Sub: Proposal is for diversion of 5.6 ha of forest land for Oil and Gas well drilling location KNEB in Dhansiri Reserved Forest under Karbi Anglong West Division, Diphu in favour of Oil India Ltd.

Sir,

This has got reference to the State Govt Assam letter FRS.91/2022/66 dated 11.07.2022 and No. ECF No. 247512/115 and eCF No 247512/261 dated 30.12.2023 on the subject mentioned above seeking prior approval of the Central Government in accordance with Section 2 of the FCA, 1980 and to say that the proposal has been examined by the Regional Empowered Committee constituted by Central Government under Section 3 of aforesaid Act. After careful consideration of the proposal and the recommendation by the REC in its meeting held on 28.02.2023 and subsequent approval of Ministry through e-office, In-Principle Approval (IPA) was granted by this office letter of even number dated 07.07.2023 subject to fulfillment of certain conditions.

3. In this connection and on the basis of the compliance report furnished by the State Government vide letter eCF No 247512/261 dated 30.12.2023 and its uploading on Ministry's portal on 04.01.2024 with submission of compensatory levies by e-challan and online payment by user agency under CAMPA, **Final Approval** of the Central Government is hereby granted under Section-2 of the Forest (Conservation) Act, 1980, for diversion of 5.6 ha of forest land for Oil and Gas well drilling location KNEB in Dhansiri Reserved Forest under Karbi Anglong West Division, Diphu in favour of Oil India Ltd., subject to the following conditions, subject to the following conditions:

- 1) The legal status of the diverted forest land shall remain unchanged.
- 2) The compensatory afforestation shall be raised and maintained over double the degraded forest land of 11.2 ha at Dhansiri Block, Central

Diphu Range in Karbi Anglong West Forest Division of Karbi Anglong District of Assam as per the funds deposited by the User Agency. As far as possible, a mixture of local indigenous species shall be planted and monoculture of any species may be avoided.

- 3) The State Govt shall ensure that the revised rates of Net Present Value amount of the forest land being diverted under this proposal is transferred through online portal by the user agency into CAMPA account of the State concerned as per the Ministry letter File No.5-3/2011-FC(Vol-I) dated 21.03.2022 before issuing of the Final Approval.
- 4) The boundary of the diverted forest land shall be suitably demarcated on ground at the project cost, as per the directions of the concerned Divisional Forest Officer.
- 5) The complete compliance of the FRA, 2006 shall be ensured by way of prescribed certificate from the concerned District Collector.
- 6) The State Govt shall ensure that under no circumstances, implementation of mitigating measures envisaged in Human Elephant/wildlife Conflict mitigation and wildlife conservation plan should be delayed beyond a period of 2 years to ensure commencement of rejuvenation of ecosystem services lost from the forest area allowed for non-forestry use of forest land at the earliest possible time.
- 7) The User Agency shall obtain the Environmental Clearance under Environment (Protection) Act, 1986.
- 8) The lay out of the proposal shall not be changed without the prior approval of the Central Government.
- 9) No labour camps shall be established on the forest land.
- 10) Sufficient firewood, preferably the alternative fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternative fuel.
- 11) No additional or new path will be constructed inside the forest area for transportation of construction materials for execution of the project work.
- 12) The period of diversion under this approval shall be co-terminus with the period of lease to be granted in favour of the user agency or the project life, whichever is less.
- 13) The forest land shall not be used for any purpose other than that specified in the project proposal.
- 14) The forest land proposed to be diverted shall under no circumstances be transferred to any other agencies, department or person without prior approval of Govt. of India.
- 15) The User Agency shall undertake mining in a phased manner after taking due care for reclamation of the mined over area. The concurrent reclamation plan as per the approved mining plan shall be executed by the User Agency from the very first year, and an annual report on

implementation thereof shall be submitted to the Nodal Officer, Forest (Conservation) Act, 1980, in the concerned State Government and the concerned Regional Office of the Ministry. If it is found from the annual report that the activities indicated in the concurrent reclamation plan are not being executed by the User Agency, the Nodal Officer or the concern Dy. Director General (Central) may direct that the mining activities shall remain suspended till such time, reclamation activities are satisfactorily executed;

- 16) Land so diverted shall revert back to the Forest Department in case it is not needed for the above use after due restoration to its original status (as far as possible and to the satisfaction of state Forest Department.)
- 17) The permission for exploratory drilling or prospection would not ipso facto imply any commitment on the part of Central Govt for diversion of forest land even if minerals/oil/hydrocarbons are struck for mining.
- 18) The user agency shall take precautions and care all the time not to impact adversely the surrounding forests and forest land by their actions/activities.
- 19) Tree felling shall be done only when absolutely unavoidable and such removal, if any shall be done under the supervision of the Forest department.
- 20) The concerned Divisional Forest Officer, will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in the surrounding area.
- 21) The user agency shall explore the possibility of successful translocation of maximum number of trees identified to the felled and shall ensure that any tree felling shall be done only when it is unavoidable that too under strict supervision of the State Forest Department.
- 22) The user agency shall submit the annual self-compliance report in respect of the above stated condition to the State Govt, concerned Regional Office and to the Ministry by the end of March every year.
- 23) Violation of any of these conditions will amount to violation of Forest (Conservation) Act, 1980 and action would be taken as prescribed in para 1.21 of Chapter 1 of the Handbook of comprehensive guidelines of the Forest (Conservation) Act, 1980 as issued by this Ministry letter No 5-2/2017-FC dated 28.06.2019.
- 24) The User Agency and the State Government shall ensure provisions of compliance of all the Acts, Rules, Hon'ble Court order (s) and NGT order(s) pertaining to this project, if any, for the time being in force, as applicable to the project.
- 25) All the clearance/NOCs under different applicable rules/regulations/local laws and under Forest Dwellers (Recognition of Forest Rights) Act, 2006 as required vide MoEF, New Delhi guideline No. 11-9/1998-FC(pt) dated 03.08.2009 shall be complied with.

- 26) This approval may be revoked if the above conditions of approval are not complied to the satisfaction of the Regional Office, Shillong.
- 27) Any other conditions that the Regional Office, Shillong Ministry of Environment, Forest & Climate Change may stipulate from time to time in the interest of conservation, protection and development of forests & wildlife. The state Govt shall ensure compliance of all the above conditions.
