APPENDIX
(See Rule 6)

FORM - 'A'

Form for seeking approval under section 2 of the proposals by the state government and other authorities

Part - 1

(To be filled up by user agency)

1. Project details (Baroud expansion (Rai West) Opencast Project 3 MTY)

(i). Short narrative of the proposal and project scheme for which the forest land is Acquired.

Total land of 747.82 Hectares has been provided by the Govt of India under CBA act at village Baroud, Bijari, Kurmibhawana & Part of Phaguram of Tahasil Gharghoda in Dist Raigarh (CG) for mining of Coal. The SECL company has conducted survey of the allotted land and prepared a project report for systematic mining of Coal in this area. As per the Project Report there is 140.89 million Tons of minable coal reserve in this area which has been planned to be exploited by opencast mining in 48 years. There is requirement of Coal in this area for soft iron manufacturers and other small and medium scale industries, power houses in the district in the and outside.

Section 7(1) has been completed and published in the official gazette under C.B.A act by the Government of India (copy enclosed). Out of total 747.82 Hectares of land 238.373 Hectares forest lands is required for mining of coal. Therefore prior approval under section 2 of forest conservation act is required. Hence the proposal is submitted for registration with the prescribed fees.

(ii). Map showing the required forest land, boundary of adjoining forest on a 1:50,000 scale map.

The required map has been enclosed.

(iii). Cost of project

Rupees 258.56 crores

(iv). Justification for locating the project in forest area.

The area below the forest land has sufficient reserves of coal which could be mined out by opencast mining method only. Details briefed in enclosed PR.

(v). Cost benefit analysis (to be enclosed)

The cost benefit analysis is enclosed.

1) **Employment likely to be generated.**
Permanent Employment Generated approximate 480 nos.

Purpose-wise break-up of the total land required.

Tenancy Land	401.234 Ha
Forest Land	238.373 Ha
Govt. Land	76.222 Ha
Total Land	715.829 Ha

Forest land required for Quarry—238.373 Hectares.
