryout habitat improvement activities in the Chinnayampattikaradu RF to ensure lesser / minimal impact on wild animals (in specific to Slender loris) due to widening of the road. These activities may be carried out from the amount to be realized towards Net Present Value (NPV) under the subject project. The DFO may be instructed to prepare APO accordingly;
- (xi) As per the kml file of the forest area proposed for diversion, part of the existing RoW road is not falls in the forest area proposed for diversion. Hence, such left out old road shall be dismantled and restore the area

with planting suitable indigenous tree species at the cost of the User Agency;

- (xii) Stage-I permission is granted to this proposal on a specific condition that the Wildlife mitigation plan/measures may be approved by the Competent Authority of the State, considering all aspects related to the conservation of Slender Loris. The mitigation measures must be in accordance with the guidelines issued by WII. Approved wildlife mitigation measures are to be implemented by the State Forest Department and UA at the cost of the project;
- (xiii) The User Agency shall construct retaining walls and check walls wherever required, by consulting the DFO concerned, at the project cost;
- (xiv) Construction of culverts/bridges, if any, over the natural streams/rivers/canals shall be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals;
- (xv) Roadside cuttings and fillings which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil;
- (xvi) The dug out material / overburden shall be dumped outside the forest area. Storage of any material shall not be done in the forest area;
- (xvii) The layout plan of the proposal shall not be changed without the prior approval of the Central Government;
- (xviii) The User Agency shall carryout avenue plantation (without felling of existing trees) on both sides of the road and also in the central verge of the road at the project cost;
- (xix) The User Agency shall provide fire wood preferably alternate fuel to labourers working at the site to avoid damage/tree felling and no labour camp shall be established inside the forest area;
- (xx) Disturbance shall be kept minimum by creating labour camps outside the forest area as far as possible and it shall be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
- (xxi) The total forest area utilized for the project shall not exceed 3.708 ha (including existing RoW road) and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal. The User Agency shall furnish an undertaking to this effect;

A handwritten signature in black ink, appearing to read 'Sridharan', is written in the bottom right corner of the page.

- (xxii) The forest land proposed for diversion shall under no circumstances be transferred or sublet to any other agency, department or person without prior approval of the Central Government;
- (xxiii) No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
- (xxiv) The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project;
- (xxv) Any other conditions that the Central Government or Regional Officer (Central) of Integrated Regional Office, Chennai may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;
- (xxvi) In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the provisions under rules / guidelines issued under FCA, 1980.
- (xxvii) The State Government shall process and submit compliance report on the above conditions through online(<https://parivesh.nic.in/>);

After receipt of the compliance report on above mentioned conditions, the proposal will be considered for final approval. This in-principle approval shall be valid for a period of 5 years from the date of issue of this letter. In the event of non-compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Yours faithfully,

(S.Sasikumar)

Deputy Inspector General of Forests (Central)
