1	1. Perusal of the EIA report shows the requirement of land for allied construction activities like service roads, quarry sites, muck disposal sites, solid waste management, etc and also suggests many measures like green belt development, environmental management plan, etc. However, none of these requirements/plans have been mentioned in the proposal. 2. Perusal of the CAT plan approval document reveals several suggested amendments to the CAT plan and to submit the revised CAT plan, including measures for bugyal management in the catchment. 3. Under these circumstances, the user agency may be advised to make a fresh proposal with all the forest land requirement for	04 Jan 2017		Nodal Officer	ShortComing in the proposal
