

APPENDIX

Form for seeking prior approval under section 2 of the proposals by the State Government and other authorities

PART - 1

(To be filled up by User Agency)

1.	Project Details :	
(i)	Short narrative of the proposal and project/scheme for which the forest land is required.	Construction of Sea Wall (500.00 mtr) in the fisheries settlement on the sea coast near Oralkatcha Jetty.
(ii)	Map showing the required forest land boundary of adjoining forest on a 1:50,000 scale map.	Topo sheet of the proposed area enclosed.
(iii)	Cost of the project	1,35,17,465.00
(iv)	Justification for locating project in forest area	The need of the proposed sea wall is evident as it is, expected to improve the living standards of the fishing communities living in that area. Presently life & property of the fishermen communities of the area are always in danger of Tsunami, crocodile attack and tidal effects. After construction of sea wall life and property of fishermen community living in that area could be saved from natural calamity like Tsunami, flood and tidal effects.
(v)	Cost benefit analysis (to be enclosed)	It is considered important to identify the social benefit accrued by providing sea wall access and quantify them in economic terms so as to incorporate them as benefits together with economic benefits.
(vi)	Employment likely to be generated	Several employment opportunities will be created during construction of road and its maintenance.
2.	Purpose wise break-up of the total land required	(a) Construction of Sea wall = 0.067 Hect (b) Cement Godown = Nil (c) Labour Barrack = Nil (d) Quarry Product Yard = Nil (e) Site Office = Nil Total forest land required = 0.067 Hect Remark: Item b, c, d, e will be adjusted from the Junior Engineer situated at Nilambur.
3.	Details of displacement of people due to the project, if any	
(i)	Number of families	NA
(ii)	Number of Scheduled Castes/Scheduled Tribes families	NA
(iii)	Rehabilitation Plan (to be enclosed)	NA
4.	Whether clearance under Environment (Protection) Act 1986 required? (Yes/No)	YES
5.	Undertaking to bear the cost of raising and maintenance of compensatory afforestation and / or penal compensatory afforestation as well as cost for protection and regeneration of Safety Zone, etc. as per the scheme prepared by the State Government (undertaking to be enclosed)	APWD will bear the cost of raising and maintenance of compensatory afforestation as well as cost of protection and regeneration of safety zone for the required forest land along the sea coast.
6.	Details of Certificates / Documents enclosed as required under the instruction.	1. Copy of Administration letter no. 4-12/2010-11/TS//df/Bld/2186 dated 16.11.2010 received from Director of Fisheries & letter no. 2-2(584)/Tech/SE(P)/CE/2010-2011/08 dated 08.01.2011 received from Ex. Engineer(P)-II. directing for construction of proposed sea wall. 2. Index Map 3. Location Map 4. Topo-sheet of the proposed sea wall. 5. Site Plan 6. Google map sheet (available in the EIA report. 7. Final report of EIA study.
