22<sup>nd</sup> September, 2021

To

The Addl. Chief Secretary,  
Forest & Environment Deptt.,  
Government of Odisha,  
Bhubaneswar-751 001.

Sub:- Diversion of 6.754 ha of forest land for widening & strengthening of 2 Lane to 2 Lane with paved shoulder from Km 58/00 to 116/100 Km of NH-153 (B) in the State of Odisha on EPC Mode by Executive Engineer, NH Division, Sambalpur.

Madam,

I am directed to refer to State Govt. letter No10F(Cons)30/2021-6931/F&E dated 03.04.2021 and PCCF, Odisha letter No.14866/9F(Road)-317/2021 dated 01.08.2021 on the above mentioned subject seeking prior approval of the Ministry of Environment, Forest & Climate Change under section 2 of Forest (Conservation) Act, 1980.

2. After due consideration of the proposal of the State Government and on the basis of decision of Regional Empowered Committee meeting held on 21.05.2021, the Ministry of Environment, Forest & Climate Change hereby conveys '*Stage-I/in-principle*' approval for diversion of 6.754 ha of forest land for widening & strengthening of 2 Lane to 2 Lane with paved shoulder from Km 58/00 to 116/100 Km of NH-153 (B) in the State of Odisha on EPC Mode by Executive Engineer, NH Division, Sambalpur, subject to the fulfillment of the following conditions.

**A: Conditions which need to be complied prior to handing over of forest land by the State Forest Department.**

- i) The user agency shall transfer online, the Net Present Value (NPV) of 6.754 ha forest land being diverted under this proposal, as per the Orders of Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No.202/1995 and the guidelines issued by this Ministry vide its letter No.5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal in CAMPA account of the State concerned.
- ii) The land identified for the purpose of Compensatory Afforestation shall be clearly depicted on a Survey of India Topo sheet of 1 : 50,000 scale.
- iii) The KML files of the area to be diverted, the CA areas, the proposed SMC work, the proposed Catchment Area Treatment area and the WLMP area shall be uploaded on the e-Green watch portal with all requisite details before issuing working permission towards linear projects or submitting compliance report for seeking Stage-II approval, as the case may be.

Contd...2

- iv) The user agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of CAMPA of the concerned State through online portal. The Scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years.
- v) The Site Specific Wildlife Conservation Plan shall be prepared and duly approved by PCCF (WL) & CWLW, Odisha for implementation at the project cost with adequate overpass and underpass. Additional mitigative measures, as would be required for ensuring smooth movement of wild animals especially small mammals in the area shall also be included in the SSWLCP by emulating good practices of other States for large and small mammals.
- vi) All the funds received from the user agency under the project shall be transferred/deposited in CAMPA account only through e-portal (<https://parivesh.nic.in/>). Amount deposited through other mode will not be accepted as compliance of the Stage-I clearance.
- vii) The cost of felling of trees shall be deposited by the user agency with the State Forest Department.
- viii) The compliance report of the Stage-I approval shall be uploaded on e-portal (<https://parivesh.nic.in/>).
- ix) The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
- x) The boundary of the proposed forest land for diversion, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates.

**B: Conditions which need to be strictly complied on field after handing over of forest land to the user agency by the State Forest Department but the compliance in form of undertaking shall be submitted prior to Stage-II approval.**

- i) Legal status of forest land proposed for diversion shall remain unchanged.
- ii) Compensatory afforestation shall be raised over 16.00 ha degraded forest land identified in Rengali-Barhamal RF of Badmal Range under Rairakhol Forest Division within three years from the date of Stage-II Clearance and maintained thereafter by the State Forest Department as per approved plan/scheme and maintained thereafter, at the cost of user agency. The species to be planted shall be indigenous to the area and naturally growing species shall be planted using intensive planting technique to ensure survival of the plantation. Intensive monitoring of the plantation needs to be done and documented using Geo tagging so that the increase of canopy density and survival and growth of plantation can be evaluated at regular intervals. These reports shall be communicated to IRO periodically (six monthly).
- iii) At the time of payment of Net Present Value (NPV) at the then prevailing rate, the user agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- iv) The user agency shall raise strip plantation on both sides and central verge of the road as per IRC norms.

- v) The user agency shall use fly ash for the road construction and for filling up of void created due to soil borrows which will be followed by compaction and spreading of top soil over it as per Fly Ash Notification No. S.O. 254 (E) dated 25.01.2016.
- vi) The user agency shall submit an undertaking to ensure that flanks of roads should be filled by transported soil and not with soil dug from the side of the roads.
- vii) The designing of new culverts/bridges and redesigning the existing ones over the natural streams/ rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, so that it does not hamper movement of wild animals including fishes & amphibians migration.
- viii) For this proposed 2 lane with paved shoulder road, the user agency shall increase the number of culverts, hum pipe passages, bridges etc. in addition to the already existing and new constructions proposed by the user agency in the diversion proposal; to facilitate wildlife movement including amphibians. It is also be ensured, nowhere in the road adjacent passages are more than 400 mtr apart.
- ix) Speed regulating signage will be erected along the road at regular intervals in the Protected Areas/Forest Areas.
- x) The user agency shall provide suitable under/over passes in Protected Area/Forest Area as per recommendations of CWLW/NBWL/FAC/REC.
- xi) The user agency shall obtain Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if applicable.
- xii) No labour camp shall be established on the forest land and the user agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas.
- xiii) No additional or new path will be constructed inside the forest area for any activity related to the project work.
- xiv) The user agency while executing works, shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- xv) The layout plan of the proposed forest land shall not be changed without the prior approval of Ministry of Environment, Forest & Climate Change.
- xvi) The forest land shall not be used for any purpose other than that specified in the proposal.
- xvii) The forest land proposed to be diverted shall under no circumstances be transferred to any other user agency, department or person without the prior approval of Ministry of Environment, Forest & Climate Change.
- xviii) No damage to the flora and fauna of the adjoining area shall be caused.
- xix) The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.

- xx) The user agency shall explore the possibility of successful translocation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.
  - xxi) The period of diversion under this approval shall be co-terminus with the period of lease granted in favour of user agency or the project life, whichever is less.
  - xxii) The user agency shall submit annual self monitoring report on compliance of stipulated conditions to the Nodal Officer (FCA) of the State and concerned Integrated Regional Office of this Ministry by the end of March every year.
  - xxiii) Any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the user agency.
  - xxiv) The State Govt. and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.
  - xxv) Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in Para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of Forest (Conservation) Act, 1980 as issued by this Ministry's letter No.5-2/2017-FC dated 28.03.2019.
3. After receipt of the report on compliance to the conditions stipulated above, from the State Government of Odisha, final/Stage-II approval for diversion of the said forest land under Section 2 of Forest (Conservation) Act, 1980 will be issued by this Ministry. Transfer of forest land to user agency should not be effected by the State Government of Odisha till final/Stage-II approval for its diversion is issued by the Ministry of Environment, Forest & Climate Change.
4. However, to facilitate speedy execution of projects involving linear diversion, the in-principle approval may be deemed as the working permission for tree felling and commencement of work, if the required funds for CA, NPV and all other compensatory levies specified in the in-principle approval are realized from the user agency, the State Govt. may allow the commencement of work of the linear project in forest land for a period of one year as per Para 11.2 of Chapter-11 of Handbook of Guidelines issued under F.C. Act, 1980 vide Ministry's letter No.5-2/2017-FC dated 28.03.2019.

Yours faithfully,

(Padma Mahanti)

Dy. Inspector General of Forests (C)
