

No.5-ORC349/2018-BHU

26th June, 2024

To

The Addl. Chief Secretary,
Forest, Environment & CC Deptt.,
Government of Odisha,
Bhubaneswar – 751 001

Sub:- Diversion of 19.43 ha of Revenue forest land in village Laikera, Chuabahal, Kalamegha, Bihajore and Kanaktora in Hemgir Tahasil of Sundargarh district, Odisha for construction of Railway Siding Corridor by NTPC Darlipali STPP to connect their MGR line (drawn between Darlipali STPP and their Dulanga Coal Mines) with MCL Railway stations at Laikera and Kechobahal to transport coal from Basundhara, Garjanbahal area of MCL and also for transportation of oil rakes to the STPP, Darlipali.

Sir,

I am directed to refer to State Govt. letter No.10F(Cons)91/2018-11100/F&E dated 14.05.2018, wherein prior approval of the Ministry of Environment, Forest & Climate Change for diversion of 19.43 ha of Revenue forest land in village Laikera, Chuabahal, Kalamegha, Bihajore and Kanaktora in Hemgir Tahasil of Sundargarh district, Odisha for construction of Railway Siding Corridor by NTPC Darlipali STPP to connect their MGR line (drawn between Darlipali STPP and their Dulanga Coal Mines) with MCL Railway stations at Laikera and Kechobahal to transport coal from Basundhara, Garjanbahal area of MCL and also for transportation of oil rakes to the STPP, Darlipali, was sought in accordance with Section-2 of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980. After due consideration of the proposal by the Ministry of Environment, Forest & Climate Change and on the basis of decision of Regional Empowered Committee meeting held on 07.06.2018, the in-principle approval for diversion of the said forest land was accorded by Ministry vide this office letter of even number dated 18.06.2018, subject to fulfillment of certain conditions. The Nodal Officer (FCA) of the State Government has furnished the compliance report in respect of the conditions stipulated in the in-principle approval and has requested to grant final approval of the proposal.

2. In this connection, I am directed to say that on the basis of the compliance report furnished by the PCCF & Nodal Officer (FCA), Odisha vide their letter No.456/9F(RAIL)-90/2017 dated 06.01.2024 & No.7338 dated 03.04.2024 and uploading of the compliance report in *Parivesh* web portal on 07.06.2024, **Stage-II/final** approval of the Ministry of Environment, Forest & Climate Change is hereby granted under Section 2 of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 for diversion of 19.43 ha of Revenue forest land in village Laikera, Chuabahal, Kalamegha, Bihajore and Kanaktora in Hemgir Tahasil of Sundargarh district, Odisha for construction of Railway Siding Corridor by NTPC Darlipali STPP to connect their MGR line (drawn between Darlipali STPP and their Dulanga Coal Mines) with MCL Railway stations at Laikera and Kechobahal to transport coal from Basundhara, Garjanbahal area of MCL and also for transportation of oil rakes to the STPP, Darlipali., subject to the fulfillment of the following conditions:-

A: Conditions which need to be complied prior to handing over of forest land.

- The State Govt. shall ensure the compliance on FRA, 2006 as per the Forest (Conservation) Rules, 2023.

- ii) The State Govt. shall ensure that the user agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required.
- iii) The State Govt. shall ensure that NPV of the above proposal has been realized from user agency as per Ministry's direction from time to time.
- iv) The State Govt. shall ensure that the KML files of the area to be diverted and the CA areas shall be uploaded on the e-Green watch portal with all requisite details before handing over of the diverted forest land to the user agency.
- v) The State Govt. shall ensure that the boundary of the diverted forest land shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, distance from pillar to pillar and GPS co-ordinates.

B: Conditions which need to be complied after handing over of forest land to the user agency.

- i) Legal status of the diverted forest land shall remain unchanged.
- ii) The State Govt. shall ensure that the State Forest Department will raise Compensatory afforestation over 38.86 ha of degraded forest land identified in Gundi PRF under RWC in Bhawanipatna Range of Kalahandi (North) Division within two year from the date of Stage-II Clearance as per approved plan/scheme and maintained thereafter by the State Forest Department from the funds deposited by the user agency in CAMPA account. The species to be planted in the CA scheme shall be of native species of the area. At least 18 month old seedlings should be planted. Intensive monitoring of the plantation needs to be done and documented using Geo tagging so that the increase of canopy density and survival and growth of plantation can be evaluated at regular intervals.
- iii) The user agency shall pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India.
- iv) The State Govt. shall ensure that State Forest Department shall carry out plantation of 10 times the number of trees to be felled from non-forest land at the project cost.
- v) The State Govt. and user agency shall ensure that the designing of culverts/bridges, if any, over the natural streams/ rivers/canals should be done in such a manner that it does not hamper the natural course of water, does not give rise to water-logging, and also does not hamper movement of wild animals.
- vi) The user agency shall create shelter belt by planting suitable tree species to minimize the dust pollution in the area along the railway siding corridor at the project cost.
- vii) The State Govt. shall ensure that the user agency as well as DFO, Sundargarh shall remain vigilant to ensure that no harmful impact of this project on the wildlife available in the area. The protective measures provided under approved SSWLC plans for NTPC-MGR and Dulanga coal mining project shall be meticulously implemented to ensure safety of the wild animals available in the area.
- viii) The State Govt. shall ensure that the user agency shall explore the possibility of successful transplantation of maximum number of trees identified to be felled and shall ensure that any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department.
- ix) The State Govt. shall ensure that no labour camp shall be established on the forest land and the user agency shall provide fuels preferably alternate fuels to the labourers and staff working at the site so as to avoid any damage and pressure on the nearby forest areas.

- x) The State Govt. and user agency shall ensure that no additional or new path will be constructed inside the forest are for any activity related to the project work.
- xi) The State Govt. and user agency shall ensure that while executing works, the user agency shall not fell any tree or damage forest growth in the surrounding forest area in any manner.
- xii) The State Govt. and user agency shall ensure that earth or any material shall neither be brought from nor the debris resulting during construction be disposed of in the adjoining forest area by the user agency.
- xiii) The State Govt. and user agency shall ensure that the layout plan of the proposal shall not be changed without prior approval of the Ministry of Environment, Forest & Climate Change.
- xiv) The State Govt. shall ensure that the forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other user agency, department or person without prior approval of the Ministry of Environment, Forest & Climate Change.
- xv) The State Govt. shall ensure that the DFO concerned will monitor and take necessary mitigative measures to ensure that there is no adverse impact on the forests in surrounding area.
- xvi) The State Govt. shall ensure that the user agency shall submit annual self monitoring report on compliance of stipulated conditions to the Nodal Officer (FCA) of the State and Integrated Regional Office of this Ministry by the end of March every year regularly.
- xvii) The State Govt. shall ensure that any other conditions that the Ministry of Environment, Forests & Climate Change may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, which shall be complied by the user agency.
- xviii) The State Govt. and user agency shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines, NGT Order (s) & Hon'ble Court Order (s) pertaining to this project, if any, for the time being in force, as applicable to the project.
- xix) Violation of any of these conditions will amount to violation of Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and action would be taken as prescribed in Para 1.16 of Chapter 1 of the Consolidated Guidelines and Clarification issued under Van Sanrakshna Evan Samvardhan) Adhiniyam, 1980 and Van (Sanrakshan Evam Samvardhan) Rules, 2023 by this Ministry's letter dated 29.12.2023.

Yours faithfully,

Padma Mahanti

(Dr. Padma Mahanti)

Dy. Inspector General of Forests (C)
