The Committee after detailed discussion and deliberation with the DDGF (Central), RO, Bengaluru (holding additional charge of RO Nagpur), Nodal Officer (FCA), Government of Maharashtra and after going through the facts of the proposal, observed that the project proposal has ambiguities, the proposal is incomplete and not based on actual ground situation.

Keeping in view the recommendations of the Advisory Committee and with the approval of the competent authority in the Ministry, it has been decided that the proposal cannot be accepted in its present proposition and the same is therefore rejected.
