The Special Chief Secretary to the Government,
Environment, Forests, Science & Technology Department,
Telangana State Secretariat, Hyderabad.

Sub.: Diversion of 0.9614 Ha of forest land in Amangal division for Formation of approach road to reach agricultural lands situated in revenue lands in different Sy.nos of kappapahad village of Ibrahimpatnam Mandal from Aghapalli to Kalwakurthy Highway in Rangareddy district in favour of Sri R.Srinivas Rao & others, Rajendranagar, Rangareddy District - Reg.

Ref.: State Government's letter no. 322/For.I(1)/2023 dated 17.05.2023.

Madam,

With reference to the subject and reference cited above, this is to inform that the subject proposal submitted by the State Government has been examined. The satellite imagery reveals availability of alternatives and the access through other katcha roads. It also reveals the existence of a road for which supporting documents for the pre-existence of the cart track through the forest area and usage by the villagers as claimed or any permissions given, have not been submitted.

Further, giving exclusive access to one single applicant over a road would lead to right of way complications and fait accompli situations of other downstream entities. The State Government may therefore review the entire issue and deal with the access provisions comprehensively including the one proposed in the instant proposal. I am therefore directed to convey the rejection of the proposal.

Yours faithfully,

(Kailash Bhimrao Bhawar)

Assistant Inspector General of Forests (Central)
