No. FP/BR/Others/26844/2017 / 2 2 1 3

Dated 18th May, 2018

To

The Principal Secretary,
Department of Environment and Forests,
Government of Bihar, Sinchai Bhawan,
Secretariat, Patna.

Sub: Diversion of 0.0165 ha of forest land for construction of approach road for opening retail outlet of BPCL on the side NH-107, Tiri - Mathahi road by Smt. Tunam Kumari in Saharsa district of Bihar.

Sir,

I am directed to refer to your letter No.Van Bhumi-28/2018-489(E)/Pa.Va. dated 03.05.2018 on the above mentioned subject seeking prior approval of the Ministry of Environment, Forest and Climate Change under section 2 of Forest (Conservation) Act, 1980.

After due consideration of the proposal of the State Government, the Central Government, hereby, conveys "in-principle" approval for diversion of 0.0165 ha of forest land for construction of approach road for opening retail outlet of BPCL on the side NH-107, Tiri - Mathahi road by Smt. Tunam Kumari in Saharsa district of Bihar, subject to the fulfillment of the following conditions.

1. Legal status of forest land proposed for diversion shall remain unchanged.
2. The State Govt. shall charge the Net Present Value (NPV) of forest area proposed to be diverted under this proposal from the user agency as per the Orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 in this regard.
3. Additional amount of NPV of the diverted forest land, if any, becoming due after finalization of the same by the Hon'ble Supreme Court of India, shall be charged by the State Govt. from the user agency.

4. The State Government shall plant 50 trees to maintain the green cover at the project cost. Planting site for the purpose shall be identified by the State Forest Department preferably within or in the surrounding area of the project. Indigenous tree species should be preferred for such plantation. The user agency shall transfer the cost of plantation and its maintenance for 10 years (revised as on the date to incorporate the existing wage structure) to State Forest Department.
5. User Agency should ensure that the compensatory Levies (CA Cost, NPV, etc.) are deposited through challan generated online on web portal and deposited in appropriate Bank online only. Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
6. The toposheet map in 1:50,000 scale with depicting the proposal site & signed by the concerned DFO and User Agency shall be submitted prior to the final approval.
7. The boundary of the forest land proposed for diversion, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, DGPS coordinates, forward and back bearing and distance from adjoining pillars etc.
8. The approach road to petrol pump/fuel station should be as per the following norms issued by the Ministry of Road Transport and Highways and communicated vide Ministry's letter No.11-268/2014-FC dated 11.07.2014:-
 - (a) Fuel station should generally be a part of rest area complex having other amenities like place for parking, toilets, restaurants, rest rooms, shops etc. Proper planning should be done by the user agency, in advance, for construction of such complexes along the highways so that destruction of road side forest is minimized.
 - (b) Suitable signs and markings showing the location of the fuel station may be provided without disturbing the road side plantations.
 - (c) Entire periphery of the establishment should be lined up with tree plantation at a close spacing of 1.0 to 1.5 meter keeping an offset of 1.5 meter from the boundary, with light crown trees which will maintain greenery without compromising with the land requirement of the establishment.
 - (d) Suitable plantations should be raised by the user agency along the approach road, Separator Island and other vacant areas in addition to the

compensatory afforestation, required to be raised as per the extant guidelines.

9. Earth or any other material shall not be brought from and debris resulting during construction shall not be disposed of in the adjoining forest area by the user agency.
10. It will be the responsibility of the User Agency to ensure that the labourers and staff engaged in construction activity do not damage the nearby forest flora and fauna.
11. The lay out plan of the proposed forest land shall not be changed without prior approval of the Ministry of Environment, Forests and Climate Change.
12. The forest land proposed for diversion shall, under no circumstances, be transferred to any other agency, department or person without prior approval of the Ministry of Environment, Forests and Climate Change.
13. The forest land shall not be used for any purpose other than that specified in the proposal.
14. The user agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
15. Any other conditions that the Ministry of Environment, Forest & Climate change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.

After receipt of the compliance report on fulfillment of the conditions as stipulated above, from the State Government, formal approval will be issued in this regard under Section 2 of Forest (Conservation) Act, 1980. **Transfer of forest land to user agency should not be effected by the State Government till formal order approving diversion of forest land is issued by the Central Government.**

Yours faithfully,

(Vasanta Kiran Babu)
